### Friendship Guild Members Serve On Jury Program

Twelve members of the Friendship Guild of West Newton served as jurors Wednesday, May 31, on a unique coast-to-coast radio show from WNAC, "The American Woman's Jury," from 1:45 to 2 p.m. The West Newton women who helped solve the marital problem of a Navy wife were: Mrs. Harry M. Shank, 73 Falmouth road; Mrs. D. L. Hoherty, 47 Noble street; Mrs. Kenneth D. Ransom, 6 Ellsworth road; Mrs. Orville C. Lockwood, 50 Noble street; Mrs. Charles Evans, 371 Waltham street; Mrs. Robert Bacon, 377 Waltham street; Mrs. Ralph Nutter, 128 Upland avenue, Newton Highlands; Mrs. T. C. Danker, 65 Past avenue; Mrs. Carl W. Johansson, 71 Warwick road; Mrs. Frank D. Ruggles, 62 Warwick road; Mrs. D. C. Moody, 83 Adams avenue; and Mrs. Clarence Hosmer, 133 Webster street.

### Need Volunteers To Cut Gauze

An appeal for volunteers to cut gauze for surgical dressings has been issued by Mrs. Charles E. Spencer, Jr., chairman of Surgical Dressings for Newton Red Cross. "Some of the ladies from the workrooms are cutting the material every day and some evenings," said Mrs. Spencer, "but we will need more help if we are to meet our quota to the army."

## Norumbega Council Holds Meeting

About 350 Scouts, guests and friends gathered at the Wellesley Senior High School on Saturday evening, May 27, for the 21st Annual Meeting of the Norumbega Council, Inc., Boy Scouts of America.

Supper, preceded by the invocation by the Rev. E. M. Godfrey of Wellesley, was served in the school dining hall.

Mr. H. J. Pettengill, Executive Director of the Newton Community Chest, led the group singing.

At 8:00 o'clock the meeting adjourned to the auditorium, where supper guests joined many others in participating in the Annual Meeting.

The Program opened as Color Guards from the Council Troops and Packs marched down the aisles massing the flags at the front of the auditorium.

Council President Joseph B. Jamieson introduced Edward T. Kilmain, Member of the Wellesley Board of Selectmen, and Mayor

Paul M. Goddard of Newton, who extended greetings from the Town and City and expressed thanks to the citizens responsible for training the Youth of Wellesley and Newton.

Mr. Jamieson then introduced Commissioner James C. Walton, who cited the work of the local men and women volunteers who have generously given their time and talents in leading and training the Cubs and Scouts of the Council.

Then, from the wings, the volunteer Scoutmasters and Cubmasters of the Council Scout Troops and Cub Packs filed onto the stage.

The Nominating Committee, Charles Raymond Cabot, Vernon Hall, and Maynard Hutchinson submitted nomination for Council officers for 1944-45. The officers elected were: President, James C. Walton; Vice President, Grosvener D. W. Marcy; Vice President and Commissioner, Frank B. Kennedy; Vice President, Dr. Francis C. Newton; Treasurer, Anthony

Laurey, Executive Board, one year: Benjamin W. Guernsey, William J. Baxter, Joseph B. Jamieson, Executive Board, two years: George H. Larsen, Benjamin Levin, Charles O. Richter, Stanley W. Merrill, Carl D. Smith, Carl J. Grip, Continuing members of the Executive Board (previously elected): Vernon H. Hall, Arthur G. Wolftrum, Frederick R. Garon, Albert C. Blunt, George Broadhead.

Dr. H. W. Hurt, National Director of Reading Program and Program Review, B.S.A., was introduced by Don W. Moyer, Scout Executive of the New England Region. Dr. Hurt spoke of the important part Scouts and Scouters will have to play in our war time and post-war world.

In conclusion, he stated, there should be one all important ingredient in our lives today: the war torn world needs it, democracy depends on it for its very existence, our servicemen who are fighting for it will be stabilized by it on their return; it is "caring about other people." We are all in the same boat—if one of us kicks a hole in the boat we will all get wet—we "must care about others."

3 Home Nursing  
Classes End

In an effort to train one person in every home to take care of her family in time of emergency, the Newton Red Cross Home Nursing committee has just awarded certificates to three groups of women who have completed the standard course.

Mrs. Edith B. Morrill instructed the following in a class in Newtonville: Mrs. Phoebe B. Gregorian, Miss Mary R. Connolly, Miss Ann M. Carthy, Mrs. Ellen Braithwaite, Mrs. Dorothy Perkins, Mrs. Mary K. Murphy, Mrs. Ruth Hill, Mrs. Dorothea F. Pratt, Mrs. Helen M. Doyle and Mrs. Rose M. Mullen.

In Newton Lower Falls, the class with Mrs. Lora V. Thayer teaching, included Mrs. Doris Mildred Beers, Mrs. Dorothy K. Bender, Mrs. Ruth Burke, Mrs. Mildred F. Colantonio, Mrs. Helen Daley, Mrs. D. Bradford Davis, Mrs. Helen Dooley, Mrs. Margaret Mary Penton, Mrs. Louise F. Harrington, Mrs. Caroline Jerome, Mrs. Charity Anne Molinari, Mrs. Dorothea Drury Patterson, Mrs. Marion DeLoy Roberts and Mrs. Anne Myra Seaver.

In the Newton group, taught by Mrs. Gertrude A. Hoskins, were Mrs. Beatrice P. Abbott, Mrs. Myrtle Allen, Mrs. Marie P. Dell, Mrs. Eunice M. Bender, Mrs. Margaret Gerrity, Mrs. Eugenia F. Johnson, Mrs. Lillian Lamb, Mrs. Mary E. Merrill, Mrs. Helen J. Regan, Mrs. Dorothy N. Smith, Mrs. Claire H. Stoker, Mrs. Catherine Switzer, Mrs. Lola Tinker, Mrs. Elizabeth Adams, Mrs. Mary Fitch, Mrs. Weltha Hill and Mrs. Rose Rowley.

Four Star Certificates were presented to Mr. and Mrs. Archibald Bradley, Mr. and Mrs. John E. McElaney, Mr. and Mrs. Angus McLean, Mr. and Mrs. Raymond J. Costa, Mr. and Mrs. William McGough, Mr. and Mrs. Frank P. Joyce and Mrs. John T. Burns.

Two more 4 star certificates are to be presented to Mr. and Mrs. Robert J. Burns and Mr. and Mrs. Harry L. Smith.

Governor Stantonall gave a very fine and interesting address regarding the object of the Parents' organization and urged a large membership as he stated no one knows more about their sons and daughters in the service and what should be done for them than their parents.

Mrs. P. J. Duncan of West Newton was appointed chairman of an

entertainment committee.

Several guests were present among them John Gallagher, president of the Watertown Chapter, President Logan of Cambridge, President R. L. McQuillan and Secretary Stephen Hamblin of the Hat Body, and George C. Clark, executive secretary.

The next meeting will be held on Monday evening, June 19, in the Davis School, Waltham street, West Newton at 8 o'clock. The speakers will be Deputy Commissioner Richard F. Cunningham of the Veterans Bureau and Edward P. Mulhern, Chief of Contact Veterans Bureau.

Every parent who has a son or daughter in the service is eligible to become a member of this organization.

Newton Highlands

Wilbraham Academy

Richard E. Bunker, son of Everett L. Bunker, 38 Lakewood road, and Charles D. Odell, 57 Hyde street, both of Newton Highlands, will graduate from Wilbraham Academy, on Sunday, June 4th.

Due to the accelerated program, designed by Headmaster Charles L. Stevens to meet wartime conditions, these are the second graduation exercises held this year. The class of 1944 is the 128th class to graduate from the Academy.

A "Fibber McGee  
Closet" Cleaned Out

Well, one thing is sure . . . Newton will be right up there in the front ranks of the Paper Salvage drive if the Rose-Derry Company has anything to say about it. In the deep, dark shadows of their old files and have dug in to dig out five tons of paper. That's a lot of paper and it took ambition to tackle what seemed like an impossible job, but they did it. And Fibber McGee's closets—you never know what you'll find, for along with the five-ton paper eviction, close to a ton of old copper, zinc, steel and other metals used for engravings were discovered.

Both the paper and metal were disposed of and the proceeds sent to the Newton Chapter of the American Red Cross.

We're willing to wager you have a "Fibber McGee Closet" somewhere in your office—cellar—attic—or garage. Why not join the Newton in bringing Victory that much closer. Collect your waste paper and turn it into war stamps or bonds. Better still—help the Red Cross do a difficult job by donating your scrap to the Newton Chapter.

## War Parents Officers Are Installed

A meeting of Newton Chapter No. 14, War Parents of America was held at the Newton City Hall cafeteria on Wednesday evening, May 24. The meeting was called to order at 8:10 by A. Leslie Moriarty, President. Following the salute to the flag, a prayer was offered by the chaplain, and the gathering joined in the singing of "America."

Reports were read on Legislative matters pending in Washington and letters were read from several Congressmen, and from U. S. Senator Sinclair Weeks. Both the Senator and Mrs. Weeks are members of the Chapter.

The following officers were installed by National Treasurer, William H. Bright of Waltham, assisted by Thomas Corder of Waltham as Sergeant at Arms: President, A. Leslie Moriarty; Vice Presidents, Mrs. Alice Marcell and Alfred G. Kerr; Treasurer, Mrs. John O. Brown; Secretary, Oswald Patrick; Organist, Lawrence Mitchell; Chaplain, Mrs. Mary M. Ellett, Mr. and Mrs. Archibald B. Bradley; Executive Committee, Mrs. Harry Van Wart, John O. Brown, Mrs. Etta Haverty, Roderick McLean, Mrs. Lois D. Wood.

Present at the meeting were his Excellency Governor Leverett Saltonstall and Mrs. Archibald Patrick, wife of Secretary Patrick, made the presentation of the flag and thanked the members of the Relief Corps for their assistance. Mr. and Mrs. Patrick have three sons in the service.

Mrs. Patrick, a National officer, gave a fine address and told some very interesting stories.

Governor Saltonstall presented Gold Certificates to Mr. and Mrs. Antonio Magni, Mrs. John A. Duane, Mr. and Mrs. James A. Vitello, Mr. and Mrs. Louis Lambert, John T. Murphy, Mr. and Mrs. Ralph Hale and Mr. and Mrs. Harry M. Ellis.

Four Star Certificates were presented to Mr. and Mrs. Archibald Bradley, Mr. and Mrs. John E. McElaney, Mr. and Mrs. Angus McLean, Mr. and Mrs. Raymond J. Costa, Mr. and Mrs. William McGough, Mr. and Mrs. Frank P. Joyce and Mrs. John T. Burns.

### Red Cross Seeks Missing Relative

Newton Red Cross is seeking the whereabouts of Barnet Bluestein, formerly of 332 Cherry street, West Newton, to deliver a cable message to him from Pashia Julman of Romania. Anyone knowing the present whereabouts of Mr. Bluestein should communicate at once with Newton Red Cross, 21 Foster street, Newtonville, telephone Lasell 6000.

### Cecilia Peterson Wilner Pupils Heard In Recital

Pupils of Cecilia Peterson Wilner were heard in a pianoforte recital Sunday afternoon, May 7, in the Newton Highlands Woman's Club house before a large and enthusiastic audience. There were six ensembles played with excellent style and finish on two Steinway grand pianos. Among them the well known Country Gardens—Grainger, Knight Rupert-Schumann, Amariyllis (Air of King Louis XIII), Henry Ghys and the Jubel Overture, Weber.

Patricia Biggin, a senior at Newton High, played a composition of her own, Valsette, a minor which was warmly received. She also played the "Moonlight" Sonata, Beethoven, with poise and depth of poetic feeling. Her Valsette was heard for the first time at the Senior "Beaux-Arts" performances March 31, afternoon and evening in the Newton High School auditorium.

The soloists on the program were Joan Edgar, Virginia Berry, Marcia and Edith Gross, Martha Goodway, Sally-Ruth McDermott, Carol Brooks, Cynthia Thompson, Patricia Biggin, Marion Bears and Mary Dittmore. Their solo groups were played musically throughout.

A third year class illustration of Paul Gauguin was given in an excellent manner by Jane Brown, Roger Herdman, Ruth Morris, Donald Chapman and William Scully.

The club house was prettily decorated with branches of pear blossoms and made a very fitting background for the girls' light and summery dresses and the boys in their very best.

### Staff Sgt. Murphy Awarded Air Medal

Staff Sgt. Robert G. Murphy, 20, son of Mr. and Mrs. Frederick Murphy of 117 Edinboro street, Newtonville has been awarded the Air Medal for "meritorious achievement in aerial operations" according to word received from the South Pacific.

Sgt. Murphy is a flight engineer on a B-2 Liberator. He was graduated from the Newton High School in 1941 and entered the Army October 22, 1942, training at Amarillo, Texas and Pueblo, Colorado. He has been in the Pacific battle area for more than four months and has completed at least 15 missions.

His father is a member of the Newton Fire Department stationed at Newton Highlands.

### News from the F. A. Day Junior High School

A campaign to raise money for the National Children's Fund, a Junior Red Cross activity, was launched last week. Miss Roy, retiring chairman of the Junior Red Cross in Newton addressed the school body over the public address system. Students assisting in the program were, Jean Maintrain, Billy Buchen, Donald Cox, and Charles Billings.

Priscilla Cook, a former student here and now a member of the Junior Class at Newton High, asked our band to accompany her when she entertained the Masonic lodge last Wednesday evening with her exceptional baton twirling. The Band, under Mr. Jurgielewicz's direction played four numbers.

## Testimonial Dinner Given Seward W. Jones on 50th Bank Anniversary

On Friday evening May 26,

about 250 directors, officers, employees and guests of the Newton Trust Company gathered at a Testimonial dinner at the Newton Centre Woman's Club to commemorate the 50th anniversary of the bank and to honor its president, Seward W. Jones upon his 30th year as president and 50th year as director of the institution.

Frank L. Richardson, executive vice-president of the Newton Trust Company, acted as toastmaster and welcomed the staff of the bank and the guests. He spoke of Mr. Jones' extraordinary achievements, and said that it was through the efforts and guidance of Mr. Jones that the bank had attained its present strong, enviable position. Mr. Richardson gave a brief outline of the various difficult national financial periods through which the bank had passed, and said "During the years 1929-30-32 the nation-wide financial situation was unprecedented in its severity, yet today, due to its leadership, the bank is stronger than ever in capital funds and assets." He said that the office of president was like the keystone of an arch. "He must also command and have confidence," continued Mr. Richardson, "must have vision, business integrity, courage, loyalty and the faculty of making others in the bank feel they are important. All these qualities Mr. Jones possesses."

Mr. Richardson then introduced Mayor Paul M. Goddard, who offered his congratulations. The mayor addressed his closing remarks to Mr. Jones with these words, "We hope you are as proud of what you have done, as we are proud to be the beneficiaries of your service."

Senator Sinclair Weeks spoke of his long acquaintance with Mr. Jones and of the great friendship that had existed between his father, the late John W. Weeks, and Mr. Jones. The senator said that Mr. Jones stood for the best in public and private life in his community. "Newton's Banks, Institutions and Government are not often duplicated," Senator Weeks said, "and Newton can hold its head high because men like Seward Jones settled here and made it a city of which we are all proud."

Mrs. Albert S. Hutchinson spoke in behalf of the Women's Advisory Committee of the Bank and Mr. Howard P. Converse, dean of directors, offered congratulations and extended the best wishes of the bank's directors.

The following attractions will be featured: apron and fancy work, Mrs. Hans Graf, chairman; mystery table, Miss Doris Brown, chairman; grabs, Mrs. Marian Cedergren, chairman; pony rides, Mrs. Harold Overstrom; food table, Mrs. Roy Grubahn's group; candy table, Mrs. Wm. Kestle's group.

The Church Flower Guild, flower and plant table; tickets and publicity, Lend-a-Hand group; and lemonade, Youth Fellowship group.

A dinner will be served from 5 to 7 p. m. Decorations are in charge of Mrs. George Malanson and Mrs. Louis Remond. If stormy the party will be held on Wednesday, June 7.

Mrs. Emma Frances Hayward of Nantucket, the bank's first employee, recalled the early days of the bank. Referring to Mr. Jones, she said, "I don't see how we could have lived without him."

Treasurer William M. Cahill brought greetings from his associates in the Trust Company and spoke for the 12 employees who are in the armed services. He gave a brief biographic sketch of Mr. Jones, beginning with his early struggles in Ebersburg, Penna., where Mr. Jones was born February 9, 1857. In behalf of the staff of the Newton Trust Company, Mr. Cahill presented Mr. Jones with a gold plate bearing this inscription:

"Honorable Seward W. Jones — From his Newton Trust Company friends, with warm affection in celebration of his fifty years of outstanding service. Director, 1894—President, 1914. Newton Centre, Mass., May 26, 1944."

In accepting the gift, Mr. Jones paid high tribute to his associates. He said that for 50 years he had done the best he could for the bank, but, characteristically claimed that the credit for the bank's growth belonged not to himself but to others.

The Women's Society of Christian Service will hold a lawn party on the church grounds on Tuesday, June 6, which will be arranged by the Lend-a-Hand group.

The following attractions will be featured: apron and fancy work, Mrs. Hans Graf, chairman; mystery table, Miss Doris Brown, chairman; grabs, Mrs. Marian Cedergren, chairman; pony rides, Mrs. Harold Overstrom; food table, Mrs. Roy Grubahn's group; candy table, Mrs. Wm. Kestle's group.

### The Boy Who Will Come Back

He went away with a smile on his face, the brim of his collegiate hat

Tipped at that "don't care" angle, as if to say "That's that";

A cheek that knew no razor's edge, with a skin like peaches and cream,

And he whispered, "Ma, don't worry, your kid is on the beam."

He came home on his furlough, my boy had become a man,  
With his close cropped hair, his keen-eyed stare, his deep-set coat of tan;

With his chin held high, his deeper voice, his shoulders broad and square,

And he whispered, "Ma, don't worry, I'll come back from over there."

He's out there on the islands, in the thickest of the fight,

But his voice comes to me in whispers, "Don't worry, Ma, all's right";

And God in His infinite goodness, will guide him along the way,

And my heart returns the answer, he will come back some day.

Bill Maloney

### To Hold Evening Registrations

Endeavoring to make it possible for men and women in the armed forces to register in absentia and for defense workers to place their names on the lists without loss of time, Frank M. Grant, City Clerk, announced this week that his staff and a group of assistants would hold evening registrations throughout the city.

The Massachusetts General Court moved the primary date from September to July 11 so that our men and women in the military would be able to get ballots no matter where they may be in the world—in time to mark their selections and return them before the election in November," Mr. Grant said.

"However, it is necessary that they be properly registered in their city or town of residence, otherwise they will not receive a ballot."

Registering a man or woman in the armed services is a simple procedure, Mr. Grant explained. Any relative—father, mother, brother, down to niece or nephew—who is a registered voter himself or herself, can register the soldier or sailor, providing he is now 21 years of age, or will be 21 on or before November 7, 1944, and further providing his legal domicile has been Newton for the past year.

The procedure described by Mr. Grant for registering a voter in absentia is for those in the armed forces only. All others must register in person.

Charles B. Floyd, former aldermanic president and chairman of the Newton City Republican Committee, also assured fullest assistance to the voters in registering. "With so many of our men and women away from Newton with the armed forces, it becomes more imperative now than ever that every citizen exercise his or her right to vote," Mr. Floyd declared. "Furthermore, it is the duty of every registered voter to see that his relatives in the armed services are registered so that they may cast a ballot if they desire."

"Because they are away from the city and perhaps out of the country, we at home must show our fighting men that a Democracy sees to it that its citizens, no matter where they may be, are not deprived of their right to vote. Our Governor, and the Legislature have done their part. Now let us do our part. We will be announcing at all of those in the armed services expressing a desire to vote get a ballot, providing they are registered."

"I also urge every Republican ward chairman, to turn out as many of their comrades as possible to assist residents of Newton in getting registered without loss of time from work."

All evening registrations will be between the hours of 7:30 and 9 p.m., as follows:

Newtonville, Claflin School, June 15

WARD 4

Auburndale, Burr School, June 8

WARD 5

Newton Highlands, Hyde School, June 5

WARD 6

Waban, Angier School, June 6

Newton Upper Falls, Emerson School, June 7

Oak Hill Village, Oak Hill School, June 8

WARD 6

Newton Centre, Mason School, June 14

In addition to the regular hours from 8:30 a.m. to 5 p.m. and 8:30 a.m. to 12 noon on Saturdays, the City Clerk's office at City Hall will be open for registration from 7:30 to 9 p.m. on June 12, 13 and 14. Evening registration dates for other wards will be announced next week, Mr. Grant said. All persons, regardless of party affiliation, may register at these meetings.

Why everyone should buy War Bonds, "To keep a production of War Bonds." Back the attack, buy more than before. Mrs. Edgar P. Hay, Chairman, War Div., Newton War Fin. Com.

### Women Voters To Visit Cambridge

Mrs. E. B. Millard, president of the Newton League of Women Voters, is interested in "A Second Glimpse Inside Cambridge" which will be made available to the public the afternoon of Saturday, June 3, when the Cambridge League of Women Voters conducts a benefit tour of ten of the distinctive houses in the University City. Four of the houses to be opened were among the most popular ones on view during a similar tour sponsored by the League last fall, but the other six have seldom been opened to the public.

Although the primary interest of most of the houses is historic, special enthusiasm is anticipated for the one modern house to be opened, the Philip Johnson House, 9 Ash street, which is an experiment in the new architecture design by a former staff member of the Museum of Modern Arts in New York.

Also to be opened is the Waterhouse House, 7 Waterhouse street. Although sometimes dated as early as 1740, this house is considered to have been built by Mr. Frost, perhaps for William Vassall, in 1758. Later it was the home of D. Benjamin Waterhouse, professor of medicine at Harvard and the first doctor to practice vaccinations in this country. The house has the low ceilings of an earlier period, but the generous hall is in the style of the Cambridge mansions of the day.

The Bates-Hall House, 11 Hawthorn street, is dated 1790, and was built by Joseph Bates, a sergeant in the Revolutionary Army and a master carpenter. It is now occupied by the Richard H. Halls. The Adams-Belcher Frizzell-Vassall House on Hawthorn street was originally an Adams dwelling, but the present house was rebuilt from the remaining eight-foot square chimney by John Vassall about 1741. It was used as a hospital during the Revolution.

The Munroe-Runkle-Pete House on Willard street was probably built by the blacksmith, Daniel Hastings, some time before he is known to have moved from Cambridge in 1722. Although additions have been made since, the small scale and old-fashioned air of the original has been carefully kept. The nucleus of the Lee-Nichols-Emerson House at 159 Brattle street is a house of the usual 17th century type with a tremendous central chimney of brick laid up in clay and oyster shells. The William Emersons, present occupants, have done a very discreet work of restoration and repair.

The four houses to be reopened in this tour are the Plagg-Taylor-Cannon House of early colonial architecture, the Vassall-Craigie-Longfellow House, known primarily as the home of Henry Wadsworth Longfellow, the Ruggles-Payerweather-Morrison House, another noble Tory row mansion, and "Elmwood," the life-long home of James Russell Lowell, and now occupied by Mrs. A. Kingsley Porter.

Mrs. Arthur H. Brooks, Jr., heads the large Cambridge Committee. The architectural program notes are being written by Prof. Kenneth J. Conant of the architectural school at Harvard. Mrs. Horace E. Hildreth has made an attractive booklet of "Notes by the Way," chatty anecdote and history. Mrs. Benjamin F. Wright, Jr., of 78 Fresh Pond parkway, is chairman of an active committee in charge of tickets.

### Rev. Fallon Goes To Middleboro

Rev. Thomas P. Fallon who came to the Church of Our Lady, Newton to serve as a curate following his ordination at St. John's Seminary, Brighton in 1939, has been appointed administrator of the Sacred Heart Church in Middleboro.

While at the Church of Our Lady, Fr. Fallon has served under three pastors, the late Rev. Lawrence W. Slattery, the late Rev. John A. Sheridan and the present pastor, Rev. Michael E. Doherty, and was spiritual director of Our Lady's Sodality.

He delivered his farewell sermon at the Newton church on Sunday.

NEWTON YOUTHS GRADUATE FROM MILTON ACADEMY  
Graduating from Milton Academy, Milton, Mass., last week were the following students from Newton:

From the Girls' School—Jean MacDill, daughter of Mrs. Leslie MacDill of 40 Beacon street, Chestnut Hill.

From the Boys' School—Howard P. Hall, son of Dr. and Mrs. Francis C. Hall of 55 Devon road, Chestnut Hill; William D. Weeks, son of Senator and Mrs. Sinclair Weeks of 97 Valentine street, West Newton; Theodore Clark, now a student at Dartmouth and son of Mr. and Mrs. Joshua B. Clark of 5 Sylvan avenue, West Newton and George J. Arnold, son of Mr. and Mrs. Warren D. Arnold of 50 Glencoe road, Chestnut Hill.

Clark and Weeks received their diplomas with Distinction for High Schoolship.

Four prizes were awarded to Weeks, Head Monitor of the Academy for 1943-44. For an essay in history on "Isolation versus Internationalism" he was awarded the Gorham Palfrey Falcon Prize; for excellence in the study of United States History, the Washington and Franklin award by the Massachusetts Society of the Sons of the American Revolution; for pre-eminence in physical efficiency, the Robert Saltonstall Medal, and for conspicuous devotion to honor, duty, right, justice, kindness, high ideals, the Charles Parker Reynolds Memorial Award.

### Politics With Color

#### Democratic Revolt

Despite the general assumption that Mr. Roosevelt will accept a fourth term nomination next July, there are ominous rumblings in Massachusetts. Right here in Massachusetts we were startled to have no less a person than Senator David I. Walsh become the storm-center of potential revolt. To be sure, some of the long-headed leaders of the administration forces were smart enough to get the two belligerent factions together privately and effect a satisfactory compromise. The result was that both the Walsh and the McCormack partisans smoked the pipe of peace and everything ended beautifully (on the surface).

The most recent intimation that all is not well within the Democratic party comes from some of the trouble-making Southern states. According to very reliable radio commentators, there is a movement on foot to stymie the normal electoral college procedure and have the electors from certain states which are none too friendly to F. D. R. cast their votes for some other Presidential candidate. This would be a sensational development. It seems that there is no legal or constitutional reason why any elector cannot vote exactly as he pleases. The cold, hard fact is that ALL electors have INVARIABLY cast their votes in accordance with the expressed wishes of the state they represented. In other words, if the popular vote of this state goes to Mr. Roosevelt, the Democratic electors automatically cast their votes for him, quite regardless of their personal preference. The only protection either major party has is this: the leaders of each party usually hand-pick the electors and it would not be politically healthy for any elector to attempt to exercise his own judgment.

Frankly, it does not seem to me that there is much chance that the electors of any southern state will try to establish a new precedent. However, these are not normal times and the feeling against the President, even in his own party, appears to be growing. It will pay to watch this situation closely.

Watch Masters  
Bill Mullins of the Herald referred to that old political warhorse, Bill Masters of Belmont last Sunday and gave a good tip to the voters in this regard. Republicans will do well to take the Masters candidacy for Lt. Governor quite seriously. Under ordinary circumstances, with a heavy G. O. P. vote and with a smaller field of candidates, the Masters candidacy might be brushed aside. Now, however, in the midst of a global war, which completely dwarfs any and all political campaigns, almost anything CAN happen in a political contest. That is particularly true of a contest in which the conservative G. O. P. vote is apt to be badly split between four other candidates. The Beverly Mayor may not run too well, chiefly because his name and fame are more or less confined to Essex County. Messrs. Bradford Hunt and King, however, are all exceedingly well-publicized. Bradford will run very strongly, especially in the huge county of Middlesex. Hunt will have his colleagues in the State Senate and a big Bristol County backing as follows: Field, Robert Young; Women, Anita Howarth; Men, John deBruyn Kops; and Juniors, David Briggs.

May Handicap Shoot Held Last Sunday  
The Newton Archers held their May Handicap Shoot on Sunday afternoon with five targets set up on their Newton Centre range. Hazel Turner won high straight score among the women, while Adrian Matthews and Johnny deBruyn Kops continued their early season form to win in the men's and junior groups respectively.

Handicap awards were as follows: Field, Robert Young; Women, Anita Howarth; Men, John deBruyn Kops; and Juniors, David Briggs.

So, look out for tireless and resourceful Bill Masters, who always has some new tricks up his sleeve and who has a rather large and enthusiastic following, which stand by him regardless of the cause he is promoting at the moment.

Interesting Statistics  
In 1936 the state vote at the Presidential primary was about 14 per cent; in 1940 it was 8 per cent and this year, 1944, it was only 5 per cent. In other words, the public interest has been steadily slipping and is currently at such a low ebb as to be disgraceful.

### Fire Department Sponsors Send-Off

The send-off for eleven selectees who left Newton City Hall on Thursday morning, May 25, for Fort Devens, was sponsored by the Newton Fire Department.

Chief John L. Keating, Deputy Chief John E. Corcoran and Capt. Thomas W. Enegess led a detail of 50 members of the Fire Department. The exercises which were held outdoors were broadcast over the public address system under the direction of Walter Hartford. The speakers were Rev. Thomas J. McDonough of St. Philip Neri Church, Waban, Mayor Paul M. Goddard, Chief John L. Keating, Judge Thomas Weston, and Roy S. Edwards, chairman of the Citizens' Committee for Service to Newton Service Men who was master of ceremonies.

The high school band under the direction of Walter Hartford furnished the music. A color guard of members of Chaplain Farrell Chapter D. A. V. was led by Commander Loreto Bianchi with Norman Mitch and Edmund T. Dungan as aides.

Mrs. B. Alden Thresher, Carmen Vito and Capt. Nicholas Veducio of the Newton Police Department assisted Chairman Edwards in distributing the traveling kits to the selectees.

Refreshments were served by a Newton Red Cross Canteen unit from the new Mobile Canteen truck, with Mrs. Horace W. Cole in charge assisted by Mrs. George Strandberg, Mrs. Arnold Barker, Mrs. Gordon Russell and Mrs. Joseph Burg.

27 Selectees Are Given Send-Off  
The Newton Kiwanis Club sponsored the send-off for the 27 selectees who left the Newton City Hall on Friday morning for induction in the Navy at Boston.

The speakers were Rev. Richard P. McClintock, rector of the Church of the Messiah, Auburndale; Capt. Chester E. Keppeler, USN, of Newtonville; Mayor Paul M. Goddard; Walter A. Hood, president of the Kiwanis Club; and Roy S. Edwards, chairman of the Citizens' Committee for Service to Newton Servicemen.

The color guard of Chaplain Farrell Chapter D. A. V. was led by Commander Loreto Bianchi with Edmund T. Dungan as his aide. Music was broadcast over the public address system under the direction of Walter Hartford. Chairman Edwards was assisted in distributing traveling kits to the selectees by Carmen Vito.

A Newton Red Cross Canteen under the direction of Mrs. Horace W. Cole served refreshments from the new mobile canteen truck. Assisting Mrs. Cole were Mrs. Arnold Barker, Mrs. George Strandberg, Mrs. Gordon Russell and Mrs. Joseph Burg.

### Urge Registration Of All In Armed Forces

Mrs. Endicott P. Saltonstall of 245 Chestnut Hill Road, Chestnut Hill, chairman of the Ward 6 Republican Committee, today called on all members of the committee to visit relatives of men and women in the armed forces to urge them to register those away from home so that they will be able to vote in the November election.

"The closing date for registration is on June 21," Mrs. Saltonstall said, "and many of our citizens do not realize that those in the armed forces must be registered before the city clerk can send them a ballot. The members of the Ward 6 Committee can be of valuable assistance to the voters of Newton Centre by informing them of the proper way to register our men and women now fighting for our country."

At a meeting of the committee last Friday, Mrs. Saltonstall, who is also State Committeewoman, was re-elected chairman; Sidney B. Holden, 54 Botherfield road, vice chairman; Warder Wilkins, 45 Warren street, treasurer, and Julian D. Anthony, 45 Devon road, secretary.

New members elected to the committee are: Carol J. Hoffman, 35 Vineyard road, Joseph B. Jamieson, 93 Homer street, Henderson, 41 Middlesex road, Montanich, P. Ford, 112 Institution ave., Lawrence B. Damon, 34 Old English road, and David M. Goodwin, 10 Chapin road.

A registration committee also was appointed. Members are: Raymond C. Baker, 58 Pine Crest road, Scott H. Wells, 24 Pine Crest road, Louis Shulman, 89 Manet road, and Messrs. Jamieson and Anthony. Baker also was placed in charge of publicity.

CONVENT BELL DEDICATED  
A bell was dedicated at the Convent of the Sacred Heart, Chestnut Hill, on Tuesday, in memory of the late Cardinal O'Connell and Mother Burnett, late superior of the convent. The bell, which was blessed by the Most Rev. Richard J. Cushing, auxiliary bishop of Boston and administrator of the convent by the Cardinal. It was tolled for the first time today during a May procession of the convent school children.

Mother Burnett, who had been superior of the convent for many years, was a daughter of one of the most prominent families in the state. Bishop Cushing, in paying tribute to her, said she was a convert to the Catholic faith who had devoted her life to the Order of the Sacred Heart. While Mother Burnett was superior of the convent, Bishop Cushing said, Cardinal O'Connell often visited the convent Sunday afternoons to confer with her. The Cardinal was greatly interested in the work of the order.

## Announcement

Due to increased business in Newton, we have decided to open up a branch store there. This is to be located at 34 Union Street, Newton Centre, where the Foresman Electric Company formerly did business.

This store is to be devoted to electrical household repairs, as well as home installations and repairs. We will take orders for the wiring and repairing of everything electrical, and will give same our prompt and careful attention. Mr. Paul A. Hoyt, a Master Electrician, formerly of Waban, is now connected with our firm.

We will carry a complete line of replacement parts, and also a complete line of lamps and appliances, as soon as the appliances are available. Store is now open for business.

## Men in Service

Sgt. Donald W. Bechtel, son of Mr. and Mrs. Harold H. Bechtel of 35 Bradford road, Newton Highlands, has been promoted to Staff Sergeant. He was recently awarded the Air Medal for "meritorious achievement while participating in aerial flight."

He is an assistant engineer gunner on a B-17 Flying Fortress of the 15th Air Force, commanded by Major General Nathan F. Twining, and has taken part in 15 combat missions.

Sergeant Bechtel, who, in civilian life, was a college student, entered the A.A.F. August 17, 1942, attended Ft. Meyers Gunners School in Florida, and has been overseas five months.

Ferdinand Dorr, son of Mr. and Mrs. Frank J. Dorr of 334 Kenrick street, Newton, received his commission and gold bars recently at the graduation ceremony of the Army Air Forces Training Command School at Yale University. He entered the Army August 27, 1942 and since that time has been stationed at Fort Devens; Maxwell Field, Ala.; Keesler Field, Miss.; and Seymour-Johnson Field, N. C.

Lt. Dorr graduated from the Newton High School in 1940. Having met rigid physical and mental aptitude tests, he was sent several months ago as an aviation cadet to Yale University where he began training to become a technical officer in Aircraft Maintenance Engineering.

Commencement exercises at St. Johnsbury Academy will be held June 5th. There are eighty-seven in the graduating class.

The Baccalaureate Address will be given Sunday, June 4th, by Mr. Hedley Philip Patey, of Brookline, formerly of West Newton, alumnus and trustee of the Academy.

The Commencement program begins with Last Chapel on Friday, June 2, at 9:00 a.m. This is followed by the Commencement Concert in the evening given by the Glee Clubs, Orchestra, Band and dance groups from the Physical Education Department.

Class day exercises will be Saturday evening, June 3rd, and the Principal's Reception Sunday afternoon, June 4th.

Three local girls will be graduated at the 141st annual Commencement of Bradford Junior College, on Monday, June 5. They are: Miss June Hildreth, daughter of Mr. and Mrs. Joseph D. Hildreth of Newtonville; Miss Maurine Helms, daughter of Mr. and Mrs. William P. Helms of West Newton; and Miss Eleanor Cady, daughter of Mr. and Mrs. Edwin T. Cady of Waban.

Major Jay A. Lane, former Boston attorney, has been assigned to the Judge Advocate General Department, Third Service Command headquarters. It was announced recently by Major General Philip Hayes, Commanding General. Major Lane attended the U. S. Naval Academy, the University of Alabama, Harvard Law School, and the Alabama Polytechnic Institute. He was commissioned in the Reserve Corps in 1925 and entered on active duty in April of 1942. His permanent residence is 239 Temple street, West Newton.

Copies of a consumer size retail price list for meat are now available at the Newton Rationing Board at City Hall.

The new handy-size lists, designed to be carried in the housewife's pocket-book, contain the retail ceiling prices for beef, veal, lamb, mutton, variety meats and pork cuts.

These price lists will show housewives exactly how much they should pay for each cut of meat, and they can be carried conveniently by the housewife on shopping tours or posted in kitchens for ready reference.

Residents of Newton may receive copies of the consumer size price list by writing or telephoning to the OPA War Price and Rationing Board, City Hall, Newton. The telephone number is Bigelow 4700.

## D. A. R. Garden Bridge

The Lucy Jackson Chapter will hold a Garden Bridge Party on June 13th at the Chapter House in Newton Lower Falls beginning at two o'clock. Tickets may be obtained from any member of the House Committee.

There will be an advance registration of children who are to enter the Rice School kindergarten, at the Rice School on June 7, 1944. The hours of registration will be from 1:30 p.m. to 4:00 p.m.

Mrs. Daley, the school nurse, will be present to discuss health problems with parents.

Parents who have already registered children for the kindergarten are invited to come and talk with the school nurse.

Parents are asked to bring the following data:

1. Your child's birth certificate.
2. Vaccination certificate.
3. Diphtheria prevention certificate.
4. List of your child's illnesses and accidents.

Your cooperation in this matter is earnestly solicited.

MAXWELL FIELD, ALA.—Aviation Cadet Phillip J. Walsh, of 102 Warwick road, West Newton, Mass., took first honors in the shot put here at the third aviation cadet Field Day recently with a toss of 49 feet and five inches.

Walsh, Massachusetts champion in this event, was second in the national interscholastic meet last year. He co-captained the Newton High School track team in '43.

John R. Horan of 18 Cedar street, Newton Center, has been promoted to a grade of Technical Sergeant. As a member of the Army Airways Communication System of the Army Air Forces he has an important assignment in connection with its world-wide operations. Before entering the army, Sgt. Horan was employed in Newton Center.

U. S. Naval Operating Base, Londonderry, N. I., May (delayed)—Twelve Bluejackets from the First Naval District, on duty at this station, advanced in rating through competitive examination, it was announced recently by Commander C. C. Baughman, Base Commandant. Ten of the bluejackets are from Massachusetts, one from New Hampshire and one from Rhode Island. They include:

Robert William Blaquiere, Pharmacist's Mate 2nd class, son of Mrs. Catherine Blaquiere, 66 Gilbert street, West Newton, who joined the Navy as an apprentice seaman in December, 1942. He was advanced to Hospital Apprentice 2nd class in May, 1943, to Hospital Apprentice 1st class in September, 1943, to Pharmacist's Mate 3rd class in December, 1943; and to Pharmacist's Mate 2nd class in March, 1944. He attended the Newton High School where he was graduated in 1938. He also attended the Bryant and Stratton School of Business in 1942. Prior to entering the Navy he worked as a railway freight clerk for the Boston & Albany Railroad. He has one brother in the Army, Sergeant Joseph Blaquiere.

15th ARMY AIR FORCE—Staff Sergeant Frederic W. Byfield, 21, of 200 Walnut street, Newtonville, a radio operator on a 15th Army Air Force Liberator bomber, has been awarded the Air Medal. It was announced by 15th Army Air Force Headquarters.

This honor was bestowed upon him "for meritorious achievement in aerial flight while participating in sustained operational activities against the enemy." Sgt. Byfield is stationed in Italy with a 15th AAF Liberator bombardment group which has been bombing German-held targets in Austria, Roumania and northern Italy.

Sgt. Byfield is the son of Mr. and Mrs. Frederic W. Byfield of 200 Walnut street, Newtonville, Massachusetts. He attended Newton High School, Newton, Massachusetts. Before entering the service Sgt. Byfield was employed as a sales clerk by Brown and Durrall of Boston.

At graduation exercises May 23rd at the Statistical School conducted for the Army Air Force by Harvard Business School, Robert L. Hunter of 35 Hyde avenue, Newton, received his commission as a second lieutenant.

Lt. Hunter, son of Mr. and Mrs. Louis J. Hunter, volunteered in June 1943. After brief stay at Camp Devens, he was assigned to the Control Section, Plans Division, Air Service Command, at Patterson Field, Fairfield, Ohio. He served there for about six months, attaining the rank of Corporal. He was sent from there to Officers' Candidate School at Miami Beach, Florida. Completing the course there, he was transferred to the Statistical School at Cambridge. After a brief leave, to be spent at Duxbury, Lt. Hunter will return to Patterson Field.

Donald E. Rust, Jr., resident of 42 Oakwood road, Newtonville, Mass., has arrived in North Africa to serve the armed forces as an American Red Cross assistant field director. Before his overseas assignment, Rust served with the Red Cross in the North Atlantic Area. Previously, he was with the Rust Craft Publishers, Inc., Boston, and Gerlach-Barklow Company, Joliet, Ill. He attended Bowdoin College and Northeastern Law School, Boston. He is a member of the Boston Rotary Club. Mrs. Rust will remain in Newtonville during his service overseas.

John J. Kennedy, son of Mr. and Mrs. Michael J. Kennedy of 261 Pearl street, who volunteered for service with the Army on his 18th birthday, left on Thursday morning for Fort Devens. He attended the Newton Trade School and had been employed by the Raytheon Co. before entering the service. He has three brothers in the service: Sgt. James E. Kennedy, USMC, who has been serving in the South Pacific for more than two years; Staff Sgt. Paul J. Kennedy of the U. S. Army Air Forces, now in New Guinea; and Seaman 2c Michael J. Kennedy Jr., of the Seabees who has been in New Caledonia since December.

Scott Field, Ill. John A. Brickett, son of Mr. and Mrs. A. A. Brickett of 269 Auburndale avenue, Auburndale, has just been graduated from the Army Air Forces Training Command. During the training period Pvt. Brickett received instruction in radio operation and mechanics and is now qualified for duty as a member of a fighting bomber crew. He graduated in 1942 from the Newton High School.

## Sgt. Brewer Is Prisoner of War

Word has been received by Mr. and Mrs. Raymond D. Brewer of 49 Bowers street, Newtonville that their son, Sgt. Robert W. Brewer, 21, flight engineer and gunner on a Flying Fortress, is a prisoner of war. Sgt. Brewer, a member of the 15th Air Force, failed to return from a bombing raid over Genoa and Florence, Italy on April 12. A graduate of the Newton High School, Sgt. Brewer was employed at the Pratt & Whitney aircraft plant in Hartford, Conn. when he entered the Army in January, 1943.

He has three brothers serving in the U. S. Navy. Charles and Frank Brewer, who are twins and Raymond Brewer, Jr. Their father is a master sergeant in the State Guard.

# GIRLS

16 years of age or older

Here is an excellent opportunity to earn a substantial sum of money this Summer while doing essential yet light war work under pleasant conditions.

Remember, you're as young as you feel and these opportunities are for older women as well. Many, many women who have not worked for years, or who have never worked in industry, are finding this their best way of helping loved ones in the service.

# BOYS

16 years of age or older

This is your chance to get into "THE FIELD WITH A FUTURE"

—ELECTRONICS. Without a doubt this industry will be one of the foremost in the country after the war. New uses are being found for this marvelous science every day. Today it produces secret weapons — tomorrow it will have a place in almost every walk of life. Whether you anticipate joining the armed forces later or not, the experience gained at Raytheon will be invaluable to you.

Many fine jobs open for older men, too. Come in and talk it over.

### COMMONWEALTH OF MASSACHUSETTS

#### COURT

Case No. 7915, Misc.

In Equity

To Mary G. McGrath, of Newton, in the County of Middlesex and said Commonwealth; and to all whom it may concern.

WHEREAS, a suit in equity has been begun in our Land Court by William A. Barber and Edna M. Barber, of said Newton, representing that they are the owners of the real estate numbered 88 Auburndale Avenue in West Newton; that by deed dated June 13, 1928, recorded with Middlesex South District Deeds in Book 5242, Page 468, one Charles H. Dolan, then owner of a large tract of land on said street, sold to the plaintiffs the parcel numbered 88 Auburndale Avenue, and after describing said land by metes and bounds, added the following words: "intending hereby to convey the land set apart to me by Commissioners to make partition in the estate of Felix Dolan, recorded with Middlesex South District Deeds Book 2465, Page 482, excepting the portion thereof heretofore conveyed by me and subject to rights of way granted by me in said premises; that it was the intention of both parties that said exception should only apply to grants by deeds appearing of record and praying that said deed be reformed accordingly.

WE COMMAND YOU, if you intend to make any defense, that you appear on the first Monday of August next, which Monday is the return day of this subpoena, or within such further time as the law allows, you do cause your written appearance to be entered and your written answer or other pleading to be filed in the office of Recorder of said Court at Boston, in the County of Suffolk and said Commonwealth, and further that you defend against said suit according to law, if you intend to make any defense, and that you do receive what the court shall order, adjudge and decree therein.

Hereof fail not, at your peril, as otherwise said suit may be adjudged, and orders and decrees entered therein, in your absence.

And it is further ORDERED that the plaintiffs give notice of this suit by publishing a true and attested copy of this order in the Newton Graphic, a newspaper published in said Newton once a week for three successive weeks, the last publication to be one month at least before the first Monday in August next.

Witness, JOHN E. FENTON, Esquire, Judge of our Land Court, the nineteenth day of May, in the year of our Lord nineteen hundred and forty-four.

Joseph I. Bennett, Deputy Recorder.

### Newton "Y" to Be

#### In Centennial Games

Clarence R. Mease, general secretary of the Newton Y. M. C. A. announces that members of the Newton Y and local athletes will participate in the Y. M. C. A. Centennial Games to be held on Saturday June 3 at the Harvard Stadium and Harvard Indoor Athletic Building, as part of the 5-day series of events commemorating the 100th birthday of the Y. M. C. A.

Governor Leverett Saltonstall heads a list of prominent men serving on the Centennial Committee. President Robert T. P. Storer of the Boston Association is general chairman.

This will be the largest greater Boston sports meet in several years. It will start at 9:30 a.m. and continue through the evening.

Boston High Schools will hold their annual track and field championships at the Stadium, with more than 500 boys competing. Trial heats in the school competition will be held in the morning and finals in the afternoon. The morning program will also include races and novelty events for 1,000 Y. M. C. A. boys.

Local observances by the various Associations have been planned for Monday, June 5. The final events in Greater Boston will be a Directors' Luncheon at the Boston City Club at noon on June 6, and the Centennial Dinner at the Copley-Plaza Hotel in Boston at 7 in the evening.

June 6 is the actual anniversary of the founding of the Y. M. C. A. in 1844 by George Williams, a 22-year-old clerk in a London shop. Today there are 10,000 Y. M. C. A.'s in 68 countries and on every continent.

Two distinguished Americans will be speakers at this banquet. They are Dr. James Bryant Conant, president of Harvard University, and Dr. John R. Mott, president of the World's Alliance of Young Men's Christian Associations.

### Newton Highlands

ABOUT 1,500,000 servicemen and women now are being moved over the U. S. railroads each month.

## Rich and Bellinger Observe 45th Anniversary

Archibald C. Bellinger and V. P. Mackay, proprietors of the well-known Rich & Bellinger Funeral Chapel, 26-30 Centre avenue, Newton, are observing the 45th anniversary of their firm's service to local and Greater Boston families.

Mr. Bellinger and Mr. Mackay carry on the fine traditions of service established by the late Burt M. Rich with whom Mr. Bellinger worked for many years.

The Rich-Bellinger-Mackay Funeral Chapel is centrally located, and there, under one roof are all the modern facilities for complete and impressive service.

Here Mr. Bellinger combines his 35 years' experience with the modern training of Mr. Mackay. This results in service which meets the wishes of the most exacting families and is, at the same time, sensible and fair in its costs.

Archibald C. Bellinger was born in Amsterdam, New York and attended the grammar and high schools in that city. He then entered the famous Renouard Training Schools for Embalmers, New York City. After completing his sound training he worked for Timeson and Frank, funeral directors in Schenectady, N.Y. In 1914 he entered the employ of J. S. Waterman and Sons Co. with whom he worked until 1922 at which time he established himself as embalmer for 25 funeral directors and also established himself in business by purchasing the George W. Mills funeral directing business in Newtonville in 1923. For 14 years he conducted this establishment in the Masonic Temple Building.

In 1937 Mr. Bellinger moved into the same office with Burt M. Rich whom he had formerly served as a trade embalmer. Upon Mr. Rich's death in October, 1943, Mr. Bellinger took over the business.

Mr. Rich had inherited his business from his uncle who established it more than 75 years ago. Mr. Rich carrying on the business for 45 years after his uncle's death.

Mr. Bellinger has always taken a deep and active interest in civic affairs. He is Past President of Kiwanis International of the City of Newton, Past International Chairman of the Underprivileged Child Committee of Kiwanis. He is a member of Dalhousie Lodge, A. F. & A. M. of Newtonville, a member of the Home Lodge, I. O. O. F. of Newton Highlands, and the B. P. O. E. of Newton, also the Newton Chamber of Commerce; the Ancient and Honorable Artillery of Boston; the Massachusetts Funeral Directors Association; the National Funeral Directors Association; and the Methodist Episcopal Church. Mr. Bellinger is a widower, has one daughter, Mrs. Vivian A. Ryder of Jamestown, N. H.

Mr. Bellinger is particularly proud of the fact that he has trained 25 young men for the funeral directing profession, sons of former clients.

V. P. Mackay, joint proprietor with Mr. Bellinger, was born in Roxbury and attended the Newton schools. He received his professional training at the New England Institute of Embalming. He has been affiliated with A. C. Bellinger for the past ten years, first as an apprentice and now as a funeral director and embalmer.

Mr. Mackay received both of the Massachusetts and National Funeral Directors Associations, is a licensed embalmer and funeral director. He is also a member of Dalhousie Lodge, A. F. & A. M. and honorary member of DeMolay, the New England Institute Alumni Association and a member of the Methodist Episcopal Church. Mr. Mackay is married and has a three year old son.

Archibald C. Bellinger

## 45 Years of Faithful Service

Since June 1, 1899, when this organization was established, families throughout the Boston Area have turned here for funeral service.

Their ever growing confidence in this firm has never been misplaced and today Archibald C. Bellinger and V. P. Mackay serve ably, and always with the best interests of those attended uppermost in mind.

The Funeral Chapel at 26-30 Centre Avenue, Newton, is conveniently located, and is equipped with the latest approved and tested aids to service. Its full facilities are available to all those served by Mr. Bellinger and Mr. Mackay, and at no added charge.

You call this organization certain of a prompt, reassuring response, certain of service which exactly meets YOUR wishes.

## LETTERS TO THE EDITOR

The American people are demanding a world organization that will keep the peace. Because of this pressure, Secretary Hull has asked that an advisory committee from the Senate sit with him to formulate a workable plan.

Senator Connally has chosen eight men for the task, and while all are able men, only one is known to have an enlightened point of view on postwar international problems. Many people would like to know why Senators such as Ball, Burton, Hatch and Hill were overlooked for this important work. Their B2H2 Resolution was a bold and forthright declaration of ideals to guide us in building a better world. The vision of such men cannot be spared.

If we are to have a sound international organization after the war, it is up to every individual in our democracy to take an active part in creating it. You can lend weight to progressive action of this type by attending a Conference on World Federation at the Hotel Kimball in Springfield on May 27th. Here outstanding leaders will discuss the essentials of effective world organization.

Mrs. R. L. M.

### Dr. Edwin P. Leonard

#### Principal Speaker

Dr. Edwin P. Leonard of Newton was the principal speaker at the 35th Annual Convention of The Vermont Ontometric Association, held at The Hotel Vermont in Burlington, May 21st-22nd. During the convention he delivered two lectures, both on the subject of "Visual Skills and Visual Training."

In the first of these Dr. Leonard outlined the fundamental principles of his subject with special emphasis on its scope, methods and instrumentation. During this first lecture he pointed out the high incidence of patients needing eye help which could best be given by orthoptics and succeeded in showing the fallacies underlying the older theories of "eye exercises."

In the second and concluding lecture Dr. Leonard presented a complete outline of visual training, explaining and clarifying each step. Following this talk he remained on the rostrum until just time enough to catch his train in order to answer questions from the floor.

### Newton Day at Donor Center

Monday, June 5, has been chosen as Newton Day at the Boston Red Cross Blood Donor Center, it is announced by Mrs. C. Terry Collins, chairman of that committee for the Newton Red Cross.

"We hope to fill 260 appointments on that day," said Mrs. Collins, "and are urging Newton donors to sign up as quickly as possible. Newton Motor Corps will conduct an hourly transportation service to and from the Boston Blood Center.

## Newton and Brookline Social Center

Mr. Cochran, principal of Pierce school was a guest at a luncheon given by a group of teachers of this school in the Brookline room last Wednesday. The arrangements were made by Mrs. Agnew.

Mrs. William F. Hennessey, Jr., of Roslindale entertained a group of friends for luncheon and cards in the Oval dining room last Wednesday.

The Lions Club held its bi-monthly meeting in the Blue room last Thursday.

The Gold room last Saturday was the lovely background for a reception following the marriage of Sylvia Olena Bennett, daughter of Mrs. C. Randolph Bennett of Norton street, Newton Centre to Lieut. James Wendel Winton, son of Mr. and Mrs. Jess W. Winton of Ontario, California at Trinity Church, Newton Centre. The Rev. Franklin Pierce Bennett of St. Paul's church in Syracuse, New York, officiated and the bride was given in marriage by her brother, Charles Randolph Bennett, Jr.

Miss Marguerite F. Harrison was the bride's maid of honor. Major Frederick C. Allen was best man and Mrs. Grosvenor M. Allen was matron of honor. Bridesmaids were Mrs. Whitney Withington, Mrs. Leighton B. Smith, Miss Janet Bartlett and Miss Helena Bardin. The ushers were Lieut. Pierce A. Hawkins, Lieut. Robert Christenson, Lieut. Charles W. Daley and Lieut. Kenneth G. Cooper, USA.

The bride attended Colby Junior college, Erskine School and Garden school. The groom was graduated from Chaffey Junior college, Ontario, California. Lieut. and Mrs. James W. Winton will reside at the Fenway after their honeymoon.

A reception in the Gold room of the Beaconsfield Hotel followed the marriage at St. Aidan's church of Miss Eileen Mary McSweeney, daughter of Mr. and Mrs. William F. McSweeney of Brookline to Lieut. Gordon L. Tomlinson, USA of Fort Worth, Texas. Fr. Ronald Norris, C.P., uncle of the bride officiated.

Miss Cornelia McSweeney was maid of honor and Lieut. Philip J. McGovern, USA was best man. The ushers were Capt. Lester J. Tarbell, Lieut. Alvin H. Bowles and Mr. Warren F. Rees of Meriden, Conn. The bride is a graduate of Emmanuel College and the groom attended Texas A & M and Texas Christian University.

## Eliot Men's Club

On Saturday, June 10, The Eliot Men's Club and the Young People's Department of Eliot Church Sunday School will join hands in carrying out plans for the Second Annual Spring Tonic, to be held at The Hunnewell Club, at Church and Eldridge streets, Newton. Patterned on the Spring Tonic of 1943, which originated a very successful program of afternoon and evening fun for the family of every member and friend, an indoor carnival is planned, to start at 2:30 p.m. and close about 11 p.m.

For the afternoon attractions are planned for young people, booths, games and movies to run until 5:30; light lunch will be available to patrons who wish to stay for the evening fun. The evening will appeal to older young people, with dancing possible for those who wish it. An auction sale will be held in the evening, which will include attractions and bargains. Movies will be repeated, and all features will continue so that as many as possible can take it all in.

Proceeds from the admissions and side shows will go to provide funds for young people's delegates camping, and toward the church auspices, and toward the Men's Club building project. A program supervised by Mr. Nelson Scott, Committee Chairman for the Men's Club, and Representatives of the Young People's Department, composed of Miss Altieri, Mr. William Bacon, and others, under direction of Miss Bessie Stratton, Supervisor of Religious Education.

The real success of the project is promised by its variety, and the interest of the friends and neighbors of Eliot Church, as evidenced the previous year. All are invited, young and old, and prices are attractive for all. Suitable articles for sale at the auction are requested to be donated, and may be left at Eliot Church, in care of Mr. Franklin, weekdays.

## Kingsbury - McGarey

Mr. and Mrs. E. A. McGarey of 75 Wyman street, Waban announce the marriage of their daughter, Miss Roberta McGarey to Sgt. David Jackson Kingsbury, USMC, son of Mr. and Mrs. Stanley M. Kingsbury of Weston. The ceremony was performed by Dr. J. C. MacDonald on May 22, in the Union Church, Waban.

Sgt. and Mrs. Kingsbury will live in Quantico, Va., where he is stationed after 17 months of service in the South and Central Pacific.

## Tobin - Hurley

Miss Ruth Elizabeth Hurley, daughter of Mr. and Mrs. Frank Hurley of 159 Oak street, Newton Upper Falls, became the bride Wednesday, May 24, of John Edward Tobin, USA, son of Mr. and Mrs. Thomas J. Tobin of Arlington. The ceremony was performed by Rev. Thomas A. Dwyer in the Mary Immaculate of Lourdes Church, Newton Upper Falls.

The bride wore an orchid suit with pale pink accessories and carried pale pink carnations. Her sister, Miss Dorothy Hurley, of Newton Upper Falls, who was the maid of honor wore a pale yellow suit with orchid accessories and carried sweet peas. James Tobin, of Arlington, was the best man for his brother.

## Roscoe - Foley

Mrs. Ernest L. Foley of 14 Jackson terrace, Newton, announces the marriage of her daughter, Miss Gertrude Marie Foley to Willard H. Roscoe, USNR, son of Mr. and Mrs. Louis R. Roscoe of Natick. The ceremony was performed by the Rev. Daniel F. Rorland on Sunday, May 28, at the Church of Our Lady, Newton.

## Sylvester - Polselli

Miss Violet Polselli, daughter of Mr. and Mrs. Bernardo Polselli of 45 William street, West Newton, became the bride of Pfc. Robert G. Sylvester, U. S. Marine Corps, on Friday, May 26. The four o'clock ceremony was performed by Rev. George F. Mulcahy in St. Bernard's Church, West Newton.

With her gray suit, the bride wore a corsage of gardenias while her attendant, Miss Rita Sylvester, wore brown with a corsage of yellow roses. Nicholas P. Polselli was the best man for Mr. Sylvester, who is the son of Mr. Alfred Sylvester of Manchester, N. H.

At the present time, Mr. and Mrs. Sylvester plan to make their home in San Diego, California.

## Winton - Bennett

Saturday evening in Trinity Church, Newton Centre, Miss Sylvia Olena Bennett, daughter of Mrs. C. Randolph Bennett of 37 Morton street, Newton Centre, became the bride of Lieut. James Wendel Winton, USA, son of Mr. and Mrs. Jesse W. Winton of Ontario, California. The ceremony was performed by Rev. Morrison Russell Boynton, D. D., minister of the First Congregational Church, Newtonville.

Given in marriage by her brother, Charles Randolph Bennett, USNR, the bride wore a white chiffon velvet gown with a white loom cap of pearls, a fingertip veil and carried sweet peas, stephanotis with a white orchid center. Mrs. Grosvenor M. Allen, the matron of honor, wore a deep aqua chiffon gown and carried a cascade bouquet of yellow and bronze snapdragons. Miss Marguerite F. Harrison was the maid of honor. Her gown was tangerine chiffon and her cascade bouquet was of dark blue snapdragons. The brides-

## NEWTONICS

S. S. RAYTHEON. "Batten my hatches, but it's ship-shape here!" said a visiting sailor amazed at the spotlessness of the Raytheon plant. And this certainly was high praise because not only was the man a sailor but also a cook—who was used to keeping his galley immaculate. It seems that our visiting sailor had spoken at many war plants—and found many of them on the dirt, grease and overalls side. But here the departments were neat and clean and many of our "Rays" were even wearing their "Sunday best."

"The secret, Sailor," he told him, "is that Raytheon's a good house-keeper both for the sake of its women workers and for its radio tubes."

Now, if you Newton readers are a bit curious as to what goes on in our ship-shape plant, just read the following items.

"RAYS" FOOL FRANK FROST. A tip from the Raytheon V.G. Garden Club saved the victory gardens of many plant employees when the recent frost struck. Edward N. Brown, club president, announced recently.

On the advice of Fred Nisbet, horticultural expert, club members were warned well in advance of the cold snap to cover their plants and as a result, hours of replanting labor were saved.

The Garden Club, which organized to give gardening advice to beginner gardeners, plans to meet every Thursday until the harvest season.

SHE FORGOT TO WIND THE CALENDAR. The beginning of Tube Heat Tim's popularity with the girls in the plant dates back to this item he wrote: "There are two new workers in our company—Miss Geraldine Jones, age 20, and her twin brother, Robert Jones, age 32."

UNWIND WE STAND. "Cooperation is the watchword of the war," said Arthur Boutan s-c ook, when he spoke to Dept. 202 at Raytheon on Saturday, May 27.

Seaman Boutan, who spoke in conjunction with the Saturday noon celebrities series, pointed out that only cooperation between all branches of the service made it possible for our men to hold out on the S. W. Pacific at the outset of the war when no materials were available. And it was cooperation on the home front in war plants that sent these desperately needed materials so that our fighting men could have an army with the best equipment in the world with which to fight.

A BIRD BY ANY OTHER NAME. Among Tube Head Tim's tall stories is the one about the time he went to Hollywood and hired a house celebrity. In the rush the real estate agent failed to mention the name of the star. Tube Head took his bird dog (who could smell a bird a mile away) out on the front porch and the two of them waited for the star to leave his house so they could learn his identity. When the movie star finally came out of his front door, the bird dog leaped up, stiffened, and pointed. Amazed, Tube Head called to the star across the street, "Do you have a bird on your roof?" The movie celebrity turned to answer and it was then that T. H. saw it was Walter Pidgeon.

DAD MEET BABY. Seven-month-old Buddy, son of Rita Long Lutkevich, former Raytheon employee, had his picture taken recently by a Boston newspaper to be sent overseas as a gift to his dad, Sgt. Albert Lutkevich, who has never seen him.

The large photo—which introduces young Bud to his "Pop"—shows the baby holding a model liberator, a gift from his father.

SOFTBALL FOR THE LADIES. Twenty-six girls turned out for Sunday, May 28, for the Girls Softball Team at an organization meeting held in the Raytheon cafeteria, recently.

Dorothy Gilman, who was named manager for the second consecutive year, announced that the practice starting date was June 6 and that practice will be held every Tuesday at Victory Field in Newton.

LOVE MATCH. The first matches of the Newton plant Tennis Tournament will be held on Monday, June 19 at Victory Field, California street, Newton.

Prizes will be awarded to the winners of the men's and women's singles, the men's and women's doubles, and the mixed doubles. Practice games are played daily at Victory Field and all tennis balls are supplied by Raytheon.

MR. SWING GOES TO WAR PLANT. "Are there any 'hen cats' in the house that would like to help organize a swing band here at Newton Raytheon?" asked Charlie French, plant employee. French, who is a "hot" pianist himself, is gathering together a group who want to play swing strictly for fun. The band especially welcomes new-comers to Raytheon who have been a little shy about taking part in entertainment. After a few rehearsals, the swing group hope to play in the plant cafeteria during lunch time and at special Raytheon affairs.

At the National Piano Playing Tournament held in Boston recently, Nancy Sawyer, 19 year old daughter of Mr. and Mrs. David Sawyer of 86 Washington street won a Collegiate Diploma with a "Very High" score of 95 points building the necessary repertoire of 20 pieces which included 4 major works for piano in 5 1/2 seasons of study.

She is a student of the Dolan Piano School of Malden, Mass.,

## ELKS CLUB

The Newton Lodge of Elks meeting on Thursday night was preceded by a supper served by the House Committee under the direction of James Burns.

Exalted Ruler John J. Keefe conducted the meeting and ordered a "Session of Sorrow" for Past Exalted Ruler Robert A. Vachon. Past Exalted Ruler John Gordon presented an eulogy and was appointed to procure a picture of Vachon to be hung in the lodge room. Past Exalted Ruler William E. Earle read a tribute to Vachon from the Board of Trustees.

A report on the War Committee was presented by Oswald McCourt and Kenneth Stiles reported for the sick committee. Letters were read from Lawrence O'Donnell and from William Howley, who are in the armed services. Accepted to membership were Thomas Marcelli, E. Andre A. Van Haelst, Carmen Santucci and John J. Guthrie.

Wilfred Chagnon, George King and R. John Henderson were appointed a committee to arrange a Flag Day program for the meeting to be held on June 8. Lecturing Knight Joseph Chevarlev, home on furlough from Fort J. S. S., spoke on his experiences in the Army.

The revised honor roll of the lodge has 41 members in the armed services and six others who have received honorable discharge. Now in the armed services are the following: Donald K. MacLean, Paul T. Leahy, John E. Shorton, Eugene Cronin, Lawrence A. O'Donnell, Edward F. Dalton, George E. Longbottom, Alfred G. Kerry, Jr., Joseph W. Chevarlev, John F. Shea, Joseph W. Derov, Peter C. Borra, Robert J. Fallon, John J. Lane, Eli Swartz, Warren P. Springer, David Avantaggio, Francis V. Terry, George W. Johnson, Jr., A. P. Castoldi, Nicholas A. Lupo, William F. Howley, James Howley, William Mitchell, Edmund P. Foley, Francis C. Macletta, V. A. Scicchitani, Gerald Champagne, David T. Dalton, Lario J. Balboni, Arthur Wasserman, John T. Levelle, James H. Joyce, Frank I. Fisher, John T. Cronin, Joseph P. Tomblid, William C. Borra, Robert J. Fallon, John J. Novak and Lawrence Thomas.

Warren Junior H. S. During the month of May, Warren contributed generously to the Children's War Fund. These surprising results were announced: a total of \$400 of which \$242.31 was contributed during this drive. The remainder was taken from the money gained in the last paper drive's end found home room 203 the General Fund. Warren's spirit made competition keen and the drive's end found home room 203 in first place with \$36.36; 302, second with \$24.58 and 113, third, with \$21.89. Due to fine co-operation, Warren exceeded its last year's total of \$180.08.

To Hold High School Graduation Saturday. Annual graduation ceremonies of the Class of 1944 of the Newton High School will be held Saturday, June 3, in the Dickinson Stadium. Exercises will begin at 6:30 with a special musical program by the high school band. The procession of graduates will begin at 7:00.

The speaker for graduation will be Robert G. Brame, Oxon Hill, D.C., Boston Area, The Methodist Church. His topic will be "A Date With the World."

In case of inclement weather, exercises will be held on Sunday, June 4, at the same hour. Tickets for the outdoor graduation are available to the public upon request to the High School office.

## Police To Observe Memorial Sunday

The Newton Police Department will observe their annual Memorial Sunday on June 4 with a mass to be celebrated in St. Bernard's Church, West Newton, at 8:30 a.m., followed by a communion service at the Newton Catholic Club.

Members of the departments will assemble in front of Police Headquarters and will march to the church in a body. The affair will be under the auspices of the Newton Police Memorial Association of which Inspector Joseph B. Lyons is president.

### In The Past

55 Years Ago

Newton Graphic, May 31, 1889

The new Eliot church is completed and it is certainly one of the most beautiful ecclesiastical edifices in the state, both in point of architecture and in its decorative features. The dedicatory exercises took place before a very large audience, on Thursday.

The pupils of the high school were dismissed Monday on account of the cold weather and the absence of artificial heat in the building.

John F. Payne, Newtonville, has placed a letter box outside of his store in Associate's Block for the accommodation of residents on the south side of the tract. It is not a government box, the government having no jurisdiction until the letters are delivered at the post-office. With the advent of free delivery, which will be one of the conveniences of the future, letter boxes will be placed in convenient and accessible places in various parts of the ward.

50 Years Ago

June 1, 1894

There is a good deal of talk about the widening of Washington street and a report has gone abroad that it had been decided to take 40 feet from the north side of the street. Property owners on that side need not be disturbed, however, as no decision has yet been reached in the matter, and the cheapest means of widening the street will undoubtedly be adopted, and that will be to take the land on the opposite side of the street.

Mr. John E. Cassidy's steamer, Watertown, which has lain for the past year in the Charles river, opposite Faneuil, was towed to the middle of the river, Wednesday, and set on fire, to secure the iron. The steamer was built by Mr. Cassidy and was partially burned in Shirley Gut, a year ago last September.

The sheds at the Baptist church, Newton Upper Falls, have been sold to William Chesley and will soon be removed, to the great improvement of the church and surrounding property.

Newtonville square was black with people while the post and its military escort went by on their way to the cemetery, Decoration Day.

The new block, Newtonville, is on the agent A. B. company, it is said, will be one of its tenants, and officers of the co-operative Bank will find it a new location.

The new coal and wood yard on Webster street, Auburndale, is now open for business and Mr. B. S. Hatch is ready to fill any orders for coal and wood.

Sunday afternoon there is to be a public meeting on the grounds of the Newton Hospital in recognition of the work done by Newton nurses during the war, and the people of the city will have an opportunity to show by their attendance at the meeting their appreciation of the work that was done.

## Newton Rotary Club

In the absence of President Herbert N. McGill, vice president Orville O. Clapper took over the meeting of the Newton Rotary Club on Monday. The guest speaker, Jerry Greene, was introduced by Ned Childs who said, "Jerry was one of the most outstanding graduates of Newton High in 50 years and made the least noise."

Besides being a graduate of Newton High Mr. Greene is also a graduate of Harvard. He was secretary to President Eliot for years and for one year was secretary to President Lowell. He then went to New York to organize the Rockefeller Foundation and at the present time is secretary of the Board of Overseers of Harvard. He is president of the Boston Symphony Orchestra and a director of the Gardner Museum. Mr. Greene paid a great tribute to the Newton High School, especially the teachers. He said Newton High School is one of the best in the U. S. A.

Dr. Cecil Clark spoke to the club about the special meeting of Rotary with Kiwanis, and the Chamber of Commerce at the Newton "Y" Monday night, June 5, to celebrate the 100th anniversary of the Y.M.C.A. The Newton "Y" is 67 years old.

It was also announced that Dr. Charles D. Ansley's son-in-law, Lt. John S. Sundborg, is missing in action.

## Entertained On 80th Birthday

On Sunday, June 4th, Mr. and Mrs. Joseph Ryan of Locksley road, Newton Centre and North Falmouth, entertained approximately 80 friends in honor of Mrs. Ryan's 80th birthday.

The house was very beautifully decorated with peonies, roses, carnations, sweet peas and iris. A delicious buffet supper was served out of doors and Mr. Ryan took movies.

Mrs. Hannah F. Sullivan received many beautiful gifts, among them a tree of money from her grandchildren. Mrs. Sullivan was organist for many years at St. Mary's Church in Melrose. She has two sons beside Mrs. Ryan, Dr. Joseph E. Sullivan of Waban and Cohasset and Dr. Russell F. Sullivan of Malden and 11 grandchildren.

Among the out of town guests were Rev. Francis O'Brien, O.M.I. of Seattle, Washington.

## YMCA Observes 67th Birthday

The 100th birthday of the International Y.M.C.A. and the 67th anniversary of the Newton Y.M.C.A. were observed at a dinner last Monday night held jointly by the Newton Rotary, Kiwanis and Lions Clubs and the Chamber of Commerce, at the Newton Y.M.C.A.

Dr. Cecil W. Clark, toastmaster, introduced the guests and the Y.M.C.A. Board of Directors. Mayor Goddard spoke of the work of the Y and said that the Y.M.C.A. stands for the Christian way of life and the building of character. His Honor pointed out that for the next 100 years after the war the Y will be busy producing men of character to carry out the ideals of the Y.M.C.A.

William Cahill, vice president of the Newton Chamber of Commerce, conveyed the congratulations of that organization. Mr. Cahill said, "The services of the Newton Y.M.C.A. during the past 67 years have been outstanding. It has been a power for good among the youth of the city. No organization will play a more important part in the coming period of readjustment than the Y.M.C.A."

The Rotary Club's congratulations were extended by Herb McGill, its president. Walter S. Hood, acting president of Kiwanis, spoke for that club and President David Buxbaum of the Lions Club represented the Lions.

Mr. Sayford Bacon, head of the Newton YMCA thanked the service clubs and the Chamber of Commerce for their good wishes. He said that there are so many opportunities for the Y to be of service that it too could be called a Service Club. He said that the Y embodies the ideas expressed in the mottoes of Rotary's "Service above self", Kiwanis' "We build", and Lions' "Liberty, Intelligence, Our Nation's Safety."

Clarence Mease, Newton YMCA's popular secretary, gave credit to Newton citizens who have made it possible to carry out the purposes of the organization.

Mr. James Manry, well known missionary in India, spoke of war time conditions in the orient. Soon after the war the YMCA acquired his services for troops stationed in Assam and Imphal. Mr. Manry told of many humorous incidents which had occurred in connection with his work in India.

The principal speaker was Captain Ray L. Lewis, Chaplain, U.S.N. He has been a career man in the Navy for more than 30 years. He paid tribute to the devoted group of men and women who comprise the staff of the

## Aldermen Voteto Drop Court Fight Over Water Edict

The Newton Board of Aldermen at their meeting on Monday night voted to drop the court fight against the edict of the State Department of Public Health that Newton become a member of the Metropolitan Water System, after being informed that the consumption of water in Newton has reached unprecedented heights. Newton was one of several municipalities in Greater Boston which had carried a fight to the Supreme Judicial Court against this edict, because it felt that its own water supply was adequate and less costly.

Although it has not been a member of the Metropolitan System, the City of Newton has had the privilege of drawing a supplementary supply from the Metropolitan system. Under the new arrangement the city will be assessed \$5,000 more annually in addition to the cost of the water it draws from the Metropolitan system.

The board voted to designate the Mayor as the official who may call upon the Metropolitan system to supply water to the city when needed.

The board adopted an order au-

thorizing a \$100,000 bond issue for street improvements. An order for \$100,000 sewer bond issue was passed in place of the \$200,000 bond issue voted at the preceding meeting.

An ordinance was adopted relaxing fireproof restrictions on apartment houses and public buildings as recommended by Public Buildings Commissioner Arthur Campbell.

The petition of foreman of the city departments that the act of the Legislature permitting the payment of half-pay pensions to retired foremen be accepted, was rejected by the board.

The board granted the petitions of the West Street Auto Parts Company, Inc. for a junk license and a third class license to deal in second hand motor vehicles at 73-77 West street, Newton.

At a hearing on the proposed construction of a drain and sewer in Brookline street from Dudley road to beyond Pond Brook road, three property owners spoke in opposition stating that the cesspools on their properties were adequate and they were opposed to

## Will Speak About Future School Plans

The annual meeting of the Newton Centre Improvement Association will be held on Thursday, June 15 at 8 o'clock in the Newton Centre Woman's Club.

Dr. Homer W. Anderson, Superintendent of Schools in Newton, will speak. His subject will be "Future Plans for Newton Schools."

There will be election of officers and members of the Executive Committee.

YMCA throughout the world and back of them their loyal generous givers.

Capt. Lewis said that one of the first guests to come aboard when a ship reached port, was usually a YMCA man, who would present a program of activities for the crew.

Capt. Lewis continued, "I don't know what kind of a Navy we would have if it were not for an organization like the YMCA which keeps men away from boredom by providing clean, wholesome entertainment and the spirit of fellowship. Keep us in mind in your prayers."

## Boston College Evening School Scholarships

Boston College Intown announces that the William J. McGarry, S.J. Scholarships, four in number, will be awarded on the basis of competitive examinations to be held at the College, 126 Newbury street, Copley Square, Boston, on June 22 and 23.

The scholarship competition is open to all men or women high school graduates, whether graduated this year or earlier.

Young men or women who are working during the day are offered an opportunity to earn the Bachelor of Arts or the Bachelor of Science Degree in four years time by attending evening classes. Boston College Intown is the Co-educational Evening Division of Boston College, Chestnut Hill.

The McGarry Scholarships honor the memory of Reverend William J. McGarry, S.J., well known Jesuit educator and President of Boston College during the years 1937-1939. Later he became Founder and first Editor of "Theological Studies," the Theological Quarterly published in New York.

The Intown College requests all those who are interested in entering the Scholarship Competition

### Additional Dates For Registration Announced

Frank M. Grant, City Clerk, this week announced additional dates for evening registration of those desiring to vote in the primary on July 11. They are: West Newton, Davis School, June 12; Newtonville, Clafin School, June 12; Newton, Underwood School, June 14; Newton Centre, Mason School, June 15.

Mr. Grant and his assistants will be at the above schools from 7:30 to 9 p.m., to register service men and women for absentee ballots and those unable to get to City Hall during business hours. In addition, his staff will hold evening registrations at City Hall during the same hours on June 12, 13 and 14.

The last day for registering to vote in the primary is June 21.

## To Report On Study Made For Youths

The Waban Improvement Society will hold a public meeting on Monday evening, June 12 at 8 o'clock at the Waban Neighborhood Club to which all citizens of Waban are invited to attend.

Some time ago the Board of Directors of the Society was charged with the responsibility of investigating the possibilities of more adequate leisure time activities for our youth and the society is now at the point where it can make definite recommendations to the community.

The Angier Estate in Waban, consisting of a large house, good sized barn, and about four and one-half acres of land, has been offered to the Newton Y.M.C.A., through this Society, at a cost of \$12,000.00, one-half of which would be donated by the Estate on condition that the property be used as a branch of the "Y" for our boys and girls including Scout activities.

A full detailed report of the proposed method of operation will be presented at this meeting.

to contact the Registrar's office immediately, as only those who have made application in advance can be admitted to the examinations.

Diplomas were awarded to 668 members of the senior class of the Newton High School at graduation exercises which took place on Saturday evening, June 3, in the Dickinson Stadium.

A concert by the Newton High School band under the direction of James H. Remley, director of Music Education and William E. Winston, musical instructor, preceded the traditional march of the graduating class from the school to the stadium. Caps and gowns were worn by the graduates this year.

## A Proclamation

THE FIFTH WAR LOAN Bond Drive will start in the City of Newton on June 12th, which also marks the opening of the Drive for the entire Country. This is far more important than any of the previous Bond Campaigns, for we are witnessing a greatly increased effort on all battle fronts to bring Victory to the Allied Nations. We cannot falter now, and must go forward with the same determination as our fighting men who are called upon to make infinitely greater sacrifices.

THIS IS ANOTHER CALL to service on the home front. Newton has not yet failed such a call, and we will again step forward to do our share. This is a call for volunteers who will not only buy Bonds, but who will give of their time and effort to sell as well. We definitely need more active workers than we had in the last Drive and you are earnestly asked to volunteer now. We need the cooperative assistance of every individual citizen as never before. Newton must not fail.

OUR MONEY will put ammunition and supplies in the hands of our boys on the battle lines, who will give their lives if need be. Our money will fight inflation on the home front, and will be testimony that in our hearts and souls we are pressing forward to victory.

Dear Jim:

Sorry this letter is late, but I'm up to my ears in the 5th War Loan Drive.

As head of the town's committee, I'm busy almost every waking moment selling bonds. This is, by all odds, the most critical period of the war. Everything is at stake - everything. (As if I needed to tell you that.) Our quota calls for two billion dollars more in this loan than the last - everyone's got to buy two or three times more than his ever bought before - if things are to go as we solemnly pray they should.

Thank God most of the people I talk to seem to realize the critical need. They do without things they actually need in order to plunk down another hundred or two. I guess they feel as I do. With a man you love out there, the least you can do is your utmost.

I want you to know, Jim, that the folks here at home are with you - and their money is fighting with you - every last dollar they can scrape up. Mother and I bend over.

Dad.

## Let's Pay The Invasion Cost!

Monday the Fifth War Loan will ask Massachusetts to help pay the invasion cost. The state's share is \$828 million for the drive that runs through July 8. Again, Massachusetts will "Back the Attack." This time you must "Buy More than Before."

You must buy more because more of our sons and daughters, and husbands and fathers are in England, poised for invasion of Hitler's fortress. More, too, are in the Pacific, rolling back the Japs for a knockout blow at their homeland.

For these loved ones, our idle dollars in war bonds are the best guarantee of safe conduct home. For some who do not return, our war bond dollars can assure food and supplies, comfort and fighting efficiency to the day of supreme sacrifice.

Our Fifth War Loan task in Massachusetts is clear. For eight series of bonds we must subscribe \$828 million. Banks and insurance companies, institutions and stores will take their share. Your task and mine, that of our friends and neighbors is to purchase \$112 million in Series E Bonds.

We can buy them for as little as \$18.75 and receive \$25 in 10 years, \$4 for every \$3 invested. We can buy them for as much as \$375.00 in one year, and realize \$5000 at the end of 10. Can't afford it, you say? Well, possibly not,—or do you mean that extra suit or new piano is more important? Wouldn't that piano sound flat if it delayed the triumphant hymn of peace?

The Fifth War Loan is ours—to buy bonds. We owe it to our future security. We owe it to our present financial soundness. We owe it to our fighting sons and daughters. And we owe this to our country—Back the Attack—Buy More than Before.

## Pay Over \$2,700,000 to Vacation Club Savers

More than \$2,700,000 is being paid out to 46,287 Vacation Club savers by the mutual savings banks of the state, it was announced yesterday by the Savings Banks Association of Massachusetts. The average Vacation Club payment is about \$58.

Although due to war conditions Vacation Clubs have somewhat declined in popularity, savings accounts in Massachusetts savings banks are growing rapidly and are now at the highest point in their history. As of April 29, 1944, the latest official figure, the total deposits in the 191 mutual savings banks of the state were \$2,390,023,395.10.

## RAYTHEON NEWTONICS

By Dorothy Williams

Recipe for a "Ray." "Just who works at Raytheon?" interested outsiders often ask. Well, this is a difficult question, but the best answer would be found if our gates were open to the world.

Where they would meet women who have never worked before in their lives. They would meet grandmothers and granddaughters, high school students and artists, college graduates and actresses, teachers and cooks, maids and debutantes. Whatever their walk of life, all these people have one big thing in common — they are our real Americans; for they leave their homes every day to work on that Raytheon supply line which leads directly to the battle fronts.

Each "Ray" knows that through the tubes on which she is working may come messages from the front that might determine the whole course of the war.

And while working together, a "Ray's" life goes on much as follows:

The Armed Forces Stop In. Dropping back to say "hello" to Division 125, Newton Raytheon, and to tell of their adventures, came Robert Nelson, s/c, U.S.N., Corp. Robert LaRose, U.S.A., Fred "Rat" S.M. 2/c, U.S.N., and William Mulrain, 2/c, U.S.N.

Robert Nelson, 34 Bayview avenue, Nahant, formerly of the Machine Shop, is stationed in New Bedford. He was accompanied on his visit by his uncle, Robert LaRose, 65 South street, Waltham, former employee of the Shipping room. LaRose is a veteran of the Guadalcanal battle.

Fred Whitley, 47 Humphries street, Dorchester, formerly of the Machine Shop, came home on a ten-day furlough to see his 9-lb. daughter who was born on May 12.

Billy Mulrain, 4 Sharon avenue, Auburndale, formerly of Dept. 185, paid the division his second visit within a few weeks. He is now stationed in New York.

A Blotter Might Help. Tube Head Tim, our company mascot, received a note from a Captain in the Navy whose ship had been torpedoed. Wrote the Captain, "I yelled, 'All hands on deck. The ship is sinking.' Then a voice from the forecastle came back with, 'Aw, put a pan under it and go back to bed.'"

Housekeeping in the Garden. "Keep your V-Gardens clean and your insect troubles are half over," said Horticultural Expert Fred J. Nibbel, 261 Upland road, Newtonville, Dept. 138, in discussing the problems of battling bugs at the Newton Raytheon Garden Club meeting held on May 25.

Insect sprays—liquid and powder—were explained to club members and emphasis was placed on the destroying of crops at the end of the season.

Edward N. Brown, 185 Waltham street, West Newton, Specifications Dept., announced that club members have formed a pool of their surplus plants and seeds and made them available to any other members who wish to make a trade.

Definition of a Man. The philosophy in Tube Head Tim's sol often rises to the surface in hot weather and this is his latest contribution.

clusion: A man is that large irrational creature who is always looking for home atmosphere in a hotel and hotel service around the house.

No Rationing on Horseshoes. The final qualifying Newton Raytheon Horseshoe Tournament games will close on June 10 with participants handing in score cards listing the number of shoes thrown, points scored and ringers.

Under the rules each person trying out must play a lone hand game with someone as witness. All records had to be made on company courts. Guy Wilson, 30 Pine street, Wellesley, chairman of the Horseshoe Tournament, announced that any better record may be turned in before June 30.

Heidi Marie, 6-lb. 1-oz. daughter, Heidi Marie, was born to Mr. and Mrs. Ervin Dieffenbach of 248 Elliott street, Newton Upper Falls on May 16 in the Newton Hospital.

Mr. Dieffenbach works as a carpenter in Dept. 178 at the Newton Raytheon plant.

In This Corner the Winnah. Sadie Inferra, 14 Colby street, Belmont, won first prize in the Girls Bowling Team for high average bowler. A trophy will be presented to her on June 10 at the Hotel Manager, Boston.

Sadie works as an inspector in Dept. 411 at the Raytheon plant.

A Fighting Forsythe. James "Buddy" Forsythe, E.M. 3/c, U.S.N., son of Mary Forsythe, 113 Palmer street, Arlington, returned home recently for a few days visit from the South Pacific Area where he has been stationed since last August.

Traveling by train from California, Forsythe had but six days of his leave left to spend with his family.

"James, who has seen action in Bougainville, has gone back to learn up what was left," said Mrs. Forsythe, a night shift worker in Dept. 203 at Raytheon.

Two Patriots on a Bike. Tube Head Tim's pal, John Farrell, 101 Fifth avenue, Watertown, Engineering Dept., takes the share-your-car plan right to heart. John rides to work on a bicycle and carries a passenger on the handle bars. Patriotism is displayed on both sides—John's and the passenger who hangs on to the handle bars for dear life.

Newton Took Them for a Bus Ride. The Newton Softball Team defeated Middlesex Bus Softball Team 11 to 9 in a closely fought game at Victory Field, Newton, on May 29.

The game seemed back and forth until the sixth inning when Fred McInnis of 39 Clifton street, Roxbury, hit a home run with Chet McFarlane, 88 East street, Newton, on first. This tied the score. Raytheon had one last big inning, collected three runs on good hitting, and won the game.

Honor Roll. The following servicemen (all former residents of Newton) were honored recently by the dedication of a day's production, quality and attendance by employees of Raytheon: Chief Petty Officer Alfred R. Norwood, U.S.N., Lt. (j.g.) Arthur R. Norwood, U.S.N., and Sgt. Daniel G. Valente, U.S.A.

## Meet To Discuss United War Fund Campaign

A group of twelve prominent Newton women met Thursday morning with Miss Adelaide Ball at her home, 55 Waban street, Newton, for morning coffee and to discuss plans for the 1945 Greater Boston United War Fund Campaign in Newton.

Miss Ball, who is President of the Newton Federation of Women's Clubs, was recently appointed Chairman of the Educational Division of the Newton Community Chest for the fall campaign. Her guests at the meeting are leaders in the various villages of the city who will act as Village and Section Chairmen and whose responsibility it will be "to get the story told" throughout Newton.

The services rendered by peacetime and wartime agencies whose financial needs are met by the United War Fund.

Thomas E. Shirley, 1945 Campaign Chairman in Newton, was the principal speaker and those in attendance that the need this year will be greater than ever because of the large number of servicemen who will come home injured and incapacitated from the great battles of the invasion now under way. This, he said, will add to the war services men and the battle-torn areas and will tax the facilities of the all-year-round home agencies and put a large responsibility on the new Citizens' Advisory Committee for Returning Veterans, the new Member Agency of the Newton Community Chest.

Miss Ball explained that the principal function of the Committee is to arrange for speakers at fall meetings of Newton clubs, societies, and organizations and to plan group assemblies of teachers and pupils in schools. She explained that a new 1945 movie, which will run about 10 minutes, will be available at all meetings in addition to prominent speakers who will know the War Fund story. She urged that booklets be made early so that clubs could tie in the War Fund in arranging their early fall programs.

H. J. Pettengill, Executive Director of the Community Chest, and Miss Esther Walther, Executive Secretary of the Community Chest, told of the services available to the Committee and answered questions with respect to handling of bookings and arranging for special speakers.

Those present at the meeting, in addition to Miss Ball, Mr. Shirley, Mr. Pettengill, and Miss Walther, were Mrs. William H. McAdams, Assistant Chairman of the Educational Division; Mrs. Albert N. Walker, Chairman for Public Schools; Mrs. Edward B. Sheehan, Chairman for Catholic Schools;

and Schools; Mrs. Harold S. Goldberg, Chairman for Jewish Organizations; Mrs. Benjamin W. Pepper, Village Chairman, Auburndale; Mrs. Roger Allen, Village Chairman, Newton; Mrs. Alden H. Speare, Village Chairman, Newton Centre; Mrs. H. Augustine Smith, Village Chairman, Newton Highlands; Mrs. Frank C. Hodgins, Village Chairman, Newton Upper Falls; Mrs. Eugene B. Sanger, Village Chairman, Newtonville; Mrs. B. Alden Thresher, Village Chairman, Waban; Mrs. Everett D. Kiefer, Village Chairman, West Newton.

Newton Highlands

Miss Phyllis L. Pollock of 49 Elliot street, received the degree of Bachelor of Science today (Wednesday) at the twenty-third annual commencement exercises at New Jersey College for Women. Miss Pollock is the daughter of Mr. and Mrs. H. Albert Pollock and is a graduate of Newton High School. At New Jersey College for Women Miss Pollock majored in chemistry and was a scholarship holder throughout her college career.

The second in a series of Bridge Parties will be held at the Work Shop on Wednesday, June 14, at 1:30 p.m.

Miss Joan Louise Keating of 8 Stony Brae road will receive the degree of Bachelor of Science at the Simmons College commencement to be held in Symphony Hall, Boston, on June 12. Miss Keating attended the Simmons School of Business and was active in dramatics.

## Politics With Color

by P. W. C.

### A-DAY

This column is being written as the first scattering details of the opening of the second front in Western France are being broadcast. The news is thrilling beyond words and there is an unrelenting optimism which leads many of us to believe that the terrible toll of human life may conceivably have been magnified. However, it is inevitable that casualties will be heavy before the tremendous operations just launched have been concluded. Consequently, there will be but a small minority of our people who will give any serious thought for some weeks to come.

Nothing but the normal routine of maintaining the home front strongly, doing the day's work and following avidly every scrap of authentic war news and interpretative comment. It seems fair to assume that politics, in the ordinary sense of the word, is "out" for some little time to come.

If the radio should suddenly burst on our ears with a flamboyant speech by some slick orator, extolling his own qualifications for high office, most of us would doubtless tune in some other station.

Now, if my assumption is correct, just what political news, if any, will interest the average voter? First and foremost will be any news or analysis of news which indicates increasing unity of our home front plus a stepped-up determination to get solidly behind our men on the fighting front and give them ten times the support they have been receiving to date.

More war bonds must be bought, more victory gardens must be planted, more supplies must be turned out by our splendid army of volunteer Red Cross workers. More blood must be donated, more paper must be salvaged, more civilians must get into the game and help entertain or comfort, as the case may be, those members of our armed forces who are off duty and have no place to go save a canteen or other place of amusement, crowded with other men who may also be craving the atmosphere of a quiet, well-kept home in which to rest.

May I stress this point for a moment? There are, of course, thousands of fine people who have occasionally or even frequently opened up their homes to servicemen off duty. Is it not equally true, tho', that there are other thousands who have seldom done their little bit in this simple but highly effective way? The men are so mathematically grateful and appreciative for such trivial attentions and friendly gestures that it is hard to understand why practically everybody who has a comfortable home does not do his or her part in this most important field of endeavor.

Going back, now, to the question of routine political activity, it seems to me that there are certain matters which we may still discuss to advantage, even at the height of the long-anticipated invasion of western France (and other sectors, presumably). Large and UNINTERRUPTED production of war materials is still of vital importance; so is the proper production and distribution of food supplies. We should all back up strongly those public officials who have influence in these fields.

The getting out of the soldier vote next November, whenever it is, is a matter of great importance. If we have been a party to deliberately blocking the opportunity these fine men and women should have to exercise the franchise.

We have, also, the matter of chiseling on the home front, whether by the big-shots or the smaller fry. Anything which you or I can do now to stop the activities of these miserable citizens will be worth-while. We can all help put an end to black markets in gas, food, clothes or anything else. These markets would die in one day UNLESS there were thousands of thoughtless or selfish citizens who patronized them. Let's see if we cannot make a small contribution along these lines.

Well, this may not read much like a political column, but it represents the way I feel today. Maybe my readers feel somewhat like the writer and will be entirely satisfied to jog down a slightly different trail for a few weeks at least. In the meantime our heartfelt prayers go out every day and all day to our splendid soldiers, sailors and marines fighting for us all over the world and especially to the way they are striking the crucial blow of the entire war directly across the English Channel. May God bless them, each and every one.

## Newton Notables

Our last column dealt with the career of the popular M.I.T. Professor, George Owen of Newton Centre, designer par excellence of yachts, dinghies and other types of boats. There was one little omission in that column which I regretted, tho' it was not mentioned by anyone. It was this: The Professor has always been a staunch friend of young people everywhere. His keen sense of humor and his tireless energy appeal to the younger generation, who are just as fond of him as he is of them.

This week we shall consider the accomplishments of a resident of Newtonville, who lives so quietly and unostentatiously that many citizens will be surprised to learn that he is in our midst. The man, Hermann C. Lythgoe of 36 Fair Oaks avenue, Newtonville, Director of the Food and Drug Division of the Mass. State Department of Public Health.

All of us have seen his name in the papers time and time again and looked upon him as a scientific expert, skilled as an administrator and possessing some of the qualities of a modern Sherlock Holmes. Perhaps there has been an epidemic of sickness somewhere in the state, due, possibly, to bad milk, tainted meat or something similar. Mr. Lythgoe's department swings into action, inspectors are sent to the scene, a scientific analysis of the faulty food is made and the unhealthy condition is remedied. Prevention, rather than prosecution, is the apparent keynote.

Hermann C. Lythgoe was born in Boston, Mass. on May 21, 1874. His parents were George Z. Lythgoe and Judith A. (Bollmann) Lythgoe. He was educated at M.I.T., securing his B.S. degree in 1896. Among his prominent contemporaries were Paul W. Litchfield of the Goodyear Tire and Rubber Co. and William D. Coolidge, electrical engineer.

The first year after graduation found Mr. Lythgoe serving as chemist at the Revere Rubber Co. The following year he was made assistant analyst of the Mass. State Dept. of Public Health. For forty-seven years he has given his best thought and energy to the increasingly important work of this vital branch of the state service.

On June 11, 1901, he married Miss Maude E. Noyes of Wintrop, Mass. The couple have one son, Albert H. Lythgoe who, curiously enough, is not following in his father's footsteps as a nationally-known chemist. He is busy carving out his own career along somewhat different lines.

In 1907 Mr. Lythgoe was made chief analyst and seven years later was promoted to the position he has held ever since, namely, Director of the Food and Drug Division of the State Dept. of Public Health. Curiously enough, there are a number of his associates living in Newton. Among them are Alton S. Pope, Deputy Commissioner under Paul J. Jakmauh, living across the street from Mr. Lythgoe; Elliott S. Robinson, Director of the Division of Biologic Laboratories, and Herbert L. Lombard, Director of the Division of Adult Hygiene.

One of the first things Mr. Lythgoe had to do in his new assignment was to study and later revamp the cold storage and slaughtering laws of the state. The new laws were adopted practically as he wrote them and there have been no alterations of any real importance since.

Thirty people are employed in the Boston office, as follows: fourteen inspectors, five chemists, one bacteriologist, two laboratory helpers and eight clerks. Then, up in Westfield, where Dr. Chadwick in 1938 helped put up a laboratory, there are nine more employees, including two chemists, one bacteriologist, three inspectors and three others.

A number of honors have been bestowed upon this outstanding Newtonian. He is a Fellow of the American Association for the Advancement of Science and a Fellow of the American Institute of Chemists. He is a member of the American Chemical Society and past-President of the Northeastern section. In 1920 he was President of the American Association of Agricultural Chemists and he is now President of the Association of Food and Drug Officials of the United States. It is an interesting coincidence that only two men have ever held these two offices. One is Mr. Lythgoe and the other is Mr. Guy G. Frary of Vermillion, So. Dakota. When one man headed up one of these organizations, the other man presided over the other, and vice-versa.

Our Newton friend has written many articles of a scientific nature for a variety of magazines. For hobbies he indulges in amateur photography and music. It will be a real pleasure to see him later date to make another call at 36 Fair Oaks avenue and spend more time discussing this man's hobbies, even though he has very little time to devote to them.

Mr. Guy G. Frary wrote a fine tribute to Mr. Lythgoe when the latter was presented an autographed album not long ago. These were his words: "Old friend, you have served your good state well and efficiently and have been a loyal and helpful friend. May you enjoy the years ahead in freedom from the trials of public service, engaging in those hobbies and fancies which bring you most happiness."

Mrs. George Green, 100 Nonantum street, graduate of the Boston University college of practical arts and letters in 1940, is class agent of her class. In this capacity she had an active part in arrangements for her class mates in the recent 25th anniversary of the college which was celebrated at Boston University during Commencement.

## Field Day and Carnival Opened

The Newton Local, City Employees, opened their annual Field Day and Carnival at the Hawthorne Playground, Newton on Tuesday evening. The Carnival, which will continue through Saturday of this week, includes a Ferris Wheel, Rocket Ride, Whip and Merry-go-round.

Vice-President Thomas J. Moran, chairman of the committee in charge of arrangements, is assisted by the following committees:

Committee on Rides: A. Leslie Moriarty, Chairman; Patrick Monahan, Joseph Connelly, Mark Devane, Thomas Menard, Charles Pengast, Michael Cotter, John Yeady.

## Palava Attracts 800 In Newton

It was a big day for the Cub Scouts of Norumbega Council at the Cold Springs Playground, Newton Highlands, last Saturday for their annual Outdoor Palava. The theme this year in all the Packs has been "Indian Lore" so it was a most thrilling sight to see the long line of nine to twelve-year-old youngsters all bristling with tommy hawks, Indian bonnets, painted faces, shields and other touches of Indian life.

A huge circle surrounded the Indian Wigwag where a Tabalugi Dance was demonstrated in the Indian style by Big Chief Long Feathers Percy Eden, accompanied by the rhythmic pounding of the Tribal Drum.

The Relay Race for the 10-year-old Cub was won by Pack 15, Auburndale, whose team included: David Wyrick, David Starkweather, Charles Collins and Winthrop Razio. Pack 6 Newtonville took second place position, with Pack 7A West Newton third. The Relay Race for the 11-year-old group was won by Pack 21 Newton Centre, whose team included John Higgins, John Ferg, Edward Cooney and Paul Ben. In second place was Pack 27 Oak Hill, and in third place Pack 4 of Newton Highlands.

The Potato Race was won by Pack 15 Auburndale, which included two boys from each of the age groups, Hoyt, Bailey, Coulter, Higgins, Flegel and Wyrick. In second place was Pack 21, Newton Centre and Pack 27 Oak Hill placed third. The Athletic program was under the very able direction of Bert Gleason of Pack 21. The awards were presented by F. Brittain Kennedy, the Chairman for New England.

The Cubbing Program this year has been developed most successfully under the direction of Vernon H. Hall. The number of registered Cubs has increased from 694 last year to 794 this year. This increase has helped in pushing the total strength of scouting and cubbing in Norumbega Council to an enrollment of 1097.

A tribute to the early leadership of Douglass B. Francis and Phil C. Shute and the countless number of able men and women who have served as leaders of the Packs and Dens over the past eight years since Cubbing has flourished in this Council.

**REAL ESTATE**

Carley Realty have sold the West Colonial at 6 West Colonial road, Newton, consisting of 7 rooms, baths and attached garage. Flora H. Andrews conveyed to Robert F. Sangster.

## Air Raid Test To Be Held June 11

In the most extensive air raid test ever held in the state, scores of Civil Air Patrol planes will drop almost a quarter of a million paper "bombs" on Massachusetts, Sunday afternoon, June 11, J. W. Farley, executive director of the Massachusetts Committee on Public Safety announced yesterday.

The test will be three-fold in purpose. Through arrangements made with F. W. Denio, state chairman of the War Finance Committee the "raid" will be the opening gun in the Fifth War Loan Drive which starts the following day, Monday, June 12. Through the cooperation of B. G. Waters, Jr., executive secretary of the Massachusetts Salvage Committee, Boy Scouts will salvage the paper missiles after the civilian defense forces have completed their test exercises.

Major Arthur H. Tully, executive officer of the Massachusetts Wing Civil Air Patrol will be in charge of the intricate massing and movement of planes during the tests.

The paper bombs to be used are those made from salvaged newspapers last December by the Massachusetts Women's Defense Corps for the scheduled air raid test of December 12. Inclement weather made it impossible for the planes to fly during that month and the bombs were stored away.

Practically all volunteer organizations in the state will play their part in the air raid test. At present the Girl Scouts are affixing notices of the opening of the Fifth War Loan Drive to the thousands of steameder bombs.

The bombs will be dropped over the 43 cities and towns in Region 5 and outside of the metropolitan area over the following cities: Brockton, Taunton, New Bedford, Fall River, Lynn, Lowell, Lawrence, Haverhill, Leominster, Fitchburg, Greenfield, North Adams, Framingham, Worcester, Springfield and Pittsfield.

## EXHIBITION AT NEWTON LIBRARY

The exhibition of Cape Cod Scenes, photographed and painted by Mr. and Mrs. Richard P. Boyer, is being held at the main library at Newton Corner and will continue until June 15.

The views are very fine enlargements and are beautifully hand tinted. It is probable that a larger selection would be found at Mr. and Mrs. Boyer's Windward Studio, West Yarmouth, Mass., where they spend their summers. During the other seasons of the year Mr. Boyer is an instructor in the Newton High School.

## Weeks Parent-Teachers Ass'n

Close to four hundred attended the final meeting of the year of the Weeks Parent-Teacher Association on last Friday. Henry S. C. Cummings was toastmaster, completing two years as President. The program included four selections by the West Jr. High School Orchestra. There were 29 boys and girls taking part. This was followed by a number of songs by the Girls Glee Club, led by Miss E. M. Harvey.

The main part of the program was centered about demonstrations in the use of Visual Aid and Recording Machines in educational work. Mr. Norman H. Payne of the High School faculty spoke of the various types of visual aids offered in the school.

Mr. Wilson C. Selvin was then introduced and with a volunteer class composed of Weeks pupils and a number of parents demonstrated the technique of teaching with visual aids.

It was thought that something could be done to effect redirection of parents' that community social agencies could provide more recreational opportunities; that such organizations as the P.T.A. might sponsor dances; that irregularities should be dealt with before crime habits are pursued beyond easy reclamation.

Miss Patricia Smith gave a most interesting demonstration with two of her students showing how recording machines can improve faults in speech, techniques in telephonic conversations and the elimination of harshness or softness in voice.

At the business meeting, Mrs. Worthington L. West of Newton Centre, Secretary, made her annual report. It showed that the Association was enjoying the second largest year in its history and that it was believed for the second consecutive year to be the largest in the State. Mr. Arthur W. Howard gave a complete report of the financial condition of the Association, stating that the membership was 682, or within 20 of the record year when the membership totalled 692. Mr. Henry S. C. Cummings of Newton Centre presented the check for \$250 in the name of the Association to Mr. Raymond W. Blaisdell, the Principal of the Weeks Jr. High School who expressed his delight at its receipt.

Mr. Lincoln Alvord, Chairman of the Nominating Committee, offered the following names to be filled for the coming year which were accepted and elected: President, Robert L. Peck; Vice-President, Miss Elizabeth M. Meyer; Treasurer, Robert H. Harris; Secretary, Mrs. Worthington L. West, and Historian, Mrs. Carl B. Chapp.

Following the business meeting the program came to a conclusion with the presentation of a closing tableau under the direction of Miss Celia A. Russell, Vice-President of the P.T.A. and Mr. O. J. Bianchi.

**Commencement Exercises Held**  
The annual Commencement exercises of Huntington School for Boys were held last Friday in Bates Hall. Dr. Everett A. Churchill, vice-president of Northeastern University awarded the diplomas. Dean James W. Lees of Huntington School awarded prizes. Asst. Head Master William G. Wilkinson presented the candidates for their diplomas, and Professor F. Alexander Magoun of M.I.T. spoke on "Nature and Human Nature."

Diploma recipients included: Richard J. Collins, 100 Woodcliff road, Newton Highlands; Jordan S. Miller, 369 Ward street, Newton Centre, and William J. Tesco, 249 Auburn street, Auburn-dale.

being extended into another year. Some high schoolers come in three afternoons a week, after T. S. hours, and get three H. S. credits. Others alternate weeks in H. S. and T. S., getting the diploma from High and a certificate for their trade training.

Captain Ward is in the Army at Fort Devens, Joseph A. Bedard is with the State Department of Education, on leave of absence from the school, and Harry Patterson, former English teacher, has left to take new duties in the Vermont Department of Education. Miss Early, too, has left, and devotes all of her time to the Red Cross. Mr. Lingo is in the Navy—we have a new music leader, Henry Lias, who is a whiz at the service. Nelson Swan, veteran Machine teacher, retires in June. Mr. Houle has taken over Civics and Mr. Boulter the Print Shop.

Quite a few Trade boys are in the State Guard and many others who have gone into the service got part of their basic training in the guard. You'd be surprised to see how many of them have ratings.

My duties keep me busy with post-war plans and trying to keep with the changing demands on the school's facilities. We have a new Superintendent of Schools, Dr. Homer W. Anderson, who took Mr. Warren's place when the latter became Massachusetts Commissioner of Education. Dr. Anderson is much interested in trade training and is a frequent visitor in the shops.

Many of the boys in uniform drop in to see us. Miss Bell has established a guest register book and believe it or not 90 names have been signed by boys leaving September last. Some of them are:

Kaspar Bejoian, Tony Lombardo, John Trumble, Allen Andrews, Roland Porter, Paul Savignano, Herman Cartier, Ambrose Cedrone, Norman Tessier, James Annicelli. Oh yes, stamps and bonds! We bought a jeep — and the Army brought it over to show us, and it was driven by a WAC. Needless to say the boys were slow about coming in to school that Friday morning. Now we're working for a Field Ambulance, which we hope to get by May. We also hope to have our school name on it. This means we must average about \$100 a week till then, and that's not bad for a small school. Mr. White has been the big Bond and little stamp man. He's been ably helped by agents in each department.

That's all for now. Be sure to drop in when you get a furlough and let us see the new ribbons.

## BOSTON TO GEORGETOWN CONVENTION

The Massachusetts State Department of the American Legion will hold its annual convention in Boston next August. It was announced yesterday following a conference at City Hall between Mayor Tobin and Legion officials. The city will make a contribution to help defray the expense of staging the convention, the Mayor said.

(Continued from Page 1)

It sounded well, but far away. Then, just a few hours later, the word came... D-Day! The invasion of Hitler's Europe was on... Thousands of young paratroopers jumping from their transport planes. Stepping out into the empty dark to land in enemy territory. Fighting men swarming over the beaches and flying men overhead, as Navy... tleavagons pulverized the so-called impregnable Atlantic Wall.

**TENSE AND CALM**... determined. That's the state of the Nation, the Garden City included. All day and all night, the blood donor stations have been crowded. Volunteers willing and anxious to do anything and everything in their power are flocking to City Hall, Hospitals etc. The main idea now is to do something useful. Everybody wants a part in this, the main bout. It's a new state of affairs and just getting under a full head of steam. At this time, it's all a bit bewildering and consequently difficult to describe. One thing is apparent, however, The Home Front is seething under its veil of calm, and its every effort is set to a determined tempo of concern for the fighting men now in the process of destroying the Nazi masters of murder and madness.

**JAP FIGHTERS**... Incidentally the trials and tribulations of the warriors who've been battling the Japs out there in the South Pacific, are becoming more and more apparent in the home. Returning warriors who tell of the difficulties and hardships encountered in the jungles of Guadalcanal, New Guinea and the rest of that Never-Never Land out there, are instilling a new respect in the minds of the folks for the men who have, and are, taking more than their share of grief unflinchingly.

It begins to appear that they can begin stoking the fires of hell anytime now, for Hitler and T. are already tagged for delivery.

## TO CHANGE NAME OF SOLDIERS' RELIEF

Representative Edmond J. Donlan filed a bill at the special session of the Massachusetts Legislature to change the name of the Boston Soldiers' Relief Department to the Veterans' Service Department.

Donlan stated that many veterans, who have been forced by circumstances to appeal to this department, have been needlessly embarrassed by the stigma of its name.

## ASK VOLUNTEERS AID RED CROSS

An appeal for volunteers to cut gauze for surgical dressings has been issued by Mrs. Charles E. Spencer, Jr., chairman of Surgical Dressings for Newton Red Cross.

"Some of the ladies from the workrooms are cutting the material every day and some evenings," said Mrs. Spencer, "but we will need more help if we are to meet our quota to the Army."

## ATTORNEY GENERAL TRYING TO RESTORE VETS TO OLD JOBS

The Attorney General's office is preparing an opinion designed to clear up some of the intricate questions certain to arise when the GI Joes and GI Josies come back home in force and apply for their old jobs.

The right of returning service personnel to get back their pre-war employment—if still qualified to fill the position—was set out in the original Selective Service act of 1940 like this:

"If such person was in the employ of a private employer, such employer shall restore such person to such position or to a position of like seniority, status, and regularity as the employee's circumstances have so changed as to make it impossible or unreasonable to do so."

Similar provision was made for employees of Federal and local governments furloughed to the armed forces.

But the law did not attempt to go into such complications as conflicting seniorities between civilians and returned veterans. The possible case of the civilian employee who stepped up into the superintendent's post during the regular absence at the front, or the status of all concerned in a shop where jobs may have shrunk below the pre-war level.

There has been no official interpretation on these things, and the questions expected to arise are numerous and tedious.

## CHURCH GROUPS ARRANGE PARTY

The Eliot Men's Club and the Young People's Department of Eliot Church Sunday School will join in carrying out plans for the second annual "Spring Tonic," to be held at The Hunnewell Club, at Church and Eldridge streets, Newton on Saturday, June 11. Patrons on the "Spring Tonic 1943," an indoor carnival is planned, to start at two-thirty p. m. and close about 11 p. m.

Proceeds from the admissions and side shows will go to provide funds for young people's delegates to camping conferences under church auspices, and toward the Men's Club building project. A program supervised by Nelson Scott, committee chairman for the Men's Club, and representatives of the Young People's Department, composed of Miss Altieri, Mr. William Bacon, and others under direction of Miss Bessie M. Stratton, supervisor of Religious Education.

## NATURALIZATION BUREAU DEFINED CITIZENSHIP

"Women who are citizens of another country and married to Americans may enter the United States as non-quota immigrants. If the American soldier or sailor dies, however, his alien widow cannot enter the United States free of the regular quota.

"Alien husbands of United States citizens, such as husbands of WACs or Army nurses, are not allowed to enter this country outside the regular quota, but receive a preferred status under the quota.

"A child born outside the United States having one parent who is not a citizen can 'inherit' citizenship by living in the United States for five years between the ages of 13 to 21."

—Immigration and Naturalization Bureau.

## VICTORY A. C. TOPS M & B DRIVERS

Behind the five-hit hurling of Johnny Johnson, Victory A. C. marked up its third straight win in the Newton Softball League by defeating the M & B Bus Drivers, 8 to 3, at the Levi Warren Playground, West Newton.

The Victory attack was paced by Gubbins, with a homer and two singles, and by Bill Kelley, who collected two hits. Jimmy Murphy was the heavy hitter for the Drivers.

## ROGERS ELECTED BY THRIFT CENTER

Kenneth W. Rogers of 79 Al-ban road, Waban, was elected president of the Thrift Center of Newton at the third annual meeting of the Center.

Other officers were chosen as follows: Mrs. H. Clayton Pearson, 8 Mt. Ida street, Newton, first vice president; Mrs. Dana M. Dutch, 245 Waban ave, Waban, 2nd vice-president; William Payne, Jr., 56 Cedar street, Newton Centre, treasurer; Miss Janet Mattson, 28 Brookdale road, Newtonville, secretary; Miss Albert R. Brown, 100 Highland G. Barron, Harold P. Carter, Mrs. G. Lennox Dowd, Mrs. Alexander I. Peskham and John Pfeiffer, directors.

## GARLAND ADDRESS BY DR. MERRILL

Rev. Boynton Merrill, D. D., of Columbus, Ohio, former minister of the West Newton Congregational Church was the speaker at the Commencement exercises for the Garland School senior class, of which his daughter, Miriam Barrett Merrill, is a member, in the Second Church in Boston.

Dr. Merrill stated that any American who fails to contribute in some way to the war effort forfeits his right to any kind of the honorable security. He will be the baccalaureate speaker at Deerfield Academy on Sunday, when his son will graduate.

Among other graduates of the two-year course at Garland School was Jane Ferguson of Newton Centre.

## TO RECOMMEND CITY HALL CLOSING ON SATURDAYS FOR SUMMER

A recommendation that an order be adopted closing City Hall on Saturdays in July and August and on Saturday, Sept. 2, will be made by Mayor Paul M. Goddard at the meeting of the Newton Board of Aldermen.

The mayor will also ask that he be given authority to rescind the order at any time without notice.

## "GOLD STAR" PARENTS RECEIVE CERTIFICATES FROM GOVERNOR

Governor and Mrs. Saltonstall, who were present as members of the organization, were presented membership emblems by A. Leslie Moriarty, president of the organization. They have two sons and a daughter in the service.

Recognition certificates were awarded the following "Gold Star" parents: Mr. and Mrs. George A. Vitelli, 158 Cabot street, Newtonville, whose son, George A. Jr., died in the service; Mr. and Mrs. Louis Lambert, 503 California st., whose son, Edward L., was killed; John T. Murphy, 28 School street, father of John A. Murphy; Mr. and Mrs. Antonio Mageni, 140 Adams street, parents of Robert C. Mageni; Mr. and Mrs. Ralph Hale, 10 Harrington street, Newtonville, parents of Robert C. Hale and Mrs. John A. Duane, 216 River street, West Newton, mother of George A. Duane.

Those who received certificates for large families in the service were: Mr. and Mrs. Wm. P. McGough, 946 Moody street, West Newton, 6 in service; Mrs. John T. Burns, 411 Newtonville avenue, 5 in service; and Mr. and Mrs. Archibald B. Bradley, 187 Concord street, Mr. and Mrs. John E. McElaney, 16 Ricker terrace, Mr. and Mrs. Raymond J. Cote, 61 Prescott street, Mr. and Mrs. Angus Maclean, 34 Channing street, Mr. and Mrs. Mark Conroy, 67 Pearl street, and Mr. and Mrs. Robert J. Burns, 75 Lombard street.

## COFFEY NEW PRESIDENT OF CITY LOCAL

Edward Coffey was elected president of the Newton Local City Employees' Union, at the meeting of the union at Columbus Hall, Newton.

Other officers elected to complete the year were Thomas J. Moran, vice-president, and John P. Russo, financial and recording secretary. Charles Fagan continues as treasurer. The new officers were installed by A. Leslie Moriarty, who was president of the local for 24 years and was state president for four years.

It was announced that Vice-President Moran has been appointed chairman of the annual "Field Day" committee. The event will be held at Hawthorne Field, Newton, June 5 to June 10.

## Newton Merry-Go-Round

The wheels are still turning in this city and the neighbors are going about their daily chores, as usual, but all activity here is pretty much of the mechanical variety, for the hearts and thoughts of everyone are far away on the shores of France.

There were no cheers yesterday and nobody cheered last night. The streets of Newton and the streets of every town, including Boston, were deserted at an early hour in the evening. After the throngs which had filled the churches to overflowing, had been dismissed from evening services, the Garden City settled down to a long night of unusual quiet.

ALL DAY LONG... All day long, thousands of Newtonians visited their respective churches to pray in the solemn quiet for the success of the invasion and the safety of the gallant warriors, husbands, sons and relatives, all of them engaged in the world's greatest battle for freedom. The day was Tuesday, but one unaware of the momentous events underway, might easily have believed it to be Sunday.

From midnight on, the owl trolleys arriving at Newton Corner were empty. The highways were deserted, too, with but an occasional car rambling along. Lights were burning in more than a few homes, as the anxious listened to the radios in the hope of hearing a word concerning loved ones or their whereabouts.

THE REAL THING... The real thing is on at last and everybody knows it. The electrifying news coming over the loud speakers two minutes after half past three Tuesday morning, flashed around this startled city like wildfire. Tension was followed by a cold calm that still prevails. The magnitude of the undertaking staggers the imagination and the desire of the majority is to stay at home and pray for their own.

The calm voice of General Eisenhower as he gave the Order of the Day to his fighting men, brought to mind another day, when in the hush of an early morning, we gathered about the radio, listening to the hysterical screams of that mad paperhanger they call Hitler, as he unleashed his horde of fanatical killers on helpless Poland. That was in 1939, when the "Master Race" set out to enslave the world. Tuesday morning, the voice of humanity and civilization, in the person of General Eisenhower, gave him answer in unmistakable terms.

"ONE UP..." Just a few hours previously, President Roosevelt had told the American people that victory was certain. Benito the Bum, was gone. Rome had fallen... "One up and two to go!" said the President. "Two to Go"... Berlin and Tokyo! (Continued on Page 4)

## A Message

from JAMES FORBES

Director Newton Trade School

\* \* \*

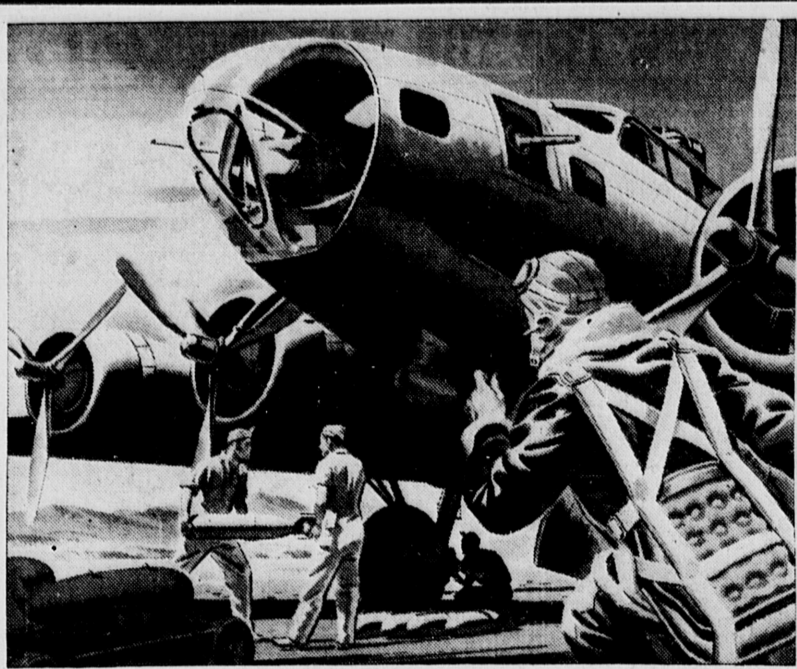

Newton Trade School is a school without seniors. That is—almost. The boys have one by one joined up or gone to work. In fact many juniors and even some sophomores have after-school or co-operative jobs, filling in gaps left when skilled workmen in all trades were called into the armed forces.

This has been a break for the freshmen, however. Boys who would ordinarily be wading through "fundamentals" in their first year have blossomed out into seasoned operators of machines and seem to have risen to their wartime responsibilities. In fact some shops report their production schedules are being maintained at pre-war levels, in spite of their much lower enrollment.

The Inter-school plan with N. H. S. has worked out well and is (Continued on Page 4)

## HE'S OFF ON HIS FIFTY-FIFTH MISSION

There he goes again—out to pour more destruction on the Axis—once more to face the death of enemy fighters and flak!

He won't hesitate to go out on his fifty-sixth or his hundred and fifty-sixth mission. He knows he might not come back, but he keeps on going—giving more and more until the Hitler and

Tojo crews are ready to "call it quits."

This is only your fifth mission—and a mission which is mighty easy in comparison with the ones he makes every week.

Stay in the fight by welcoming the Victory Volunteers—at least double your Bond purchases and then keep on. Your buying means "bombs away" for the Axis!

Newton Highlands wants the next mayor and also the next representative to the legislature. So gentlemen, stir around and settle on a couple of your best men, get into the fight early and the victory should be yours.

The examinations for the nurses at the Cottage Hospital took place Monday and Tuesday of this week and were conducted by Drs. Frisbie, Thayer, Seales and Crockett. There are ten nurses in the graduating class and all passed very successfully, and did great credit to their instructors. The committee appointed some time ago to devise a diploma for the graduates, have decided upon a form, and Hon. J. R. Leeson is having the plate engraved at his own expense and will present it to the hospital.

### A Friendly Smile

If nobody smiled and nobody cheered  
And nobody helped us along,  
If everybody looked after himself  
And good things all went to the strong,  
If nobody cared just a little for you,  
And nobody thought about me,  
And we all stood alone in the battle of life,  
What a dreary old world it would be.

Life is sweet just because of the friends we have made  
And the things that in common we share;  
We want to live on, not because of ourselves,  
But because of the people who care.  
It's giving and doing for somebody else—  
On that all life's splendor depends;  
And the joy of the world, when you have summed it all up,  
Is found in the making of friends.

### EMPLOYMENT IN FACTORIES SHOWS DROP

As was the experience of the state as a whole, manufacturing establishments in Newton reported a drop in employment and payroll earnings last month, according to the report of the State Department of Labor and Industries, issued today.

A total of 17 establishments in Newton reported 5,903 wage earners, total wages of \$206,221, and average weekly earnings of \$24.33 last month. Employment dropped 2.6 per cent, and average weekly earnings .3 per cent.

### BIG TRUCK HITS TURNPIKE TREE

A huge express truck operated by Chester S. Sawicki, 29, of 7 West street, Hadley, crashed into a tree of the Worcester turnpike near Bacon place, Newton Upper Falls, recently.

The driver reported to the police traffic bureau that he was proceeding west on the turnpike about 5 a. m. when something went wrong with the steering gear and the truck swerved to the right and struck the tree.

The front axle of the truck was found to have been broken by the impact.

### OWNER SEEKS FIRE DAMAGES FROM CITY

A claim against the city of Newton for loss incurred by fire alleged to have spread to his property from a blaze on the Pine street dump in West Newton has been filed by the owner of the property, Frank Castano, 19 Lill avenue, West Newton.

The petitioner asks that he be reimbursed to the extent of \$685.50, which is his figure of the damage which resulted when his garage and a shed were destroyed by the blaze that spread from the city dump on April 14.

The claim is based on the contention that the damage resulted from negligence on the part of the city in allowing the dump to constitute a fire menace.

### RED CROSS SEEKS BARNET BLUESTEIN

The Newton Red Cross is seeking the whereabouts of Barnett Bluestein, formerly of 332 Cherry street, West Newton, to deliver a cable message to him from Pashin Julman of Romania. Anyone knowing the present whereabouts of Mr. Bluestein should communicate at once with Newton Red Cross, 21 Foster street, Newtonville.

### LAKE CLOSED TO NAVIGATION

Fearful that a tragedy might occur, residents of Nonantum have appealed to the police to halt navigation on Silver Lake, in view of the fact that children have been sailing on the pond in row boats and on rafts that could hardly be described as "seaworthy."

Chief Michael T. Hughes issued orders to policemen of the district to close the lake to marine traffic.

### PARENTS ASK PAINTING OF SCHOOL HALL

A petition filed by parents of pupils at the Mason School, Newton Centre, asking that the school auditorium be repainted, has been received by the School Department and referred to the Public Buildings Department for action. If the latter department approves the project, Mayor Paul M. Goddard will be asked to recommend the appropriation of funds for the purpose.

### BURGLAR CAUSES DAMAGE, BUT STEALS NOTHING

The carpenter shop of Herbert L. Ray, 65 Court street, Newtonville, was entered by a burglar during the week-end and considerable damage was caused, but as far as could be determined, nothing was stolen.

The intruder gained entrance by breaking a rear window and tampered with an electric switch, the owner reported to the police.

The theft of a handbag containing a sum of money and other articles from the glove compartment of her car while it was parked on Commonwealth avenue, near Norumbega Park, Saturday evening was reported by Charlotte Shork, 19 Waban Hill road, Chestnut Hill, recently.

Several bicycles were reported stolen from Norumbega Park and the Riverside Recreation Grounds during the week-end.

### WABAN BOASTS TENNIS LEAD, 3-0

Waban swept its third straight match by defeating Needham, 3 to 0, at Waban and the Newton "Y" blanked Brae Burn, 3 to 0, at Brae Burn, in Newton Suburban Tennis League contests last Wednesday night. The victories put Waban in first place with a perfect record of nine wins and "Y" in second place with five wins and four losses.

A Needham-Brae Burn match has been postponed, while the result of the Lakewood-West Newton tilt has not been reported.

Matches for June 7 are as follows: Waban at West Newton, Lakewood at Brae Burn, and Needham at the "Y."

### OFFICER CLANCY RECEIVES CHECK

The presentation of a check for \$100 to Richard J. Clancy, retired patrolman of the Newton Police force, by the Newton Police Memorial Association took place yesterday at his home on Webster street, West Newton.

The check was presented in behalf of the organization by President Joseph B. Lyons. He was accompanied by Vice-President Patrick J. King, Sgt. Andrew E. Moran, Treasurer John J. Gogean and Directors Edward J. Gogean and Lawrence Dungan.

Patrolman Clancy retired from the force this month after 32 years of service.

### VETERANS, WIVES AND WIDOWS TO GET JOB PRIORITY

Legislation giving war veterans, their wives and widows top priority on government jobs was approved by the House, 312 to 1, as Henry Ford pledged that service men will get first call on postwar jobs in his plants.

It provides that the names of service men and the wives or widows of disabled veterans go to the top of government job lists. In civil service ratings, 10 points would be added for disabled veterans and their wives or widows, and 5 points for all other service men and women.

### 600 BOYS PARTICIPATE IN CAMPOREE

Approximately 600 Newton and Wellesley boys and leaders took part in a two-day competitive Camporee held at Nobscot Reservation the past weekend, for the purpose of providing training in good camping for the Scouts of Norumbega Council.

As Scouts arrived on the reservation, they were assigned to camping sites. Experienced campers to set up camp for the weekend. Boys in the various patrols, facing wilderness-trail or base-camp conditions, lost no time as they pitched in clearing the site, erecting tents, hauling water and kindling the fires to start the evening meal.

The boys, in the experienced Camporee test, were on their own under their own patrol leadership.

### NEWTON FLIER BRINGS DOWN NAZI PLANE

Word that he had shot down his first Nazi plane and that he had been awarded a technical sergeant came almost simultaneously to the parents of James L. Mason, 243 Pearl street, Newton, flight engineer and gunner on a Liberator bomber.

The promotion was announced by the 15th Air Force headquarters in Italy, while word of the destruction of the Nazi plane came in a letter of Sgt. Mason to his parents, Mr. and Mrs. Edward J. Mason. He also stated that he had completed 27 combat missions and his goal had been set as 50 missions.

### GOVERNOR, CHIEF MARSHAL MEMORIAL DAY PARADE

Atty. Gen. Bushnell, orator of the day

With Attorney General Robert T. Bushnell as orator of the day and Mayor Paul M. Goddard as chief marshal of the Memorial Day parade, Newton citizens turned out by the thousands to honor the memory of the city's hero dead of all wars. U. S. Senator Weeks marched in the parade as a member of the chief marshal's staff.

The exercises were held at the Soldiers' Monument in Newton Center, where the procession, which included large delegations of marchers from a score of military, civic and patriotic organizations, was reviewed by the chief marshal and his staff in front of the main portion of City Hall.

The parade route extended from Newton Corner over Washington street to Newtonville square and thence over Walnut street to the Newton Cemetery.

After 14 years of service, Rev. Thomas P. Fallon, assistant pastor, will leave the Church of Our Lady, Newton, on Wednesday to become administrator of the Sacred Heart Church, Middleboro.

Fr. Fallon delivered his farewell sermon yesterday. He came to the Newton parish after his ordination at St. John's Seminary, Brighton, in 1930 and served here under three pastors—the late Rev. Lawrence W. Slattery, the late Rev. John A. Sheridan and Rev. Michael E. Doherty, the present pastor. He was born in Hyde Park.

During his service in Newton, Fr. Fallon was spiritual director of the Ladies' Sodality of the church.

# IT'S TEAMWORK THAT DOES IT

## The 5th War Loan STARTS NEXT WEEK!

WHEREVER your invasion forces are fighting—at sea, in the air, on the ground—they're working together for victory. They know that they must depend on each other, for only by coordinated teamwork will they win through to final victory in the earliest possible time.

The Fifth War Loan starts next week. It's going to take teamwork—a lot of it—to

put this drive over the top. For we've got a job to do. As the tempo of invasion rises every one of us must mobilize for support of our fighting men.

In every city, town and hamlet men and women like

yourself have banded together as War Bond Volunteer Workers, giving their time to taking your subscriptions for Bonds. Support them. Give them the kind of teamwork our boys are giving to each other on the fighting fronts!

When your Volunteer Worker calls, double your War Bond subscription. It's their job to help raise \$16 billions of money for victory during this Fifth drive, \$6 billions

from individuals like yourself.

Make up your mind to welcome your Victory Volunteer with a friendly smile and an open checkbook—remembering that it's teamwork that does it!

Pfc. Francis R. Smith of 676 Center street, Newton, has been graduated from the Fairchild Camera & Instrument Corp. school in aerial camera maintenance and repair, at New York. Only picked photographers of the Army, Navy and Marine Corps are sent to the school. Private Smith, shown holding a Fairchild K-20, a small, manually-operated camera which has a true speed of 1/500th second, is attached to a photographic unit at Brookley Field, Mobile, Ala.

BOSTON, June 1 — Miss Sally Ann West of 185 Franklin street, Newton, was sworn into the WAVES, the Women's Reserve of the Navy, today and will report shortly for active duty.

AN AIR SERVICE COMMAND STATION, "Somewhere in England"—Pvt. Michael Mamishian, the son of Mr. and Mrs. Haig Mamishian, of 32 Champa avenue, Newton Upper Falls, Mass., is now overseas, helping to "keep 'em flying" with the Aircraft Section of a large Air Service Command depot "somewhere in England."

Pvt. Mamishian and the men of this section help to keep our combat planes the best in the aerial battle being fought in the skies over Germany by adding the most up-to-date improvements to ships after the new inventions are perfected.

Pvt. Mamishian is one of the men recently commended by Lt. Gen. Carl Spaatz, Commanding General of the United States Strategic Air Forces in Europe, when production at the depot was increased by over 100 per cent.

Before entering the Army, he was employed by the Mono Process Company in Waltham as a compositor.

John McCaul Considine of Newton, was recently graduated, after completing the course in Basic Training 2548th AAFTD, Curtis Field, Brady, Texas, and has been sent to Eagle Pass AAF, Eagle Pass, Texas, for Advanced Training.

Samuel L. Young was promoted from Corporal to Sergeant according to announcement made today by the commanding officer of the Army Air Field, Grand Island, Neb.

Sgt. Young is the son of parents deceased and attended Brighton High School.

He is a member of the Second Air Force, playing a big part in the training of heavy bomber crews and fighter pilots for combat theaters.

Katherine M. MacNeil, daughter of Mrs. Joanna and the late Mr. Roderick MacNeil of 410 Newtonville avenue, Newtonville, has been promoted to the grade of 1st Lt. in the Army Nurse Corps. Lt. Katherine MacNeil is a graduate of the Newton High School and St. Elizabeth's Training School for Nurses. She received her commission as 2nd Lt. January 4, 1943. At present she is stationed with the Army Air Forces, New Castle Army Air Base, Wilmington, Delaware. Her brother, James J. MacNeil, a government accountant in New York City, is taking an additional government course at Duke University in Government Contracts.

Ralph Lewis Allen, formerly of 15 Foster street, Newtonville, was promoted on May 1st to the rank of Major. Commissioned 2nd Lt. in the Infantry Reserve, he was called to duty in May, 1942, and assigned to Fort Devens. Two weeks later he was transferred to the office of the Chief of Ordnance, where he was assistant secretary of the Ordnance Technical Committee for 18 months. In February, 1944, he was assigned to the Special Projects Branch, where he is now deputy chief of that branch, Headquarters Army Service Forces.

1st Lt. Harry A. Thompson, D. C. of 1141 Walnut street, Newton Highlands who received his D. M. D. from Harvard College, was one of a class of officers of the Medical Department graduated on June 1 from the Medical Field Service School, Carlisle Barracks, Pa.

Announcement has been made from "Somewhere in England" by Brigadier General James P. Hodges, Commanding General of a Liberator Bomb Division, that the Air Medal has been awarded to 2nd Lt. Theodore Madden, son of Commander and Mrs. A. L. Madden, USNR, of 320 Quinobequin road, Waban. The award was "for exceptionally meritorious achievement while participating in combat missions over enemy occupied Continental Europe."

Lt. Madden is a graduate of the Newton High School and attended the Bentley School of Accounting and Finance. He was employed by the Coca-Cola Bottling Co. before enlisting in the Aviation Cadets on May 13, 1942 at Boston. He is a navigator on the Liberator, "Bugs Bunny."

AN AIR COMMAND STATION (Somewhere in England)—Lt. Francis L. Buswell, Jr., the son of Mr. and Mrs. Francis L. Buswell of 321 Kenrick street, Newton, Mass., is now overseas and has participated in a course designed to bridge the gap between training in the states and soldiering in an active theater of war. At one of the Air Service Command Stations known as Control Depots, 2nd Lt. Buswell was carefully processed by classification experts who make certain that he was well

fitted for the job assigned to him. Before entering the Army he was employed as a Insurance Rate by the Liberty Mutual Insurance Co.

AN EIGHTH AAF FIGHTER STATION, ENGLAND—Lt. Robert B. Sander, formerly of Newton, Mass., and now combat pilot of a Mustang fighter, has paid his first "visit" to Berlin.

The 20-year-old flyer accompanied his group on escort with huge formations of U. S. bombers striking at industrial targets near the German capital city.

Lt. Sander is the son of Mr. and Mrs. C. G. Sander, 72 Cabot street, Newton.

He described a "shower of flak" shooting up from the ground around Berlin, and said enemy opposition was intense.

"German fighters swarmed toward us to get through to our bombers, but we broke up their attacks," he reported to intelligence officers at his base in England.

Before he entered the service, Lt. Sander was a student and attended Newton High School.

AN AIR SERVICE COMMAND STATION (Somewhere in England)—2nd Lt. Richard S. Boynton, husband of Mrs. R. S. Boynton, of 693 Beacon street, Newton Centre, Mass., is now overseas and has participated in a course designed to bridge the gap between training in the states and soldiering in an active theater of war.

At one of the Air Service Command Stations known as Control Depots, Lt. Boynton was carefully processed by classification experts who make certain that he was well fitted for the job assigned to him. Before entering the Army he was a student in Brown University.

#### Educational Ass'n In Annual Meeting

The Newton Men's Educational Association held its annual outing and dinner meeting on Wednesday, June 6, at the Warren Junior High School, West Newton.

With the best attendance since 1941, the "D-Day" meeting was addressed by Chaplain Leland B. Henry, member of the faculty of Harvard University. Chaplain Henry, formerly at St. George's Church, New York City, and holder of the Purple Heart from the first World War, explained the training and duties of Army Chaplains.

Another feature was a war-training film presented by members of the Coast Guard. The dinner was served under the direction of the High Schools Cafeteria Staff and was served by girls of the Warren School.

Nelson C. Swan, veteran Trade School teacher, retiring after 25 years of service in Newton, was presented with souvenirs and a purse by Director James Forbes on behalf of the Association and members of the Trade School faculty. Mrs. Swan was also remembered by flowers.

## Can that "younger look" be restored?

Now... in many cases, yes! For Science has made a revolutionary discovery. Doctors have found there is a "vitalizing" substance that is always necessary for a pretty young skin. Naturally as this substance decreases with age, skins start to dry and look older. But now the endocrine laboratories have found how to bring you a counterforce to this substance... replacing the natural substance for your skin. It is called **Endocrine**, and brought to you only by **Endocrine**. Results of its use are remarkable! Skins which lacked this substance begin to look smoother, firmer, fresher again! Many skins take on new appearance of "bloom." This precious ingredient costs only 11 1/2¢ a day! So start to get its benefits! Ask at our Cosmetic Counter today... for **ENDOCRINE**! 30 days supply \$3.50 plus tax

## Aldermen Vote -

(Continued from Page 1)  
being assessed for the cost of the sewer project.

The board voted unanimously to adopt an order for the closing of the City Hall on Saturdays during July and August and on Saturday, Sept. 2, as recommended by Mayor Paul M. Goddard.

A petition of John J. Mullen for a waiver of a set back line on Jeffrey Circle to permit construction of a piazza on the corner lot at 14-16 Cotter road was granted by the board.

The board also voted that the following appropriations be made: \$4,200 for the construction of Hinckley road; \$2,300 for the construction of a sewer in Hinckley road, \$300 for overtime compensation for Street Department clerks resulting from the fact that one clerk is now on sick leave, \$1,700 for the repair of the wooden bleachers at the high school field, \$775 for the closing of a dead end water main and installing a gate valve on Oakdale road, \$1,200 for renewing 30 to 35 Water Department services on the Auburndale end of Grove street, \$617 for the pension of Domenico Leone, retired Street Department employee, and \$50 for the settlement of the claim of B. T. Pierce for damage to property.

A charter objection was raised by Alderman Carroll J. Hoffman against appropriation of a sum of \$20,000 to correct a clerical error in the School Department budget. Mayor Goddard had recommended that the appropriation be made as the sum had been erroneously left out of the item for instruction salaries when the School Department submitted its budget. Alderman Hoffman said he raised the charter objection in order that he might study the matter. President Joseph B. Jamieson ruled that the charter objection by Hoffman automatically deferred action of the appropriation until the next meeting.

George Libby, son of Mrs. Madeleine B. Libby of 64 Homer street, has returned home after completing his junior year at Vermont Academy, Saxtons River, Vermont. He was also on the Junior Varsity Hockey team and during the spring term pitched for the Junior Varsity Baseball team.

## Celebrate 50th Anniversary

On June 6th, 1894, James (Jim-mie) B. Newell and Susan H. Bigelow were married in Newton. On June 6th, 1944, Mr. and Mrs. James B. Newell of Tampa, Florida, celebrated their 50th wedding anniversary at their summer home in Goose Rocks Beach, Kennebunkport, Maine.

Mr. Newell was born and lived in Newton until his retirement four years ago, as Supervisor of Maintenance for the Public Buildings Department of the City of Newton with which he had been connected for 41 years.

Mr. and Mrs. Newell had planned a quiet celebration with their immediate family of two sons, their wives and four grandchildren. Mr. and Mrs. Philip S. Newell of South Acton, Mass. and family; Bradford Newell, Reed and Susan Mellor, Mr. and Mrs. Willard B. Newell of Tampa, Florida, and daughter Suzanne and, as a special guest, Mrs. Newell's bridesmaid, Mrs. Joseph N. Palmer. But, the numerous friends Mr. and Mrs. Newell have made during the many years as summer residents of Goose Rocks Beach would not permit the big day in their lives to pass unnoticed. So the day was a busy day of renewal of friendships, congratulations and good wishes.

With their naturally youthful outlook on life, Mr. and Mrs. Newell are now looking forward to celebrating their 75th.

This is your chance to get into "THE FIELD WITH A FUTURE"

—ELECTRONICS. Without a doubt this industry will be one of the foremost in the country after the war. New uses are being found for this marvelous science every day. Today it produces secret weapons — tomorrow it will have a place in almost every walk of life. Whether you anticipate joining the armed forces later or not, the experience gained at Raytheon will be invaluable to you. Many fine jobs open for older men, too. Come in and talk it over.

## FASCISM

J. T. MacVicar.

What is Fascism? What motivates it? And who are the beneficiaries? To evade Fascism it is necessary to have a clear concept of the answers to the above questions. The space allotted for this article will not permit a detailed analysis of the subject; but at least we can remove to some extent the superficial garments that clothe the Fascist political and economic system, and the footprints leading to Fascist ascendancy to power; also the elements of society that contributed to and are directly benefited by the fascist system. Of late there has been a noticeable trend to look to leaders rather than the motivating cause that gives the leader his authority, thus we lose sight of the real issues involved. Looking for a Moses is portent of decadency, this mental attitude is fatal to individual liberty; it admits inability to understand or cope with political and economic issues relevant to our welfare. When a people manifest neglect, indifference or ignorance regarding the politics and economic destiny that shapes their national destiny, they open the door to the Ismist with his short cut to the promised land.

Fascism is defined under the new

word listing in Webster's New International Dictionary as follows: "Any strongly centralized autocratic national regime with severely nationalistic policies, exercising regimentation of industry, commerce, and finance, rigid censorship, and forcible suppression of opposition." To this definition may also be added the control of labor and religion.

Raymond Gram Swing, in Fore-runners of American Fascism writes: "Fascism is a reorganization of society to maintain unequal distribution of economic power and a substitution of barbaric values for individualist civilization."

The Fascist ideology is not an appeal to the finer qualities of the human mind but to the grosser elements. The selfish, the tyrannical, the deceptive, and egotistical. The motivating cause of Fascism can be briefly summed up with two words, power and profits.

Let it be thoroughly understood that the Fascist economic concept is not limited to a particular racial group, coalition of nations or continental division; rather it is as universal as the minds which reflect its underlying vicious characteristics. To function, Fascism only needs organization and financial support, and an apathetic public to sanction it. Because of its aggressive and autocratic characteristics Fascism is a threatening peril to the liberty of all people,

and an implacable foe to all forms of democratic government. Therefore, the imperative necessity for each citizen to be alert to its subtle aggressive material and mental modus operandi.

In Italy, Germany, and Spain the Heavy Industries, Big Land owners, and International Banking Syndicates financed the Fascist movement to implement the destruction of democratic governments that were beginning to function in European countries.

Mussolini's Fascist party in Italy was financed by: The Fiat Automobile Co., Fuemco Oil Corporation, The Landowners Association, The Industrial Association, The group is a holdover from the feudal system, and has successfully resisted agrarian reform for centuries, it is made up of royalty and non-productive aristocracy; their undemocratic attitude is the contributing cause of the wretched and impoverished condition of the Italian tenant farmer. Confederazione Generale dell'Industria, Banca Commerciale di Milano, Banca Italiana di Sconto, also supported Fascism in Italy.

Until the Big Landowners, Cartels, Coal, Steel and Chemical industries came into the picture the Fascist movement in Germany made only mediocre progress. The monopolies gave Hitler and his ambitious political malcontents the green light on the highway to power. The commercial press followed the industrialists' lead and supported the New Order with a flood of anti-democratic propaganda, facts were ignored; but racial superiority and national supremacy made the headlines. True a few city dailies and the small town weeklies exposed Hitler's double dealing and warned the German people of consequences if they elected Hitler to power.

But the press with the limited circulation was only a voice crying in the wilderness. Hitler's socialism with Karl Marx amputated would cure all economic, social and political ills. It is a predominant trait of Fascism to make it easy for its victims to imbibe the dream nectar of Fascist ideology. But the digestion is always bitter.

## A Lecture on Christian Science

### Entitled Christian Science: The Gospel of the Comforting Christ

by Harry C. Browne, C.S. of New York City

Member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts

A lecture, to which all were welcome, was delivered last Friday evening at First Church of Christ, Scientist, in Newton, by Harry C. Browne, C.S., of New York City. The lecture, "Christian Science: The Gospel of the Comforting Christ," was introduced by Edmonds P. Lingham, First Reader, who said: "It is recorded in Luke's Gospel that the seventy disciples, returning to Jesus, rejoiced that the application of his teachings resulted in healing every manner of disease among the people and further: 'Blessed are the eyes which see the things which ye see; for I tell you, that many prophets and kings have desired to see these things which ye see, and have not seen them, and to hear those things which ye hear and have not heard them.'"

Mary Baker Eddy, the Discoverer and Founder of Christian Science, organized the Church of Christ, Scientist, "to commemorate the word and works of our Master, which should restate primitive Christianity and its lost element of healing." (Manual, p. 17) Christian Scientists, as did the disciples of old, rejoice that they are witnessing and experiencing healings which are accomplished by applying the same law Christ Jesus demonstrated. Truly, we are fortunate and grateful to be living in this day and age, seeing the things which we see, and hearing the things which we hear.

In behalf of the members of this Church, I welcome you to this lecture, and take great pleasure in introducing Mr. Harry C. Browne, C.S., of New York City, a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, who will address us on the subject: "Christian Science: The Gospel of the Comforting Christ."

The lecturer spoke substantially as follows:

How happily most of us respond to good news, and how some become depressed at the bad! Good news comforts, strengthens, and refreshes us. Nearly everyone wants to hear good news; and it goes without saying that you have come here tonight expecting to hear good news about God and His Christ.

To many people uninstructed as to true goodness, what seems good news to one may be evil news to another, and the evil may seem good. Mary Baker Eddy, who discovered and founded Christian Science, writes in one of her books, "Miscellaneous Writings" (p. 13), "Seek the Anglo-Saxon term, for God, and you will find it to be good; then define good as God, and you will find that good is omnipotence, has all power; it fills all space, being omnipresent; hence, there is neither place nor power left for evil."

Good, or God's news, must also be true news, for God and Truth are one. "The Lord he is God; there is none else beside him," the Bible encouragingly assures us. Naturally, then, all evil or bad news must be false, and untrue, and assessing neither power nor actuality, presence nor intelligence.

The truth about God which Christian Science reveals routes the darkness of misunderstanding of those who are disappointed and who wish earth's falsities. For this truth consists of the provable, understandable, spiritual facts about God, man, and the universe, and the Holy Bible is filled with promises of God's guidance and care to those who love and worship Him understandingly. Christ Jesus said, "God is a Spirit; and they that worship him must worship in spirit, and in truth." (John 4:24) There are any doubts, then, that it becomes our privilege as Christians to worship the Father "in spirit and in truth?" We must do this if we are to experience the blessings of health and prosperity promised by God. Christian Science is alone capable of permanently comforting suffering humanity and pointing the way to everlasting peace and glory.

Paul, the Apostle of Christ, presents the gospel of Christ, the spiritual idea of God, who is "infinite, full, Spirit, Soul, Principle, Life, Truth, Love" (Science and Health, p. 469).

### The Everlasting Gospel

In the New Testament we read of Jesus and his disciples preaching the gospel and healing the sick. We note that men are lovingly commanded to believe in the gospel and to publish or circulate it. The "gospel," you may recall, comes from the German words "Gott," or "God," and "spell," or "word," and later pronounced "Gospel," from which we derive the present word gospel. It is literally good tidings, or good news; the news about God, who is Christ or Son, and about our spiritual selfhood as that son of this Christ that I bring you comforting news tonight.

The version of the Bible which King James has held first place the affections of mankind through three centuries as the gospel to which men may confidently turn and help for every need. The good news first made known to men is inspired declaration of Moses, man and the universe are the work of God, who is God. The chapter of Genesis, created man in His own image and likeness, and everything that He had made to "very good."

In the second chapter of Genesis there is the record of a different, the mythical story of man or mortal man created out of dust of the ground. Can both be true? Mrs. Eddy says (Science and Health, p. 222), "This second record, mistakenly gives the history of man in his externalized forms, called and intelligence in matter." But definitely assures us that this is of things "temporal." For Christian Science textbook says (Science and Health, p. 287), "The material sense testifies to truth error as united in a mind both good and evil." This good news is "their false evidence" finally to Truth—to the recognition of spirit and of the spiritual crea-

Where did this bad news originate? Well, it is like asking, "Where did four and four be nine come from?" It never originated as a reality, and in the light of Christian Science the whole history of material creation is the lie of the carnal mind, the "mist" which went up from the earth. As Mrs. Eddy says in "Miscellaneous Writings" (p. 30), "There went up a mist from the earth (matter); and the mist of materialism will vanish as we approach spirituality, the realm of reality; cleanse our lives in Christ's righteousness; bathe in the baptism of Spirit, and awake in His likeness." This account of spiritual creation given us in Chapter I of Genesis, understood as the truth of being, protects us from the unreal broods of materialism, which are the underlying causes of all sin, disease, and death.

To Moses came also God's revelation of the Ten Commandments, through obedience to which men learn to know God and His goodness to the children of men.

Later, because Isaiah was hungering for the knowledge of God, God revealed to this prophet the Christ, the spiritual idea of God, of whom he said, "The government shall be upon his shoulder; and his name shall be called Wonderful, Counselor, The mighty God, The everlasting Father, The Prince of Peace. Of the

increase of his government and peace." Isaiah said, "there shall be no end." Truly, good news, indeed! Fulfillment of this prophecy is found in the New Testament. It was first heralded by the angels to the watchful shepherds in Bethlehem: "Behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord."

So came Jesus, "the human herald of Christ, Truth," Mrs. Eddy states (Science and Health, Pref., p. vii), preaching the healing gospel of Christianity, revealing the kingdom of heaven a hand. Jesus' understanding of this truth enabled him to destroy the errors of disease, sin, and death. Jesus came illustrating the coincidence between cause and effect. Cause and effect can be traced through every action of Jesus' ministry. For example, he saw the nothingness of mortal mind or matter body, and saw cause as divine Mind, and health resulted. For supply he saw Mind as substance, as cause, source—source of all that is—and need were met. For joy he turned to Spirit as cause, for joy is spiritual. For life he turned to Spirit, God, as cause, for he said, "It is the spirit that quickeneth [gives life]; the flesh profiteth nothing."

Jesus' earthly experience was brief to human sense, but behold the glorious revelation given us in Jesus' scientific healing work of three years!

Jesus knew through the understanding of the Christ that God's creation is spiritual, not material. This teaching and the healing proofs he gave of his teaching so enraged the scholastic theologians of his time that they brought about his crucifixion.

Thus came the sad news of the crucifixion of Jesus, and God's kingdom indeed seemed dark and even lost; but suddenly there broke the good news of Jesus' resurrection from the tomb, followed later by his glorified ascension. Jesus' demonstration over death and the grave even more than all his teachings, inspired his students to become his followers in deed as well as in name, for they, too, preached the gospel of salvation and did many healing works.

Jesus brought to a suffering world, bound by ritualism, creed, ignorance, and sin! But there was still more good news which the people of his time were not spiritually prepared to receive. He frankly told his disciples, "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of Truth, is come, he will guide you into all truth; and again, 'And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever.' Jesus desired his disciples to look to the Christ, Truth, the Messiah, rather than to his person for the healing, comforting presence of God.

And finally, we read in Revelation, the last book of the Bible, the good news of the people of this age to forth the man-child—the spiritual idea of God—destined to rule all the nations of the world, fulfilling the prophecy of Isaiah. It is the great privilege of the people of this age to witness the appearing of the Christ through the inspired teachings of Mary Baker Eddy in the healing of

sickness and sin. This good news is Christian Science, revealing the Comforter, the Christ, Truth, which leads us into all truth and establishes the kingdom of God within us. Science reveals this "withness." In Mrs. Eddy's words (Science and Health, p. 476), "The Kingdom of God is within you; that is, Truth and Love reign in the real man, showing that man in God's image is unfallen and eternal." Thus, the reign of God and His comforting Christ is already with us. The truth is unfolded through the love of God.

### Christ Explained

This holy gospel of the Christ, the spiritual idea of God, has always been preached, even before the days of Jesus of Nazareth, who more than any other man exemplified the Christ, or Son of God, and Christian Science explains this Christ as "Jesus' spiritual selfhood; therefore Jesus' Christ existed," Mrs. Eddy states, "prior to Jesus" (Message for 1901, p. 8).

Our Master's beloved disciple, John, affectionately wrote these words of the Christ: "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but that the world through him might be saved." And

The following morning she heard a knock at her door, and upon opening it found the little girl, on crutches, carrying a bundle under her arm. The practitioner invited her into the living room and asked her to lay aside the little bundle and be seated.

In improved conditions of every kind. We should expect health, expect success, expect victory, expect salvation, for these are qualities of the divine Mind, or Christ constantly being expressed as man.

A Christian Science practitioner called one day upon a family which had become her neighbor. She found a mother and small daughter, the latter so crippled with infantile paralysis that she had to use crutches, and the condition of her feet prevented her wearing shoes. The child's affliction seemed to weigh heavily on the mother. Very wisely, but with sweet compassion, the practitioner assured her of God's loving care for all His children. The mother, however, had accepted the verdict of the doctor that there was little hope of the child's recovery. The practitioner then asked the mother if she had ever heard of Christian Science, and related several instances proving God's ability and willingness to overcome physical conditions pronounced incurable or fatal, all of which was listened to most eagerly by the child. With some more comforting words the practitioner left.

The following morning she heard a knock at her door, and upon opening it found the little girl, on crutches, carrying a bundle under her arm. The practitioner invited her into the living room and asked her to lay aside the little bundle and be seated.

In his glory, and all the holy angels, with him, then shall he sit upon the throne of his glory:

"And before him shall be gathered all nations; and he shall separate them one from another, as a shepherd divideth his sheep from the goats.

"And he shall set the sheep on his right hand, but the goats on the left."

"Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."

"For I was an hungry, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

"Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me."

"Then shall the righteous answer him, saying, Lord, when saw we thee an hungry, and fed thee? or thirsty, and gave thee drink?

"When saw we thee a stranger, and took thee in? or naked, and clothed thee?"

"Or when saw we thee sick, or in prison, and came unto thee?"

"And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Oh, let them be in your thoughts as a sense of the expectancy of God's promised liberation from fear of suffering and sorrow that many will leave this lecture healed of their disorders! Displace the bad news of disease, or your inability to be of help to yourselves and others, with the gospel of Love and Truth found in the Bible through Mrs. Eddy's teachings. You will find through your sincere study and practice of Christian Science that you are not helpless nor forsaken, nor frustrated, nor defeated, not bound nor paralyzed, but active, whole, free at all times to express your true being as the perfect, harmonious child of God.

The spiritual idea of God, or Christ, has for many centuries been gradually unfolding itself to the human consciousness through the activity of the divine Mind. In the degree that all evil, wickedness, sickness, and death, the carnal mind, spoken of by Paul as "enmity against God," is seen for what it is—enmity against God—it is good news, for we know that it is no part of the reality of being, as it is not found in the all-inclusiveness of God, good.

By the very nature of evil or matter, however, it must eventually destroy itself, for it opposes itself, in belief, to the life-giving, perpetuating, harmonizing spiritual qualities of God. All that seems to be antagonistic to God and His Son or Christ is classified as anti-Christ. John makes the following explanation in the Bible: "He is antichrist, that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father: (but) he that acknowledgeth the Son hath the Father also."

How grateful we are that God's Christ lives in us, and we are receiving many blessings from him. For the Christ-consciousness healing sickness and destroying sin, is the sunshine of Love, banishing the darkness of earth. Love does not dwell in isolation. Love goes forth arm in arm with all the sons and daughters of God. The radiance of Love goes full-orbed in the freedom of man.

### Expectation Helpful in Healing

One of the helps to acquiring the consciousness of the Christ, or Truth, is the quality of expectancy. The Apostle Paul said, "My soul, wait thou only upon God; for my expectation is only from him." No matter what evil may try to make us believe, right where the evidence before the physical sense is most discouraging and depressing, there is our heavenly Father-Mother God, "whose seed is secret," tenderly caring for us. Christian Science opens our consciousness to be constantly expectant of the over-present spiritual good which exists in unlimited abundance. Spiritual goodness is all there really is, and includes health and prosperity, freedom and joy. We cannot really expect from God anything but good, and this expectancy finds expression

after many days." In other words, good thoughts and deeds, put into circulation, will some day find their way back to us.

According to the dictionary, "circulation" means the act of moving around, or sending from place to place." But spiritually understood, circulation means activity of thoughts or ideas. As ideas or good thoughts originate in Mind or God and are constantly being expressed by man, their circulation cannot really be impeded, stagnated, or obstructed. Our work at present is to keep active in thought those qualities of Christian character, which enable us to unfold to our true selfhood.

In the article, "One Cause and Effect," found in "Miscellaneous Writings" (p. 22), Mrs. Eddy says that "all true thought revolve in God's orbits: they come from God and return to Him; so, naturally, as we pattern this divine activity and cast the bread of life, the words of Truth and Love, upon the waters of mortal, human experience, we shall find it returning and blessing us after many days. Jesus himself stated substantially that he came from God and returned to God (John 16:28), and our Master saw clearly the necessity for circulating through human demonstration the qualities of Christ which unfolded themselves from another as a shepherd divideth his sheep from the goats.

"And he shall set the sheep on his right hand, but the goats on the left."

"Then shall the King say unto them on his right hand, Come, ye blessed of my Father, inherit the kingdom prepared for you from the foundation of the world."

"For I was an hungry, and ye gave me meat: I was thirsty, and ye gave me drink: I was a stranger, and ye took me in:

"Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me."

"Then shall the righteous answer him, saying, Lord, when saw we thee an hungry, and fed thee? or thirsty, and gave thee drink?

"When saw we thee a stranger, and took thee in? or naked, and clothed thee?"

"Or when saw we thee sick, or in prison, and came unto thee?"

"And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me."

Oh, let them be in your thoughts as a sense of the expectancy of God's promised liberation from fear of suffering and sorrow that many will leave this lecture healed of their disorders! Displace the bad news of disease, or your inability to be of help to yourselves and others, with the gospel of Love and Truth found in the Bible through Mrs. Eddy's teachings. You will find through your sincere study and practice of Christian Science that you are not helpless nor forsaken, nor frustrated, nor defeated, not bound nor paralyzed, but active, whole, free at all times to express your true being as the perfect, harmonious child of God.

The transmission of good thoughts is from God, and as we steadfastly refuse to circulate evil thoughts, that is, giving them neither power nor room in our thinking, we become aware only of the circulation of good. Good circulation is considered by the materialists an evidence or sign of health in the body. We do not, however, have good health because we have good circulation. On the contrary, we have good circulation because we have good health. "Health," Christian Science explains (Science and Health, p. 120), "is not a condition of matter, but of Mind." Health, then, is our normal, natural state as God's children. As we humanly think or ponder good thoughts, we aid and accelerate the circulation of Truth in consciousness, and false, evil beliefs which stagnate and clog our thinking are expelled.

Suffering is caused by refusing to circulate thoughts of Truth and Love, by rebelling against God's circulation, to love, to appreciate, and our neighbor as ourselves. Rebellious, resentful, stubborn, malicious, or fearful thoughts act as an obstructing, paralyzing, congesting, opposing force in the human consciousness, to the hindrance of right ideas proceeding from God, the divine Mind, and there is consequent lack of harmony and normal activity called disease.

Impure conditions and irregular circulation in the body are the visible evidences of wrong states of consciousness. The human heart is said to be the source of circulation, and the heart is believed to be the fountainhead of right motives, unselfish desires, and high and holy purposes. Christ Jesus clearly demonstrated how he healed the man with the withered arm, showing the perfect co-ordination that existed between the motive and the act, heart and hand, he said, "Stretch forth thine hand." In other words, let your hand be motivated by good impulses, holy desires. Reach out to help others. Perhaps the man's hand, as well as his heart, had been paralyzed from lack of use, the result of selfishness and greed, but with the revival of thoughts of mercy, loving-kindness, generosity, and expectancy inspired by the Christless Jesus, there was an immediate restoration of bodily strength and activity, and "he stretched it forth; and it was restored whole like as the other." He began to be glad of trying to it. He awakened to the place of good in giving as well as receiving, and his entire body responded to this obedience to the saying of Jesus, "It is more blessed to give than to receive." As we receive the good of God's goodness are shared with others, righteous activity is manifested. The Christianly scientific giving out of hope, joy, love, affection, courage, forgiveness, mercy, away any seeming growth of selfishness; wash away any poisonous element of envy and hatred; can heal any cutting soreness of criticism; and can awaken us from any stultifying, anaesthetic manifestation of sensualism or materialism, proving Paul's vital words, "I can do all things through Christ which strengtheneth me." In other words, I can do all things through Christ, which comforteth me.

Mrs. Eddy's Contribution to the Gospel

Christ Jesus' loving example of studious, tireless, painstaking effort to give wise and generously of his treasures of Truth and Love to sick, sinful, suffering humanity was followed closely by Mrs. Eddy. Her biographies, written by unbiased authors, reveal a capacity for labor and wisdom equaled by few. The outpouring of her teachings, reaching and comforting world-wide humanity, returned to Mrs. Eddy in joyously beholding the successful establishment of her church with its many activities, and in her latter days she experienced the abundance of home friends, money, and well-being. Truly, the bread which Mrs. Eddy cast upon the waters returned abundantly to bless her after many days.

Mrs. Eddy came of New England Puritan parentage. She was brought up in a God-loving atmosphere. It is not to be wondered at that Mrs. Eddy was so spiritually inclined and had such a natural desire to know God's comforting presence and power. Her mother, Mary, was the great trust she was early taught by her saintly mother were the words, "God is able to raise you up from sickness;" and again, the words of Christ Jesus, "And ye shall be made perfect in holiness." These words shall follow them that believe; they shall lay hands on the sick, and they shall recover" (Science and Health, p. 359). These seeds of Truth planted in the consciousness of little Mary Baker were destined to remain for some time unfolded and unseen, for her beautiful childhood was followed by great hardships—sorrow, separation, suffering, and frustration were to be her portion. But through she experienced years of invalidism and went through most trying situations, she steadfastly kept her faith in God. The seeds of good planted by her mother and father and the loving ministers of the gospel of her day, were nourished by this faith, and they finally blossomed into full flower with her instantaneous healing from what seemed to be a fatal accident in 1866. When all other mental and material means had failed her, Mrs. Eddy was raised from a bed of suffering by the comforting hand of God.

For three years after her recovery she devoted all her time to the work of discovering the Science of her healing, and as the result of this unselfish labor, the world today has the gospel of Christian Science. Christian Science offers to the world a demonstrable understanding of the Bible, thus proving the Bible's own teaching, and making that God-inspired volume an open book for all to read and understand. The Bible was the work of inspired men; mentally was prepared to receive God's Word, and the Scriptures must be spiritually interpreted in order to grasp their true meaning.

Mrs. Eddy aroused world-wide disapproval when she boldly declared that the allness of God, Spirit, or Mind, revealed the nothingness of matter or evil with all its diseases, sin, and death. She knew that humanity needed to learn the Science of all conclusions based on belief in matter, and alone she began her gigantic task of world redemption from sin and disease, satisfied in her heart that what had been God-revealed to her would be God-accepted and nourished. When we consider what she accomplished in her earthly experience, we can understand why Mrs. Eddy has been designated by the Christian world as the outstanding woman of the twentieth century.

As we individually appreciate the great good which we have experienced as a result of Mrs. Eddy's discovery of Christian Science, we contemplate its present far-reaching influence on public affairs and the possibilities yet to be attained of world-wide peace through her teachings, we are rendered through the words of the prophet Isaiah, "How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth!"

### Winning the War and Peace through Prayer

Today humanity is faced with the mighty problem of winning the war and acquiring lasting peace. The blessings of liberty have been ruthlessly taken from millions, and the Christian way of living, which our forefathers instituted and we have enjoyed, is seriously threatened. Despotisms are trying to wreck Christian civilization, to impose a rule of a few orders. These evil conspirators came into power because material prosperity had produced among our Christian nations a feeling of self-satisfaction, ease, and safety in materiality, and the coming of a storm, we became lax and apathetic to the preservation of Christian ideals. Our spiritual standards were lowered, and evil-minded men, sensing the lessening of moral courage and Christian character, sprang into action and blundered the weaker nations before they could awaken and protect themselves from the onslaught of engulfing materialism and paganism. Those Christian countries where God's laws are to a degree recognized, have partially awakened and are today the defenders of those less prepared nations, and the gospel of the comforter, Christ Jesus, is being spiritually interpreted by Mrs. Eddy, should be given to the whole world that all may know God, "from the least . . . unto the greatest."

The substitution of the doctrine of force for the doctrine of right, the doctrine of racial and nationalistic superiority for the doctrine of "one God and Father of all," must fail, for they express the antichrist. The history of the world shows that when a people have forgotten God and His Christ, their demoralization has begun. Mrs. Eddy assures us that "Christ, God's idea, will eventually rule all nations and peoples—imperfectly, absolutely, finally—with divine Science" (Science and Health, p. 568). The forces of Satan are doomed, for they include only their doom and their self-destruction, and their final extinction must come through their own sin of denying the fatherhood of God and the brotherhood of man.

As Christian Scientists we can keep love uppermost in our hearts, even though compelled for the moment to defend ourselves against wrongdoing with material weapons in order that the evil may not destroy the good in human consciousness.

Never in the history of the world was there a greater call for consecration to the cause of scientific Christianity than there is today, and we can do no better than to follow the words of St. Paul, written nearly two thousand years ago to the Ephesians, for our suitable defense:

"Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand." "Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

On Sunday, June 11th at 2:30 p.m. at Fire Department Headquarters, 1164 Centre street, Newton Centre, members of the Newton Fire Department will hold memorial exercises for their departed comrades.

A program fitting to this occasion, which will include the unveiling of a Memorial Tablet, has been arranged by a committee including Chief J. L. Keating, Deputy Chief J. E. Corcoran, H. W. Boothby, C. A. Eschbach, G. B. Litchfield and A. R. McCarthy.

The public are cordially invited to attend these exercises.

## Must Submit Gas Applications Ten Days in Advance

All applicants for gasoline ration should submit their applications at least 10 days in advance of renewal dates to local OPA boards, so that there will be no delay in receiving coupons from the new OPA mail issuance centers.

Under a new OPA system, now in operation, gas ration will be mailed direct to the consumer although local OPA boards will still pass on eligibility. There will be eight issuance centers for Massachusetts, four of which are now in operation. Location of the issuance centers will not be known to the public.

Provisions have been made for local boards to take care of emergency ration cards as military transfers and foroughness. ODT applicants will have to appear at the local board to make out applications and to present their Form CWN 10 for renewal of their ration. No ration will be issued on ODT certificates until the applicant files an application. ODT applications for quarter ration may be filed at local boards from now on.

The issuance centers will simplify clerical work for the boards and will make for a more streamlined procedure in handling ration currency. The action, designed to take the workload off ration boards in largely populated sections is part of a national program to provide centers having a high degree of physical safeguarding standards—where the coupons are inaccessible to breaks by burglars.

## Newton "Y" To Have Day Camp

The Newton Y.M.C.A. is to have a day camp, "Camp Massasoit," this summer for nine weeks, starting on Monday, June 26, and finishing on Saturday, Aug. 26. The camp activities will be carried on at the "Y" using the indoor and outdoor equipment—athletic field, tennis courts, swimming pool, gymnasium, craft shop and game room. The camp will be directed by Richard B. Simmons, Physical Director.

Camp Massasoit will have three separate divisions with a program for each division, the Cadets—boys eight and nine years of age and who have completed the second grade in school, Juniors—who are at least ten years of age but are not in Junior High School, and Junior High School boys who are in the seventh, eighth and ninth grades in school. Enrollment in the Cadet camp will be limited to fifty boys and to one hundred boys in the Junior and Junior High School camps.

Through varied programs and experienced staff the camp will provide an opportunity for boys to enjoy camp activities, whose parents are busy in war work, and who must remain at home all or part of the summer. A capable staff of counselors will give instruction in baseball, softball, basketball, swimming, handicrafts, and track and field events. The boys' luncheon period at noon will be followed by a rest period when movies and other entertainment will be enjoyed.

FIRST CHURCH OF CHRIST, SCIENTIST OF NEWTON  
391 Walnut St., Newtonville

Services—Sunday, 10:45—  
Wednesday, 8:00 P.M.

"I am with thee, saith the Lord, to save thee." This passage from the Bible, Jeremiah 30:11, comprises the Golden Text to be used in the Lesson-Sermon which will be read in The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and in all of its branches, on Sunday, June 11.

The subject of the Lesson-Sermon will be "God the Preserver of Man," and included in the Bible selection is: "The Lord is thy keeper: the Lord is thy shade upon thy right hand. The Lord shall preserve thee from all evil: he shall preserve thy soul" (Psalms 121:5,7).

The following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included in the Lesson-Sermon. "As the children of Israel were guided triumphantly through the Red Sea, the dark ebbs and flowing tides of human fear—as they were led through the wilderness, walking wearily through the great desert of human hopes, and anticipating the promised joy—so shall the spiritual idea guide all right desires in their passage from sense to Soul, from a material sense of existence to the spiritual, up to the glory prepared for them who love God" (p. 566).

On Sunday morning Children's Day and Youth Sunday will be observed in the First Baptist Church in Newton Centre, Rev. Charles N. Arbuckle, D.D., Pastor.

The Children's Day program in the Methodist Church will be observed Sunday morning in a combined service at eleven o'clock in the sanctuary. The combined choir will sing, and among those participating in the service will be Dr. E. S. Brightman, chairman of the Board of Christian Education, Ray Gilman, and the pastor. The sacrament of infant baptism will be administered.

# The battle for the World is on!

Now that the chips are down... now that our men are writing decisive history with their blood... There can be no halfway measures for us.

The greatest battle in the history of the world must be matched by the greatest war loan in the history of the world.

That's what Uncle Sam says... the same Uncle Sam for whom your brothers and sweethearts

and husbands are fighting and dying this very minute.

They, in the front lines, are throwing in everything they have. We, behind the lines, must do the same.

Remember, this is the battle for the WORLD. Our world. And we've got to win it. That's why Uncle Sam expects every dollar, like every soldier, to do its duty.

## GALVIN-GENERAZIO

Miss Rita Marie Generazio, daughter of Mr. and Mrs. Frank W. Generazio of 124 High street, Newton Upper Falls, and Joseph Richard Galvin, of Wellesley Hills, were married on Monday, June 5, at 5:00 p.m., at the Mary Immaculate of Lourdes Church, Newton Upper Falls, by Rev. William J. O'Connell, pastor.

The bride, who was given in marriage by her father, wore a gown of ivory satin trimmed with pearls, a bouffant skirt with long train, a finger tip silk tulle veil with Juliet cap of ivory satin with pearl trimmings, and carried a bouquet of bride's roses and baby's breath.

The maid-of-honor, Miss Barbara Egan of West Newton, wore a gown of corn yellow summer faille with bouffant skirt and matching Juliet cap. Her bouquet was of mixed sweet peas and gladioli with baby's breath.

The bridesmaids were Miss Pauline Ferrari of Wellesley and Miss Dorothy Galvin of Newton Upper Falls. They wore gowns of aqua summer faille with long bouffant skirts and matching Juliet caps and carried bouquets of mixed sweet peas, gladioli and baby's breath.

The groom was attended by his brother-in-law, Mr. Charles Holmes of Wellesley Hills. The ushers were William Boyd of Newton and James Carley of Belmont.

The bride's mother wore a dinner gown of pale pink chiffon with gold bead trimmings and wore a corsage of white orchids. A reception was held immediately following the ceremony at the Woodland Country Club, Auburndale. Following a wedding trip to Cape Cod, Mr. and Mrs. Galvin will reside in Wellesley Hills.

One of the favorite swimming places of boys years ago was Stony Brook at the railroad bridge between Mt. Hope and Forest Hills.

## Annual Jamboree Saturday Evening

Sea Duty Desired  
SOMEWHERE IN THE SOUTH PACIFIC. (Delayed)—A Marine messenger recently went aboard a U. S. warship anchored off shore to deliver a message.

While waiting for an answer to the message he had delivered, he decided he was thirsty and asked a crew member where he could get a drink. After receiving directions, he found the spigot and turned it on. Into his cup flowed not water, but cold lemonade. "I think," said the Leatherneck musingly, "that I'll ask for sea duty."

The annual Farewell Dance given by the Eighth grade to the graduating class took place on Friday in the auditorium. The 8th grade officers who planned the dance are Richard Crosby—President; Edwin Bates—vice president; Celeste Lombardi—Secretary; Phyllis Callahan—Treasurer. The Victorians played for a gay group in the attractively decorated auditorium. War Savings stamps were the prizes given to the winners of the spot dance. Celeste Lombardi and James Halloran, and to the winner of the lucky ticket draw, Patricia Phelps. Mr. Read made a suave master of ceremonies. Mr. Grenier and Mr. Sears were the faculty advisors.

The weekly bond and stamp sale netted \$322.85 on the first day of June.

The Varsity Baseball team continued its winning ways by beating Bigelow 8-2 at Cabot Park, to remain undefeated this season.

## Midsummer Festival To Be Held June 25

Every June for the past several years, the Swedish Charitable Society of Greater Boston, has celebrated MIDSUMMER, an occasion reminiscent of old Sweden on their spacious grounds at the Swedish Home at 206 Waltham street, West Newton.

To many of the Swedish people of greater Boston, this occasion which is to be celebrated on Sunday afternoon, June 25th, affords them the opportunity to renew old friendships and revive memories of their youth in the country of their birth, and to give thanks for the privilege of living in these United States, the country of their adoption.

On such an occasion as MIDSUMMER at the Home, children of Swedish descent will dance the folk dances of Sweden, singing groups will present the songs of old Sweden, and typically Swedish coffee and cakes will be served. Among local people who are members of the Board of Directors, or on the committee for this celebration are: Mrs. Evelyn Blomquist, Recording secretary, 24 Ricker road, Newton, Mrs. H. W. Robert, 19 Arlington street, Newton, Dr. Claus Sandwall, 45 Eliot avenue, West Newton.

## Channing Church

Rev. Donald G. Lathrop, minister of the Community Church in Boston since 1936, will preach at Channing Church on Sunday, June 18th at 10:45 o'clock. A graduate of Tufts College and of the Tufts School of Religion, Mr. Lathrop has been prominent in social reform.

The 15 banking offices in the city are "Headquarters for Bands." If residents of the city buy their bonds outside of Newton they are asked to specify that Newton be given credit for the subscription.

## Couple Observe 25th Wedding Anniversary

On Wednesday evening, June 7, about 175 guests gathered at the home of Mr. and Mrs. William R. Mattson to help the couple celebrate their 25th wedding anniversary.

The presence of seven members of the original wedding party was a highlight of the evening. They were: Mrs. Wesley Bronson, matron of honor; F. D. Murdock, best man; Charles Bateman, usher; Mrs. Charles Bateman, (nee Eleanor Cotting), bridesmaid; Mrs. Florence Carpenter, (nee Bigelow), bridesmaid; Mr. Theodore Flagg, usher; and Mrs. Theodore Flagg, (nee Janet Leighton), bridesmaid.

Among the guests were Mayor and Mrs. Paul M. Goddard, Mr. and Mrs. Charles B. Floyd, Senator and Mrs. Benjamin J. Bowen, Mr. Charles C. Casey, Mr. and Mrs. Robert Dickerman, Mr. James Reynolds, Mr. Walter Hawkins of Bridgeton, Me., and others.

Dr. Herbert Hitchin, pastor of the West Newton Unitarian Church, made appropriate introductory remarks and read a poem. Mr. Mattson welcomed the guests, acknowledged the many congratulations and gifts and introduced the seven members of the 1919 bridal party who were present.

Refreshments were served in the spacious flower-decorated game room after which the guests adjourned to the lawn which was illuminated by countless colored lanterns where the anniversary cake was cut.

The Mattsons were married in the Unitarian Church of Marlboro, Mass., on June 7, 1919. They reside at 28 Brookdale Road, Newtonville. They have one daughter, Janet, who is associated with the United Investment Council of Boston. Mr. Mattson is vice president of the American Lockers Co., with offices in Boston.

## Newton Upper Falls Garden Club

The Newton Upper Falls Garden Club will meet at the Hillside Gardens 117 High street, Newton Upper Falls on Thursday, June 22, at 8:30 p. m.

Dessert and coffee will be served by the Hostesses, the Misses Nellie M. Osborne, A. Gertrude Osborne and Florence Osborne.

Members will answer the roll call with a specimen of a perfect rose from their own garden.

The committee of the 6 co-operating churches of Newtonville and West Newton announce that the minister for the 1944 summer services will again be the Rev. McIlyar Hamilton Lichter, D. D. Dr. Lichter also led the summer services last year.

He is well known to Newton church members having been pastor of the Central Congregational Church in Newtonville from 1919 to 1924, and needs little introduction here, but the following facts will recall his outstanding career.

Dr. Lichter is a native of western Pennsylvania, coming from a long line of Methodist preachers. He is a graduate of DePauw University in the class of 1900, with a Master of Arts degree from Ohio Wesleyan University and honorary degrees from Williams College, Otterbein University, Ohio Wesleyan University and DePauw.

For almost twenty years, Dr. Lichter was a Methodist minister, serving important churches in Pittsburgh, Olean, N. Y., St. Louis, Baltimore and Cleveland. In 1919 he entered the fellowship of Congregational churches and was called to the Central Congregational Church in Newtonville, which he served from 1919 to 1921. After that for 18 years he was minister of Dr. Washington Gladden's church in Columbus, Ohio. On retiring in 1942, after 42 years in the parish ministry, he was summoned to Boston to give full time to ritual research and revision for the Scottish Rites Bodies, and to make official visitation in fifteen northern states.

He has specialized in the field of personal counseling and is the author of two books, "The Healing of Souls" and "Pillows of Stone." He has always been active in community affairs.

There will be two Sundays, July 29th and August 6th that he will be unable to preach, but his son, the Rev. James M. Lichter, Harvard B. K. 1932, Union Theological Seminary two years, Virginia Seminary one year, who has been called to Canon of Christ Church Cathedral, St. Louis, Mo., Rector of Calvary Church, Columbia, Mo., for four years, and for the last two years, Rector of Emmanuel Church, Webster Grove, St. Louis, Mo., will take his place.

The service will be held in the Methodist Church in Newtonville during July and through August and the first Sunday in September at the West Newton Unitarian Church, and the hour of service throughout the summer will be 11 o'clock.

The co-operating churches and ministers are: Central Congregational Church of Newton, Rev. Randolph S. Merrill; The Church of the New Jerusalem, Rev. Howard W. Briggs; The Newtonville Methodist Church, Rev. Hamilton M. Gifford; The First Unitarian Society in Newton, Rev. Herbert Hitchin; Lincoln Park Baptist Church, Rev. William E. Blake; The Second Church in Newton, Rev. R. Clyde Yarbrough.

## Proctor Heads Bar Association

"The Massachusetts Bar Association at its annual meeting at the New Ocean House in Swanscott last Saturday, elected Edward O. Proctor of Newton as President of the Association for the ensuing three year term."

## Two Local Dentists Aid In Tufts Drive

Two prominent local dentists, Dr. Philip A. Enholm and Dr. William Manson Jones, have been appointed co-chairmen of the committee which will direct the activities of the Tufts Dental Development Fund in Newton, according to an announcement today by Dr. Charles M. Proctor of Boston, general chairman of the fund.

Dr. Enholm, who graduated from the Tufts Dental School in '19, and Dr. Jones, who received his dental degree, also from Tufts in '23, have been prominent in Tufts College affairs for a number of years and have been closely affiliated with the dental school.

The Newton committee will be in charge of solicitation for the Tufts building project, an undertaking requiring a minimum of \$300,000 which is to be raised from alumni, dental practitioners, and public spirited citizens interested in maintaining high standards in dental education.

"We hope," declared Dr. Proctor, "that the public at large will support the worthy Tufts undertaking because the Tufts Dental School is among the few privately supported schools of dentistry in the country."

## Sister Irene Marie Studying At Hospital

Sister Irene Marie of the Halifax Infirmary, Halifax, Nova Scotia, is a guest of the Newton Hospital studying progressive methods of hospital administration. She is preparing for her master's degree in nutrition and public health, and the Newton Hospital was selected for a part of her field study by Dr. Edward G. Huber, Acting Dean of the Harvard School of Public Health.

Sister Irene Marie's affiliation represents the third opportunity extended the Newton Hospital to offer guidance to those interested in hospital organization. The Director, Mr. Gerhard Hartman, plans to continue a program of study for graduate students in collaboration with the Harvard School of Public Health program. A graduate of Simmons College, Sister Irene Marie has had extensive experience in various phases of institutional work, and will return to her administrative post at the Halifax Infirmary after completing further field study in hospitals of New York City and Hartford, Connecticut.

Newton Free Library  
From June 16-30 at the main library, Newton Corner, Mr. Fraser R. Forgie of Auburndale, will exhibit his photographs made in various camps throughout Maine, New Hampshire and Vermont.

## Community Chest Holds Meeting to Discuss Plans

### Men's Educational Ass'n Elect Officers

The Newton Men's Educational Association held its annual outing and dinner meeting on Wednesday, June 6, at the Warren Junior High School.

With the best attendance since 1941, the "D-Day" meeting was addressed by Chaplain Leland B. Henry, member of the faculty of Harvard Chaplain School. Chaplain Henry, formerly at St. George's Church New York City, and holder of the Purple Heart from the first World War, explained the training and duties of Army Chaplains.

Another feature was a war-training film presented by members of the Coast Guard. The diver was served under the direction of the High Schools Cafeteria in Staff and was served by girls of the Warren School.

Nelson C. Swan, veteran Trade School teacher, retiring after 26 years of service in Newton, was presented with souvenirs and a purse by Director James Forbes on behalf of the Association and members of the Trade School faculty.

Officers of the Association are Philip L. Houle, president; James H. Bentley, vice-president; and Charles W. Peterson, secretary-treasurer. Among others at the head table were Superintendent Homer W. Anderson and Herbert A. Clark, president of the Newton Teachers' Federation.

### Eliot Men, Young People Plan Fete

On Saturday, June 13, the Eliot Men's Club and the Young People's Department of Eliot Church Sunday School will hold the Second Annual Spring Tonic at the Hunnewell Club, Church and Elmdredge street, Newton. An indoor carnival is planned, to start at 2:30 p.m. and close about 11 p.m. For the afternoon, attractions are planned for young people, booths, games and movies to run until 5:30; light lunch will be available to patrons who wish to stay for the evening fun. The evening will appeal to older young people, with dancing possible for those who wish it. An auction sale will be held in the evening, which will have attractions and bargains. Movies will be repeated, and all featured will continue so that as many as possible can take it all in.

Proceeds from the admissions and side shows will go to provide funds for young people's delegates to camping conferences and toward the Men's Club building project amortization.

All are invited, young and old, and prices are attractive for all.

### Growing Need For Attendant Nurses

There is a growing need in Newton for attendant nurses. The Information Service Committee of the Newton Community Council, in co-operation with the Newton Committee on Nurses for War Services, urgently requests the names and addresses of any women in Newton who are qualified attendants or practical nurses.

The Council office has many calls for women who can, on a paying basis, go into a home in Newton to care for adults or children who are ill. Your services can be given on a part time or full time schedule.

### Definite Dates To Be Decided October or November Possible Months

DANIEL E. WATSON  
Chairman, Advanced Gifts Division

LAWRENCE B. DAMON  
Chairman, Residential Division

Forty-seven members of the Newton Community Chest organization for the 1945 Greater Boston United War Fund Campaign met for dinner with Thomas E. Shirley, General Chairman, and Clark E. Woodward, president of the Chest, at Brae Burn Country Club, Wednesday evening, June 14th.

This meeting, planned primarily for Advance Gifts and Residential Division leaders, was attended by practically all of the top leaders.

Nine of the ten divisions were represented at this meeting by their Chairmen, all thirteen villages in the Residential Division had their Chairmen and Assistant Chairmen present, and seven of the eight Advance Gifts Chairmen were also present to discuss plans for the fall Campaign.

Mr. Shirley called attention to the fact that the dates of the Campaign have not been set, and while there is a possibility that it will be held in November, as it was last year, all plans must be made for a possible October Campaign, due to the fact that the Sixth War Loan Drive may not come until after the election this year. He pointed out that this makes it necessary for us to be ready in case October dates are set for the United War Fund.

Daniel E. Watson, Chairman of the Advance Gifts Division, stated that he is very desirous of having his Division Chairmen co-operate with the Chairmen in the Residential Division so that maximum results may be obtained in each village. He urged his Chairmen to meet with the Residential Chairmen to go over the complete list of prospects in each village to determine in which division they should be assigned, and assured Mr. Shirley that the Advance Gifts Division will be well organized and ready to go long before the end of the year.

## 'IT SHALL BE, MUST BE, GIVEN'

This has suddenly become everybody's personal war. So said Governor Saltonstall in addressing a War Bond audience in Boston Garden Monday night.

Prior to the sixth day of June it had all seemed pretty remote to a great many of us in Roslindale and West Roxbury. Unless we had someone close to us fighting in Italy or one of the numerous combat areas of the Far East, Burma, New Guinea, Truk, Tarawa were just names, and our understanding of what went on there was vague indeed.

But now our boys are fanning out on French soil, invading Fortress Europe, feeling their way toward the inevitable and terrible action on the enemy's part to block their progress toward Paris and Berlin. We know about that part of the world. Hardly a one of us but has a son, brother or close friend who has been "somewhere in England," and who now is likely to be "somewhere in France," grimly hanging on to what he has gained or inching toward the ultimate goal, perhaps even among the casualties already being shipped back to British soil.

Yes, all that makes this our personal war. And here at home we are right in the thick of the fight. The nation needs 16 billion dollars to finance that march on Paris and Berlin. Massachusetts' share of that is \$28 million dollars. We are asked to lend that money at interest, to make an investment that has an attractive return financially and in assurance of peace on earth. It isn't too much to ask. It shall be, must be, given. Our personal home-front war is to attain the Fifth War Loan quota, to back the drive for liberation, to invest to the limit in invasion.

## Newtonville

Mrs. Elsie Foss, concert pianist and teacher, will present her pupils in a piano recital next Friday evening in the assembly hall of the Newtonville Methodist Church at 7:45 o'clock. This recital is free to the public. Children under twelve must be with an adult. Doors open on Newtonville Avenue side.

William C. Baber of 163 Upland Avenue, Newtonville, was elected to the Board of Directors of the Massachusetts Restaurant Association at the annual meeting which was held at the Woodland Country Club on Monday, June 12. Other directors elected at this meeting include Stephen S. Johnson of New Bedford; Wallace Boyd of Springfield; Noble T. Jackson of Boston, and J. H. Devine of Salem. Officers of the Massachusetts Restaurant Ass'n who were re-elected are: President, John W. Stokes of Newton;

Carolyn B. Evans, daughter of Mrs. H. R. Evans, 68 Walden st., has arrived in North Africa to serve as an American Red Cross secretary. Until her Red Cross appointment, Miss Evans was employed by Walter E. Anderson, Boston, and previously was with the American Cyanamid and Chemical Company, Cities Service Oil Company, and Nuttall, McClenahan and Fish, all of Boston. She is a graduate of Newton High school and attended Boston University.

Newton Rationing Board will be closed all day, Saturday, June 17th, Bunker Hill Day.

## Newton Centre

On Tuesday, June 6, Miss Kathleen Macbeth Dowd, daughter of Commander and Mrs. Thomas F. Dowd of 866 Beacon street, was graduated from Rogers Hall school in Lowell. Miss Dowd took part in the commencement play on Monday evening. She plans to enter Nelson College, Chambersburg, Pennsylvania, in September.

On Sunday morning Rev. Charles W. Brucke, D. D., Pastor of the First Baptist Church, will preach on "The Liberty of the Soul."

Mrs. Chester T. Holbrook, 11 Chesley road, Newton Centre, returned last Wednesday from a 3-week visit with her son, Pvt. Chester G. Holbrook of the USA Medical Corps, who is stationed at the William Beaumont General Hospital, El Paso, Texas. She was accompanied by Pvt. Holbrook's fiancée, Virginia Tyson of Kissimmee, Fla., who had been visiting the Holbrooks in Newton. Miss Tyson is a student at Florida Southern College, which Pvt. Holbrook also attended until his induction in the army in October, 1943.

Mrs. Holbrook returned home by the way of Kissimmee, Florida, where she visited Miss Tyson's parents, Mr. and Mrs. James J. Tyson.

Secretary Rupert Thompson of the Newton Chamber of Commerce announces that on Bunker Hill Day, June 17, all financial institutions will be closed but other places of business in the city will be open, as it is a holiday in Suffolk County only.

## NEWTON In The Past

55 Years Ago  
Newton Graphic, June 14, 1889

Mr. C. J. Bailey, of Newton, has received patents on his rubber brushes, covering all rights in Canada, England, France, Austria and Germany, and he has agencies in those countries. The demand is so great that he is unable to keep up with his orders.

The patrons of the Boston & Albany railroad here (West Newton) rejoice in the supply of cool water. Good ice water is a luxury that few stations afford and it is consequently appreciated.

Within a very few years the part of Newton Centre lying between Parker street and Institution Hill was a large growth of woodland, having a large growth of chestnut and oak trees. Today two new streets, Ridge and Glenwood avenues, have been thoroughly constructed through this section, bringing into the market some very desirable building sites.

50 Years Ago  
Newton Graphic, June 15, 1894

The exercises attending the laying of the corner stone of the new Central Congregational Church on Walnut street, Newtonville, took place at 3 o'clock Saturday afternoon. The exercises were appropriate to the occasion and were inaugurated in the Washington Street Church, music being rendered by the full church choir.

The Newton Boat Club's Saturday evening concerts are very successful affairs. A large party were in attendance last week and the river was full of canoists enjoying boating by moonlight, while a large number enjoyed dancing in the boat house, which was gaily decorated for the occasion.

25 Years Ago  
Newton Graphic, June 13, 1919

The All Newton Welcome Home to our returned soldiers, sailors and marines last Saturday afternoon was a huge success from whatever standpoint it was viewed. The boys themselves were well pleased in the first place, while the large number of friends who turned out in goodly numbers to show their appreciation, as the boys went by. Between 900 and 1300 reported at noon at the various village centers, where between 300 and 400 automobiles were furnished to take them about the city.

On Monday evening at 8 p.m. at the Armory at West Newton there will be held the first meeting for the organization of this city. Newton has had some 2800 men in the service these past two years.

From letters to the editor. It may interest your readers to know when and where in America the first bicycle was made. Up to the year 1876 there were many wooden velocipedes made, and among these there were several that were gradually departing from the pattern of the velocipede and approaching the form of the bicycle of a later date. In 1876 Mr. R. H. H. H. conducted a machine shop at Newton Upper Falls, and it was there that Mr. Hodgson built the first American bicycle. The way in which he constructed his first wheel is interesting. It was an evolution from the baby carriage of the day. Finding that it stood up remarkably well, he fitted a backbone and a smaller wheel to it, and after riding it himself while he sold it to a Boston lawyer. This was the first complete bicycle made in the U. S. and Newton city was its birthplace. There were other wheels in the country, at the time, but they were all imported ones.

## Newton WCTU Holds Annual Meeting

The annual meeting of the Newton W.C.T.U. was held on Wednesday, June 7, at the home of the assistant treasurer, Mrs. Frank Briggs, 34 Chestnut Terrace, Newton Centre.

A talk on "Our Neighbors' Children" by Mrs. Isabel MacCausland featured the meeting. Mrs. MacCausland said that between 15,000 and 16,000 persons commit suicide in India every year because of poverty and lack of medical care. She told of a bazaar which is held each year to support a school for children in India.

It was reported that the Union had a successful year with an enrollment of 70 members and that the W.C.T.U. temperance pictures were shown all fourth, fifth and sixth grades of the Newton Schools.

Mrs. Sarah S. P. Stevens was re-elected president for the coming year. Other officers re-elected were Mrs. Everett C. Herrick, first vice president; Mrs. George W. Barber, second vice president; Mrs. William F. Ferrin, third vice president; Mrs. Robert E. Keene, fourth vice president; Mrs. Sidney R. Porter, treasurer; Mrs. Frank Briggs, assistant treasurer; Miss M. Evangeline Morse, recording secretary; Mrs. Emory W. Clark, corresponding secretary; Miss Mary Manning, auditor; Mrs. George W. Barber, delegate to the Newton Federation; and Mrs. Robert E. Keene, chairman of exhibits and publicity.

At a recent meeting of the Newton Federation of Women's Clubs it was announced that in the past two years the W.C.T.U. throughout the United States had contributed a total of \$42,350 to the American Red Cross.

## Discuss State-wide Nursing Plans

Representatives of 24 local Councils of the Massachusetts State Nursing Council for War Service met Wednesday afternoon, June 14, at the College Club, Boston, and discussed state-wide plans for the Council.

Subjects included the procurement and assignment of nurses for military service, with due consideration for essential civilian needs; student nurse recruitment, and the responsibility of the Councils in helping to plan and carry out health programs, as they relate to nursing in the community.

Miss Marjorie B. Davis, state chairman, presided. Those who attended from this area included Hilka S. Nelson, Mabel McVicar and Charlotte Simon. Miss Grace Lawrence is chairman of the Newton Nursing Council for War Service.

Miss Davis revealed today that many nurses in Massachusetts hospitals have applied for and fulfilled requirements for military service but are unable to obtain a release from civilian hospitals until replacements can be found.

Miss Davis warned that all young women who have completed high school and intend to enter a school of nursing should apply at once for admission, either to the school of their choice, their local Nursing Council or the Massachusetts State Nursing Council for War Service, 420 Boylston Street, Boston 16.

## Candidate For Re-Nomination

Nathaniel I. Bowditch, one of Framingham's most active civic leaders, is a candidate for re-nomination as Middlesex County Commissioner.

He has a long and varied record of public service not only in Middlesex County and the Commonwealth of Massachusetts, but also in behalf of the boys and girls of the whole nation. As a member of the national 4-H club, he has done a great deal to further the work of this worthy organization.

Mr. Bowditch has served as County Commissioner for Middlesex County since 1926 and has been the Chairman of this Board since 1938.

GLORIA SWANSON AND RALPH FORBES IN WORLD PREMIERE AT CAMBRIDGE

Gloria Swanson, the most dazzling star ever to be seen on the screen, together with Ralph Forbes, distinguished star of stage and screen, will appear together in the world premiere of a sophisticated new farce comedy, "A Goose for the Gander" at the Cambridge Summer Theatre, (Brattle Hall, Harvard square) on Monday night, June 19th. The combination bids fair to make one of the most outstanding offerings of this season, and for every office man, housewife and competent little group has ever offered. Co-managers John Huntington and Louise Falk announce that it was by Miss Swanson's special request because of her many friends in the group, that she selected for this premiere her first Broadway. She made her first legitimate stage debut at Brattle Hall two seasons ago under the same management.

Attractive, fashionable, soignée and exotic, Gloria Swanson is a star to be reckoned with from 17 to 70, and it was she who introduced glamour to motion pictures as queen of the silver screen. Schooled in some sixteen educational institutions, in Chicago, Puerto Rico, Key West, Salt Lake City, she entered the motion picture business by accident. At 15, just for the fun of it, she played a small part in an Essanay Production made in her home town, Chicago. She was so photogenic she was immediately signed to a contract. So off to Hollywood to begin her career with Mack Sennett and Key-stone in those bathing-beauty and cop-chasing comedies. Before long she was being glamorized by Cecil B. DeMille and causing young men to swoon and women to turn their heads with envy. Some of her greatest films were "Zaza," "Bluebeard's Eighth Wife," "Manhandled," "Male and Female," and "Sadie Thompson."

## Politics With Color

### REGISTER NOW

The deadline for registration is Wednesday, June 21. All those residents of Newton who have lived in Massachusetts for ONE YEAR and in Newton for the past SIX MONTHS may register by appearing in person before the Registrars of Voters at City Hall between the hours of 8:30 a. m. and 5:00 p. m., except on Saturday, when the office is closed at 12:00 noon.

The above applies to registration BEFORE the STATE PRIMARY on July 11. PLEASE make note of that date, which is two full months in advance of the normal date for a state primary. Unfortunately for all concerned, there seems to be an amazing lack of information regarding the new July 11 date. One of the candidates for state-wide office told an audience in Brookline last week that even among key-workers in the Republican party the situation was truly alarming. Some G. O. P. stalwarts thought that the April primary was the state's primary; others thought that the state primary would come in September as usual. Of course, the Presidential Primary was so completely ignored by the vast majority of our voters that it is readily understandable that there should be confusion in connection with the July 11 date.

The candidate referred to is Robert F. Bradford, a leading contender for the Republican nomination for Lt. Governor. He told his audience that he has listened for years to the Palmolive plug on the radio, which runs something like this: "What IS the 14 Day Palmolive Plan?—Yes, what IS the 14 day Palmolive Plan? According to Bradford, he still does not know what the root old Palmolive Plan is, even tho' he has heard it so noisily announced so many times that he is heartily sick of hearing its merits extolled.

What can be done about this situation? Frankly, I do not know. Present indications are that our invasion of France will not reach its real climax until some little time AFTER the July 11 primary. Until this climax is reached or until the general tension immediately following D-Day on June 6 is relaxed, it is going to be extremely difficult for most of the candidates for political office to get any profound response from the average voter. It is only necessary to scan the papers each evening to note the difference between this year and 1942. Two years ago there would have been advertisements galore about radio speeches by members of both political parties. Last night I saw only two and both dealt with Democratic contests for state-wide offices. No Republican were on the air, or, if they were, they had not announced it in the papers.

Consider the customary mailing campaigns. Ordinarily, I would have received by now some 20 or 30 broadsides from candidates for every office from U. S. Senator down to fence-viewer. Up to date just two have come to hand and one is from a candidate who cannot conceivably win the nomination he is seeking. My guess is that the candidates who use up vast quantities of valuable money in promoting themselves will find the results somewhat disappointing on July 11.

Now, to partially answer my own question, the two best ways to educate the general public would appear to be the following: first, let everybody who has the slightest interest in securing a well-attended primary on July 11 make it his or her business to mention the July 11 date as often as possible during the next twenty-eight days; secondly, let all those who have the slightest influence with newspapermen and political journalists urge them all to give all possible publicity to the coming state primary. (N. B. If you will refer back now, you will find that I have just practiced what I am preaching. The date July 11 has been mentioned eight times in this column.)

Republican National Convention  
Newtonians must be interested to note that our former Mayor Sinclair Weeks is very much in the foreground as the date of the G. O. P. convention draws near. In a preliminary skirmish he has succeeded in having Mrs. Williams re-elected as National Committee-woman from Massachusetts despite a vigorous contest conducted by Charles B. Rugg, the influential Worcester lawyer, former Governor's Councillor Winfield

Schuster and others in behalf of colorful Leslie B. Cutler of Needham. The one-sided vote indicates that Sinclair Weeks, who is, of course, the G. O. P. National Committeeman from this state, has won a high place in the high-command of his party. Consequently, it will be intensely interesting to watch developments at the national convention on June 26. At the moment, leading columnists throughout the nation are still inclined to trail along with Gov. Dewey of New York. They even predict a possible first ballot nomination. It may turn out that way; then again, it may not. I'm not so sure. If Dewey fails to win on the first ballot, it might pay to study the activities of our Junior Senator. Remember that he has long been an ardent Willie booster; remember also, that Willie has never cared very much for Dewey. Frantic efforts have been made to have the 1940 standard-bearer come out publicly for the New York Governor, but he has steadfastly refused to do so.

Finally, bear in mind that the Willie-haters include some very distinguished older statesmen in the Republican party. Reference is made to former President Herbert Hoover, the "politically-late" Alfred M. Landon of Kansas and other gentlemen whose OPEN support might well prove to be a liability rather than an asset to Gov. Dewey. This is a very important point.

Again, watch Sinclair Weeks and other powerful Willie enthusiasts.

**FIRST CHURCH OF CHRIST, SCIENTIST OF NEWTON**  
391 Walnut St., Newtonville  
Services—Sunday, 10:45—  
Wednesday, 8:00 P.M.  
"Is the Universe, including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and in all of its branches, on Sunday, June 18.

The Golden Text, "Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands," is from Hebrews 1:10. Other Bible citations include, "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. And God saw every thing that he had made, and behold, it was very good" (Genesis 1:26, 31).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He involves, and they are obedient to the Mind that makes them" (p. 295).

## MARRIAGES

### Frantz - Tibbetts

In a ceremony at her parents' home last Saturday evening, June 11, Miss Margaret Imelda Tibbetts, daughter of Mr. and Mrs. Walter Tibbetts of 137 Collins road, Waban, and Woods Hole, was married to Ensign David Herr Frantz, Jr., USNR, of 50 West Drexel avenue, Lansdowne, Pa.

Miss Tibbetts is a graduate of the Beaver Country Day School and Swarthmore College where she achieved Phi Beta Kappa honors. Ensign Frantz attended Rensselaer Polytechnic Institute where he was a member of the Alpha Tau Omega fraternity.

The bride was attended by Mrs. Bruce Harris (nee Joan Maddy) of Louisville, Kentucky, as matron of honor, and by her sister, Miss Ann Brooks Tibbetts, as flower girl. Lt. Kenneth Lewars, U. S. Army Air Force, of Lansdowne, acted as best man, and Edwin Hallett Tibbetts, USNR, the bride's brother, and William Schaeffer, U. S. Army Medical Corps, were ushers.

The bride's gown was of ivory tulle with train, had an inset of marquisette at the neck, and was trimmed with pearls at the neck and over the shoulders. The veil was ivory net with a coronet of French orange blossoms and had been worn by the bride's mother at her own wedding. The bride wore white orchids with freesia.

The matron of honor wore blue marquisette and the flower girl pink marquisette. The bride's mother's gown was of blue crepe with rose accessories and the groom's mother's cream colored crepe with turquoise. The ceremony was performed by Rev. Joseph C. MacDonald of Union Church, Waban, and was followed by a reception, also at the bride's home. After a brief wedding trip the young couple will reside at Hutchinson, where the groom is to be stationed for the time being.

**O'Neill-Burke**  
A recent wedding in the Sacred Heart Church, Newton Centre, was that of Miss Marie Lucile O'Neill, daughter of Mr. and Mrs. John J. Burke of 1345 Centre street, Newton Centre and Warren Philip O'Neill, USNR, son of Mrs. Elizabeth O'Neill of 51 Cotter road, Waban. The 4:30 o'clock double ring ceremony was performed on Sunday, June 4, by Rev. Francis X. Murray. Mrs. Louise Cuniff was the organist and R. Setta Warren was vocalist. A reception followed at the Hotel Beaconsfield, Brookline.

Wearing a princess gown of white slipper satin the bride's white tulle veil was caught to a beaded Juliet cap and her shower bouquet was of white roses and lilies of the valley. Miss Evelyn Lombardi, of Framingham, was her cousin and honor. She wore green moire taffeta and carried mixed garden flowers. Elaine Burke, sister of the bride, was the junior bridesmaid. Her gown was of rose moire taffeta and she, too, carried a bouquet of mixed garden flowers. Mrs. Burke wore gray while Mrs. O'Neill was gowned in aqua.

Raymond Caddigan, of Dorchester, was the best man and the ushers were Edward Muise and Frank Lombardi.

Mr. and Mrs. O'Neill will live in Columbia Heights, New York, when they return from a wedding trip to Virginia Beach.

**Thompson-Dibrell**  
Mr. Joseph Burton Dibrell of Coleman, Texas, announced the marriage of his daughter, Miss Jennie Lee Dibrell to Lieutenant (j. g.) Loring M. Thompson USNR, at Oakland, California, on April 28, 1944.

They were attended by Mr. and Mrs. Leonard G. Trowbridge of West Newton, Mr. Trowbridge is a cousin of the groom and an officer in the Seabees stationed near Oakland.

Mrs. Thompson is a graduate of Coleman, Texas, High School and attended the University of Texas and the University of Chicago, and was employed in Washington, D. C., and in her father's law office in Coleman.

Lt. Thompson is the son of Mr. and Mrs. Henry E. Thompson of Gilman, Texas. He is a graduate of the Newton High School and Northeastern University, class of 1940, a member of Tau Beta Phi and was employed as an instructor at that University, College of Business Administration, then entering the service in 1942. He is joint author of a college textbook, Business Communications, with Professor E. C. Marston. He has seen service for 1½ years in the Southwest Pacific.

After the wedding a dinner was given at the Lake Merritt Hotel. Lt. and Mrs. Thompson then left for a trip to Yosemite National Park.

**Underwood-Meredith**  
Eliot Congregational Church, Newton, was decorated with noisettes and white candleabra on Saturday evening for the marriage of Miss Ruth Bruce Meredith and Charles David Underwood, U. S. Navy, son of Mr. and Mrs. John R. Underwood of Greer, S. C. The 8:30 o'clock ceremony was performed by Rev. Ray A. Eusden, D.D., and a reception followed at the home of the bride's parents, Mr. and Mrs. Robert R. Meredith, 2nd, of 172 Park Street, Newton. Their home was decorated with noisettes and roses for the reception.

The bride wore a white gown of frosted organdy and carried white roses. The maid of honor, Miss Carolyn Ann Meredith, wore apricot and carried tallman roses and larkspur. Mrs. Meredith chose rose lace and Mrs. Underwood was gowned in black chiffon. Dennis Gray Maxwell was the best man for Mr. Underwood.

The bride graduated from the Newton High School and the New England Conservatory of Music. Mr. Underwood graduated from the Greer High School. They will make their home in New London, Connecticut.

**Foulkrod-Whittemore**  
Miss Sylvia-Jane Whittemore and Pvt. Robert Miller Foulkrod, U. S. Army, were married on Saturday afternoon in the First Parish Church, Weston, by Rev. L. Wendell Hughes of the Unitarian Church, Newton Centre. The bride is the daughter of Mrs. E. Gail Whittemore of 175 Mill St., Newtonville and Pvt. Foulkrod is the son of Mr. and Mrs. George M. Foulkrod of Durham, N. H.

With her gown of white organdy, the bride wore a long tulle veil which was caught to a white lace cap and her shower bouquet was of white roses. The maid of honor, Miss Joan Gale, of Andover, wore salmon pink net and carried an old-fashioned bouquet. The bridesmaids, Miss Margaret F. Hine of Cambridge, and Miss Lucy Ellen Hauslein of Durham, N. H., wore aqua net and also carried old fashioned bouquets. Mrs. Whittemore wore a gown of pearl gray and Mrs. Foulkrod was gowned in black accented with silver.

Frederick Jackson of Durham was the best man and the ushers were Lt. Winsor Gale, USNR, of Andover, Russell Harmon of Durham, Justin E. Gale, of Andover, and Harry Whitman of Boston. The bride's maternal grandparents are Mr. and Mrs. Lyman W. Gale, of Temple, N. H., formerly of Weston and her paternal grandparents are Mr. and Mrs. Homer F. Whittemore of Weston.

Mrs. Foulkrod graduated from the Brimmer-May School of Boston; the University of New Hampshire, Durham, N. H., and Middlesex Veterinary College. Pvt. Foulkrod attended the University of New Hampshire before his enlistment and was with the A. S. T. P. at the University of San Francisco. At present he is stationed at Fort Benning, Georgia.

**Ryden-Tucker**  
A candlelight ceremony in the Belmont Methodist Church performed by Rev. D. Joseph Imier united in marriage Miss Charlotte Esther Tucker and Lt. Arnold John Ryden, Jr., U. S. Army. The bride is the daughter of Mr. E. Cutting Tucker of Belmont and Charles W. Tucker of 529 Chestnut Street, Waban. Lt. Ryden is the son of Mr. and Mrs. Arnold J. Ryden of Minneapolis, Minn.

The bride wore a gown of traditional white and carried white orchids and stephanotis. Miss Lucile Tucker was the maid of honor for her sister and the bridesmaids were Miss Marjorie Olsen of Passaic, N. J., Miss Elizabeth Hohmann of Dorchester, Miss Eleanor Birch of Andover, Gloria Helm of Belmont. Miss Tucker wore aqua taffeta and carried red roses, white sweet peas and stephanotis. The bridesmaids wore raspberry taffeta and carried tallman roses and stephanotis. Mrs. Tucker wore white and pink print with a corsage of white carnations and stephanotis while Mrs. Ryden wore pale blue with sweetheart roses.

Lt. John Willey was the best man and the ushers were Ward Tucker, brother of the bride, and Robert Olson and John Wilson. The bride attended Wellesley College and was graduated from Boston University last month. Lt. ## Recapture "that Younger Look"

At last, comes the astonishing news every woman has hoped for! Science has now found the active, "vitalizing" substance that gives the "bloom" to pretty young skin! As this substance decreases, skins often begin to look dry and older. But now the ENDOCREME laboratories have found a counterpart of nature's secret... that replaces the substance so needed by your skin. It is called **ACTIVOL**... and brought to you only in **ENDOCREME**. Results of its use are often remarkable. Skins look firmer, freer... frequently take on a look of young "bloom." There's nothing else like it! Only 11½¢ a day... for this priceless ingredient. You won't be content till you've tried **ENDOCREME**!

## FLAG DAY ADDRESS GIVEN HERE BY RUDOLPH KING

RUDOLPH F. KING  
Speaker of the House of Representatives

"Flag Day" exercises were held by Newton Lodge of Elks at their meeting on Thursday night. Ralph M. Morrison, 8th grade pupil at Our Lady's High School, who won the 825 War Bond in the Essay Contest, read his essay entitled, "George Washington and the Contribution to the Establishment of the United States of America." Presentation of the Bond was made by Secretary Thomas F. Coppinger. His essay is eligible to compete in the State contest in which the prize is a \$100 Bond which will be awarded at the State Convention to be held at Swampscott on June 18.

The supper was served by the House committee under the direction of James Burns.

The business meeting was conducted by Exalted Ruler John J. Keefe.

Fast Exalted Ruler Bernard T. Haffey was elected trustee for three years to fill the unexpired term of the late Robert A. Vachon.

At the meeting this evening, June 15, the championship Fitchburg Lodge ritualistic team will induct 14 new members.

A talk was given by Rudolph King, speaker of the House of Representatives, followed by a musical program. Wilfred Chagnon, chairman of the arrangement committee, was assisted by R. John Henderson and George King, speaker of the House.

"We have come together on this June evening to increase and renew our respect for the flag of our country—the Stars and Stripes—the emblem of liberty and justice."

History tells us that George Washington in June 1776, in the city of Philadelphia, discussed with Robert Morris, Betsey Ross and George Ross the making of a new flag that would truly represent the thirteen colonies, and that he pencilled the design after Betsey Ross had suggested a five-pointed star, and had volunteered to make this—the first flag.

Your flag and my flag stands for humanity and equal opportunity for all, and we must, on all occasions, show our respect for the emblem of our country, and by so doing set a good example to others.

"Its stars, as down the street they come,  
With the flare of bugles and the rattle of drums,  
And loyal hearts are beating high."

Hats off, the flag is passing by. It has been said that it is just a piece of cloth—it is just a piece of cloth. You can count the threads in it and it's no different from any other piece of cloth. But then a little breeze comes along, and it stirs and comes to life and flutters and snaps in the wind, all red and white and blue.

And then you realize that no other piece of cloth could be like it. It has your whole life wrapped up in it. The meals you're going to eat. The time you're going to spend with your wife. The kind of things your boy will learn at school. Those strange and wonderful thoughts you get, inside a church, on Sunday.

Those stars in it—they make you feel just as free as the stars in the wide, deep night. And those stripes—they're bars of blood to any dictator who'd try to change it.

Let me humbly pray that we here at home keep faith with them in their supreme service, sacrifice and efforts.

Only a few days ago, we read in the newspapers a list of names of men of Massachusetts who had forgotten what our flag stands for. They had forgotten that they were citizens of Massachusetts, the birthplace of our great nation. They had forgotten that they were citizens of the United States of America. They had forgotten the faithful service of men and women in peacetime. They had forgotten the heroic service of men and women in wartime. They had forgotten in their greed for a few extra dollars that, "White crosses gleam on distant hills tonight."

Where valiant youth gave all they had to give  
That justice, freedom and this sacred right  
Which we accept so stoically

My fellow Americans, I use that precious salutation, taking in every man in this splendid audience, and in this community and every community who have in their hearts a deep and abiding faith and love for this land of liberty. Some can claim the proud heritage of being born in the United States, while others were bled into one people, broadened by tolerance, standing united to serve this Land of Liberty, Land of Opportunity, and Land of Progress.

Today, America and what our Country means to us, I am sure is being viewed in a new light. For many years we have passed over lightly the significance of American citizenship, but today we find our hearts and minds responding to serious and solemn thoughts of the past, the present, and what the future has in store for our Country and those we love. As patriotism is aroused anew to meet the challenge of the times, as hand meets hand, and heart speaks to heart, in the common bond of American brotherhood, may the respect and gratitude we feel for those whose patriotism and sacrifice made us free, and united and prosperous nation, be with us always.

Today, America is calling to you and to me to give service that will keep the fires of Democracy burning brightly in our country and also to serve as a beacon light to the oppressed people in all lands in their fight against tyranny and dictatorship.

There were those who said, some time ago, from public platforms that the youth of America was soft, and they questioned their ability to withstand hardships of a great crisis. But on December 7, 1941, a cry went out across this land of ours—"Remember Pearl Harbor" and the youth of our communities responded with the same patriotism, courage and endurance that was exemplified by the men at Concord and Lexington, as they responded in the hour of darkness and peril and need, to the call of Paul Revere. They responded as did the men in the Spanish War, the Civil War, and the first World War, and they have been writing upon the pages of history a glorious record of service for home and country.

Today, we are engaged in this another great struggle, whether this nation and its Allies can endure. This war is being fought for tremendous stakes, for our life and liberty, for our churches and our children, for our freedom and our future, and it is "Winner Take All!" Do you forget that the winner will dictate whether tomorrow you will be a free citizen of a free country or a helpless serf to a so-called master race. The winner will dictate whether we shall live and prosper under the four freedoms or toil helplessly in the darkness of a new era. The winner takes all, all you own, all you hold dear, and it is not a question of "Are we going to be safe." The paramount question will be "Shall we remain free?" This is an all-out struggle and there cannot be any cheering section. There cannot be any rooting section for all men, women and children in America must be on the team. They must be down on the playing field, doing something to bring victory to the Allies and for the ideals for which we stand. On this very day, in many sections of the world, heroes of our armed services will be keeping a rendezvous with death at some disputed barricade, and we should humbly pray that each one of us may be worthy of their last full measure of devotion. Let us be resolved that America is worthy of defending itself. America will be defended—and that freedom shall not perish from the earth. Not only must we win this great struggle, but we must have the understanding of our forefathers and their deep religious convictions, if we are to win the peace that comes after.

As we gaze upon the Stars and Stripes as it ripples in the breeze it seems that it speaks to us, saying:

AM OLD GLORY:  
For more than eight score years I have been the banner of hope and freedom for generation after generation of Americans. Born amid the first flames of America's fight for freedom, I am the symbol of a country that has grown from a little group of thirteen colonies to a united nation of forty-eight sovereign states. Painted firmly on the high pinnacle of American Faith my gently fluttering folds have proved an inspiration to untold millions. Men

## NEWTONICS

By Dorothy Williams

What Has Raytheon Got? There must be a reason why women prefer Raytheon. Just what is it? People frequently inquire. Well, that's like asking why a woman selects a certain dress or why she married a particular man. You might call it women's intuition. For you know to leave home or school and to enter most war plants seems like quite a big step. But at Raytheon there's something homelike and informal about the atmosphere that makes a "Ray" feel at ease—without that nervous tension of a strange industrial world. On her first day at work, a new employee is brought to her department and introduced to her fellow-workers. And right away she notices the friendly smiles and helpful ways that the girls have of making her first day easier.

All around her, the "Rays" are dressed in comfortable every-day clothes—and are sitting down at their work. And best of all a new worker is never thrown onto her work to sink or swim—rather, she is carefully trained in her work, and while learning she gains self-confidence and a feeling of capability. In fact before she knows it, this "Ray" is doing a fine job for her country, and is beginning, herself, to turn with a smile to welcome newcomers with the assurance of a life-long employee.

And a partial answer to the secret of why employees enjoy their work will be found in the following items:

**Pieces of America For Sale.** With Newton-Raytheon representatives selling bonds on the cash and carry plan, the Fifth War Loan Drive opened on Monday, June 12, and the early hours of the selling gave indications of equalling if not exceeding previous drives.

The U. S. Treasury, under the banner of "Buy More Than Before," calls upon working people to invest all the money they can spare in War Bonds to keep the present invasion rolling.

"The Newton plant places no pressure on its employees to purchase bonds," Chairman Merritt Rockbridge, 121-A Newbury St., Boston, explains. "Each person is given the opportunity to purchase the best investment in America today."

**Could Bite It In Half.** Tube Head Tim, the company mascot, says that the only reason why there are many pennies in the church collection is because there is no smaller coin.

**Share-the-Letter Plan.** Seeking to aid in boosting the morale of the Army, the girl "guards" at the Newton-Raytheon plant hit upon the novel idea of writing letters—round-robin style—to a lone overseas soldier. S-Sgt. Joseph A. Jackina, U.S.A., formerly of Cambridge.

One guard starts the letter and each of the five remaining "guards" add on a paragraph telling the soldier the latest happenings and the newest jokes.

Many heartwarming replies have come back from Sgt. Jackina expressing appreciation for the letters which gave him many a relaxing laugh while fighting in India.

**The Winners Were Bowled Over.** The Newton-Raytheon Bowling League held its annual banquet at the Hotel Manager, Boston on June 10.

Following the dinner, Toastmaster Reginald Harris, 22 Palmer St., Cambridge, made awards to the following Newton residents: high three with 327, Robert W. Neuman, 29 Newville Ave., Newton; high single with 141, George Fitzgibbons, 65 Boyd St., Newton; women's high single with 108, Katherine Bemis, 24 Pine St., W. Newton.

The League Champion Teams as announced were first, Cornell; second, Northwestern; third, Boston College; fourth, Harvard.

**It Rained Pots and Pans.** A surprise shower was given to Miss Dorothy Dinsmore, 34 Rich St., Waltham, by her fellow-workers of the Newton plant at the home of Mrs. Mary Grant (Div. 125), of 9 Whittlesley Road, Newton.

Thirty-five Raytheon employees attended the shower at which Miss Dinsmore received many gifts for her home. Miss Dinsmore works in Raytheon's Employment Office, and her fiancé, Tom Hey of Quincy, plan to be married on July 1.

**A Hot Time in the Old House.**

have followed me into battle with unwavering courage. They have looked upon me as a symbol of national unity. They have prayed that they and their fellow citizens might continue to enjoy the life, liberty and pursuit of happiness, which have been granted to every American as the heritage of free men. So long as men love liberty more than life itself; so long as they treasure the priceless privileges bought with the blood of our forefathers; so long as the principles of truth, justice and charity for all remain deeply rooted in human hearts, I shall continue to be the enduring banner of the United States of America. As our prayers go out tonight all over the world to our loved ones, may I close with a tribute by a famous poet to the Mothers of Old Glory:

"I am thinking of the mother, of  
"Old Glory"  
That is waving in the sky,  
Men have fought to keep it splendid  
Men have died to keep it bright.  
But that flag was born of woman  
And her sufferings day and night.  
Tonight, we hail the mother,  
With  
Tear stained face and grave  
Who has given the flag a soldier  
She's the bravest of the brave,  
And that banner we are proud of,  
With its red, and blue and white,  
Is a lasting holy tribute  
To all mothers' love of right."

## Community Chest - (Continued from Page 1)

Lawrence B. Damon, Chairman of the Residential Division, expressed himself as being very favorable to the plan of studying prospects in each village and asked the Residential Division Chairmen to co-operate fully with the Chairman representing Advance Gifts in their villages. He stated that, in addition to enrolling already completed of all Chairmen and Assistant Chairmen in each of the Residential villages, two-thirds of the Majors have been appointed and work will start in immediately to enroll the 150 Captains who will be responsible for building the teams that will cover the 21,000 citizens whom his division will solicit.

Clark Woodward, President of the Chest, congratulated Mr. Shirley and Chairman Watson and Doughty on the fine start that they have made and said he feels certain that the Campaign organization this year will, in spite of the shortage in man power, be as strong as any that the Newton Community Chest has ever had.

Mr. Shirley introduced the Chairman of the other divisions and stated that, while the meeting was primarily one for Addition and information coming from advance Gifts and Residential leaders, he felt certain the inspiration from home to keep up the morale of the boys over there. He was accompanied by general Frank Barry, Past Commander, Newton Post American Legion.

Also present: Rt. Wor. Laurence M. Jackson, Director of Administration of the Grand Lodge of Massachusetts; Wor. Philip C. McMurdie, Director of the Service Department of the Grand Lodge of Massachusetts and Rt. Wor. C. Weston Ringer, Past Division Grand Master of the fifth Waltham Masonic District.

Following the third degree at which Dr. George S. Speare, A. George Andolina, Howard C. Borden, Joseph S. Balcom and Victor C. Corkran were raised, Captain John Shade Franklin, former pastor of the Lincoln Park Baptist Church, held the large number present spellbound with interesting recollections of his two and a half years active duty as chaplain on duty under fire in the South Pacific. Captain Franklin is most enlightening and interesting speaker who illustrated his talk with many trophies, snapshots and souvenirs.

At this meeting the report was received that the Grand Lodge was for establishing and carrying on Masonic Service Centers which are open to all men and women serving in the armed services of our country, regardless of race, color or creed, has reached about two thirds of its goal. William Keesler as chairman is nearing its quota with two weeks more to go over the top.

Chairmen in the Residential Division assisting Mr. Damon who were present were E. Prentiss Jones, Assistant Chairman; John F. Brown, Auburndale; Ronald W. Cordingley, Chestnut Hill; Gordon Russell, Newton; Aubrey C. Schurman, Newton Centre; Edward E. Peters, Newton Highlands; John C. Bond, Newton Lower Falls; Robert S. Fifield, Newton Upper Falls; William R. Mattson, Newtonville; James W. Dunn, Nonantum; Eric A. Bianchi, Oak Hill; Ted H. Oakley, Waban; John S. Gullison, Waban Hill; and Ralph E. Whitney, West Newton.

Assistant Chairmen in the Residential Division who were also present were Clarence R. Mease and Howard L. Rich, Newton; David D. Fletcher and Ralph B. Emery, Newton Centre; Allan S. McLean, Nonantum; and D. Earl Brackett, Roscoe Hayes, and Kenneth Prior, West Newton.

## Second Concert To Be Held June 15

## Returns After 27 Months In Pacific

Chaplain John Shade Franklin, U.S.A. who now holds the rank of Captain, has returned to the United States after 27 months of service in the South Pacific and at present is stationed at the Cushing Hospital, Framingham. He is giving a talk this evening, June 15, at the Lincoln Park Baptist Church, West Newton where he formerly served as pastor and will preach at the morning service on Sunday, June 18 at the First Baptist Church, Weston. On Sunday evening he will speak at the Fulton Heights Community Church in Medford where he served as pastor before coming to Newton. He has brought home with him a wooden cross which was fashioned from native wood by a member of the Navy Seabees and presented Chaplain Franklin. This cross he placed on the altar at all the services he conducted. On one occasion when his tent was demolished by a Jap bomb the cross was slightly damaged. During his long service in the Pacific area Chaplain Franklin became known as a "front line chaplain". He expects soon to be granted a furlough to spend at his home, 45 Islington road, Auburndale where his wife and four children now reside.

# What news will Gen. Eisenhower get from us?

You know now what we've heard from him.

We've heard that Eisenhower and his Americans have hurled themselves like a thunderbolt against the bristling defenses of Hitler's Wehrmacht!

We've heard that they are smashing at our foe — sparing neither steel nor sweat nor blood in one final, furious assault that marks the supreme military effort of this War!

And what news do Eisenhower and his men expect from us?

Men and women of America — what the Invasion is to our fighting men, the 5th War Loan is to us at home!

For us, as well as for them, this is the crisis — the time for tremendous, overwhelming effort! Make no mistake! The 5th War Loan will undoubtedly be the biggest, most vitally important

financial effort of this whole War!

If the 5th War Loan is to succeed, each one of us must do more than ever before — must buy double . . . yes, *triple* . . . the Bonds we bought last time.

Our men expect to hear that we are buying double — that we are matching their sacrifice as best we can — that the American nation, soldiers and civilians together, is making one gigantic effort to win this War!

That's the news our men expect to hear from us.

Will you personally see that they get it?

## And here are 5 More reasons for buying Extra Bonds in the 5th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 in 10 years.
3. War Bonds help keep prices down.
4. War Bonds will help win the Peace by increasing purchasing power after the War.
5. War Bonds mean education for your children, security for you, funds for retirement.

### In Armed Forces

Allied Forces Headquarters, Mediterranean Theater. Tech. Grade 4 Fred P. Pignato, 30, of 270 Pearl Street, Newton, Massachusetts, has recently been promoted from Tech. Grade 5 to his present grade Tech. Grade 4, and has been awarded the Unit Citation Medal. He is the husband of Mrs. Carmella Pignato who lives at 270 Pearl Street, Newton, and has been in the Army since June 9, 1942. He came overseas in October 1942 and is currently serving with Headquarters Company in the Mediterranean Theater. Other members of the immediate family in the armed forces are: brother Joseph Pignato, Pvt., of Chelsea, stationed at Fort George Wright, Wash., and two brothers-in-law of Newton, Capt. P. R. Tedeschi, and Pvt. Joseph Tedeschi, stationed in England. Tech. Grade 4 Pignato was recently awarded a Unit Citation Medal by his former organization which was cited for gallantry in action during the Tunisian campaign. He was also recently awarded the Good Conduct Medal and promoted from Technician Grade 5 to his present grade. T-4 Pignato is a graduate of Chelsea High School, Boston University School of Law, and was a practicing attorney in Chelsea and Boston before entering the military service.

Dexter Conwell Whittinghill, Jr., who enlisted in the U. S. Naval Reserve on May 1, 1944, went on active duty at U. S. Naval Training Camp, Sampson, N. Y., on June 9.

Miss Frances Wyeth, daughter of Mr. and Mrs. Lonel Wyeth of 84 Central Avenue, Newtonville, Massachusetts, is receiving her indoctrination into the SPARS Women's Reserve of the Coast Guard, at Palm Beach, Florida. Before entering the service Miss Wyeth was employed by the Ucinile Co.

Fort Jackson, S. C.—For his leadership qualities and ability to shoulder added responsibility, S-Sgt. Richard K. Sweetnam has been promoted from the rank of Sgt., it was announced today at headquarters of the 26th "Yankee" Division. S-Sgt. Sweetnam is the son of Mr. and Mrs. Richard Sweetnam, 67 Elliot St., Newton Highlands. He attended Newton High School. Prior to entering the army S-Sgt. Sweetnam was employed by Stone & Webster Engineering Corp., Boston, Mass. He is a member of Btry. A, 263 P.A. Battalion.

Boston, June 9—Miss Gloria Guile of 325 Highland Avenue, West Newton, was sworn into the WAVES, the Women's Reserve of the Navy, for a two-week furlough, shortly for active duty.

Mary Lou Melcher, daughter of Mr. and Mrs. James B. Melcher of 16 Garden Road, Newton, graduated on June 3 from the Naval Air Technical Training Center at Norman, Oklahoma, receiving the rating of Seaman 1-c. Miss Melcher is a graduate of Newton High School and of Radcliffe College, entered the Training Center December 30, 1943. She will now be transferred to another shore station for further instruction and work.

Pfc. Hugh P. Ruggles of 123 Auburndale Avenue, West Newton is serving as a member of the U. S. Army Military Police at a base in England.

2nd Lt. Donald L. Hyatt, son of Mr. and Mrs. James M. Hyatt, of 1380 Walnut Street, Newton Highlands, won his silver wings and was graduated with Class 44-8 of the Big Spring Bombardier School, Big Spring, Texas, on June 10 and received his commission as a flying officer in the Army Air Forces. Lt. Hyatt attended the Newton High School and New England Conservatory of Music where he was a student at the time of his enlistment.

Pfc. Robert M. Libby, son of Mr. and Mrs. Levi Libby of 190 Summer st., was graduated last week from Army Air Forces Flexible Gunnery School, Laredo Army Air Field, Laredo, Texas, a member of the AAF Training Command. He is now qualified to take his place as a member of a bomber combat crew. Along with his diploma, he received a pair of Aerial Gunner's silver wings and a promotion in grade at brief graduation exercises held here.

Second Lt. Katherine M. MacNeil, daughter of Mrs. Joanna MacNeil of 410 Newtonville Avenue, Newtonville, and the late Roderick MacNeil, has been promoted to the grade of first lieutenant in the Army Nurses Corps. Lt. MacNeil is stationed at the New Castle Army Base, Wilmington, Delaware. She was graduated from the Newton High School and the St. Elizabeth Training School for Nurses. She received her commission on January 4, 1943. Her brother, James J. MacNeil, who is an accountant in the Engineering Division of the War Department, is attending a one month course in contract termination at Duke University.

Word has been received from the South Pacific of the promotion of Lieutenant Albert Jameson Brooks, son of Mr. William C. Brooks of W. Newton, to the rank of Captain. Captain Brooks has been stationed in New Caledonia for the past twenty-nine months, at a Quartermaster's Supply Depot. He is a graduate of Amherst College with class of 1939 where he was a member of the Theta Delta Chi fraternity. His wife, the former Jane Y. Hayden of West Newton, is secretary to Dr. Edwin J. Cohn, head of the Department of Physical Chemistry, Harvard Medical School.

Randolph Field, Tex., June 15—Promotion to Major of Timothy John Dacey, Jr., son of Mr. and Mrs. Timothy J. Dacey, 32 Whittemore Road, Newton, Mass., has been announced here. Major Dacey has been stationed at Randolph Field since October 28, 1942.

LT. JOHN G. SUNDBORG

### Lt. Sundborg Is German Prisoner

Word has been received by Mrs. Jane Ansley Sundborg, through an International Red Cross telegram that her husband, Lt. John G. Sundborg of 19 Baldwin street, Newton, son of Mr. and Mrs. Thomas Sundborg, has been taken a prisoner by the Germans. He had been reported as "missing" a month ago.

Lt. Sundborg who is 22, entered the Army in April 1942. He had been overseas since March and according to a letter received May 10 had completed ten missions. His plane which at first had been named "Princess Pat" was rechristened "Princess Patches" after it had been badly shot up and repaired. His first mission which was over Berlin lasted 2 1/2 hours.

His wife, the former Jane Ansley, is the daughter of Dr. and Mrs. Charles D. Ansley of 66 Grove street, Auburndale. Lt. and Mrs. Ansley have a two-months-old daughter, born on April 3.

His brother, 1st Lt. Thomas Sundborg, Jr., is an engineer officer with a fighter bomber squadron in England.

Lt. Robert R. Stinson, son of Mr. and Mrs. Ray A. Stinson, of West Newton, is now at the Army Air Force School for Instructors at Bryan, Texas, where he is studying instrument flying.

### Raytheon Newtonics

A Hero Comes Home. After 28 months of overseas duty, Sergt. Donald Skuse, 14th Army Corps, and husband of Belle Skuse, (Dept. 166), 71 Whites Ave., Watertown, returned home recently on a two-week furlough. Presidential Navy Citation, served in Australia, New Caledonia, Fiji Islands, New Hebrides, and Russell Island. He was actively engaged in the battles of Guadalcanal, Munda, New Georgia, and Bougainville.

Upon completion of his furlough, the Sergeant will be sent to Camp Butler, North Carolina, to be assigned to a new outfit.

A Double or Nothing Game. Winning 10 to 5, the Raytheon Men's Softball Team took a fast game from Dolecan Machine Co., at the Levi F. Warren Field, Newton, on June 9.

Armen Essayan, 17 Howe St., Watertown, playing a great game for Raytheon, got one triple, one double, and two singles. Robert Dauphinais, 22 Lloyd St., Winchester, and Rocky Drevitson, 42 Harvard Ave., W. Medford, were also outstanding in the game.

Honor Roll. An entire day's production, quality and attendance was dedicated by Newton Raytheon employees to the honor of each of the following servicemen (all former residents of Newton): Cpl. Henry J. Arcese, USA; S-2-c. Claire Nolan, U. S. Spars; Joseph Grasso, A.M.M. 3-c. Maybe the Bike Had Rubber Tires. Tube Head Tim attended a wedding the other day of a young man who had no visible means of support—having sponged on his father for 10, these many years. Despite his lack of cash the groom said in a firm loud voice, "With all my worldly goods I thee endow." And from the back of the church came his father's voice in a loud stave whisper, "Ooops, there goes his bicycle."

### President Given Beautiful Flag

The Isaac B. Pattens Women's Relief Corps No. 59 of Watertown, Mass., presented their president, Mrs. Mae E. Patrick 30 Thornton street, Newton, a beautiful silk flag with plate and stand in honor of her three sons who are all overseas at present. The flag was given to the War Parents of America, Inc., of Newton, on May 24, 1944, at the City Hall, Newton. Presentation was made by the past National President, Mrs. Agnes H. Parker.

### Newton Lions Club

Ever since the Newton Lions Club was established it has been seeking some field of service which it could enter for the betterment of life in the City. The answer has now been found, and it is with pleasure and high hopes that the Club becomes the sponsor of "Ship 13", Newton Sea Scouts, Norumbega Council, Boy Scouts of America, realizing that a high type of leadership was necessary to help guide and assist the ambitious boys and their able "Skipper" Roddy Rodenheiser, selected the Lions Club for the job of rehabilitating the Troop.

### MANY NEW FLOWERS AT WALTHAM FIELD STATION

The flower gardens at the Field Station of the Massachusetts State College, 240 Beaver street, Waltham, are at their very best just now. Several hundred perennials are on display, and all are labelled to enable visitors to become more familiar with the names of ornamental plants which are useful in the beautification of the home grounds. These gardens are maintained for the purpose of testing and evaluating garden varieties of herbaceous perennials.

## COMMONWEALTH OF

MASSACHUSETTS  
LAND COURT

Case No. 7915, Misc. In Equity

To Mary G. McGrath, of New-  
ton, in the County of Middlesex,  
and said Commonwealth; all per-  
sons concerned having any un-  
recorded interest in the land on  
the southerly side of Auburndale  
Avenue in that part of said New-  
ton known as West Newton, for-  
merly owned by Charles H. Dolan;

Whereas, a suit in equity has  
been begun in our Land Court by  
William A. Barber and Edna M.  
Barber, of said Newton, repre-  
senting that they are the owners  
of the real estate numbered 98  
Auburndale Avenue in said West  
Newton; that by deed dated June  
13, 1928, recorded with Middlesex  
South District Deeds in Book 5242,  
Page 468, one Charles H. Dolan,  
then owner of a large tract of  
land on said street sold to the  
said William A. Barber and Edna  
M. Barber, his heirs and assigns,  
all of said land by metes and  
bounds, added the following words:  
“Intending hereby to convey the  
land set apart to me by Commis-  
sioners to make partition in the  
estate of Felix Dolan, recorded  
with Middlesex South District  
Deeds Book 2465, Page 482, ex-  
cepting the portion thereof here-  
tofore conveyed by me and sub-  
ject to rights of way granted by  
me in said premises;” that it is  
the intention of both parties that  
said exception should only apply  
to grants by deeds appearing of  
record and praying that said deed  
be reformed accordingly.

WE COMMAND YOU, if you in-  
tend to make any defense, that  
you do so by filing in the office  
of the Recorder of said Court at Bos-  
ton, in the County of Suffolk, and  
said Commonwealth, and further  
that you defend against said suit  
according to law, if you intend to  
make any defense, and that you do  
so at least before the first Monday  
in August next.

Witness, JOHN E. FENTON,  
Esquire, Judge of our Land Court,  
the 12th day of June, in the year  
of our Lord nineteen hundred and  
forty-four.

## COMMONWEALTH OF

MASSACHUSETTS  
PROBATE COURT

To all persons interested in the  
estate of

Arnold B. Davis,  
late of Newton in said County, de-  
ceased.

A petition has been presented to  
said Court for probate of a certain  
will of said deceased by Myron R.  
Borah of Boston in said County of  
Suffolk, praying that he be appointed  
executor thereof, without giving a  
surety on his bond.

If you desire to object thereto you  
or your attorney should file a written  
appearance in said Court at Cam-  
bridge before ten o'clock in the fore-  
noon on the twenty-sixth day of  
June 1944, the return day of this  
citation.

Witness, John C. Leggat, Esquire,

## Many Opportunities This Summer For Camping, Study, and Recreation

## Local Facilities Available For The Whole Family

With strict gasoline rationing continuing in prospect for the summer, and nearly everyone involved in victory gardening or otherwise hard at work, Newton homes will have to rely increasingly on recreational activities in and about Newton. The Newton Community Council, in cooperation with the Newton Graphic, presents here, with a partial list of activities carried on by various organizations and agencies which are eager to serve the children and families of Newton. It is suggested that you keep this page for future reference this summer.

**Summer Camps**  
There are a number of summer camps conducted by social and youth-serving agencies which parents would do well to consider in making plans for their children. In general, there are two kinds of camps: Day Camps, where the child returns home or boarding evening, and Boarding Camps, where the child remains at camp for extended periods of time varying from one week to all summer. Three Newton Community Chest agencies conduct boarding camps—the Boy Scouts, Girl Scouts, and Y. M. C. A. The Pomroy House, the West Newton Community Centre, and the Y. M. C. A. conduct day camps.

There are also a number of church organizations and Greater Boston agencies conducting camps to which Newton children are eligible. Suggestions for getting in touch with the sponsoring agencies are set forth below. The Walnut Park Camp for Girls, located in Newton, merits special attention.

Additional help in finding a suitable day or boarding camp for your child may be obtained from the following sources:

1. The Family Service Bureau of Newton, Miss Ogilby, Las. 7680.

2. Camp Service Department, Boston Council of Social Agencies, Mrs. Griffin, Lib. 8515.

3. Newton Public Library, the books "Directory of Summer Camps in America" and "Guide to Private Schools, Colleges and Summer Camps."

These sources will prove especially helpful if your child requires a camp with special staff or personnel. There are camps for children with physical handicaps, cuffed, diabetic, asthmatic, tubercular, cardiac, or have defective vision. There are other camps that specialize in meeting the needs of children who are mentally retarded or who need supervision under routine living. In many camps it is possible this year to purchase health and accident insurance for a nominal fee.

## Mayor Tobin Acts to Aid Returning Veterans

Under the direction of Mayor Maurice J. Tobin, Boston has shown the way to the other leading cities of the United States in caring for the needs of discharged veterans and assisting them with their problems. The program set up in Boston to aid the veterans on their return to civilian life is now being copied and adopted by many municipalities throughout the country.

A few months ago Mayor Tobin conceived the idea of bringing together under one roof all the agencies to which a returned veteran might go for help and assistance of any kind. He wanted to eliminate the possibility of a bewildered boy just out of uniform, wandering from one agency to another in search of the one that might handle his particular problem.

The Boston Mayor set out to establish a center where all the agencies could be located in adjoining offices, where a receptionist would be on duty to interview returning service men and service women and to direct them to the exact office where they could obtain the help they needed.

The result of Mayor Tobin's carefully conceived plan has been the Veterans' Information and Reception Centre located on the fourth floor of the Houghton-Dutton Building in Boston, which incorporates virtually every agency to which a veteran might go for help.

There hundreds of young men, most of them discharged because of wounds they suffered on the battle front, already have been assisted and their readjustment to civilian life made easier. The facilities of the centre are not restricted to Boston veterans alone. They are open to any man or woman who has worn the uniform of his country.

The problems and troubles of the veterans who visit the centre have run a long gamut. Some were merely in need of financial help to tide them over until they received their first pay checks. They got them from the Army Emergency Relief or the Boston Soldiers Relief Department, both located in the centre.

Some were in need of medical attention. A full time doctor and nurse are on hand to see that they get it, to arrange hospitalization, if necessary, to supervise and follow through their cases and to make certain they receive exactly the treatment they need.

Some want jobs. Others need special rehabilitation and training before they go back to work. A boy can sit down and talk over his problems or his ambitions with an expert in a job-counseling unit and get the help he wants.

And thousands are given to assure that the veteran is placed in the right kind of work, or that he receives special training if he needs it.

An ex-marine who was wounded on Guadalcanal and a discharged soldier who was in the thick of the fighting in North Africa are the receptionists, who interview the veterans and direct them to the proper agency, whether it be the U. S. Employment Service, the Soldiers Relief, Post Office, the Red Cross, the medical department or the job-counseling unit. An army nurse invalided home from the South Pacific will greet the service women.

An attorney is even available for any veteran who needs legal assistance or advice concerning his rights. Whatever the problem or the worry of the returning veteran may be, he'll find that one of the agencies there is prepared to handle it.

That was the way Mayor Tobin visualized it when he first announced his plan for bringing together into one centre all the different groups to which a veteran might go. His plan is working out so effectively that many cities are copying and adopting it.

Mayor Tobin's vision of a center for returning veterans has been doubly of vital importance in the months to come when men now wearing the uniforms of their country, now smashing Germany's west wall or driving the Japanese back across the Pacific, return again to civilian life and need help in making the adjustments involved.

## Camera Dealers Warned by OPA On 'Rent' Charges

The camera dealer who is attempting to "beat" price control by forcing his customers to rent cameras before they can buy them is headed for trouble, according to the Regional Office of Price Administration, in a statement released today.

OPA officials, referring to complaints from prospective camera buyers that dealers have been insisting on "rental" charges as a prerequisite to purchases at ceiling prices, pointed out that this practice is a clear violation of Maximum Price Regulation No. 516, covering used photographic equipment.

Under the terms of Section 14 of the regulation, the dealer entering into such arrangements leaves himself open to penalties such as civil enforcement actions, license suspension proceedings and suits for treble damages OPA stated.

Any dealer renting used cameras is advised by the local OPA board to consult with them to ascertain whether his rental rates and practices are legally established. Prompt action to insure compliance was recommended by OPA officials as a method of avoiding subsequent legal difficulties.

## Local Dealers Watching Used Car Price Ceiling

Local automobile dealers were watching with interest this week the reaction of the public on the new price ceilings put on all used passenger cars, whether sold by dealers or private owners, at the levels which prevailed in January, 1944.

The order is effective July 10, the months' delay being allowed for the trade to make its adjustments.

The OPA set forth specific prices for 23 makes and about 8000 models manufactured from 1937 through 1942.

Although the action came as a surprise to local dealers at this time, it has been a known fact for a number of months that the OPA has been working on a definite plan of price control for used cars.

### COMMUNITY CHEST GROUP OBSERVES "NEWTON DAY"

Newton Day in the Greater Boston United War Fund was observed recently when members of the Greater Boston staff were the guests of the Newton Community Chest.

The principal feature of the day was a luncheon held at the Y. M. C. A., attended by the War Fund staff and executives of the Newton Chest Agencies, when Mrs. Frances Guild of the Greater Boston Community Council spoke about the information service rendered by hospital and health services, youth centers, and family service organizations to contributors of the Fund and residents of the Greater Boston area.

H. J. Pettengill, executive director of the Newton Community Chest, presided and spoke briefly of the cordial relationship between the Newton Community Chest and the Greater Boston United War Fund. He urged that a year-round public relations program be carried on so that the general public may better know the social needs of the community and the services which their dollars provide. Clarence R. Mease, general secretary of the Newton Y. M. C. A., gave a talk to the group on the co-ordinating services of the Newton Community Chest, and social agencies, explaining the many combined services now in operation when more than one agency participates.

## Dedicate Chimes At Methodist Church

A service of dedication of the Rev. Lewis Benson Bates Chimes was held at the Newtonville Methodist Church on Sunday morning, June 18. These chimes which were originally installed in the Bethel Church, East Boston as a memorial to Rev. Lewis Benton Bates who served as pastor from 1878 to 1894 and from 1901 to 1909, were presented as a gift to the Newtonville Methodist Church by Mr. and Mrs. Stanley O. MacMullen. The MacMullen family had been connected with the Bethel Church for over 50 years and when he realized that the church was being closed Mr. MacMullen negotiated the purchase of the Chimes having in mind their installation in a Methodist church as a gift. Because of the long association of the Rev. Benson Bates with the Bethel Church, their connection with the Newtonville Church and their desire to continue the Memorial of these Chimes they offered them to the Newtonville Church. The gift was accepted with gratitude and appreciation.  
Mr. George W. Taylor, chairman of the Board of Trustees, accepted the Chimes and presented them to the church, at the dedication service.

## Girl Scouts Receive Awards

The welcome was by Mrs. Mark C. Walker, Chairman Waban Village Committee. First Class Awards were made to the following: Troop 34—Lorraine Anderson, Barbara Hunt, Constance Libbey, Elizabeth Wright, Troop 44—Joanne Fuller, Edith Haas, Andrea Jacobson, Deborah Price, Doris Theophile. First Class badges were presented by Mrs. George H. Larsen, Commissioner of Newton Girl Scouts. The program closed with the playing of "Taps".

## Philip Teschner Awarded Degree At Brown University

Philip E. Teschner, son of Mr. and Mrs. Edward E. Teschner of 37 Thaxter road, Newtonville, was awarded an Sc.B. degree in engineering at Brown University's commencement exercises held June 19 in the historic First Baptist Meeting House. Teschner is a graduate of Newton High School where he was active on the track, tennis and football teams, and captain of his basketball team. He was a member of the athletic board, on the staff of the school paper, and vice-president of the senior class. At Brown his activities have been varied. He received football and basketball numerals in his freshman year for outstanding participation in games. He was a member of the vigilante committee and American Institute of Electrical Engineers. He was intramural manager in his junior and sophomore years, and class marshal all four years. Teschner was elected to play on New Year's Day, 1944, in the East-West football game in San Francisco. The class of 1910 trophy for scholastic leadership among football players. He was chairman of the Embassy committee and on the committee for the inter-campus ball. The most important office on the campus, that of president of Cammaria Club, was attained in his senior year. He is also president of his fraternity, Lambda Chi Alpha.

## Staff of Nine To Direct Activities

A staff of nine people will direct the activities of the day camp "Camp Massasoit," to be conducted by the Newton Y. M. C. A. with indoor and outdoor programs from June 26th to August 26th. Activities will be swimming, baseball, soft ball, archery, track and field, tennis, gymnasium, games, hobby work in the craft shop, movies, talks, and other entertainment. Richard B. Simmons, Physical Director at the "Y" for many years and experienced in working with boys, will be the Camp Director. Associated with him will be Wendell P. Hager, Associate Boys' Secretary the camp Registrar, who will be in charge of the hobby work, direct a soft ball group and have charge of some of the entertainment features; and C. Wade Abbott, Associate Director, who will be in charge of the swimming activities, and the gymnasium program.

## Second White Star To Be Added To Flags

Raytheon Manufacturing Company, which gained nationwide prominence a year ago, when all four of its plants were awarded Army-Navy "E" pennants, today received word that a second White Star will be added to its flags. Laurence K. Marshall, President of the Company, was informed by Admiral C. C. Bloch, Chairman, Navy Board for Production Awards, that Raytheon's four divisions, located in Waltham and Newton, Mass., will each have a second White Star affixed to their "E" pennants—"Because of your untiring effort and support so necessary for Victory" during the past six months. Raytheon's plants received the first stars on their "E" flags last November.

## Receives High Honors At Phillips Exeter

At the graduation exercises of Phillips Exeter Academy in Exeter, New Hampshire, which were held on the week-end of June 10 and 11, Charles Nelson Gregg, Jr., received high honors. He not only received his letter in Athletics, captured prizes in history and Latin, was elected to the Cum Laude Society, but was awarded the Harvard-Exeter Scholarship. He also found time to be a member of the Exeter Glee Club. Gregg received his fundamental schooling in Newton at the Pierce School, the Warren Junior High School and one year at the Newton High School before entering Exeter. Miss Eva and Miss Kate Gregg, two sisters, were present at the exercises with his parents, Mr. and Mrs. Charles N. Gregg of 60 Temple street, West Newton.

Guadalcanal veterans relax with a tour of special duty in the All-Services musical comedy, "Direct Hit," which will be presented at the Newton High School Auditorium in Newtonville, Saturday evening, July 8th, before an audience of Fifth War Loan bond buyers. Army, Navy, Marine Corps and Coast Guard have been assembled in the cast of 63 men and 22 women. Wacs, Waves, Spars, and Women Marines are included in the feminine contingent. "Direct Hit" opened its tour before an enthusiastic audience in Boston Garden and now will be presented in Newton by the Newton War Finance Committee, Mrs. Edgar P. Hay, Chairman Women's Division. The members of the Marine quartet above are left to right: Corps. George Jeffers and Joseph J. Saliba, Pfc's Bob Bridgeo and Leo M. Ruab. The last three fought with the first Marines ashore in the invasion of Guadalcanal.

## Harriman Urges Modification of Building Code

A proposal that the building code of the City of Newton be modified to permit the erection of apartment houses of a desirable type has been made to Mayor Paul M. Goddard by Henry I. Harriman, vice-chairman of the New England Power Association, who is a resident of Newton. Mr. Harriman proposes that certain restrictions be enforced to insure the building of this type of apartment house. Both he and Myron Wydet, builder and developer, he states are interested in bringing about the proposed change in the building code. He suggests that the number of apartments be limited to 20 to an acre of land and that only 25 per cent of the buildings in such a development be as high as 3 1-2 stories, the balance to be restricted to 2 1-2 stories, the building to be constructed of wood with 12 inch concrete foundations. He explained that the reason for using wood in construction instead of masonry would be to get away from the institutional look. As to fire hazard he stated that there would be a central heating system so that danger of fire which usually start in cellars would be absent from the individual buildings. Mayor Goddard has forwarded Mr. Harriman's proposal to the Board of Aldermen and it is being studied by the Public Buildings Department so that the board may have as much data as possible for consideration of the matter.

## St. Bernard's School Holds Graduation

The annual graduation exercises of St. Bernard's High School, West Newton, were held on Sunday, June 18, when Rev. John J. Crane, S. T. L., pastor of St. Bernard's Church, awarded diplomas to the following: Phyllis M. Beckert, Rita M. Corborsio, Katherine Corcoran, Genevieve P. Cripps, Elizabeth T. Daley, Joan M. Hall, Mary M. Holihan, Helene C. Matthews, Virginia McDermott, Margaret McKenna, Phyllis M. Reilly, Mary M. Richardson, Mildred T. Sammon, Mary E. Smith. A full scholarship to Emanuel College was awarded to Mary Holihan who also received the Christian Doctrine award.

## Newton Wins State Title By Defeating Holyoke 5-2

### National President On Visit Here

The Boston Branch of the American Association of University Women is planning a tea for its National President, Dr. Helen C. White of the University of Wisconsin. The tea will take place at the Boston University Women's Building at 146 Commonwealth Avenue, Boston, on June 29 at 3 p.m.

This national organization is busily engaged in planning for the rehabilitation of college women after the war in 60 different foreign countries. Among the Newton women who will be assisting with the tea are Mrs. William R. Bell and Mrs. B. Alden Thresher of Waban, Mrs. Joe W. Gerrity of Newton and Mrs. Albert S. Hutchinson of Newton Highlands.

### Bushway-Whiting Co. Purchase War Bonds

The Bushway-Whiting Ice Cream Company has purchased \$45,000 in bonds. The transaction was made by C. F. Hovey Company and the First National Bank. These bonds were purchased by the company and as yet a total of the bonds purchased by the employees has not been made. Mr. Howard J. Bushway, lives at 258 Prince street, West Newton.

### Made Honorary Treasurer For Life

William P. Underhill of 45 Monadnock road, Chestnut Hill, treasurer of the New England Federation of Men's Glee Clubs, Inc. since 1933, was named "Honorary Treasurer for Life" by the executive board of that organization at its annual meeting held in Chickering Hall, Boston, on Saturday evening, June 10th. An illuminated scroll will be awarded to Mr. Underhill shortly in honor of his nearly 25 years as a member of the Federation and his 11 years as its treasurer. Albert T. Carpenter, 42 Tyler terrace, Newtonville, was named Executive Treasurer to take over the principal duties of the office of custodian of the Federations funds and endowments. The latter is a member of the Highland Glee Club of Newton, Inc. and Assistant Treasurer of the Roxbury Institution for Savings, one of the oldest and wealthiest banks of Boston.

Also elected from Newton to serve his twenty-second successive term as recording secretary is Cecil J. Hall of Newtonville. Mr. Hall, who is a member of the Chickering & Sons staff in Boston, took over the office in 1922, as successor to Paul M. Goddard, now mayor of the City of Newton, who was the first secretary of the newly formed Federation. The Federation now numbers thirty clubs in New England and Canada but at that time included only Newton, Wollaston, Malden and Beverly.

Under the leadership of George H. Wight of Newton, the Highland Glee Club, will celebrate its 40th year in 1945 and it is hoped that this will be the "Victory Year." At that time the club expects to publish a history of its two score years of existence with Mr. Underhill's name written high on the roll of those who have served its interests both in the home community and in New England.

Other Federation officers, nominated by John H. Elwell of Newton, and unanimously elected are as follows: President Herbert J. Gurney of Wollaston; Vice-Presidents Dr. Harold L. Margesson of Melrose, Harry Jackson of Fall River, Philip I. Milliken of Portland, Maine, George C. Clarke of Cambridge, and James A. Norton of New Haven.

Newton proved again its standing as the best sports city in Massachusetts last Saturday at Fenway Park as the high school nine pushed over three big runs in the lucky seventh to break a 2-2 tie and beat Holyoke High 5-2 for the annual state-schoolboy baseball championship. Playing heads-up ball for nine frames and demonstrating their usual inning rallies, Newton outclassed their Western rivals after Joe 'Moose' MacManus took over the flinging duties in the second inning.

No-hitter Wes Hayes was Jeff Jones starter but something went wrong as lead-off batter Joe Soskovic doubled and scored on George Deans single, to send Holyoke off to a one run lead. A double-play however engineered by Bryant saved Hayes and Newton further embarrassment. As Newton went down for "naught" in the opening frame and 1-2-3 in the second, Jones, a little fearful, pulled an ace out of his sleeve and rushed the "Moose" to the mound to begin the second. Hayes was moved to a garden spot for protective measure. The hunch payed dividends as MacManus held Holyoke at bay for the rest of the game. He scattered six hits, allowed one unearned run, and paved the way for his own victory by setting up two DP's in crucial moments. MacManus even started Newton off on the right track. After his scoreless pitching round in the second, he led off with a single in the third and then tally the tying run on Chucky Bryson's liner to center.

Newton pushed ahead in the sixth after being held hitless in the fourth and fifth. Recco's bunt, a walk and some fast running by Johnny, when the shortstop trying to get Hayes at first threw low to the first-sacker, gave the Orange lead. But Holyoke came right back and scored the equalizer on Lally at third but the hot corner sacker threw wild to first and both Recco and Roberts crossed the plate for the 4th and 5th runs. Holyoke had a perfect chance to tie the game in their half when they had bases full and none out. But Barry bounced to Moose whose snappy DP (1-2-3) broke the tense spot. Still Holyoke had a good scoring opportunity with runners on first and second after Soskovic was given a free pass; but Moose made Dean sky to Ryan for the third out.

McMahon reached in the eighth but here again MacManus came to the rescue stabbing Kennedy's liner and doubling Holyoke's catcher off first. Lyons singled with two down in the ninth, yet to no avail, as Bryant took Barry's grounder for the final out of the game.

**PRESSING NOTES**  
Third-sacker Lally went into the Holyoke dugout to grab Adamson's pop up for a spectacular out in the first... It was also in the first that Lyons robbed Capt. Roberts of a hit with a driving catch of his low liner... Newton had a swell chance to go ahead early in the game in the third frame after Bryson tied the contest with his single, but Roberts popped up and Hayes fanned... Rice did some smart running when he scored in the 6th on that low throw to first by the shortstop... Geary looked like Jim Tabor on the pick-up in the ninth... Moose fanned six... It was Newton's 14th win in a row. Lost just one out of 15... The crowd got a kick out of Ryan's three successive walks... It was fun watching Newton bunt their way around in the 7th... You were just goose-flesh as you heard Newton fans go wild as MacManus scored the first tying run... The quick change in pitchers from righty Hayes to lefty Moose must have upset Holyoke... The biggest thrill of the afternoon was when Moose came up with that DP, MacManus-Roberts-Recco in the 7th with the bases loaded... Soskovic put the Newton side out all by himself in the 7th by snaring a liner, fanning a man, and catching a pop up... Ryan made a great bid for Kane's two bagger in the 7th but dropped the ball after a long run... Wasn't it thrilling though to see Newton batters hit in the exact spots where stood Greenberg, DiMaggio and Williams?... Lefty batter Recco must have thought he was Williams batting third in the line-up the way he was so anxious to bat all the time.

## 'DON'T BE A WAR BOND ROBOT'

Are you a War Bond robot?  
The 5th War Loan needs more than a mechanical man. Its bond buyers must be in the flesh with plenty of red blood to back up with dollars the blood that is spilled in battered Europe, on the trail to far Japan.

To the Nazis belong the robots. Theirs are the destruction packed, ghostly planes that hurl their explosive evil blindly at England. They are the despairing resort of a nation whose barrel of manpower and military might now is running low.

To the Nazis belong the robots. The Americans will take to the B-29s, the sky ruling mixture of materials and skills that War Bond dollars buy; the intrepid crews that War Bond dollars train.

These crews are not mechanical men. They are our sons and fathers, brothers and sweethearts. They must not have mechanical backing, just War Bonds are not enough. With the 5th War Loan, we must go all the way—"Back the Attack, Buy MORE than Before."

More than before in Massachusetts means \$28,000,000 by July 8. In E bonds alone, it means \$112,000,000; \$1,836,065 every day; \$76,502 every hour.

These are the prices of victory. But investment in victory is cheap. It pays dividends in comfort, security and dollars. It pays nothing unless we invest. Invest today!

Don't be a War Bond robot!

## Consider FDR... He Might Turn Up in England...

### Then What Would Happen to Dewey Headlines?

Mr. Roosevelt, the Republican brass hats view with both concern and suspicion, backed by the deep seated and well founded conviction that he would like nothing better than to do something of a very spectacular nature at about the same time that they are holding their conclave and picking the man to run against him, presumably Mr. Dewey.

They don't consider it at all impossible that FDR might suddenly turn up in England for a conference with the American and British military leaders, which would help to shift public attention from their Chicago convention.

The Republicans realize full well that their conclave isn't likely to drive the invasion news out of either the minds of the general public or the headlines of the newspapers for any substantial period even if FDR stays at home, remains reasonably quiet and provides no counter attractions.

If he decides to get together in London with the men running the war, the GOP brass hats will get even less attention and smaller coverage in the newspapers and on the radio. In fact, FDR might even steal the headlines from them, quite unintentionally and accidentally, of course.

The people of Watertown are

happy over the first through ex-

press to Boston (schedule time 14

management has given them. Some

60 years ago they had a similar

pow-wow when the town of Water-

town was the only town having a

semi-daily coach connection with

the metropolis.

The day and night police were

utilized Monday, June 17, on ac-

### Republican Convention

This is the last week in which

any of us can make any guesses

about the Republican nominee for

President. Barring some unfore-

seen delay, it will be all over by

this time next week. It would be

a bold and utterly fearless progn-

osticator who would seriously at-

tempt to name the ticket which will

be presented to the voters at Chi-

cago. However, there are a num-

ber of possibilities which may prop-

erly be discussed.

If we are to believe the great

majority of political journalists,

who study trends very earnestly,

the best bet, from a gambler's

point of view, would be New York's

smart but exceedingly reticent

Governor, Thomas E. Dewey.

## Newton Notables

In our last column, on June 8, we considered the career of Mr. Hermann C. Lythgoe of Newtonville, Director of the Food and Drug Division of the Mass. State Department of Public Health. His life is an example of what can be accomplished by a man who charts his career, prepares himself properly and then hews to the line and makes up his mind to go to the top.

This week we shall kill two birds with one stone and discuss more briefly than usual several prominent residents who are extremely proficient, but who have already made an outstanding record in their own field of work.

John Varnum Spalding of 257 Dedham street, Newton Highlands, now a justice of the Supreme Judicial Court of Massachusetts at the age of 46 is a shining example of industry and perseverance. I recall meeting the Judge many times in the early evening in Boston not so many years ago. He was then devoting considerable time to lecturing at the Northeastern University Law School. Those were the days when he was quietly sawing wood, keeping his own counsel when people tried to cajole him into the political arena, and preparing himself for what was, presumably, his ultimate goal.

Judge Spalding was born in Newton on Dec. 8, 1897. His parents were George F. Spalding and Florence A. (axon) Spalding. After graduating from Newton High School, he won his A.B. at Harvard University in 1920. Three years later the Harvard Law School gave him his LL.B. He was admitted to the bar in 1923 and engaged in the general practice of law with Storey, Thorndike, Palmer and Dodge. From 1925-1926 he was legal advisor to the Prohibition Administrator for New England. After that, for three years, he was assistant U. S. Attorney for the District of Massachusetts. From 1929-1936 he was a member of the firm of Hale, Sanderson, Byrnes and Morton and then became a member of the firm of Harwood and Spalding.

In the meantime, on Sept. 24, 1930, Mr. Spalding married Jacqueline Venn of Bordeaux, France. The couple have two children, Robert V. and Marianne Spalding.

After serving for a number of years on the Newton Licensing Board, Mr. Spalding was appointed a Justice of the Superior Court by Governor Saltonstall in 1942. On all sides there was hearty approval of the Governor's appointment. Then, a few months ago, before some of us had become accustomed to hailing our friend Judge Spalding as a member of the Supreme Court and the Newton Highlands jurist was promoted to the highest court in the state. It will be interesting at some future date, to make a

careful check of the records and ascertain the normal age of appointees to the Supreme Court. My guess would be that Judge Spalding is one of the youngest, if not the youngest man to be elevated to this court. Congratulations, Sir.

The name Bachrach is known throughout the United States and, probably, all over the world. Whenever you run across it you instinctively think of photographs; not just plain photographs, but photographs of distinction. (Portraits is probably a better word, but I feel sure that the famous creator will forgive me). We have our Ford automobiles, our Remington typewriters and our Waterman fountain pens. None of these are manufactured in the vicinity of Newton, however. A Bachrach studio, on the other hand, is located right in our midst. So is Mr. Louis Fabian Bachrach, who lives at 128 Highland street, West Newton.

Mr. Bachrach, who became President of Bachrach, Inc. in 1915, was born in Baltimore, Md. on July 16, 1881. He was the son of David Bachrach and Frances (Keyes) Bachrach. He obtained his education at the Baltimore Polytechnic Institute (1897) and the Maryland Institute of Design (1898-1899). In 1900 he was a member of the Art Students League of New York.

On June 29, 1909, Mr. Bachrach married Dorothy DeLano Keyes of Worcester. The couple had three unusually talented children, Bradford Keyes, Jean, (now Mrs. Frederick Paige Kimball) and Louis Fabian, Jr.

There are, of course, Bachrach studios in many cities, but the best, besides Boston. Wherever they are, their reputation is always the same. They are "tops." If, by some strange chance, any reader of this column has never sat for a portrait at Bachrach's, it might pay to drop in at 44 Hunt street, near Newton Corner, and look about. You may be sure of receiving prompt and courteous attention.

Also, this distinguished resident is not fundamentally a "joiner." He does belong to a number of organizations, including our local Rotary Club. For many years he has been a most loyal member of the Appalachian Mt. Club and has gone off on many of their hikes. This may be one of the reasons why the pupils of Bachrach retain his youthful outlook and cheery optimism.

**Final Meeting**  
The final meeting and annual picnic of the Friendship Guild of the Second Church in Newton was held at the home of Miss Elizabeth Kilburn, Highland street, West Newton. Following the supper there was a reception of new members at which each was presented a corsage.

Outdoor and indoor games provided entertainment. The co-chairmen were Miss Elizabeth Kilburn and Mrs. John Campbell.

## Day Jr. High School

The final assembly of the year was presided over by Robert Todd, the president of Grade nine. After the flag salute the student body sang the Star Spangled Banner and the school song. Alfred Ricci then announced the result of a poll by members of the graduating class in which certain representative people were chosen.

1. Most likely to succeed—Donald Cox.  
2. Best looking boy—Rod Jennings.  
3. Most popular boy—Robert Todd.  
4. Most popular girl—Marcia Cunningham.  
5. Most athletic girl—Gloria Harber.  
6. Most athletic boy—Robert Flynn.  
7. Most comical boy—Paul Flynn.

The poll for the best looking girl resulted in no decision since there are so many good looking girls in this ninth grade. Madelyn Mahoney played a medley of popular piano numbers and then Jean Mainland and John Chase presented composite pictures of the ideal boy and ideal girl of the class. John Wood entertained with several numbers on his saxophone before the prophecy written by Donald Cox was read by Edward Belfrey. The orchestra under the direction of Mr. Jurjewicz played a medley of American songs.

Mr. Westgate presented athletic awards to twelve members of the baseball squad which ended the season with three wins, one tie, and one loss. The squad members were Louis Antonelli, James Bonner, William Buschen, John Chase, William Collins, Frank Hudson, Rod Jennings, Nick Lupo, John Murren, Merritt Mahoney, and Robert Todd.

The Aviation Club certificates were presented by Mr. Morse to Richard Young, Donald Rollins, Donald Smith, Ernest Boudreau, Lawrence Odette, William Buschen, William Engstrom, Merritt Mahoney, Robert Gripp, Henry Schwartz, Rod Jennings, Byron Burke, Alfred Visco, and John Chase. The club presented two airplane pictures to the school and a book on planes to Mr. Morse.

The ninth grade president presented a check to the school for the purchase of a sports encyclopedia in memory of Herbert McCormick, a member of the class who died during the year.

President Bob Todd then passed on the key of the school to the eighth grade president, Fred McCormick, for their use during the coming year.

Final results of the Day bond and stamp sales show a grand total of \$24,198.55 for the year. On the selling day, the pupils invested \$658, and reached the 100% participation goal for the ninth consecutive month.

## FIRST CHURCH OF CHRIST, SCIENTIST OF NEWTON

391 Walnut St., Newtonville  
Services—Sundays, 10:45  
Wednesday, 8:00 P.M.  
In The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts, and in all of its branches, a Lesson-Sermon will be read Sunday, June 25, on the subject "Christian Science."

The Golden Text, "A house of Jacob, come ye, and let us walk in the light of the Lord," is from Isaiah 2:5. Other Scriptural citations include, "Doth not wisdom cry and understanding put forth her voice? Receive my instruction and not silver; and knowledge rather than choice gold. For wisdom is better than rubies; and all the things that may be desired are not to be compared to it" (Proverbs 8:1,10,11).

Also included in the Lesson-Sermon will be the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, "Christian Science is a taught only by those who are morally advanced and spiritually endowed, for it is not superficial, nor is it discerned from the standpoint of the human senses. Only by the illumination of the spiritual sense, can the light of understanding be thrown upon this Science, because Science reverses the evidence of the material sense and furnishes an eternal interpretation of God and man" (p. 461).

## Preparing For Funds For Campaign

Preparing for active solicitation of campaign funds, which will be undertaken shortly, Russell B. Stearns, chairman of the Massachusetts Republican Finance Committee, has announced appointment of an important executive post in the metropolitan division of Charles B. Floyd, prominent Newton Civic leader.

In his position, Mr. Floyd will play a leading role in raising the money in approximately fifty Greater Boston communities to help make possible a vigorous campaign of the party's national, state and local candidates in the forthcoming election.

Mr. Floyd formerly served for sixteen years as a member of the board of aldermen in Newton and was its president for eight years. In addition, he has in the past headed the Red Cross and Community Chest drives there and at present is serving as chairman of Newton's Republican Citizens' Committee.

In his new position, Mr. Floyd is New England manager of the Fred Rueping Leather Co.

## Can that "younger look" be restored?

Now... in many cases, yes! For Science has made a revolutionary discovery. Doctors have found there is a "vitalizing" substance that is always necessary for a pretty young skin. Naturally as this substance decreases with age, skins start to dry and look older. But now the endocrine laboratories have found how to bring you a counterpart of this substance... replacing the natural substance for your skin. It is called **ACTIVOL**, and brought to you only by **Endocrine**. Results of its use are remarkable! Skins which lacked this substance begin to look smoother, firmer, fresher again! Many skins take on new appearance of "bloom." This precious ingredient costs only 11¢ a day! So start to get its benefits! Ask at our Cosmetic Counter... today... for **ENDOCREME!**

## Sports in a Nutshell

The Red Sox put on quite a show in the past two weeks winning 9 straight games and are now only a half game out of first place. Hausmann started it off by beating Detroit, Hughson set the Yanks down 8-1 on six hits. Ryba set them down again 8-7 when Partee hit a homer in the ninth.

Hughson and Hausmann had the Yanks talking to themselves when they pinned them down 2-1, 4-1 Sunday. Four straight from the Yanks, with Ted holding them to 3 hits and driving in the winning one in the first game. Hausmann allowed only six hits and should have had a shut out as Bob Johnson made a wonderful play when he jumped against the fence and knocked down Savage's fly only to have it slip out of his hand as he stumbled. The crowd got a great thrill all afternoon and when Cronin stole home it was the pay-off. Everyone but the umpire saw him slide across the plate. I saw his feet cross it before Hemley reached down and tagged him on the hip; in my opinion Weffer, the ump, didn't know what it was all about, so he called Joe out.

Bowman then beat the Mackmen in a twilight game. Our new pitcher, Red Barrett, relieved O'Neil in the second inning of the first game Wednesday and pitched a corker for his first win for the Sox. Pinky Woods shut the Mackmen out in the second game and Tex Hughson beat them easily in the final game. Tex has now won 9 and lost 2 which should make him the starting pitcher in the all-star game. Tex Sox are doing everything right. Wagner is a good catcher, the outfield for Fox, Johnson and Metkovich are right on their toes, and the infield with Bucher on third, Newsome at short, the best second baseman in the league, Bobby Dorr, and the one who really has brought baseball in Boston to the real fans and all who like their baseball in general. The Boss, Joe Cronin, at first; players will come and go but I'll take Joe any day for one who will give a run for your money at all times. Here's hoping the Sox will be in first place at the next issue of "What's Cooking in Newton."

The Braves played the leaders right off their feet out West, and here at Boston, and if Nieman and Workman could only hit the southpaws they would be up near the top. Jaffery has only won 3 games but his record of earned runs per game is tops and he will be one of the pitchers in the all-star game. Tobin, Andrews and Barrett are all very good pitchers. Both St. Louis teams are leading in their leagues. The Cards have won 35, lost 15 and the Browns won 32, lost 25. No wonder that cartoon of Bob Coyne's is showing the doughboy listening to the radio when he heard the announcer say the St. Louis Browns are leading the American league race said, "Those German commentators will stop at nothing."

The American league race is real hot with only 7 games sep-

arating the first and last teams. The National league shows Pittsburgh in second place, 6 games behind the Cards. The Chicago Cubs in last place are 10 games behind Pittsburgh. The Braves are in sixth place with 25 wins and 31 loss. Walker of Brooklyn is leading batter with 405. Tucker of White Sox 389, Stan Musial 383 and Bobby Doerr 335. Mel Ott is leading both leagues with 17 home runs. Weintraub of the Giants is leading everyone with 46 runs batted in. He has 10 home runs and a batting average of .344.

Newton High started right by defeating Braintree 14-0. They continued by defeating Somerville, allowing only 1 run. In the next game, Newton defeated Medford 3-2. This was a real thriller and only a whiz of a pitcher like Lefty Joe MacManus could have pulled this one through. Medford had chances galore to win this game in the seventh when they scored their 2 runs. They had 2 triples, a single, a wild pitch and an error to help them but they could not win in the tying run. In the ninth they had runners on third and second. They tried to work the squeeze and Giannelli was run down for the second out, then Lefty fanned Coppinger for the final out and the ball game.

Newton became State champions by defeating Holyoke 5-2 Bunker Hill day at Fenway Park. Joe MacManus relieved Hays starting the second inning and Holyoke did not get an earned run off him. They scored a run in the sixth when Roberts dropped the ball attempting to tag Soskovic, who should have been an easy out. Bryson hit third got 3 hits; Recco at first got 2 hits. Everyone of the boys did their part in bringing Victory to Newton and hats off to Jeff Jones, our Coach, and to all who helped the team come through.

Thursday night, June 22nd, the Newton Kiwanis Club will honor these Newton High Boys with a testimonial dinner. Mayor Goddard will attend and we expect Gov. Saltonstall will be present. Kiwanis recognizes our boys as champs and are ready to show them.

## SWEDISH HOME TO STAGE ANNUAL EVENT JUNE 25

Every June for the past several years, the Swedish Charitable Society of Greater Boston has celebrated "Midsummer," an occasion reminiscent of old Sweden on the grounds at the Swedish Home at 206 Waltham street, West Newton.

To many of the Swedish people of Greater Boston, this occasion which is to be celebrated on Sunday afternoon, June 25, affords the opportunity to renew old friendships and revive memories of their youth in the country of their birth, and to give thanks for the privilege of living in these United States, the country of their adoption.

Children of Swedish descent will dance the folk dances of Sweden; singing groups will present the songs of old Sweden; and Swedish coffee and cakes will be served.

## ELKS HEAR YOUTH READ PRIZE ESSAY

The reading of his prize winning essay by Ralph H. Morrison, eighth grade pupil at Our Lady's High School, and a talk by Rudolph King, speaker of the Massachusetts House of Representatives, featured the "Flag Day" exercises at the meeting of the Newton Lodge of Elks June 8th.

The essay, selected was entitled "George Washington and His Contribution to the Establishment of the United States of America as a Nation." Morrison was presented a \$25 War Bond by Secretary Thomas F. Coppinger and his essay is eligible to compete in the state contest in which the prize is a \$100 Bond to be awarded at the State convention to be held in Swampscott.

A supper preceded the meeting, which also included a musical program. Wilfred Chagnon, chairman of the arrangement committee and was assisted by R. John Henderson and George King. Supper was served by the House committee under the direction of James Burns. Exalted Ruler John J. Keefe conducted the business meeting.

Past Exalted Ruler Bernard T. Haffey was elected trustee for three years to fill the unexpired term of Robert A. Vachon, who died recently.

## LEGION POST ELECTIONS 12 WORLD WAR I VETERANS

Nomination of officers for next year, selection of delegates to the State Convention and initiation of a dozen World War I veterans to membership marked the meeting of the Newton Post, American Legion on June 15 at War Memorial Building, Newton Centre.

Past Commanders, who conducted the business meeting up to the initiation were J. Sherman Irving, Edward W. Edmunds, Arthur L. McCarthy, Harold D. Ames, and John E. Foley. It was announced that the Post was instituted just 25 years ago on June 16, 1919, in the West Newton Armory and that Edmunds was elected first commander.

Three new members were voted in as follows: John W. Rogers, Joseph C. Napolitano and Herbert L. Lombard.

Delegates to the Department Convention will be Commander Norman I. Paterson, Immediate Past Commander Francis P. Frazier, Adjutant Harold Bailey, Dennis M. Cronin, Arthur L. McCarthy, Ernest Carver, J. Ed. Ward, Therman, and John B. Foley. Alternates will be John A. Haughey, Paul Kent, Harry McPhee, Wallace L. Cox, Clarence Hosmer, Martin E. Conroy, J. Sherman Irving and A. H. Rangnow.

Commander Paterson appointed John B. Foley, for three years, and Adolph Hergenroder, for two years, to vacancies on auditing and budget committee caused by the death of Edward Cannon and the resignation of Donald M. Hill. The following committee was appointed to make plans for the

began in the manner of our well known hurricane a few years ago and the natives were worried for a few minutes. A number of trees, top heavy with summer foliage, toppled... the 5th War Loan Drive is on and signs proclaiming the fact are waving all over town.

City Hall is crowded daily, with people storming the Ration Board for a little bit of almost everything... Everyone in town is watching the mailman, eagerly awaiting letters from the globe-trotters overseas... The girls are minding around in some odd types of footwear. Everything from the Mexican rope soled sandals to those wooden auto-calls... More and more automobiles are appearing on the highways and more and more of them are breaking down every day. With repairs becoming increasingly scarce, it will probably soon be necessary to obtain a letter from the local Congressman, so to get the ageing wrecks of the day, the pupils are going along like wildfire.

In second place, they look the part this year... Newton High's crack baseball team won the state championship last week... The folks are still attending evening services at the various churches.

Prayers for the safety of all servicemen and the speedy ending of the war are being said every minute of every hour every day of the week... A local peering out through the window of the Walcott during the heavy downpour of rain one recent 3 p.m., dashed outside madly in answer to the urgent beckoning of an individual who had braked his car to a quick stop.

"What's wrong?" he inquired anxiously as the rain drenched him. "How do I get out of route 128?" inquired the individual, snug and snug and dry inside his little coupe!... A counterpane sent out one night last week, to take charge of a chain cafeteria in a nearby town, worked a few hours and then deciding to quit, left, taking the contents of the cash register with him. Offered a bit of sympathy, later, the boss of the company shrugged it off. "We sent a crew out to run our Roxbury place one night," he said, "and when they beat it, they took the SAFE with them!"

It's raining again as this week's offering takes shape. The farmers will be happy now and so will the victory gardeners... We were without any of the stuff for forty odd days and it's needed badly. Thanks to the guys who've been writing and to Lt. Colonel Eddie Hickey for his swell letter to the Chinese currency... Come again. That mail is the best thing that happens to us out this way.

## A Prayer

by  
The Rev. Herbert Hitchen  
Minister of the First  
Unitarian Society,  
West Newton

**GOD of Justice and Mercy, whose spirit is known wherever men give themselves to high causes, we pray that thou wilt be ever near to those who are battling against oppression, and braving danger that freedom may be a reality on our earth. Fill them with a clear realization of the crucial nature of this hour. In their times of weariness and suffering uplift them with a sense of a great mission, that toil may be touched with glory and pain redeemed of any bitterness. Make them conscious of a great cloud of witnesses, that they may be companions in all those, in every age and clime, who have striven to set the captive free, to break the shackles that bind mankind, to overcome evil and establish justice in the gate.**

**Whether in air, or land or sea, guard them with thy mighty power and sustain them with thine unflinching strength. Amen.**

## PROF. OWEN GIVES TALK TO KIWANIS

Control of the seas will result in control of the land, Prof. George Owen, marine architect and engineer emeritus at the Massachusetts Institute of Technology, stated at the meeting of the Newton Kiwanis Club June 13 at the Newton Y. M. C. A.

A new second vice-president is to be elected by the Newton Club on June 27. Robert Wilcox was appointed chairman of the committee in charge of the annual outing to be given to children of the Peabody Home.

## COPPINGER RE-ELECTED

Thomas F. Coppinger, for many years secretary of the Newton Lodge of Elks, was re-elected secretary-treasurer of the Massachusetts State Elks Association at its 45th annual meeting at the New Ocean House, Swampscott on June 18th.

## BIG CALL FOR BALLOTS FROM SERVICEMEN

Scores of relatives of members of the armed forces have already registered in their behalf at Newton City Hall to enable them to vote at the election in November. City Clerk Frank M. Grant announced.

The official absentee voting ballot will be sent to each service man and woman so registered.

## WOMAN HELD IN DOOR FREED BY FIRE DEPT.

Anna O'Connell, Watertown, was rescued by firemen after she was caught in a swinging door at a home at 619 Beacon street, Newton Centre.

The woman was wedged so tightly between the door and the frame that other persons in the house were unable to free her. The Fire Department was notified and several men were sent to the house. They succeeded in releasing the victim.

She was removed to St. Elizabeth's Hospital in a police car by Sgt. Andrew E. Moran and Patrolman William Condrin.

## HIGH SCHOOL ELECTION

Announcement has been made of the final results of Newton High School's annual spring elections, Richard Patton Melick was the popular choice for Associate President. John Recco, Jr., captured the Boys' Vice-Presidency, while the girls named Eugenie Stafford Tappan to a corresponding position. The other two Associate Offices will be filled by Philip Edgerton Bolster as clerk and Emily Teresa Guzzi as the treasurer's post.

The class of 1945 repeated its last year's choice for president by sweeping Robert Edwin Garity into that office once again. David Melville Pyncheon, recently elected head of the National Honor Society, won a close race for the first vice-presidency; and William Bowen Crafts won the second vice-presidency. Another newcomer, Mary Bertha Barrett, was elected secretary. With Francis Brendon Bryson picked to handle the finances of the senior class.

## Newton Merry Go Round

The temperature is "rambling around in the upper brackets and the calendar to the contrary, the neighbors' children are enjoying good, old fashioned, summer weather in and about the Garden City these days.

All who can, especially the toilers of the nighttime, are basking in the rays of Ol' Sol and catching up with a little home town tan, now that the shortage of gasoline, as well as idleness, has put the essence in keeps them far away from the beaches.

Proving that vacation styles must go, regardless, some of the gals have taken to wearing those sun suits, or maybe they're referring to them as "panty suits this year—anyway, as you've probably seen in the picture papers, they are a kind of first cousin to the two piece bathing suit and allow for just about an equal amount of air conditioning.

PUZZLED... Men-about-town, plus the transients in uniform, are more or less puzzled frequently, as to whether certain of the sun suits are high school misses, stumbling in their efforts to shuffle along in the current, war-time sandals, or maybe grannies slowing down because of a late spring attack of rheumatism. Even Solomon wouldn't be certain. Since mama and daughter have taken to wearing identical dress, in the old fashioned manner of twins, you really can't tell if the gal strolling on the other side of the street is a late model or the paternal great aunt of Poca-hontas.

OOP... As a matter of fact, the war and all the rest of it, is affecting opinions concerning the styles of males, also. An incident in one of the local gathering places of Newton Corner's, ahem, cafe society, gave positive proof of this one recent evening...

It seems that when one of the patrons became a bit annoying, the management sent out a call for a minion of the law, wherever located, by making funds available to provide important and essential service on the home, training and battle fronts.

## THEY'RE IN THE SERVICE

Staff Sgt. Anthony DelGizzi, son of Mr. and Mrs. Charles DelGizzi of 372 Watertown street, is a prisoner of war in Germany according to word received by his parents from the War Department on Tuesday.

Sgt. DelGizzi, a radio gunner on a Flying Fortress, had previously been reported as missing in action after he failed to return from a bombing raid over Germany on May 7.

He joined the Army in February 1943 and went overseas last April. Before entering the service he had been employed at the Boston Navy Yard.

Staff Sgt. Salvatore Yerardi, son of Mr. and Mrs. Joseph Yerardi of 34 River street, West Newton, was wounded at the Anzio beachhead according to word received by his parents who received a telegram from the War Department.

They have also received a letter of commendation from his commanding officer, reading as follows: "As Staff Sgt. Yerardi's company commander, I wish to take this opportunity of writing you to let you know what splendid work he has been doing on the Anzio Beachhead."

"I know you will be glad to hear of his excellent service and know that he is well and in good health."

Sgt. Daniel Valente of 369 Watertown street, Newton, aerial gunner on a Flying Fortress has been promoted to staff sergeant and has been awarded a third Oak Leaf Cluster to his Air Medal.

Staff Sgt. Valente is the son of Gaetano Valente of 98 Thurston rd., Newton Upper Falls. He is a graduate of the Newton High School and before entering the Army in 1942 was employed by the C. D. Express Co. for five months.

**FIFTEENTH AIR FORCE** — Staff Sgt. James B. Mason, son of Mrs. Mildred V. Mason, 243 Pearl street, Newton, has been awarded the third Bronze Oak Leaf Cluster to the Air Medal. It was announced by 15th Army Air Force Headquarters.

In the words of the citation, Sgt. Mason was awarded the Cluster "for meritorious achievement in

## Vote-Getting Ability Stressed

The vote-getting ability of Dist. Atty. Robert F. Bradford of Middlesex County was stressed in a statement released today by the local Bradford-for-Lieutenant Governor Committee.

First elected District Attorney in 1938, Bradford received 48,871 votes in the Republican Primaries in 1942 when he had no opposition. In the November election that year he received 199,500 votes, as compared to the 113,166 votes received by his Democratic opponent.

The true significance of Mr. Bradford's plurality, however, is learned by comparing his vote with that received in Middlesex County by other Republican leaders on the same ticket.

In winning this election Bradford received the largest plurality ever given to any candidate for any office by the voters of Middlesex County—a county which contains approximately one-fourth of the entire State vote.

## TO THE MEN AND WOMEN IN THE ARMED FORCES:

The Department of Veterans' Aid, formerly the Soldiers' Relief Department, is set up to advise and assist your dependents while you are in the service and to do the same for you after your discharge from the service.

The City has purchased a photostat machine to photostat your discharge papers and I strongly urge you to take advantage of this free service. I shall point out just one reason why a photostat copy of a discharge is valuable. Recently the Newton Hospital called me to transfer a World War I veteran to the Soldiers' Home Hospital in Chelsea. He did not know where his discharge papers were and they are necessary for admittance to this hospital. It took three days to receive a service record of this veteran from another State. Had a photostat copy of his discharge papers been made, a copy would be on file at this office and a photostat of this copy could be made in thirty minutes. Remember it does not take long for a discharge paper to fall apart after you have carried it in your pocket for a while.

One more point: In case of any injury while in the service be sure to get the name, rank and organization of any medical man or woman who treated you. Get the names and addresses of any of your outfit who saw you injured. This information will pay you dividends in later years if the Veterans Administration wants affidavits. Make sure you get a good physical exam before discharge, and all wounds received, engagements, etc., show on your papers. Many World War I veterans were so darn glad to get home they skipped the physical and as a result are in left field as far as compensation is concerned.

The Veterans' Aid Committee of the Board of Aldermen composed of Aldermen Carroll J. Hoffman, Chairman, and Aldermen Wendell R. Bauckman, Joseph B. Jamieson, Louis A. Myers, and Charles P. Slocum send along their best wishes, and as Roy Edwards would say "Happy Hunting."

## CAPT. FRANKLIN DESCRIBES JOB IN SO. PACIFIC

The job of an Army chaplain in the Southwest Pacific is no sinecure, a large gathering of interested hearers concluded after listening to a vivid account of the experiences of Chaplain John Shade Franklin at the Lincoln Park Baptist Church, West Newton on June 15.

The Parish Hall was crowded with old parishioners and other friends as well as some of the relatives of men with whom Capt. Franklin served. He answered questions after his address and spoke personally with each one present as they left.

Capt. Franklin, who was formerly

minister of the Lincoln Park Baptist Church, is now stationed at the Cushing General Hospital, Framingham, and is kept busy outside of his regular duties there, being much in demand as a speaker.

Chaplain Franklin displayed souvenirs and showed pictures of scenes in New Caledonia. He said he had to use four methods of transport to reach members of his flock from time to time—foot, horseback, boat and automobile. At Guadalcanal he saw Jap planes shot down by his own infantrymen. He officiated at baptisms in the rivers, lagoons and open waters of the Fiji Islands and Bougainville.

## URGE EARLY GAS RATION APPLICATION

The Newton War Price and Rationing Board has urged all applicants for gasoline ration to submit their applications at least 10 days in advance of renewal dates so that there will be no delay in receiving coupons from the new OPA mail issuance centers.

The announcements stated: "Under a new OPA system, now in operation, gas rations will be mailed direct to the consumer, although local OPA boards will still pass on eligibility. There will be eight issuance centers in Massachusetts, four of which are now in operation. Location of the issuance centers will not be made known to the public.

"Provisions have been made for local boards to take care of emergency rationing such as military transfers and furloughs."

## OUR LADY'S PARISH HONORS SERVICEMEN

An honor roll of boys and girls of the parish who are in the armed forces will soon be placed in the Church of Our Lady, Rev. Michael E. Deherby, the pastor, announced in a letter to his parishioners in which he also expressed the sympathy of the priests of the parish for those upon whom the war has "placed a heavy burden."

He announced that a mass will be held each Monday at 8 a.m. for the "boys and girls in the service." Since "D Day" the Rosary has been said and Benediction has been given in the church every night and will be "until the struggle is over," he stated.

## ONE-WAY RULE ON CENTRE AV. IS PROPOSED

A proposal that Centre avenue, Newton Corner, be made a one-way street from Washington street to Centre street and that parking of cars at that street, as well as prohibited, has been received by the Board of Aldermen.

The matter has been referred to the street traffic committee for consideration. The committee will report its recommendations to the board.

## GARDNER ST. IMPROVEMENT JOB STARTED

The paving of the unaccepted portion of Gardner street, Newton, has been undertaken by the Street Department and will be completed in four or five weeks. Street Commissioner John D. Haughey has announced.

The Board of Aldermen has appropriated \$5,500 for the project, which is to be carried out under the supervision of the assessment of betterments.

A hearing will be held at the next meeting of the board on the proposal that similar projects be undertaken on Terrace avenue, Duncklee street, Beverly road, Ipswich road, Kingman road, Manchester road, and Wenham road.

Hearings will also be held at that time on the proposed construction of a sewer in Mill street, to be extended easterly near Cedar street, and the construction of drains and sewers in Kingman road, Manchester road and Wenham road.

## COMEDY AT HIGH SCHOOL IN INTEREST OF 5TH WAR LOAN

"Direct Hit" all-services musical comedy believed to be the first show combining talented male and female performers from all four of America's fighting forces, will be presented at the Newton High School Auditorium in Newtonville on the night of July 8th, before an audience of Fifth War Loan Bond buyers. Former stars of the stage, screen, and radio now serving at New England posts in the Army, Navy, Marine Corps and Coast Guard have been assembled in the feminine contingent are Wacs, Waves, Spars, and Women Marines. All of them have regular duties in their branches of the service and are on detached special service during the Fifth War Loan campaign.

The prime feature of the occasion was the unveiling of a memorial tablet on the lawn in front of fire alarm headquarters, dedicated to deceased members of the department. The committee in charge of the occasion consisted of Chief Keating, Deputy Chief John E. Corcoran, Herbert W. Boothby, Earl A. Eschebach, Guy B. Litchfield and Arthur R. McCarthy.

## THIEVES LEAVE 'TIP' AFTER PLEASANT STAY IN RESTAURANT

"Customers" who entered Tom's Lunch, 100 Needham street, Newton Highlands, after the establishment had been closed for the night, helped themselves to wine and cigarettes under their own peculiar self-service system left a generous tip, but overlooked or ignored the matter of paying for the merchandise.

A \$2 bill left by the burglars was found on an ash tray at the bar, but it fell far short of compensating the owner for 10 quarts of wine and 50 packages of cigarettes stolen. The proprietor, Thomas Mahoney of Needham, estimated the value of the loot as \$18. Consequently, he seems to have lost \$16 on the transaction.

The manner in which the "customers" entered the establishment was also extremely unorthodox. The place, as previously mentioned, had been closed for the night. But that did not deter them. They simply made an opening for themselves by forcing a washroom window.

The police were notified of the strange incident and Inspector Joseph B. Lyons was assigned to investigate.

## 200 STUDENTS IN SCHOOL ORCHESTRA

A capacity audience of parents attended the second Get-Together of All-Grade School Orchestras of nearly 200 pupils held Thursday, June 15, at the Music Hall of Technical High School, Newtonville.

Alvin D. Parker and Vincent Marotta were conductors of the program, which was arranged by James H. Remley, director of music for Newton Schools.

## SIMMONS TALK BY MR. HITCHEN

A military victory alone will not solve the world problems, Rev. Herbert Hitchen, pastor of the West Newton Unitarian Church, stated June 11 at the Simmons College Baccalaureate exercises.

The post-war world faces decades of radical readjustment, he stated. "If military victory is all people desire, they may well live to see World War III, and perhaps IV, that will draw their children and their children's children into its cruel mouth," he said.

## 500 PERSONS AT FIREMEN'S MEMORIAL

More than 500 persons attended impressive memorial services held June 11 in front of fire alarm headquarters, Newton Centre, in connection with the observance of firemen's memorial Sunday.

The prime feature of the occasion was the unveiling of a memorial tablet on the lawn in front of fire alarm headquarters, dedicated to deceased members of the department.

The committee in charge of the occasion consisted of Chief Keating, Deputy Chief John E. Corcoran, Herbert W. Boothby, Earl A. Eschebach, Guy B. Litchfield and Arthur R. McCarthy.

## COMMUNITY CHEST ORGANIZATION PLAN CAMPAIGN

Forty-seven members of the Newton Community Chest organized for the 1945 Greater Boston United War Fund Campaign met for dinner with Thomas E. Shirley, general chairman, and Clark E. Woodward, president of the Chest, at Brae Burn Country Club, on June 13. This meeting, planned primarily for Advance Gifts and Residents' Division leaders, was attended by practically all of the top leaders.

Nine of the 10 divisions were represented at this meeting by their chairmen. All thirteen villages in the Residential Division had their chairman and assistant chairman present, and seven of the eight Advance Gifts chairmen were also present to discuss plans for the fall campaign.

## CONTRACTOR SOUGHT FOR SEWER PROJECT City Force Is Held Inadequate

For the first time in many years, the city of Newton finds it necessary because of the shortage of labor to engage a contractor to carry out a large sewer construction project in the Oak Hill section of Newton Centre.

The project, for which \$55,000 was appropriated by the Board of Aldermen, was advertised for bids recently by the Street Department.

In past years all sewer construction projects have been performed by city employees. In view of the fact that the project is a health measure, officials decided to seek a contractor to do the job. The Street Department force of laborers has dwindled to the point where the project cannot be performed without recourse to outside labor.

## DROP 125 "BOMBS" IN NEWTON AREA

More than 125 "bombs" were dropped in Newton June 11 in the mock air raid conducted in Greater Boston.

The delay in the opening of the raid served only to make the test more realistic. F. Brittain Kennedy, chief air raid warden stated. The sharp conditions rendered it impossible to start the "raid" before 2 P.M., instead of the scheduled hour of 12:30. The "all clear," correspondingly late, was sounded about 3:30 P.M.

Almost all of the paper bombs fell east of Walnut street, Chief Kennedy reported. The greater number fell in the Hunnewell Hill section, indicating that the bombs had been intended for the Water-town Arsenal, but had been carried across the river by the wind.

There was also a large number on Waban Hill road as a result of the fact that the fiercest aimed at the Waban Hill reservoir. Only one bomb was found in Newton Lower Falls and none in West Newton, Auburndale, Waban, Newton Highlands, Newton Upper Falls.

Despite the fact that the hour of the opening of the test was delayed, civilian defense personnel responded well, and the public co-operated for the most part, according to Kennedy.

## CLAPPER NEW PRESIDENT OF ROTARY CLUB

Orville O. Clapper has been elected president of the Newton Rotary Club for the 1944-45 season to succeed Herbert N. McGill.

Other new officers are: Warren W. Oliver, vice-president; Herbert N. McGill, secretary; G. Winthrop Brainerd, treasurer; Miss Helen P. Morton, executive secretary; Edwin O. Childs, sergeant at arms. New directors are Edwin O. Childs, Dr. Edward D. Leonard, Harold B. Gores, and Fred Bond.

The Newton Rotary Club will meet at the Charles River Country Club, Newton Centre, on Tuesday, instead of at the Brae Burn Country Club as heretofore. After next week, the meetings will be on Friday at the Charles River Country Club.

## STATE, CITY LEADERS AT FROST RITES

State and city officials and business leaders attended the funeral services for Edward J. Frost of 379 Central street, Auburndale, president of William Filene's Sons Company, at the Auburndale Congregational church June 9th.

## NORTH CONGREGATIONAL CHURCH

Sgt. Ernest D. Stiles and his bride have been home. "Buddie" is at Lockbourne A.A. Base, Columbus, Ohio.

At high school graduation, Pvt. Gordon L. Hawes from Camp MacKall, N. C., was one to receive his certificate.

Mr. and Mrs. John T. Alexander are in Phoenix, Arizona visiting Sgt. and Mrs. Donald R. Alexander.

## ITEMS OF NEWS FROM THE NEWTON CENTRE METHODIST CHURCH

Another star is being added to the church's Service Flag for Pvt. Frank C. Sharpe, the fourth son to enter the service from the family. Mr. and Mrs. Frank H. Sharpe of Dedham street. This will be the fifty-sixth star on the flag.

Muriel Brown, who has been serving for the past two years as assistant librarian at the Naval Training Station, Newport, R. I., is now wearing the new pin—"U. S. Navy Civilian Service."

Pvt. Frank C. Brimblecom of Newtonville has been home on furlough after spending several weeks in hospital with pneumonia. He left for Camp Reynolds last week.

## BOND BOOTH AT NEWTON CENTRE

A booth to sell War Savings Stamps and Bonds will be set up in Newton Centre at the F. W. Woolworth's store, at the Ladies Auxiliary, Newton Post 211, Jewish War Veterans for the Fifth War Loan drive. The booth will be under the leadership of Mrs. Joseph Markville and staffed by members of the Post.

There is a citywide campaign on to buy a submarine for the Navy at a cost of \$6,500,000. These "Tigers of the Sea" are taking an important part in the invasion. All Bonds sold at this booth will go to the credit of the submarine.

## MERCHANT MARINE BILL IS PLACED BEFORE CONGRESS

A bill to give Merchant Mariners certain veterans' rights has been filed in the U. S. House of Representatives and has been referred to the committee on Merchant Marine and Fisheries, according to Commander Albert Rogan of the Capt. Corkum Post, W. W. V. of the American Merchant Marine of Newton.

The Corkum Post is participating in a national drive for membership among men of World War I and World War II, who are still in the merchant marine and who have been honorably discharged. Wives, mothers and sisters of veterans are invited to join the Ladies' Auxiliary.

The proposed Congressional bill provides that Merchant Marine veterans of the war to be entitled to "medical, surgical and dental treatment and to hospitalization without charge at hospitals and other stations of the Public Health Service," and may receive such care and treatment at the expense of the Public Health Service for public or private medical or hospital facilities when authorized by the officer in charge of the government institution. There are also provisions for medical care for dependents and other privileges extended to members of the armed services.

## MESSAGE

(Continued from Page 1)

not only to assist families of servicemen here at home but to provide recreation facilities for soldiers and sailors in our midst and also to give aid to returning veterans of the service.

We are trying to do at home the job that you would want us to do if you were here and we are anxious to assist in providing for you wherever you may be every possible comfort which is in our power to give.

In your absence, your friends and families are not only supporting the Chest but over 2500 of them are volunteers in the movement to raise the funds required. As long as you need us, we pledge our loyal and continued support.

## NEWTON JUNIOR COMMUNITY CLUB

Members of the Newton Junior Community Club will again serve refreshments at the New Station Hospital Recreation Hall at Fort Devens on June 25th. Home made cakes, cookies, and a fruit punch will be served to the service men and their relatives and friends. This is the third in a series of Sunday Afternoon Teas which have been sponsored by the Newton Senior Community Club War Hospitality Committee.

In connection with the 100th Anniversary of the founding of the Y. M. C. A. in London, England and the 67th birthday of the Y. M. C. A. in Newton the following Junior Club members sold gardenias at "Y.M.C.A. Night at the Post Concert"—Misses Ruth W. Aldrich, President, Alice M. Andersen, Rhodie White, Margaret Wilson, Marjorie W. Aldrich, Virginia Goodell, Marjorie S. Bassett, Elizabeth Jenkins, and Mrs. Frederick A. Dauten. The proceeds were turned over to the work of the Y.M.C.A. among prisoners of war.

## GIVE UP PLAN FOR BRANCH 'Y' IN WABAN

Meeting opposition from abutters and other residents, the plan to establish branch Y.M.C.A. on the Angier Estate in Waban was abandoned at a village meeting sponsored by the Waban Improvement Society attended by more than 500 persons at the Waban Neighborhood Club on June 12.

Though the meeting approved a plan of the advisory committee for the establishment of a leisure activity for young people, many residents were opposed to setting up a club house in a single resident zone. According to President Fred T. Hackley, advocates of the plan desired universal approval before they did additional work on it and in the absence of such approval have given up the project.

Nearly 30 persons expressed their views on the plan after President Hackley and Clarence R. Mease, general secretary of the Newton Y.M.C.A., outlined the advantages a branch "Y" would bring to the village. The advisory committee was directed to continue to search for other means to provide supervised activity for the youth of the district.

## At the **BEACONSFIELD**

Newton and  
Brookline Social Center

The OVAL DINING ROOM, overlooking spacious gardens and lawns, is never more attractive than at this time of year, with cool breezes sweeping through the tall windows adding to the pleasure of dining at The Beaconsfield. The service is of the same high standard as always, the food temptingly prepared by a master chef. And you will be pleasantly surprised to know how little it costs. Luncheons range from 80c to \$1.25; dinners from \$1.25 to \$1.75.

The charm of our several private dining rooms rambling back into the old castle provides the keynote to many delightful luncheon and card parties. The luxurious GOLD ROOM and the BROOKLINE ROOM have been the scene of many socially important Brookline and Newton weddings, and are particularly well adapted for larger luncheons and dinners.

Our Hunt Room is just the spot for relaxing and enjoying your favorite cocktail at the close of a busy day.

Bruemmer, and has gone to a placement center to await further orders.

Mr. and Mrs. Edwin P. McGill of 82 Lowell avenue were recent guests of their daughters, H.A. 1c Jean and H.A. 1c Nancy, McGill at Sampson, N. Y., where they each hold a position in the dispensary.

## Recent Weddings

### Steere - Fletcher

A wedding of interest to Newton residents took place on Saturday, June 17, in the Friends Meeting-house, Germantown, Pennsylvania, when Miss Hilda Fletcher, daughter of Mr. and Mrs. Charles Mann Fletcher of Germantown, was united in marriage to Jonathan Mowry Steere junior, son of Jonathan Mowry Steere of Haverford, Pennsylvania, and the late Florence Trueblood Steere. The ceremony was according to the order of the Society of Friends, both bride and bridegroom pledging each other before the assembled guests and Friends, and later signing their own marriage certificate. A reception followed in the Social Room of the Meeting-house of New York.

The bride wore her mother's wedding gown of heirloom lace over satin, with veil of Brussels net attached to a lace cap which had also been worn by her mother. She carried a charmingly unique bouquet of gardenias and lilies of the valley.

Mrs. Doris Friant Petrie of Athens, Pennsylvania, attended her as matron of honor, while the bridesmaids were Miss Anna Williams of Syracuse, New York, and Mrs. Janet H. Hedges of New York.

All three were gowned in pink chiffon, wore Juliet caps, and carried bouquets of lavender daphnium.

The best man and ushers were Joseph Kenard Fletcher and Charles Mann Fletcher, twin brothers of the bride, Charles S. Conard of Philadelphia, B. Bartram Cadbury of Rosemont, and John J. Boerick junior of Newton.

Mrs. Steere graduated from Elmira College and Mr. Steere from Haverford College, receiving his master's degree from Harvard in 1939. Both young people are teachers in Friends Select School and will reside in Philadelphia.

Among the out-of-town guests were Mr. and Mrs. George G. Welkin of Newton Highlands, uncle and aunt of Mr. Steere's mother will be remembered by her friends in Boston and Newton as a daughter of the late Benjamin F. and Sarah H. Trueblood.

### Henderson - Marshall

In the First Congregational Church in Cambridge, Miss Elizabeth Berry Marshall, daughter of Mrs. William Lawrence Marshall of Woodstock, Vt., and Cambridge, and the late Mr. Marshall, became the bride of Lt. Kenneth Atwood Henderson, USNR, son of Mr. Charles W. Henderson, Jr., of 238 Chestnut street, West Newton, and the late Mrs. Henderson, on Saturday, June 17. The four o'clock ceremony was performed by Rev. John H. Leamon, assisted by Rev. Charles J. Scudder of Bridgeport, Ct.

Wearing a gown of white chiffon with a veil of heirloom lace, the bride carried Eucharis lilies and stephanotis. In the absence of her brother, Capt. W. Lawrence Marshall, Jr., USMC, of Concord, the bride was given in marriage by Mr. J. B. Fox of Arlington. Her sister, Miss Frances E. Marshall, maid of honor and wore a gown of powder blue crepe with a matching turban. African daisies and delphinium were combined for her bouquet. Emily Janeway Marshall of Concord, niece of the bride, was junior bridesmaid. Her frock of pink net, enhanced by red roses and delphinium in her hair which matched the old-fashioned bouquet she carried. Mrs. Marshall was gowned in gray crepe with which she wore a lavender hat and an orchid corsage.

Mrs. Henderson was graduated from Bishop Hopkins Hall and Smith College. Lt. Henderson is a graduate of Harvard College and has just returned from duty in the Aleutians.

### Atchue - Rounding

The marriage of Miss Ruth Louise Rounding, daughter of Mr. and Mrs. James R. Rounding of 82 Homer street, Newton Centre, and Ralph Henry Atchue, son of Mr. and Mrs. Frederick Atchue of W. Boylston, took place Saturday, June 17, at the Andover-Newton Chapel in Newton Centre. Rev. Dr. Charles N. Arbuckle performed the ceremony.

Maid of honor for the bride, who was gowned in white mousseline de soie was her twin sister, Miss Dorothy Ann Rounding, who wore a gown of pink net. In gowns of pink and blue tulle were her other sisters who acted as bridesmaids: Miss Janet Rounding and Miss Betty Rounding.

Capt. Francis Atchue, now stationed at Marion, Ohio, was the best man for his brother and the ushers were John Wesley Rounding and Robert Campbell Rounding, brothers of the bride, Lester Atchue, brother of the bridegroom and Charles Brigham, cousin of the bridegroom.

Mr. and Mrs. Atchue will live in West Boylston when they return from a trip to Maine.

**Burgess - Boyce**  
CAMP CROWDER, Mo.—Miss Marilyn Boyce, daughter of Mr. and Mrs. Harry Boyce of Sharon, became the bride of Pvt. Howard C. Burgess, son of Mr. and Mrs. Ellis C. Burgess of 47 Carleton street, Newton, on June 10. Chaplain Lewis A. Myers officiated at the post chapel ceremony.

Pvt. Donald A. Chapman was best man and Miss Helen Smerdon, Ritey, Mo., was maid of honor.

Pvt. Russell Broten and Pvt. Donald Moore rendered musical selections.

The groom is a student at Central Signal Corps School, Pvt. and Mrs. Burgess will reside in Neosho, Mo., a nearby town.

(jg) John William Dacey, Jr., USNR, son of Mr. and Mrs. John W. Dacey of Arlington. The ceremony was performed in the Sacred Heart Church, Newton Centre. A reception was held at the home of the bride's sister, Mr. and Mrs. Thomas Francis Donnelly of 6 Ridge avenue, Newton Centre, where a buffet luncheon was served.

Carrying a bouquet of stephanotis and gardenias, and wearing a long veil of tulle and heirloom Irish lace, the bride, escorted by her brother, Charles J. O'Brien of Dorchester, wore a white faille tulle period gown. Mrs. Donnelly was her matron of honor, and with her gown of blue crepe she wore a headpiece of flowers and veiling and carried roses. Mrs. Donnelly's little daughter, Brenda, as flower girl, wore a Kate Greenaway dress of yellow tulle with flowers in her hair and carried a basket of rose petals.

A cousin of the groom, Paul Campbell, of Arlington, was the best man and another cousin, John Connolly, of Newton Centre, ushered with Thomas Donnelly, the bride's brother-in-law.

Mrs. Dacey graduated from the Boston Clerical School, and Lt. Dacey graduated from Boston College and the Bentley School of Accounting and Finance. He has been in the service for the past two years.

### Newell - Florence

Saturday afternoon June 17, Miss Julia Florence was married to Duncan Hale Newell, son of the late Mr. and Mrs. Harry Hale Newell of Auburndale. The ceremony was performed at the bride's home in New Brunswick, N. J., in the presence of relatives and few intimate friends by the Rev. Dr. Milton T. Stauffer, pastor of the Second Reformed Church of New Brunswick.

Given in marriage by her brother, Mr. Edwin Florence of Summit, N. J., the bride was attended by her sister, Miss Eleanor Florence of Cleveland, Ohio. Duncan H. Newell, Jr., of Concord, N. H., was his father's best man. Mrs. Newell, daughter of the late Senator and Mrs. William E. Florence of New Brunswick, was graduated from Smith College. Mr. Newell is a graduate of Amherst. After October 1, Mr. and Mrs. Newell will be at home at 157 E. 72nd street, New York City.

### Squiers - Blood

Mr. and Mrs. Aretas Blood of Hopedale, announce the marriage of their daughter, Miss Alida Lucia Blood to Ensign Stanley Weston Squiers, USNR, son of Mr. and Mrs. Vincent E. Squiers of Newton Highlands. The wedding took place on Sunday, June 11, at the Newton Highlands Congregational Church. Attending the couple were Mr. and Mrs. Robert S. Read of Wellesley Hills. Mrs. Read is a sister of the groom.

Ensign Squiers is a graduate of Wentworth Institute and received his commission in the U. S. Naval Air Corps at Corpus Christi, Tex., in February.

### Walker - Noonan

Mrs. Albert H. Morrill, 416 Grove street, Newton Lower Falls, announces the marriage of her daughter, Lila M. Noonan, to Reuben C. Walker, on June 18th, 1944, at Bath, Maine.

### Shapiro - Levine

Announcement is made by Mr. and Mrs. Edward Levine of 60 Cedar street, Newton Centre of the marriage of their daughter, Miss Barbara Levine to Lt. (jg) Saul Shapiro, USNR, of Dorchester and Jacksonville, Florida, on June 11. Lt. and Mrs. Shapiro expect to live in Florida for the duration of the war.

### Newton Kiwanis Club

The resolutions committee presented a set of resolutions in memory of Eddie Cannon, recently deceased, at the Tuesday meeting of the local Kiwanis Club. Eddie was held in high esteem by his fellow club members and this was very evident and well expressed by the statements presented.

A special testimonial dinner will be given by Kiwanis next Thursday, June 22nd at 6:30 p.m. at the YMCA in honor of the victorious Newton High baseball team. Lions and Rotarians will join in the celebration. This will be a big affair and it is expected that many members will turn out to honor the team. Several celebrities will be present as well as Coach Jeff Jones and other coaches and trainers. The speaker, Charlie Floyd, chairman of the Citizens Committee for returning veterans, was introduced by George White who spoke highly of Mr. Floyd's civic mindedness and acceptance of public responsibility.

Mr. Floyd told of the efforts being made to help the returning veterans to re-establish themselves upon release from the service. He told of the questionnaires sent to 8000 next of kin to determine needs and interests of returning men and indicated that the answers show that approximately one half will need help upon discharge. The service rendered by this committee will be of great help and those serving as members are to be congratulated upon their work thus far.

**THE ASPARAGUS SEASON** finishes about the end of June. Make the most of this vegetable while it lasts. Try creamed asparagus on toast. Choose stalks that are fresh, crisp and tender; stalks that are straight and round with compact tips.

## Nursing Association

Mr. Harold Gores, assistant superintendent of the Newton Schools and former chairman of Group Work for the Newton Community Council, was the guest speaker at the last meeting for the current season of the Newton District Nursing Association. The meeting, held at the Clafin School, was presided over by Mrs. John F. Brown of Auburndale. With charts and graphs, Mr. Gores supplied his audience with amazing figures which proved that Newton's number of young people is on the decline, the same being true of the whole state of Massachusetts, a state with a preponderance of old people as compared to the rest of the Union. Typical youth is an older person today than he was ten years ago.

Mr. Gores gave valuable information regarding what the youth-building agencies in Newton are doing to help the youth. He mentioned the Boy and Girl Scouts; YMCA; P. House; West Newton Community Center; Nantam A.A. and the Junior Holy Name Society. Backing all these is the Recreation Department of the City of Newton which provides skating and swimming in their respective pools, and a vision for the 35 playgrounds. It was encouraging to learn that the restraining agencies, such as the courts, report no unusual evidences of youth problems. We are fortunate in this respect as other cities have quite a different report in their attendance records, according to the school authorities and the police and fire departments as well as public utilities are not at all worried over the youth of the city.

Plans for post-war expansion were enlightening, as were two problems as yet unsolved: first, what can be done to help the youth, graduating from high school, to know his community and its advantages; and second, to what extent can he be prepared to cope with the problems of the future as it presents itself today.

Mrs. Clinton Tylee, reporting for the Well-Baby Conference Committee, expressed gratitude for the outstanding work being done by the volunteers at the seven conferences. These women are faithful in their attendance at each weekly conference and prove themselves invaluable in helping the nurses with the mothers and babies. Sponsoring the conference at the Burr School is Mrs. Clinton Tylee and the volunteers are Mrs. Laidlaw, Mr. Barquist and Mr. Bill; at the Stearns School is Mrs. George Wyman with Mrs. Hallett; Mrs. Koster and Mr. Cutler; at the Pomroy House is Mrs. Wyman with Mrs. Angier; Mrs. Rich and Mrs. Johnson; at the Workshop in Newton Highlands is Mrs. Tylee with Mrs. Budgett, Mrs. Kersy, Mrs. Egan and Mrs. Baybitt; at the Rice School is Mrs. Charles J. A. Wilson with Mrs. Plimpton; at the Second Church in West Newton is Mrs. Wilson with Miss Hartell; Mrs. Aronson and Mrs. Jamieson; and at Two-Wheel House is Mrs. Tylee with Mrs. Megard.

Miss Nedson reported a generous response to her appeal for old table and bed linen. Through the efforts of Mrs. Irving Fisher and of Mrs. Philip Warren, two wheel chairs and a hospital bed have been donated to the Association. Mrs. Warren's wheel chair, suitable for a child. Nurses are still in need of a strong small table and a three-way screen to be used at the Well-Baby Conferences. It was gratifying to know that the Association will have a quota of nurses during June which will be of considerable help as May was extremely busy. 2132 home visits were made during that month over and above other work. Time did not permit a detailed account of Miss Nedson's attendance in Buffalo at the National Conference of the National League of Nursing Education; the National Organization of Public Health Nursing and the American Nurses Association, but she did report that all meetings were in a serious and interesting tone was a tendency to use auxiliary workers to breach the gap due to the shortage of nurses, not only in hospitals but in the field of public health nursing.

## Tuttle Announces His Candidacy

J. Walton Tuttle, prominent attorney and present Selectman of Framingham, has announced his candidacy for County Commissioner for the four year term. Mr. Tuttle is a native of Framingham and is forty-nine years of age. He was blinded by gunshot at the age of fifteen and despite this handicap obtained his education graduating from Framingham high school in 1913, Bowdoin College in 1916, and Harvard Law School in 1920. He was admitted to the Massachusetts Bar in 1920 and has since carried on a successful legal practice in Framingham, Mass., being a familiar figure in all the Courts of Massachusetts. He is married and the father of two children.

Mr. Tuttle has been prominent in civic affairs in Framingham for years. He is at present serving his second three year term as Selectman. He is a former member of the Finance Committee and a former chairman of the Republican Town Committee of Framingham. For six years he was a prominent member of the Massachusetts Legislature from 1930-1936.

ALVORD BROS. have sold the property at 115 Claremont street, Newton, a frame Colonial house of 7 rooms, 2 baths and lav., hot water heat oil fired, a 1-car garage, and about 16,068 sq. ft. of land. Julius E. Warren, of Newton, conveyed to Helen C. Engle, also of Newton.

ALVORD BROS. have also sold 212 Winslow Road, Waban, a modern frame Colonial of 7 rms. & bath, steam heat with gas fire, a 2-car separate garage, and about 7,800 sq. ft. of land. Mr. and Mrs. Harmon B. Riehl, of Phila., Pa. sold to Charles D. Train, of Newton, who purchased for investment.

## Recent Engagements

Mrs. William A. Millard of 170 Nehoiden road Waban, announces the engagement of her daughter, Miss Eleanor Millard, to Dr. Spencer Parsons, son of Mr. and Mrs. Edwin W. Parsons of Natick, New Hampshire.

Miss Millard was graduated with the class of 1943 from Lassell Junior College. She is the daughter of the late William Arthur Millard of Waban. Mr. Parsons was graduated from Dennison University in 1941. He is now a Senior at Andover Newton Theological School, and is serving as pastor's assistant at the First Baptist Church in Newton Centre.

Mr. and Mrs. Robert B. MacKnight of 19 Maple Park, Newton Centre, announce the engagement of their daughter, Mary Elizabeth, to Abbott R. Cox Jr., RM1c, USNR, son of Mrs. Abbott R. Cox of Ashmont.

Announcement is made of the engagement of Miss Edith Betty Wiggins, daughter of Mr. and Mrs. Henry Dwight Wiggins of 279 Chestnut street, West Newton and Harwichport to Sgt. Robert Louis McWilliams, USAAF, son of the late Mr. and Mrs. David Louis McWilliams of Pittsburgh, Pa. Miss Wiggins attended Ten Acre and Dana Hall schools and is a graduate of the Army M. Sacker School of Design. Sgt. McWilliams, now in England, attended Duquesne University.

Mrs. Frank W. Wetherbee of Newtonville announces the engagement of her daughter, Miss Helen Wetherbee to Elliot F. Childs of Waltham.

Miss Wetherbee is a graduate of Oak Grove School and Katharine Gilbert School. Mr. Childs is a graduate of Massachusetts Institute of Technology.

Mr. and Mrs. Harold W. Holmes of Newtonville announce the engagement of their daughter, Miss Dorothy Mae Holmes to Sgt. Robert Allen Davis, USA, son of Mr. and Mrs. Ernest W. Davis of Arlington.

Sgt. Davis was a senior at Dartmouth College, where he was a member of Sigma Phi Epsilon fraternity, when he entered the Army. He is presently stationed at Camp Lee, Virginia.

## Claire Luce In "Anna Christie"

Claire Luce, playing the lead in "Anna Christie," Eugene O'Neill's famous American classic, which opens Monday evening at the Cambridge Summer Theatre, Brattle Hall, might seem like startling news to those who remember her as the lovely dancing partner of Fred Astaire during the long Broadway run of "The Gay Divorcee."

But Miss Luce isn't the sort of person to be content with staying in one place very long. Perhaps the fact that she was born on a New York Central passenger train and that she grew up in Syracuse has something to do with it, for she has been on the move ever since. At the age of thirteen she left her home in Ludlow, Vermont, to dance with the Russian Opera Company. Not long afterwards she made her debut on Broadway as a specialty dancer in "Little Jessie James."

In short order Claire's extraordinary dancing prowess won her national fame. Nimble feet took her steadily up the ladder of success until she was internationally known as a creative dancer. It was no wonder Fred Astaire, always looking for the best, chose her for his partner in "The Gay Divorcee."

Arthur Hopkins, famous producer, deserves the credit for being the first to see another talent in Claire Luce. He persuaded her to leave the Ziegfeld Follies to take the feminine lead in the London Company of "Burlesque" which was her first acting role. It must have taken courage to step out of dancing slippers and leave a brilliant career behind to start this new venture. But happily it proved to be a wise choice, for a few years later as Charles's wife in "Of Mice and Men" she won critical and public applause.

Ballet dancer, musical comedienne, straight actress, in character, these are few types of performances Miss Luce has not essayed. So it's not surprising that her long run in England playing "Anna Christie" met with such extraordinary acclaim there.

The venerable role of "Chris" in Eugene O'Neill's classic will be played by Ruth Cullinan, brought on from New York especially for it. Members of the resident company also supporting Claire Luce will be Richard Hart, Dorothy Lambert, Roy Allen, and Philip Wheaton. The directorship will be under Robert E. Perry, and the interesting sets will be supplied by Andrew Mack.

Following Claire Luce will be lovely Julie Hayden, starring in "Guest in the House." There will be a matinee on Saturday each of these weeks at the Cambridge Summer Theatre.

## Torrey Elected Grand Master

Arthur R. Torrey of 1084 Boylston street, Newton Highlands was elected grand master of the Massachusetts Odd Fellows at the annual convention held in New England Mutual Hall, Boston on Saturday, June 10.

A reception in his honor will be given by the Newton lodges of Odd Fellows at the Newton High School on Saturday, June 17, at 6:30 p.m. Following a dinner there will be a two hour drill in the gymnasium and a program of entertainment.

Grand Master Torrey has appointed Russell P. Wentworth of Waltham, grand chaplain; William J. A. Keith of Watertown, grand marshal, and Albert W. Bullock of Waltham, grand instructor.

Mr. and Mrs. Theodore Boardman of New Hampshire were the recent guests of Mrs. Boardman's parents, Mr. and Mrs. John D. Coward of High street.

## Peabody Home Has Fiftieth Birthday

On Saturday afternoon, June seventeenth, the Peabody Home for Crippled Children celebrated the anniversary of its founding by holding Open House at the Home in Oak Hill, Newton Centre. From three to six in the afternoon, friends of the Home were invited to come and visit with the children, to examine the exhibits of their handicrafts, and to see for themselves the modern hospital facilities which make possible the wonderful work being done at the Home.

Founded in 1894, through the untiring efforts of Mrs. H. M. Peabody and Mrs. Edward B. Kellogg, the Peabody Home was first housed in a small building in Weston and took care of seven children. Its original object then, as now, was "to provide a home, and educate destitute crippled children to care for themselves." Through the years of its existence, the Home has responded to the appealing needs of crippled children from all parts of New England—providing prolonged hospital care for these boys and girls suffering from diseases of the bone and joints, and other afflictions requiring months and often years of treatment.

A generous gift by Mrs. Charles F. Wright made it possible to erect the present Home in Oak Hill, where about 90 children are cared for at a time. The Peabody Home for Crippled Children is not an institution in any sense of the word. It is, as its name implies, truly a home where each little patient receives individual loving care. Here are school rooms for the ambulatory patients and bedside teaching for those who cannot get up, with nursing staff that is maintained as a unit of the Newton public school system.

As evidence of the high esteem in which the New England Peabody Home is now held in the medical world, it has been elected an active institutional member in the American Hospital Association and is approved by the American College of Surgeons.

Many of the physicians on the visiting staff are serving with the armed forces of the United States, and the active staff now includes Dr. Frank Ober, Surgeon-in-Chief, Dr. Albert H. Brewster, Visiting Orthopedic Surgeon, Dr. Paul W. Hugenberger, Assistant Orthopedic Surgeon, Dr. Richard M. Smith, Consulting Pediatrician, Dr. Bronson Crothers, Consulting Neurologist, Dr. Gerald N. Hoefel, Visiting Physician, Dr. J. Herbert Waite, Consulting Surgeon in Ophthalmology, Dr. William C. Quinby, Consulting Urologist, Dr. Francis C. Newton, Visiting Surgeon, Dr. Sidney Farber, Consulting Pathologist, Dr. Merrill C. Sosman, Visiting Roentgenologist, and Dr. John R. Richardson, Visiting Surgeon in Otolaryngology.

Hosts at the Open House were the officers and trustees of the Peabody Home, headed by Mrs. Arthur A. Cushing, President. She was assisted by Mrs. Montague W. Prowse, 1st Vice President, Mr. Preston T. Stephenson, 2nd Vice President, Mr. C. A. Sawyer, Jr., Treasurer, Mr. Charles R. Cabot, Clerk, Miss Anna P. Revere, Corresponding Secretary, Mrs. Franklin G. Balch, Jr., Miss Helen Visting, Miss Charles V. Minott, Mr. Reginald C. Foster, and Mrs. Nellie S. Smith, Superintendent of the Home.

Among the specially invited guests who attended were Bishop Richard Cushing, Former Governor and Mrs. Chauncey Cox, Mayor or Paul M. Goddard of Newton and Mrs. Goddard, Dr. Homer Anderson, Superintendent of the Newton public schools, and Mrs. Anderson, Mrs. Robert Lovett, Dr. and Mrs. Earle Brooks, Dr. and Mrs. Everett C. Herriek, Col. and Mrs. A. T. Soule, Mr. and Mrs. Charles B. Floyd, Mr. and Mrs. Arthur Wellman, Mrs. Edwin P. Brown, Mrs. Robert Moore, and Dr. and Mrs. Ashley Day Leavitt. Those pouring were Mrs. Elliott C. Cutler, Mrs. Henry B. Prout, Mrs. Gerald N. Hoefel, Mr. C. Sosman, and Mrs. Paul W. Hugenberger. Red Cross Aides who have devoted many hours of volunteer service during the past year at the Peabody Home acted as guides. These included Mrs. Edgar Brown, Mrs. Albert McLaughlin, Mrs. Edward Farmer, Mrs. Kenneth Crafts, and Mrs. Kenneth S. Nugent.

## Bryant & Stratton Quiz Contest

Climaxing an exciting series of 26 radio quiz contests, the six finalists, senior high school girls from Greater Boston, competed for the grand prize at Bryant & Stratton Commercial School, Boylston and Arlington streets. The program was broadcast over Station WCOB. Many distinguished guests and representatives of the alumni association were present. Mayor Maurice J. Tobin present the winner, Miss Priscilla Meehan of Belmont, a year's Alumni Scholarship at the school. The other final contestants were Annabel Brook, Wellesley; Margaret McKenna, Newton; Therese Mulken, Jamaica Plain; Eleanor Chisholm Roslinde and Madeline Young, Cambridge. Each was presented with a special award—an inscribed reference volume which Mayor Tobin autographed. Mr. Richard B. Blaisdell, president of the Bryant & Stratton Commercial School, stated that the widespread interest in the quiz contest and close weekly finishes is evidence of the high scholarship and training of the more than 300 contestants.

## Auburndale

Miss Jane E. Fisk of 211 Melrose street has recently been initiated into Phi Beta Kappa, national honorary scholastic society, at Tufts College, Medford. Miss Fisk is a biology major, and is the president of the Lambert-Kingsley Society, honorary society of the biology department. She is a senior at Jackson College, Department of Women at Tufts, and will graduate in October, completing degree requirements in three and a half years under the accelerated wartime program.

## Home After 56 Combat Missions

Tech. Sgt. Paul R. Bergen, 22, of 76 Cherry street, West Newton recently returned home after completing 56 combat missions as a radio-gunner on a Mitchell bomber. Although most of his bombing missions were over Italy, he also took part in raids over Athens, Greece; Sofia, Bulgaria and Yugoslavia. His plane flew in support of ground troops at the Anzio beachhead and also participated in the raids over Cassino. His plane was badly shot up during some raids, but Sgt. Bergen was unharmed.

Sgt. Bergen is the son of Mr. and Mrs. William E. Bergen. He was graduated from the Newton High School in 1939 and was in the 119th Cavalry of the National Guard when he entered the service in January 1941. He transferred to the Army Air Forces and after training at Columbia, S. C. went overseas last September.

He has been awarded the Air Medal and Good Conduct Medal. At the expiration of his 21 day furlough he will report at Atlantic City for re-assignment.

## CREDIT NEWTON FOR WAR BONDS

Residents of Newton who buy War Bonds outside of the city were asked to specify that Newton get credit for the subscription by James B. Melcher and Frank L. Richardson, co-chairmen of the Fifth War Loan Drive in the city.

The 15 banking offices in Newton are "Headquarters for War Bonds" and headquarters for the drive are at the Chamber of Commerce, 297 Walnut street, Newtonville. Newton's quota is \$8,621,000, of which \$1,323,000 is for Series E Bonds.

## COMMONWEALTH OF MASSACHUSETTS LAND COURT

Case No. 7915, Misc.

In Equity  
To Mary G. McGrath, of Newton, in the County of Middlesex, and said Commonwealth; all persons unascertained having any unrecorded interest in the land on the southern side of Auburndale Avenue in that part of said Newton known as West Newton, formerly owned by Charles H. Dolan:

GREETING:  
Whereas, a suit in equity has been brought in said Land Court by William A. Barber and Edna M. Barber, of said Newton, representing that they are the owners of the real estate numbered 98 Auburndale Avenue in said Newton; and whereas, the said suit was brought on the twenty-sixth day of June, 1944, recorded with Middlesex South District Deeds in Book 5242, Page 468, one Charles H. Dolan, then owner of a large tract of land on said street sold to the plaintiffs the parcel numbered 98 Auburndale Avenue, and after described said land by metes and bounds, added the following words: "intending hereby to convey the land set apart to me by Commissioners to make partition in the estate of Felix Dolan, recorded with Middlesex South District Deeds Book 2485, Page 482, excepting the portion thereof heretofore conveyed by me and subject to rights of way granted by me in said premises;" that it was the intention of both parties, that the said exception should only apply to grants by deeds appearing of record and praying that said deed be reformed accordingly.

WE COMMAND YOU, if you intend to make any defense, that on the first Monday of August next, which Monday is the return day of this subpoena, or within such further time as the law allows, you do cause ## Newton Rotary Club

Chief John L. Keating of the Newton Fire Department speaking at the meeting of the Newton Rotary Club on Monday stated that Newton has the best fire protection in the State at a cost of less than 5 per cent of the real estate tax.

The program was arranged by Roy S. Edwards, who introduced W. O. G. Henry Dath, U. S. Navy C. B. recently returned from the South Pacific. Mr. Dath stressed the importance of sending mail to those serving overseas, and highly commended "What's Cookin' In Newton," the paper sponsored by the Rotary and Kiwanis Clubs for Newton Service Men and Women.

The little paper he said is avidly read by Newton residents overseas and is the best investment the Clubs could have made.

**Newcomers Club**  
The Newcomers Club of Newton is having a luncheon and bridge at Hotel Beaconsfield June 23. Mrs. Philip Gleason will be in charge of the affair assisted by her committee.

At a recent election Mrs. Robert Reidel was chosen president. Mrs. Harold Harbath secretary and treasurer. Mrs. Philip Gleason first vice-president and social chairman. Mrs. Hosie second vice-president and telephone chairman. Mrs. Wend membership chairman and Mrs. Frank Dery, publicity chairman.

The former president, Mrs. Arthur Weinstein, was given a gift by the out-going board members at a bridge recently in recognition of her outstanding achievement conducting club activities for the past year.

**The Newton Archers**  
The second of the quarterly tournaments was held on the Newton Archers range, Saturday, June 17th. Twenty-nine archers lined up to shoot under the hot sun, with B. J. Seaman as field captain.

Otis Wood came from Essex to shoot with us. He made the trip by train and trolley. Since the bus from Newton Corner had just gone he walked up. Considering this, and that Otis Wood is somewhat over forty his scores were good.

Sun burns were the order of the day. Greta Schreiber shoots easily and led the field for the women. At noon Grace Harrison introduced Richard to the various archers gathered under the trees.

The scores for the first three places were: Men: 1st, Henry Schreiber 179-1221 (Waltham Club); 2nd, Malcolm Pearce, 179-1185 (Waltham Club); 3rd, John de Bruyn Kops, 176-1126.

Women: Greta Schreiber, 168-924 (Waltham Club); 2nd, Fannie Chegey, Worcester, 165-811; 3rd, Hazel Turner, 141-654.

Junior: 1st, John de Bruyn Kops, III, 156-864; 2nd, Herman Norton, 156-824; 3rd, David Briggs, 94-396.

Novely: Adrian Matthews, 120. Range prizes were given for the following distances to: (the winners were eliminated)

60 yards—Adrian Matthews, Vera Andrews.  
50 yards—Eugene Small, Anita Howarth.

40 yards—Otis Wood, Dorothy Matthews.

Cup winners: Cummings Handicap Cup, Robert Young, Visitor's Handicap Cup, Chetser Sheld, Waltham. Mariner Junior Handicap Cup, Hermon Norton.

Refreshments will be served by the Newton Junior Community Club at the Newton Hospital Recreation Hall at Fort Devens on June 25th. Home made cakes, cookies, and a fruit punch will be served to the service men and their relatives and friends. This is the third in a series of Sunday afternoon teas which have been sponsored by the Newton Senior Community Club War Hospitality Committee, Miss Marjorie W. Aldrich, Chairman. Mrs. Herbert Bedell; Mrs. Frederick G. How Jr.; Mrs. H. M. Hallett; and Mrs. Dana A. Smith; representing the Senior Club and Miss Ruth W. Aldrich, President; Miss Jane Mansfield, Vice President; Mrs. Ray Garon, Recording Secretary; Miss Lydia Mathis, Corresponding Secretary; and Mrs. Herbert Hopkins, Treasurer, of the Junior Club will be the hostesses. Mrs. F. Marsena Butts and Miss Jean Harvey of the Newton Red Cross Motor Corps will again furnish transportation.

**NEW RESIDENTS HEAD BUSINESS MEN'S ART CLUB**  
Residents of the Newtons figure prominently in the new executive board of the Boston Business Men's Art Club, elected at a meeting held this week in the Museum of Fine Arts, Boston.

Luesta M. Walsh of Newton Centre is president. Edmund A. Dussossoi, also of Newton Centre, is vice-president. Rev. H. Robert Smith, rector of Grace Church, Newton, is second vice-president. Nelson Coon of Watertown is secretary and treasurer.

G. Russell Mann, the retiring president, was presented with a hand-carved gavel, the work of Arthur M. Backstone, a member of the club who is widely known as a carver of birds as well as a painter of pictures. Another presentation, made by Herbert T. Anderson of Newton Centre, was an elaborate brochure giving the highlights of the seventeenth annual exhibition which the club recently held at the Paine Furniture Company.

After the meeting, Sherwood Blodgett of Waban, kept his audience spellbound for an hour with his feats as an amateur magician.

**IMMUNIZATION WORK DONE BY MORE DOCTORS**  
That the parents of Newton for the most part are turning to private physicians rather than public agencies for immunization of children against diphtheria was indicated by a survey conducted by the Health Department.

The survey, conducted in the kindergartens, showed that out of a total enrollment of 927, 92 percent were immunized against diphtheria. The immunization was by the Health Department in 33 percent of the cases, by the Newton District Nursing Association in 11 percent, and by private physicians in 56 percent of the cases.

Eighty-two percent of the children were immunized before entering school.

Only 186 children were immunized at the Health Department clinics, including 70 pre-school children, 89 kindergartens and 27 first grade pupils.

**Mrs. Marshall Given Testimonial**  
A testimonial was tendered to Mrs. Louis H. Marshall at the Newton Centre Playground on Thursday evening by the officials and employees of the Newton Recreation Commission.

Mrs. Marshall recently resigned as chairman of the Recreation Commission. She had served on the commission since she was appointed by Mayor Sinclair Weeks on February 18, 1935. She was presented with a gift from the Recreation Department by Director John F. Donahue.

Guests included Mayor Paul M. Goddard, Joseph E. Jansson, president of the Board of Aldermen, former Alderman Charles B. Floyd, Alderman Sydney H. Baylor, Mrs. B. Alden Thresher of the School Committee, Lt. John E. Leary, U. S. Navy, former director, members of the commission, directors, supervisors, office employees and maintenance men.

Commissioner F. Ewing Wilson was master of ceremonies. Refreshments were supplied by John Underhill, a member of the Recreation Commission.

**Educational Advice**

Supervision and Testing

Do you know the strength of  
your son or daughter's ability,  
his or her vocational trend, his  
or her personality traits? Can you  
correlate and adjust these  
factors?

Testing determines a goal for  
your son or daughter; supervision  
makes possible its attainment.

You may have an interview  
without obligation with Fred  
Miller, B. S., M. B. A., B. Litt  
(Oxon), 33 Washington Ave.,  
Cambridge; Elit 9525.

A RAY AND HER COUNTRY.

If you should buttonhole a "Ray"  
and ask her for a thumbnail  
definition of one of our employees,  
she would plainly tell you that a  
"Ray" is a woman with her mind  
made up. And come to think of  
it, this "Ray" has hit the nail right  
on the head. For there is scarcely  
a person who doesn't admire the  
woman who, in times of crisis or  
sickness, can step in, roll up her  
sleeves, and calmly straighten  
matters out while others are hel-  
plessly wringing their hands. Now,  
just take this type of woman, du-  
plicate her hundreds of times over  
and you have our Raytheon em-  
ployees. You see these "Rays"  
know that our world is SICK, and  
they have good reason to know it.

In order to doctor this measur-  
ing, their young husbands, sons,  
brothers, sweethearts are giving  
up their lives at this moment. So  
the girls have closed their school  
books for a while and the women  
have closed their front doors, and  
from all over Greater Boston and  
suburbs, they have quietly and  
capably stepped in to lend a hand  
at Raytheon when their nation  
most needed them. And as they  
are daily assembling those radio  
units which carry messages of life  
or death on the battle fronts, each  
"Ray" knows that she is no longer  
inheriting her nation's greatness,  
but is winning it herself with her  
own two hands.

For a three-minute picture of  
the activities at Raytheon just  
read through the following items:

**INVASION BONDS.** During  
the first five days of the Fifth  
War Loan Drive, several thousand  
dollars worth of bonds were pur-  
chased by employees of the New-  
ton plant in one department alone.

Among the outstanding bond  
purchases were those made by  
Depts. 108 and 109. Inspired with  
the slogan, "Buy an Invasion  
Bond," Hanson Curtis, 49 Ellery  
road, Waltham, started off the  
buying on the first shift by his  
purchase in cash of a \$100 bond.

To back him up each member of  
his shift signed up for \$50. Then,  
on the second shift, Anne  
Munsey, 18 Silver Lake, Newton,  
stepped up for a \$1000 bond, and  
Katherine Robichaud, 788 Massa-

chusetts avenue, Arlington, pur-  
chased a \$100 bond.

Following Louis DeStefano's talk  
on bonds and his purchase of a  
\$100 bond, the entire "grave yard"  
shift signed up 100 per cent. De-  
Stefano resides at 15 Quirk court,  
Newton. Others assisting the  
drive are Katherine Thrift, 234  
No. Beacon street, Watertown,  
who purchased a \$25 cash bond  
and signed up for an additional  
\$100 bond, Margaret Crowley, 45  
Stanley avenue, Medford, and Be-  
atrice Drew, 21 Dalby street, New-  
ton.

**RAYS TO GO TO POPS.** Ray-  
theon night at the Pops Concert  
will be held on Saturday night,  
June 24, at Symphony Hall in Bos-  
ton.

The entire floor has been re-  
serviced for the employees of all  
plants. During the first half of  
the program, Arthur Fiedler will  
be conductor, and Louis Speyer  
will conduct the second half.

**WHAT ABOUT A CARRIER  
PIGION?** A very, very economi-  
cal man sent a telegram to his  
girl friend proposing marriage,  
says Tube Head Tim, company  
man. The man waited around the  
telegraph office all day and  
finally arrived at night the answer  
labeled. Upon handing the wire to  
the man, the clerk said: "I'd  
think twice before marrying a girl  
that kept me waiting all day."

**SHEAILED GOLF.** Deak Chil-  
ton (Methods), 15 Edmunds road,  
Wellesley Hills, toured the Alber-  
marle Golf Course in West New-  
ton in 70 strokes to win the qual-  
ifying round of the Newton plant  
"golfers' golf" tournament, re-  
cently.

Raytheon has been acclaimed in  
Greater Boston sports circles for  
its "gasless" tournament in which  
Chairman Ralph Garrett (safety  
director), 1088 Broadway, Somer-  
ville, made it one of the qualify-  
ing requirements that all players  
must walk to and from Albermarle  
for their games.

**PULSES AND THERMOME-  
TERS.** To assist nurses in local  
hospitals, employees of the New-

ton plant have formed a group of  
aides in which each member will  
volunteer to work one evening a  
week in an assigned hospital.

Eleven hospitals have been not-  
ified that Raytheon's volunteer  
group is available and responses  
have come back that their need is  
most urgent and that any assist-  
ance would be appreciated.

Sue Fowler dept. 146, 30 West  
View terrace, W. Newton, who is  
chairman of the volunteer aides,  
will arrange the location and time  
to the employees' convenience.

**A MIDGET WORLD?** Tube  
Head Tim has been philosophizing  
again and comes up with this  
opinion: Money is not the meas-  
ure of man but it is often the  
means of finding out how small  
he is.

**AND THE ANTS CAME TOO.**  
A Works Laboratory Frolic—in-  
cluding hot dogs, marshmallows,  
and all the fixings—was held at  
the Riverside Recreation Grounds  
in Auburndale on May 31.

Laboratory members attending  
the frolic swam in the pool, played  
tennis, and went dancing, later, at  
the Casino.

**SATURDAY TONSILS EX-  
HIBIT.** Each Saturday in de-  
partments throughout the Newton  
plant, amateur programs are pre-  
sented in which employees with  
high production records entertain  
their fellow workers over the  
microphone.

## Final Meeting of School Committee Held Last Monday

The final meeting of the season of the Newton School Committee was held on Monday evening. Miss Isabel Swan of the Franklin School who has completed 35 years of service, Miss Cora Rogers of the Newton High School who has completed 38 years of service and Miss Evelyn M. Hammond, secretary of the Newton High School who has served for 38 years are retiring. Resignations were accepted of Charlotte Carleton and Charlotte J. Jeffrey who were elected last month and were to have started their service next Fall, both having accepted other positions. Others resigning were Herbert Clark, social studies teacher at the Newton High School, who has been elected principal of the Wayland High School; Anita Herrick, Angier School teacher, who has joined the WAVES and has been married; and Eva Louise Wilden, who was a teacher assigned to the New England Peabody Home for Crippled Children. Military leave was granted to Helen Russo of the Warren Junior High School who has joined the WAC. Pauline Larson of the Davis School was appointed principal's assistant and given a salary increase. Mrs. Alice Guiney was appointed home economics teacher at the Warren Junior High in Miss Russo's place. Evelyn R. Hempel was appointed building assistant and kindergarten at the Hyde School. Jane Wyman, principal of the Oak Hill School, was elected principal of the Peabody Home School in addition. Mary E. Hynes was elected teacher of English and social studies at the Weeks Junior High School. Mary V. Bowen, building assistant at the Hyde, Cabot and Clafin Schools, was elected regular teacher at the Oak Hill School. Edna Banis, building assistant at the Underwood School, was elected regular teacher at the

## Award Diploma to Former Newton Boy

The Commencement exercises of the Capitol Page School were held in the room of the Committee on Ways and Means, New House Office Building, U. S. Capitol, Washington, D. C., and attended by five hundred relatives and friends of the graduates, coming from all parts of the United States. The address was by Senator Harold H. Burton, of Ohio, Senator Burton's wife, the former Selma Smith of West Newton, accompanied him. Mrs. Burton was a pupil of the Newton High School when John's father attended there. The Capitol Page School meets in the basement of the Capitol,

classes starting at seven-fifteen o'clock in the morning and running into the evening, tying in with the boys' working hours, as pages in the Senate, House of Representatives or elsewhere about the nation's Capitol Building. John's duties are in the House document room, and his sponsor is Congressman John J. Coffey of Tacoma, Washington. Of the one hundred boys in the school twelve were in the graduating class. The school's major sport is basketball. John was captain of that team. The school is part of the District of Columbia's regular educational system.

## Aldermen Refuse Annuity To Policeman's Widow

The Newton Board of Aldermen on Monday night authorized the expenditure of \$19,000 for construction of a sewer in Brookline street, Oak Hill.

An appropriation of \$20,000 for School Department salaries to correct an error in the budget of that

department was passed. The sum of \$1,906 for painting the auditorium of the Mason School and enlarging the stage, was also appropriated.

It was voted to make the easterly roadway of Centre Street from Lyman street to Langley road a one-way street going southerly and to establish a stop sign on the easterly roadway of Centre street entering Langley road.

## Aldermen Refuse To Change Bldg. Code

The Newton Board of Aldermen has turned down the petition of Henry I. Harriman for a change in the building code to permit construction of Garden Type Apartment houses.

Mayor Paul M. Goddard on receiving the request from Mr. Harriman referred the matter to the Board of Aldermen without comment, and the board voted leave to withdraw on the matter.

## To Hold Monthly Work Afternoon

The Knitting and Sewing division of the War Services, Newton Community Club, under Supervision of Mrs. Herbert G. Bedell and Mrs. Edwin R. Aldrich will hold its monthly work afternoon at the home of Mrs. John Boppert, 117 Prospect street, West Newton, on Thursday afternoon, July 6, 2:00-4:30. All members of the Club and any one interested in this work, also not a member of the organization, is cordially invited to attend.

## Union Summer Services Begin Sunday, July 2

The first Union Summer Service of the six co-operating Churches of Newtonville and West Newton will be held at the Newtonville Methodist Church next Sunday, July 2nd. The Rev. McIllyar Hamilton Lichtner, D.D. will preach. His topic will be "A Sense of the Whole." Dr. Lichtner was pastor of the Central Congregational Church in Newtonville during the years 1919 to 1924 and is well known in Newton.

During July the summer services will be held at the Methodist Church in Newtonville and at the Unitarian Church in West Newton during August and the first Sunday in September. Music during July will be furnished by a mixed quartette under the direction of Vera Spaulding, organist. The quartette members are Marion Brickett, soprano; Louise Wood, contralto; Paul Thayer, tenor; and Ernest Schleicher, bass.

The Churches co-operating in the Summer Union Services and their Ministers are:

Central Congregational Church of Newton, Rev. Randolph S. Merrill; The Church of the New Jerusalem, Rev. Horace W. Briggs; The Newtonville Methodist Church, Rev. Hamilton M. Gifford; The First Unitarian Society in Newton, Rev. Herbert Hitchen; Lincoln Park Baptist Church, Rev. William E. Blake; and The Second Yarbrough.

Dr. Lichtner will conduct all services with the exception of those of July 30 and August 6, which will be led by Dr. Lichtner's son, the Rev. James M. Lichtner.

## Local Boy Killed In Plane Crash

Ensign Richard Lewis Noel, U. S. Naval Air Forces, son of Mrs. Millicent Noel of 21 Walnut street, Newtonville, was killed in a plane crash at Tuckerton, New Jersey, on Thursday, June 22.

Ensign Noel was in his 22nd year. He was born in Ligoniel, Pa., and was graduated from the Ligoniel High School. The family came to Newton about five years ago.

He trained for the Naval Air Force at Chapel Hill, North Carolina, Florida. He was stationed at Atlantic City and had been assigned to the new aircraft carrier Shangri-La.

Besides his mother he is survived by a brother, Stanley Noel, electrician's mate in the submarine service and three sisters, Mary Jane who has just graduated from the Newton High School, and Patricia and Pauline Noel, who attend Newton High School.

Funeral services were held Tuesday afternoon in the Central Congregational Church, Newtonville. Rev. Randolph S. Merrill officiated.

A squad of sailors from the first Naval District American Legion as guard of honor. Ensign R. L. Meltebeke of Oregon, who accompanied the body from Atlantic City, represented the squadron of which Ensign Noel was a member.

A large delegation of members of Newton Post, American Legion in uniform, led by Commander Norman I. Patterson, attended the services and marched to the Newton Cemetery.

A volley was fired at the grave by a firing squad and "Taps" were played by a bugler.

## Canteen at Service Men's Send-off

A unit of the Newton Red Cross Canteen Corps was on hand at City Hall on Wednesday morning June 28, when twenty-nine men left for camp. Serving coffee and doughnuts to the service men and their families were Arthur Desoe and Mrs. George P. Brophy.

STARS OF DIRECT HIT, the All-Services musical comedy which will be presented at the Newton High School Auditorium, July 8th, are Army Pvt. Donald Burr and Wave Vivienne Winters, Yeoman 3/c.

## "Direct Hit" to Be Presented Here

Tickets for the Musical Comedy "Direct Hit" to be held at the Newton High School Auditorium, July 8th at eight o'clock are now available at banks in the City of Newton. "Direct Hit" opened its tour before an enthusiastic audience in Boston Garden and now will be presented in Newton, in its entirety, by the Newton War Finance Committee, Mrs. Edgar P. Hay, Chairman of the Women's Division.

Before the performance Newton citizens will pay honor to two Mothers, both of whom have six sons in the service, representing all Mothers of sons in service from Newton. They are Mrs. Annie Gordon and Mrs. Patrick McGrath. Others on the stage will be: Mayor Paul M. Goddard; Roy S. Edwards, Chairman of the Citizens' Committee; James B. Melcher, Newton War Finance Chairman; F. W. Denio, State Chairman, War Finance Committee; Miss Ruby B. Litchfield, Director Women's Division State War Finance Committee; Frank L. Richardson, Chairman of the Fifth War Loan Drive; Mrs. Edgar P. Hay, Chairman Women's Division of the Newton War Finance Committee and Chairman of War Services Newton Federation; and Miss Adelaide B. Ball, President Newton Federation of Women's Clubs, cooperating with the campaign.

Former stars of the stage, screen, and radio now serving at New England posts in the Army, Navy, Marine Corps and Coast Guard have been assembled in the cast of 63 men and 22 women. Waves, Waves, Spars and Women Marines are included in the female contingent. All of them have regular duties in their branches of the service, and are on detached special service during the Fifth War Loan Drive. The show is strictly "GI" even to the extent that three of the Marine

members of the cast are veterans of Guadalcanal.

The show tells the story, in fast moving musical revue form, of the activities of a group of America's fighting men from an opening in a USO entertainment center in this country through the departure on a transport for overseas.

## War Bond Drive Gains Headway

The Newton War Bond Committee reports a good gain in Bond sales during the past week. For the first time since the Drive began the purchase of bonds by corporations and other institutions is being counted in the total sales. As of June 28th total subscriptions of \$5,081,600 were 80% of Newton's quota of \$6,221,000.

The larger bond purchases by institutional buyers credited to Newton to date are:

Newton Savings Bank	\$1,500,000
West Newton Savings Bank	1,000,000
Newton Centre Savings Bank	400,000
Auburndale Co-operative Bank	150,000
Newton Co-operative Bank	150,000
Ucinet Corporation	150,000
American Institute of Finance	100,000
Arrow Mutual Liability Insurance Company	100,000
Middlesex & Boston St. Railway Company	100,000

The sale of E Bonds to individuals has not kept pace with the record made in the state as a whole. As of June 28, total sale of E Bonds was \$272,000, or 20% of Newton's quota of \$1,322,000. The men and women of Newton should not delay the purchase of their own bonds if the city is to meet its quota.

Newton Red Cross, Public Health Department and Community Chest Combine to Provide a Modern Nutrition Program

## Newton Barbers to Close July 3

Due to the lack of help and that many of the remaining barbers are older men with no prospects of a vacation, The Master Barbers of Newton voted (as did the Newton Chamber of Commerce) to close Monday, July 3rd, to enable them to get a three-day vacation.

## Newton Selectees Given Send-off By Boy Scouts

The send-off for the 29 selectees who left Newton City Hall on Wednesday morning for induction into the Army was sponsored by Norumbega Council, Boy Scouts.

The speakers included Rev. Thomas M. Herlihy, S. J., pastor of St. Ignatius Church, Chestnut Hill, Mayor Paul M. Goddard and James C. Walton, president of Norumbega Council, B.S.A.

Roy S. Edwards, chairman of the Citizens' Committee for Service to Newton Service Men, was master of ceremonies.

Music was broadcast over the public address system under direction of Walter Hartford.

Refreshments were served by a Red Cross Canteen.

## Bronze Star Medal To Local Boy

Signalman 3-c John F. Davis, son of Mr. and Mrs. Joseph L. Davis of 28 Champa avenue, Newton Upper Falls, has been awarded the Bronze Star Medal by Admiral William F. Halsey, commander of the South Pacific Area, for aiding in the rescue of a comrade.

Davis, while serving on the crew of a crash boat at Empress Augusta Bay, volunteered to take part in a mission to rescue a pilot forced down in enemy territory.

He enlisted in the Navy in January, 1943, at the age of 19, and was sent to the South Pacific the following year. His brother, Mr. Thomas L. Davis is serving in a Tank Corps in France. His father is a member of the Newton Police Department.

## B.E. Degree Awarded Frederic B. Eastman

Frederic B. Eastman, son of Mr. and Mrs. Frederic B. Eastman, of 73 Madison avenue, received his B.E. degree at Yale University's 243rd Commencement held on June 22.

Already nationally known for its progressive post war thinking and planning, Newton stands an excellent chance for winning further country-wide recognition through the adoption of a properly planned, modern nutrition program. This project is being financed by the Newton Chapter of the American Red Cross, the Public Health Department of the City of Newton and the Newton Community Chest, Inc.

After months of careful investigation and discussion, the Newton Community Council Nutrition Committee set up a community nutrition program, the soundness of which earned the sponsorship of the above three organizations. Funds have been voted that now make the proposal a reality.

A competent nutritionist, Miss Margaret Phillips, a graduate of the University of Maine, who recently received her M.A. in Community Nutrition at Cornell University, has already been engaged to direct the program. Miss Jean Lesperance who has been acting as nutritionist for some months has accepted the position of Assistant Nutritionist. Under the supervision of the Nutrition Committee, a broader type of program will be organized to reach out into schools, industry and to touch in some vital way every person in the community.

The value of proper diet is becoming more apparent each day. Many communities have been

## Seriously Wounded In Action in Italy

Word has been received from the War Department that 2nd Lt. Francis K. Duane, son of Mrs. Ella M. Duane of 216 River street, West Newton, was seriously wounded in action in Italy on May 12 and is now in a hospital in the Mediterranean area.

Lt. Duane, a graduate of the Newton High School and of Holy Cross College, '36, entered the Army in November, 1942, after training at Camp Croft, South Carolina. He went overseas last December. He had been serving as an infantry officer with the 88th division of the 5th Army.

He was married in July of last year to Miss Virginia M. O'Connor of Brookline.

His brother, 1st Lt. George E. Duane, well known Harvard athlete, was killed in action in the invasion of Africa in November, 1942, when he had volunteered to check his outfit's communication at an advanced position in the face of enemy fire.

Another brother, Lt. William Duane, U. S. Navy airplane pilot is stationed in Georgia. John A. Duane, an older brother, served in the army for 11 months and on receiving his discharge, returned to the Newton Police Department.

### IT'S NOT OVER YET

The speculation is that war bond sales are lagging in the Fifth War Loan because people figure that the war is over. The fact that the Allies are pushing ahead in France, Italy, Russia and the Pacific is causing a reaction of "All is going well—now we can relax."

The boys slugging it out with the Japs on Saipan in heavy fighting aren't finding the going so easy and they know that there are more islands and then a mainland of hard fighting before they reach Tokyo. The long, cruel trek will cost lives and equipment.

Cherbourg is just the beginning and the soldiers who have been storming and taking that port haven't found the going easy either. Already from France comes a hurry call for more tanks because of equipment losses in the heavy tank fighting, and a hurry call for trucks because the railroad lines are bombed beyond use.

Tanks and trucks and all the other equipment losses which must be made up, cost money. We know we are going to win, but we haven't won yet and just as victory will only be achieved by the fighting men keeping at it, so will the equipment only get to them by our keeping at buying bonds.

The fighting man needs no reminder that he can't relax yet. He doesn't have a chance to let down for a minute because danger is all around him. We at home can sit back in security—but we are errant slackers if we do.

Tuesday we will observe the fourth of July—Independence day, the anniversary of this nation's birth. Express your gratitude and your sense of citizenship by buying an extra bond in celebration.

### A BROKEN PLEDGE

"I propose to use this position of high responsibility (the Presidency) to discuss up and down the country, in all seasons and at all times, the duty of reducing taxes, of increasing the efficiency of Government, of cutting out the underbrush around our governmental structure, of getting the most public service for every dollar paid in taxation. That I pledge you, and nothing I have said in the campaign transcends in importance this COVENANT with the taxpayers of the United States."—Candidate Franklin D. Roosevelt at Sioux City, Iowa, September 29, 1932.

### Son Is Reported as Seriously Wounded

Word that their son, Pvt. Robert Horgan, was seriously wounded in action in Italy on May 17 has been received from the War Department by Mr. and Mrs. Dennis J. Horgan of 1304 Boylston street, Newton Upper Falls. Pvt. Horgan who was 19 last Saturday is at a hospital in the Mediterranean area. He has been

awarded the Purple Heart medal. He entered the Army August 25, 1943 and went overseas in February where he has served in the Infantry with the 5th Army. He has six brothers and two sisters. Two of his brothers are serving in the South Pacific. They are Sgt. John L. Horgan, U. S. Marine Corps and Cpl. William Horgan with the Army Signal Corps in New Guinea.

## Politics With Color

by P. W. C.

### REPUBLICAN CONVENTION

Despite the fact that the Republican national convention will undoubtedly have passed into history by the time this column is read, it may be worth-while to indulge in some pertinent comments while the delegates are still going through the motions of making certain important decisions in Chicago.

First and foremost, of course, we are witnessing the interesting spectacle of the nomination of a Presidential candidate by an overwhelming majority in spite of the fact that he (Gov. Dewey) has not been an avowed candidate for this nomination during the past year or more. Leading political commentators throughout the country are now telling us that the reason for this cut-and-throat convention is that the grass roots sentiment has been for the New York Governor for a great many months. Willie die-hards, the Bricker forces and a few potential dark-horses have been so active and optimistic, however, that many voters have failed to realize that the nomination of Gov. Thomas E. Dewey was practically inevitable. Witness the behavior of our own Massachusetts delegation, which declined, chiefly out of deference to our own Gov. Saltonstall, to jump on the Dewey bandwagon until almost the last minute. Apart from the possibility of a Saltonstall nomination for either President or Vice-President was the further possibility that there might be a revival of sentiment for Wendell L. Willkie or the sudden growth of another candidacy which might suit the Willkie followers better than the expected Dewey and Warren ticket. Then, at the last minute, it became obvious that neither of these developments would take place and our state delegation fell in line behind all the other big states.

Right here, may I stress a very important point? The 1944 nominee MUST have the undisputed support of ALL Republicans everywhere if the G. O. P. is to be successful. The "Champ" who is the best campaigner this country has ever had. On the air, especially, the President has been head and shoulders above any and all competitors. One of his closest rivals has been Gov. Dewey, who, incidentally, was tipped-off by former President Herbert Hoover some years ago that his chief weakness as a Presidential candidate was his somewhat ineffective speaking ability. Those Republicans who are sincere in their desire to install a new resident in the White House and to remove bureaucracy from the Capitol, will be well advised if they keep their disappointment to themselves as regards wholeheartedly to the prosecution of the Dewey campaign.

I speak somewhat earnestly on this topic because it applies with some little force to the writer, who has long been an ardent admirer of Willkie, as my readers will know. However, I shall practice what I am preaching and devote my energies to the promotion of the regular nominee of the party. As a matter of fact, Gov. Dewey has a great many of the qualities which have brought Willkie so close to the top. For a man of his comparative youth to rise so high in so short a time is almost a political miracle. Furthermore, it is not true that his record as a racket-buster in his own state is a guarantee that he can and will clean up certain situations in Washington, provided he is given any kind of support by his own party and by liberal and independent voters everywhere? After all, there have been no vital criticisms of the New Yorker since he first came into the public spotlight. He is cautious, yes; he is also so efficient that he is accused of being a machine, rather than a warm-blooded human being. I doubt if it will take very long for him to sell the real Dewey to the people of the United States. It would be absolutely impossible for him to have climbed so high and so fast if he did not have scores of very admirable qualities. Frankly, it seems to me that he is easily the next best bet to Wendell L. Willkie. In some respects, it seems to me that he may have even greater potentialities than the 1940 nominee. At any rate, the cold hard facts are that Willkie found it impossible to win the support of the real leaders of his party throughout the country. Without that support, any Republican nominee is licked before he starts. It is too bad; maybe it is all wrong and maybe the Independent voters are justified, to a certain extent, in registering their dissatisfaction. However, practical politics demand 100 per cent backing for the new nominee if there is to be a change in the White House.

What happens, now, to the two remaining elder-statesmen who have been active in G. O. P. circles for many years, Herbert Hoover and Alfred M. Landon? Mr. Hoover has intimated that he will now retire. It is conceded on all sides that he has been working for years to put Dewey in the White House. There appears to be an excellent chance that this ambition will be achieved. Mr. Landon's situation is not quite so apparent to the casual observer. He has been rated as a strong isolationist. That may also apply to Mr. Landon. We shall see.

### Wounded in Action

Word has been received that Lieutenant Leslie R. Phalen, son of the late Rev. Paul S. and Mrs. Phalen formerly of West Newton, has been wounded.

Lt. Phalen has been in the navy since before Pearl Harbor, has done Atlantic and Pacific duty and has been in the Casa Bianca, Sicily and Salerno battles as well as the Invasion.

### John S. Whittemore Urges Voting Interest

At a meeting last Monday night, John S. Whittemore of Newtonville stated, "Every citizen, particularly at this time, should take a sincere interest in selecting responsible candidates for public office. On Tuesday, July 11," he continued, "we hold the Republican primaries to nominate our candidates for the legislature from the Fourth Middlesex District which comprises Wards 1, 2, 3, and 7 to fill the vacancy caused by the resignation of Major Loomis Patrick, who is in the armed forces. It is both a duty and a privilege for every registered voter to cast his or her ballot at the primaries at this important time."

Mr. Whittemore, a resident of Newton for many years, is a candidate for nomination for Representative to the Legislature from the Fourth Middlesex District. He is active in the Community Chest, Red Cross, Newtonville Improvement Society, and has had many years of successful business experience. He is Secretary-Treasurer of the Eastern Commerce Travellers Association. His election will place another good public servant from Newton in the State House.

### Many Newton Trade Seniors in Service On Graduation Day

Newton Trade School, in its third war-time graduation, again has ended its school year with practically no seniors in the city to receive their diplomas.

Twenty boys comprise the Class of 1944. Because the Unit Trade courses extend over a period of four years, and are normally taken by students who have completed Junior High School, all of the class members have attained military age, and are either in training in this country or are overseas.

Because of their trade training, most of these graduates are assigned to technical work in the Army or Navy. A souvenir directory has been printed by the Trade School Press, containing greetings to the graduates from Superintendent Homer W. Anderson, Director James Forbes, and graduates to their GI schoolmates. In the alphabetical listing in this directory appear both home and military addresses of the class. Copies have been mailed, together with the diplomas, to the homes.

Following is the list of members of the graduating class: Michael J. Anzivino, Electrical, 10 Beech street, Needham; Tunney H. Bedigan, Electrical, 85 Mt. Vernon street, Newtonville; Ralph F. Brannen, Machine, 56 Center street, West Haven, Conn.; Alfred D. Buell, Machine, 9 Everett street, Natick; Herman Cartier, Automobile, 319 Elliott street, Newton Upper Falls; Harold L. Czarnetzki, Automobile, 158 Baylton road, Brighton; Thomas H. Egan, Machine, 20 Mount Pleasant, Newtonville; John Garabedian, Machine, 1204 Chestnut street, Newton Upper Falls; Joseph M. Gilmore, Machine, 839 Watertown street, Newton; Emmanuel S. Godino, Machine, 3 Sylvan road, Waban.

E. Being, Going, Electrical, 115 Lexington street, Auburndale; John J. Halloran, Jr., Automobile, 15 Kensington street, Newtonville; Edward B. Hamon, Printing, 51 Circuit avenue, Newton Highlands; John Lobach, Electrical, 13 Beech street, Newton; William L. Kimball, Maloney, Machine, 21 Brook street, Newton; Timothy J. Mannix, Jr., Automobile, 126 Blanchard road, Belmont; William J. McCarthy, Jr., Automobile, 35 Kensington street, Newtonville; Edmund A. Piselli, Automobile, 28 Longwood road, Newton; Roland L. Porter, Jr., Machine, 90 Erie avenue, Newton Highlands; Steven P. Umima, Electrical, 46 James street, West Newton.

### Community Vacation School Now in Session

The Community Vacation Church School of Newtonville, held at Central Congregational Church, Walnut street, will continue except on June 28th, and will continue except on Saturdays and Sundays, and July 3, 4 and 5, each morning from 9:00 until 11:45 for pupils 3 to 12 years of age.

An exceptionally fine group of teachers, Misses Margaret Height, supervisor of the Kindergarten, who is a graduate of Framingham Teachers College and a teacher by profession, Miss Martha Paul, supervisor of the Primary Department, who is a graduate of Wheelock School, and Edgar Birdsal, an experienced church school teacher. Mrs. Richard Loud, a graduate of LaSalle Junior College and an experienced camp leader, is in charge of the Junior Department, and Mrs. William Bell is in charge of music. Among the assistants are Miss Nancy Cole, Miss Ann Eddy and Miss Nathalie Miller.

The school is financed by gifts from the Newton Methodist Church and Central Church, and by a tuition charge of 50 cents per week from pupils of other church affiliations. There is a tuition charge of \$1.00 per week for all Kindergarten pupils. Mrs. Russell Baker, Director of Education for Central Congregational Church, superintends the Vacation School.

### Daughters of the British Empire

The regular meeting of the Temple Court Chapter was held at the home of Mrs. L. C. Stien, 70 Glen avenue, Newton Center.

The guests of honor were Miss Jenkinson, president of the State Council and Mrs. Upton, Regent of the Temple Court Chapter. Tea was served by the hostess and a social hour followed.

## NEWTON In The Past

55 Years Ago

Newton Graphic, June 28, 1889 Richardson street, Newton, is nearing completion, and it now has a road bed that ought to last a hundred years at least, judging from the amount of stone that has been put upon it.

St. Bernard's Catholic Church of which Rev. Lawrence J. O'Toole is the pastor, situated on the corner of Washington and Prospect streets, West Newton, was almost totally destroyed by fire Sunday evening, little being left of the building above the basement but the brick walls which alone remained standing. The news of the fire spread quickly and in an incredibly short space of time the streets and yards in the vicinity outside of the line roped off by the police were packed with people, while every sort of vehicle with its load of curious passengers got as near to the burning building as possible. It was estimated that upwards of 10,000 persons watched the fire. The church was organized about 20 years ago through the efforts of Rev. Father Flood and completed in 1871. It cost \$45,000 and was free from debt a few years after the building.

A detachment of the tribe of red men dressed up as regular Indians caused quite a sensation while passing through here Wednesday distributing programs for the picnic in Sherborn. Numerous fish horns supplied sufficient noise to satisfy everybody.

50 Years Ago

Newton Graphic, June 29, 1894

The annual Read fund picnic comes off tomorrow, at Pine Grove, and the train will leave the Newton station at 8:10.

The selectmen of Watertown have granted the Newtonville and Watertown Street Railway Company an extension of one year in which to extend the tracks to the Boston line.

The Newton Highlands Improvement Association is up and coming. They have had waste barrels placed in convenient places for the deposit of paper, etc., and it is hoped they will be made use of instead of littering the sidewalks and streets.

The chief topic of conversation among citizens this week has been the control of the Mason school fire, and Acting Chief Ranlett is highly praised. The damage will not exceed \$500.

25 Years Ago

Newton Graphic, June 27, 1919 The Newton Board of Trade held the most successful outing in its history Wednesday afternoon when nearly 100 business men of the city made an automobile trip to Bass Point, Nahant.

All of the grammar schools in the city closed this week for the summer vacation. The graduates of the graduating classes were presented with diplomas. In accordance with the custom of several years there were no special exercises at the graduation.

On June 16th Newton carpenters went on strike for \$1.00 per hour, an increase of over 40%, a much larger increase than they are striking for in Boston, where they have been out since May 12th.

Let us all strive to make the coming Fourth of July a safe, sane and sensible holiday.

### Suggests Change in Name of Department

A recommendation that the name of the Soldiers' Relief Department be changed to Veterans' Service Bureau has been presented to the Newton Board of Aldermen by the soldiers' relief committee. Action on the matter is expected at the next meeting of the board.

The matter has been referred to the claims and rules committee for further study. In the meantime, the soldiers' relief committee is considering many problems that have arisen since the present war, requiring other changes. The proposed change of name is in line with similar action by other municipalities and is recommended by the Massachusetts Department of State Aid and Pensions.

The soldiers' relief committee is composed of Carroll J. Hoffman, chairman; Wendell R. Bauckman, President Joseph B. Jameson, Louis A. Myers, and Charles P. Slocum. Edmund T. Dugan is soldiers' relief commissioner. His staff now consists of an investigator and a secretary.

The change of name is but one of many new features planned in preparing to meet the need to assist in the rehabilitation of returning servicemen. One of the pressing problems is to coordinate the work of the department with that of private agencies, including the recently formed Committee for Returning Veterans, organized and functioning under the Newton Community Club. Another agency that is involved in similar work is the Red Cross.

### Newton

Dr. Stephen F. Mallett of 129 Farlow road was elected president of the Massachusetts Dental Society at the annual dinner meeting held at the Hotel Statler, Boston on Monday night. He will succeed Dr. John K. Wallace of Winchester.

### Conroy Elected Grand Knight at Annual Meeting

At the annual meeting of Newton Council Knights of Columbus held in Elks Hall, Newton, Martin E. Conroy was elected grand knight and his brother, Joseph F. Conroy deputy grand knight.

Other officers elected were: Raymond A. Perry, chancellor; Edward White, warden; William Gerrity, recording secretary; John Gallagher, financial secretary; George Linnehan, treasurer; Thomas Fleming, inner guard; Raymond Keegan, outer guard. The new officers will be installed at the first meeting in September. Newton Council Night was held at the K. of C. Servicemen's home, 36 Commonwealth avenue, Boston on Tuesday evening, with Grand Knight Martin Conroy in charge, assisted by Austin Morgan, Bernard O'Donnell and Raymond Keegan. The entertainment and refreshments were provided by Newton Council.

### Miss Barbara Nee Nominated President Of Legion Auxiliary

Miss Barbara Nee was nominated, unopposed, to be president of the Newton Unit, American Legion Auxiliary for next year at the War Memorial Building, Newton Centre.

Other nominations were as follows: Miss Margaret McPherson, for senior vice president; Mrs. Dorothy Patterson, for junior vice president; Mrs. Esther Faherty, for secretary; Mrs. Ann McPherson, for treasurer; Mrs. Marion Connell and Mrs. Charlotte Heald, for chaplain; Mrs. Mary Farlow, for historian; Miss Catherine Connell, for sergeant-at-arms. Nominations for the three executive board posts were Mrs. Gertrude Nee, Mrs. Catherine Chandonait, Mrs. Corabelle Francis and Mrs. Mary Flynn.

The officers will be elected at a meeting of the Unit on Wednesday evening, July 19.

### Newton Voting Lists Revised

In the annual revision of the Newton voting lists by the City Clerk's office, nearly 2,000 voters were dropped from the lists for reasons of death or removal from the city.

The number qualified to vote at the city election last November was 35,867, but after the revision the number of registered voters was reduced to 33,894, exclusive of those registered at the period that closed this week. The figures on this year's registration have not been completed. The list of 33,894 voters includes 4,348 Democrats, 13,961 Republicans and 15,585 who have not voted at party primaries and are therefore undeclared. The registered Republicans thus outnumber the Democrats three to one.

Because of the fact that this is a Presidential election year, the number of voters registered is expected to take a big jump before the November election. The increase in the number of registered voters last year between the time of the completion of the annual revision and the city election was only 423, but the lack of interest was largely due to the fact that there was no contest for the office of mayor.

### Newton Chamber of Commerce Bulletin

Employment and Payrolls The following figures covering Employment and Payrolls in Manufacturing Establishments in Newton for the month of May 1944 compared with the month of May 1943:

Average number of employees, 1944, 7301; 1943, 7796. Decrease 495, 6.7%. Amount of Payrolls for month, 1944, \$1,091,615.00; 1943, \$1,090,232.00. Increase \$383,800, 1.7%. The State average on Employment for May, 1944 was smaller by 7.7% than May, 1943. Newton was 6.3% smaller for the same month. The amount paid in wages for the month of May, 1944 was 0.6% smaller than May, 1943. Newton was 1.7% greater for the same month. You will notice that the trend of employment has turned downward as compared with a year ago, the average weekly earnings, however, are on the increase. \$35.07 for May, 1944 as against \$32.27 for May, 1943.

Warning A man going under the name of Leonard Leavitt, between 30 and 35 years old, about 5 ft. 9 inches tall, 175 pounds, dark hair and eyes, dark complexion, regular features, wears eyeglasses, and well dressed, is travelling about the country obtaining merchandise with forged purchase orders. Be on the lookout for a man of the above description offering a purchase order bearing the name of a Newton manufacturer.

"What's Wrong With Management?" In June, 1943, "The Reader's Digest" offered \$100.00 prizes for the best letters from employees on "What's Wrong With Management?" The letters from some 10,000 writers have been analyzed and tabulated on the basis of so many complaints per thousand letters and published in a booklet for free distribution. "The Reader's Digest Association" Pleasantville, N. Y., for a copy, it's worth-while reading.

The 5th War Loan To make its quota Newton needs credit for every bond purchased by individuals and companies. All "E" Bonds purchased in Newton go to the credit of Newton; if purchased elsewhere we do not receive credit. Companies buying for their own account through Boston banks can have credit given to Newton by so stating on their application blank.

### Nutrition Program

(Continued from Page 1)

thinking along these lines but Newton is one of the first to translate plans into action. It is also particularly noteworthy that such organizations as Red Cross and Newton Community Chest have joined hands to make it possible for the City to continue to help in this work without undue added expense.

Chairman of the Newton Community Council Nutrition Committee, under whose supervision the program will be carried out, is Dr. Frederick A. Stare, one of the country's foremost authorities on nutrition and Associate Professor of Nutrition at the Harvard Schools of Medicine and Public Health. Other members of the Committee are:

Mrs. Joseph P. Bishop, Chairman, Nutrition Committee of Red Cross; Miss Constance Brine, Chief Dietician, Newton Hospital; Mrs. John F. Brown, Newton District Nursing Association; Mrs. Elizabeth K. Case, Harvard School of Public Health, Nutrition Department; Mrs. Frank Conley, Newton Catholic Welfare Committee; Harold B. Cores, Newton School Department.

Mrs. George Hinman, At Large; Miss Ethel Knight, Director Home Service Dept. Newton Red Cross Chapter; Miss Grace Lawrence, Representing Newton Board of Health; Dr. Ernest M. Morris, Director, Department of Public Health; Mrs. Clayton Pearson, Family Service Bureau; Dr. Franz Stenzel, Physician; Miss Esther H. Story, Newton Hospital.

In an interview Dr. Stare said: "Newton has just invested in another health policy which will pay good dividends in the future to its citizens. There is a popular saying that 'good nutrition will add not only years to one's life but life to one's years'. Part of the merit of this work lies not only in its value to Newton but to the whole country. It is an extravagant statement, Dr. Stare explained that, through his interest in Public Health, he has visioned the importance of a well-organized and functioning nutrition program as a demonstration to the students of the Schools of Public Health and Medicine. With this in mind he has offered to Newton, in addition to his own personal affiliation, the services of Mrs. Elizabeth Kingsbury Case of the Harvard School of Public Health Nutrition Department, to help in the reorganization of Newton's nutrition program.

Mrs. Case, through her past experience as State Nutritionist Consultant in Public Health Training, will have considerable to offer in guiding this work. In conclusion Dr. Stare said, "We are all pleased with the progress the Nutrition Committee has made and are expecting important developments in the future."

Hyde School. Frank M. Simmons of Newton High School was granted a \$100 increase in salary as having attained five-year college training rating.

Florence E. Quinn of the Peirce School was given a \$100 salary increase having reached the rating of a master's degree. Charles M. Peterson of Newton High School was granted a \$25 increase on the basis of a rating six years of college training. Superintendent Homer W. Anderson reported that in the recent "Save the Children" drive for bundles of clothing for children of occupied Europe 490 bags were contributed by pupils aggregating four tons of clothing. The board voted to comply with the request of the State Department that the School Department accept a Chinese student to teach next year.

### Philip Carter Urges All to Go to Polls

Philip W. Carter of West Newton, in addressing a Newtonville audience on Wednesday evening said in part:—"Since announcing my candidacy for the State Legislature last February as a military substitute for Major Loomis Patrick, now serving in the Allied Military Government, I have constantly stressed the importance of exercising the franchise this year of all years. The right to vote is one of the very precious rights for which our fine young men and women are fighting in all corners of the world. Therefore, regardless of your own particular choice for any given office, we urge you to go to the polls on TUESDAY, JULY 11. That is the very least we can all do to help maintain the home front."

Mr. Carter is a life-long resident of Newton and has been active in countless community activities. These include the Community Chest, the Family Service Bureau, the Newton Players, the American Legion, the Boy Scouts (he organized the Sea Scouts in Newton) and long service on the Republican City Committee. In the business and professional field, Mr. Carter has been connected with the Carter Ink Co., Lockwood-Greene Co., mill managers and engineers and the Open Road Publishing Co., publishers of the Open Road for Boys, Outdoors and Child Life. He has also been a frequent contributor for newspapers and magazines and has done considerable publicity work. His friends believe that he has more than the average qualifications for useful service in our State Legislature.

### Police Chief Hughes Announces Safety Drive Over the 4th

Police Chief Hughes of Newton has announced that a special enforcement campaign will be in effect over the Fourth of July holiday season. The campaign, he said, is in co-operation with a nationwide drive being conducted by the National Safety Council to reduce the staggering holiday death toll which occurs annually at this time.

"The Police Department is asking every citizen to enlist in this campaign to save lives and property over this holiday season," Chief Hughes said.

"This is no time for anyone to be wasting lives, property and time through needless accidents. Yet, the traffic accident death toll is up 15 per cent for the first four months of the year. A little commonsense, courtesy and care in driving will halt this mounting toll."

Chief Hughes pointed out that many war workers would be going to and from work despite the holiday period. He predicted that, gas or no gas, the holiday traffic will be heavy.

"One of the best ways to help our boys of Newton who are out there fighting for us is to stop accidents that waste manpower here on the home front. Those boys must have every bit of material they need for the invasion. Our job is to give it to them. Accidents slow our efforts."

Chief Hughes emphasized that violators of wartime traffic driving restrictions not only are flirting with death, but exposing irreplaceable cars to destruction.

### To Crush Gasoline Black Mart

The Petroleum Industry Committee on Rationing has set in motion an intensive program to cooperate with the government in stamping out the black market operations which have been stealing more than 2,500,000 gallons of automotive gasoline daily.

A. Clarke Bedford, chairman of the committee for District 1, comprising 17 Atlantic Coast states and the District of Columbia, stressed the importance of stamping out the black market.

"Gasoline is one of the principal weapons of this war," he said. "It is playing a tremendously important part in the battle of Europe and soon will play an even more important one. Naturally, military needs come first, but misuse of our limited home supply robs millions of honest car owners—doctors, war workers, and others who must use a limited amount of gasoline. Slowing down the war effort at home actually jeopardizes the lives of our fighting men. The government, the public and every employee of the petroleum industry must cooperate to stamp out the black market in gasoline."

Allied bombers and fighters over Europe burn more gasoline in one day than all the "A" book holders here at home. That is why it is not anticipated that there will be any additional gasoline available for motorists this summer. The petroleum industry is cooperating with the government to inform the public of the true situation on gasoline and combat the traffic in black market coupons. Thus the oil industry has organized to educate the public on the seriousness of the traffic in black market gasoline coupons and to combat the menace in every possible way.

Enforcement officers of the OPA will address meetings to acquaint state chairmen and representatives of cooperating oil companies with the seriousness of the black market situation, the extent of counterfeiting and steps which

should be taken. The committee has made plans to inform the public of its operations through service station display material and other means.

There are four ways in which the public can do its share to see that doctors, war workers and other essential users of gasoline on the home front get their fair share without slowing down the war.

1. Write their license numbers and states on all their coupons immediately. This makes it easier to trace illegitimate coupons issued by gangsters.

2. Avoid buying gasoline without coupons.

3. Refuse to buy gasoline coupons or accept them as gifts from anyone. The chances are that somewhere along the line they were stolen or counterfeited by a criminal gangster.

4. Never apply for more gasoline than actually needed for essential purposes. Gasoline powers the attack. Every drop that can be saved at home must be saved.

### Newton Secretarial School Summer Session Opens July 10

On Friday, June 30, the Newton Secretarial School will mark the close of five years of service to the people of Newton and surrounding cities and towns.

The director of the School, Mrs. Esther C. Mortimer, expresses her appreciation of the support given the School. She promises that the School will endeavor to render greater service during the coming years.

The regular summer session will open July 10. Classes are scheduled in the evening division as well as in the day division to meet the calls which have come from young people who this summer want to learn while they earn.

### Speaking Of Politics

#### Convention Soothsayers Divided Over Dewey's Chances . . . A Case of Master Politician vs. GOP Conservative . . . Willkie Still? Mark . . .

• • • If you are willing to push your way through a sufficient yardage of the expert views and interpretations pronounced by the political pundits covering the Republican national convention in Chicago, you are almost certain to find some flavored to meet your particular political tastes, whatever they may be.

Some of the seers with strong Republican sympathies have all but conceded the election of Governor Thomas E. Dewey, and from their writings you might almost gather that the next event on the political timetable is Mr. Dewey's inauguration as President of the United States.

Still other of the convention soothsayers, possessing a loyal allegiance to FDR or a sour stomach from too much night-before conviviality, reported that an air of defeatism pervaded the conclave and that many of the GOP delegates had strong misgivings as to the likelihood of Mr. Dewey's election.

One noted scrivener went so far, before Dewey was even nominated, as to rate him on the short end of a three-to-one bet to win election next November.

The real truth, of course, lies somewhere in between the extreme versions, and the Presidential fight will be won and lost in the next four months, with its outcome hinging to some degree on battlefield developments over which neither candidate will have any control.

From the observations of competent and unbiased observers it is evident that much of the enthusiasm that marked past conventions was missing from this week's gathering of the Republican leaders of the nation. There was nothing near the exuberance that existed four years ago when Wendell L. Willkie surged out of obscurity and was swept to a sensational and startling victory on a wave of public opinion.

That may have been due in a large measure to the grim shadow of war that hung over the convention. The delegates went about their duties for the most part in sober, business-like fashion. Under present-day conditions it would have been surprising had they done otherwise.

Then, too, the nomination of Governor Dewey was a cut and dried affair and a foregone conclusion before even the earliest delegates reached Chicago. There was no hard fight to stir the emotions and fire the enthusiasm, and some observers point out logically that as a result there are less scars to heal and fewer party breaches to close before election day.

Dewey was the calm, impersonal choice of many of the delegates who cast their ballots for him and who boarded his bandwagon early, not because of any great enthusiasm for him but because they considered him the member of their party who had the strongest chance of winning election over President Roosevelt next November.

This was an unusual convention in many ways. A man was able to win the Republican nomination for the highest office within the gift of the American people without even publicly conceding his candidacy for it or committing himself on any subject more controversial than the weather.

What type of campaign Dewey will conduct remains to be seen. He is an extremely conservative man, aloof and retiring by nature. Some observers doubt that he has the political knack of making friends. But he has given the people of New York a sound administration, and he is surrounded by men who are shrewd and skilled political craftsmen.

But he and his advisors will be opposing the master politician of our time, possibly of all time, whose direction of our war effort has been virtually above criticism. The fight by Dewey and his strategy board is not a hopeless one, but it's far from an easy one, and in the meantime the big question mark in the GOP picture is Mr. Wendell L. Willkie. If he bolts the Republican party, it will cost Mr. Dewey many, many votes.

#### Mayor Tobin Choice of Most Observers To Defeat Hurley, Oppose Cahill for Governor . . .

• • • As the Republican delegates wend their way back home, political attention will shift to the coming primary battle, with major interest centered on the fight for the Democratic nomination for Governor between Mayor Maurice J. Tobin and State Treasurer Francis X. Hurley.

Most political observers anticipate Tobin's nomination as his party's choice to oppose Lieut. Governor Horace T. Cahill in the November election. Democratic leaders generally consider the Boston Mayor the strongest man their party could put up for Governor, and most of them have rallied behind his candidacy.

They point out that the Democratic party has taken on new spark and fire since Mayor Tobin's entrance into the gubernatorial fight last month. They believe the record he has made as Boston's chief executive during the last 6½ years will command him respect and support, not alone in his home city but throughout the entire state.

The realistic Democratic chieftains feel that Hurley would have less chance of winning in November, expressing the conviction that he would be unable to muster solid support within his own party because of his action in bolting the Democratic ranks in 1936 when he supported Alfred M. Landon for President and again in 1940 when he backed Wendell Willkie.

Mayor Tobin is waging an active campaign and this week started his intensive drive for the gubernatorial nomination with a series of speeches reviewing his public record and outlining his qualifications for the office he is seeking.

Treasurer Hurley up to the present writing has done nothing beyond announcing the makeup of his campaign committee, but it is understood that he will make a concerted drive in the closing stages of the contest.

Mayor Tobin's campaign received a real boost this week when he was given the unanimous endorsement of the Boston Central Labor Union of the American Federation of Labor which made public a resolution praising him as "a real friend of the working people." This gives Tobin virtually the united support of organized labor for both the primary and election campaigns.

#### Newton Rated Sixth In Traffic Safety

In the June issue of Public Safety, monthly publication of the National Safety Council, the City of Newton is rated sixth in its population class in the entire country in traffic safety as far as automobile fatalities are concerned.

The period covered in the report was the first four months of 1944. In the table accompanying the report, Newton had no fatalities in the first four months of 1944 and 1943, compared with three in the corresponding period of 1941. Newton and the five leading cities had no auto deaths in the first four months of this year. Only two of these six cities, Newton and New Britain, were without auto fatalities in the first four months of 1943 also, the other four cities having one death each. In the corresponding period of 1941, Portland had one fatality, Waterloo 3, New Britain 4, Cleveland Heights none, Brockton 3 and Newton 3.

The table covers only motor vehicle deaths resulting from traffic accidents that occurred in the city. Non-traffic motor vehicle deaths (where the accident occurred on home or industrial premises) are not included; nor are deaths in the city from accidents occurring outside.

### Congressman Herter Appoint Candidates

Congressman Christian A. Herter of the 10th Massachusetts Congressional District has been officially informed by the War Department and by the Navy Department that he will be requested to name a candidate for appointment as cadet at the U. S. Military Academy at West Point, and two candidates for appointment as midshipmen at the Naval Academy at Annapolis, who if finally found both physically and mentally qualified, will be admitted to the appropriate Academy the first of July, 1945. Because of the many inquiries he has received during the past several weeks, the Congressman has decided to give all of the applicants a chance for appointment. He has arranged with the Civil Service Commission for the holding of a competitive examination on July 29th to help him in selecting suitably qualified candidates. In view of present uncertainty as to openings for appointment, this may be the only opportunity for a competitive examination. Naturally, the rating received by the various candidates may well determine the appointment. The examination will be open to all boys who are bona fide residents of the District and are between the ages of 17 and 22 years for West Point and 17 and 21 years for Annapolis. It will embrace the subjects of Algebra, Plane Geometry, English Composition and Literature and United States History and will be of the same general scope as the regular entrance examination to the academies. The Congressman should be informed as soon as possible by those who desire to take the examination where they would like to be examined. He needs this information to give the Civil Service Commission.

## NEWS OF OUR MEN and WOMEN IN UNIFORM

Lt. Gen. Millard F. Harmon, commanding U. S. Army Forces in the South Pacific, announced the award of the Oak Leaf Cluster in lieu of an additional Air Medal to Tech Sgt. Francis R. Keefe, son of Mr. and Mrs. Thomas J. Keefe of 451 Lexington street, Auburndale, as aerial radio operator runner from March 29 to April 18.

A bronze Oak Leaf Cluster is awarded for meritorious achievement while participating in sustained combat operational missions of a hazardous nature during which enemy anti-aircraft fire is effective or where enemy fighter patrols are habitually encountered. The missions for which the award was given were with the 13th AAF.

Staff Sgt. Robert S. Bell, son of Mr. and Mrs. James Bell of 93 Waban park, Newton, has been awarded the Good Conduct Medal, for over a year of exemplary behavior, efficiency and fidelity as a soldier of the United States Army.

He is a graduate of Newton High School and before entering the armed forces was employed by the Morgan Bros. Creameries of Newton.

The presentation of the Good Conduct Medal was made by the commanding officer of the Service Command, New Caledonia, before an impressive formation of the Quartermaster Battalion to which Sgt. Bell is attached.

Mr. and Mrs. Douglas D. Furbush, 77 Davis avenue, West Newton, have received a telegram from their son, Douglas D. Furbush, Jr., U. S. Navy, stating that he has arrived at the West Coast after returning from Australia and has been promoted to coxswain's mate. He had previously made trips to Italy and North Africa.

Their daughter, Pvt. Thelma Louise Furbush, has just completed her recruit training at Camp Lejeune, N. C., as a member of the Marine Corps Women's Reserve, and has been assigned to the Marine Corps Air Squadron at Cherry Point, N. C. She received an average of 96.3 in her examinations.

Mr. and Mrs. Furbush have another son in the service—Desley Furbush, in the A.S.T.P., at Rock Island, Ill.

A USSTAF AIR SERVICE COMMAND DEPOT (Somewhere in England)—Cpl. Thomas F. Maher, Jr., son of Mr. and Mrs. Thomas F. Maher, of 5 Washington St., Newton, Mass., is a member of a quartermaster truck company which celebrated its second anniversary of service in England on June 13.

Invited to the large get-together and party held at this Air Service Command aircraft repair depot where the outfit is stationed was 10-year-old Jeffrey Gibson, a victim of infantile paralysis.

The little English boy, son of the operators of a cafe in the Midlands where the drivers stop for "tea and cakes," was presented with a wheel-chair by the hard-boiled "Yanks" who pilot their heavy vehicles all over the United Kingdom.

One of the first quartermaster truck contingents to arrive in England, it has contributed much in transporting material and supplies for the building of the vast Air Forces installations here.

Cpl. Maher was employed by the Futurity Thread Co., Newton, Mass., before entering the service.

Brig.-Gen. J. F. C. Hyde, a grandson of the First Mayor of Newton, is now in the South West Pacific. His son, Capt. J. F. C. Hyde, Jr., has been in Italy for some months and word has been received that he has been wounded by a grenade. His arm and leg are broken.

SOUTH PLAINS ARMY AIR FIELD, Tex.—Pvt. Charles Dan Switzer, son of Mrs. Eleanor Switzer, 72 Agawam road, Waban, is now stationed at South Plains Army Air Field at Lubbock, Texas.

Private Switzer is now taking "on the line" training at SPAAF in starting the routine which will lead to wings as a pilot, bombardier or navigator in the Army Air Forces.

He graduated from Newton high school where he lettered in hockey.

A NINTH AIR FORCE SERVICE COMMAND UNIT, E.T.O.: An Auburndale, Massachusetts man, Pvt. Jack Gray, of Auburn street, is a radio operator-mechanic on a twin-engine transport plane attached to this IX AFSC Air Transport Group. Private Gray operates the radio and maintains plane to plane and plane to ground communication while the plane is in flight. His father, Mr. Roy Gray, lives at the same address.

After graduating from Newton high school he was employed in Boston as an insurance clerk by the Boston Insurance Company. In November 11, 1942, he entered the U. S. Army Air Force and after basic training he went to Scott Field, Illinois for training in radio operation and mechanics.

The IX Air Force Service Command to which he is assigned is the unit of supply, repair, and maintenance for the fighter and bomber squadrons of the invasion-supporting Ninth Air Force.

### AN EIGHTH AAF BOMBER STATION, ENGLAND — Staff Sergeant Fred C. McMillian, 28, radio-operator-gunner on an 8th AAF B-24 Liberator, has been awarded the Air Medal. The decoration was conferred for "exceptionally meritorious achievement" participating in six separate combat missions over enemy occupied continental Europe.

Sgt. McMillian is the son of Mr. and Mrs. R. R. McMillian of 33 Highland avenue, Newtonville, Mass. Prior to his entry into the AAF, he was employed by the Liberty Mutual Insurance Company of Boston, Mass.

Boise, Idaho, June 22 — Maxwell Van Valen, son of Mrs. A. Van Valen of 339 Lowell avenue, Newtonville, has just recently graduated as an Aviation Cadet and received his wings as a 2nd Lieutenant according to word received from Gowen Field, Idaho, where he is stationed.

Lt. Maxwell Van Valen, before he entered the army October 17, 1942, was a student in school. The Lt. now acts as a pilot on one of the B-24 bombers at the Idaho Air Base.

Petty Officer 1-c Thomas F. Matherway, son of Mr. and Mrs. John Matherway of 4 Margaret road, Newton Highlands has arrived home from the South Pacific and is spending his furlough with his wife, Mrs. Martha Matherway and their two young sons.

While in the South Pacific he took part in two major battles on a Coast Guard LST which on one occasion was stuck overnight on a sand bar within range of enemy guns.

Motherway served in the Marines for three years in the early '30s and entered the Coast Guard in February, 1943 with a cook's specialist rating. He was sent to the South Pacific in April of last year. He was formerly employed by the City of Newton and later as a postal clerk in Wellesley.

Chief Warrant Officer Henry G. Dath of 32 Rowe street, Auburndale, has returned home on convalescent leave after 19 months of service with the Seabees attached to the First Division of the Marine Corps on several of the islands in the Pacific.

Dath who is 44, is a veteran of World War I having served with the Marines. He is married and has three children and one grandchild. A son-in-law Paul McHugh is serving with the U. S. Marine Corps.

While in the Pacific area he chanced to meet Pfc. John Carley of Charlesbank road, Newton, whom he had known for many years. Pfc. Carley has been cited for meritorious service.

Ensign Samuel E. Cutler, Jr., USNR, of 31 Sargent Park, Newton, was recently commissioned at Plattsburg, New York, and is on a week's furlough before leaving for sea duty.

### Garrett Seeks Nomination for County Commissioner

Ralph L. Garrett, present chairman of the Somerville Republican City Committee and former West Somerville Alderman, has announced his intention of seeking one of the two Republican nominations for the Middlesex County Commissioners—Four Year Term.

Long prominent in local politics and State Republican affairs, Garrett heads a local insurance brokerage business and is active in civic, charitable and church activities. He is a director of the Somerville Associated Charities and Moderator of his church.

Educated in the Somerville public schools, the Chauncy Hall School, Massachusetts Institute of Technology and Suffolk University School of Law, Garrett, like so many other business and professional men, devotes a portion of his day to war production.

Garrett is a lifelong resident of the County, a home-owner and resides with his family at 1088 Broadway, a candidate for this office on learning that one of the present incumbents, Archie Giroux of Lexington, would not seek re-election.

### Slightly Wounded On First Mission

Sgt. William J. Shomppe, son of Mr. and Mrs. Patrick W. Shomppe of 9 Grant street, West Newton, was slightly wounded in Hollandia on June 9 while on his first mission as a radio-gunner on a Liberator.

A telegram received from the War Department by his parents.

Sgt. Shomppe was graduated from the Newton High School in 1938 where he was on the varsity football squad. He has since served about a month ago.

Three of his brothers are in the service. Pfc. Arthur Shomppe with the Air Forces ground crew in England; Pfc. George Shomppe with the Air Forces in Florida, and Lt. Arthur Delaney with the infantry in New Orleans, La.

### Melvin G. Rogers To Seek Republican Nomination

Courthouse, Cambridge—County Commissioner Melvin G. Rogers of Tewkesbury is seeking the Republican nomination for the two-year unexpired term at the primaries on July 11. He was unanimously appointed in June, 1943, to fill the vacancy in the office of County Commissioner resulting from the death of the late Commissioner Charles C. Warren and has now served in that office for over a year. Mr. Rogers was also Associate Commissioner of Middlesex County from 1928 to 1938. He has been elected moderator in his home town of Tewkesbury for thirty-six consecutive years, a record in Middlesex County.

Commissioner Rogers is a graduate of the Lowell High School, attended college and graduated from the law school at the University of Pennsylvania, receiving his law degree cum laude. Since his admission to the bar in 1905 he has been engaged in the practice of law in Lowell, Cambridge, and in various trial cases. At present he is a member of the law partnership of Rogers & Sherburne of Lowell. At various times he has been counsel for the towns of Tewkesbury, Billerica, Carlisle and North Reading.

Commissioner Rogers is a trustee of the Lowell Y. M. C. A. and a trustee of the Children's Home of Lowell. He is the owner of one of the largest farms in Middlesex County and is especially interested in the work of the Middlesex Cooperative Service and the 4-H Clubs. He is also chairman of the advisory board for registrants for Selective Service District No. 11.

### Celebrates First Solemn High Mass

Rev. George H. McCarron, S.J., son of Mr. John F. McCarron, celebrated his first solemn high mass on Sunday, June 25, in the Church of Our Lady, Newton. Rev. William Murphy of New York, a member of the Franciscan order, was the deacon and Rev. Joseph Burke, S.J. of Brighton, sub-deacon. Fr. Edward Callahan of Weston College was master of ceremonies. The sermon was delivered by Rev. Joseph R. Maxwell, S.J., president of Holy Cross College. Rev. Russell T. Haley was seated in the sanctuary.

The reception attended by nearly 350 relatives and friends was held at the home of Fr. McCarron's brother, Robert D. McCarron of 1776 Washington street, Auburndale.

Fr. McCarron was graduated from Our Lady's High School in 1931 and attended Boston College for two years. After four years at Shadowbrook in Lenox he taught at Holy Cross College for four years. He was ordained at Weston College on June 17 and will return there to await an assignment.

### Board of Aldermen Adopt Resolution

The Newton Board of Aldermen adopted the following resolution at their meeting on Monday night paying tribute to Mrs. Teresa G. Marshall who recently retired as chairman of the Recreation Commission:

WHEREAS, Mrs. Teresa G. Marshall, after many years of service, is retiring from the Newton Recreation Commission, and

WHEREAS, Mrs. Marshall's long and faithful service on the Commission has not only endeared herself to all who have worked with her but to all those who have come to contact with her, both young and old, and

WHEREAS, Mrs. Marshall's unusual understanding of human nature and devotion to ideals have been reflected in the excellent accomplishments of the Recreation Commission throughout all the months of the year, and

WHEREAS, The retirement of such a self-sacrificing and public-spirited citizen of Newton should not pass without public recognition. Therefore, BE IT RESOLVED:

That the Board of Aldermen of the City of Newton extend to Mrs. Teresa G. Marshall, in the name of the City, their deep appreciation for all her past efforts in behalf of the Recreation Department and the children of Newton, and express their sincere regrets that she finds it necessary to retire from the Recreation Commission.

The resolution was drawn up by a committee consisting of Aldermen John A. Barwise of Ward 1 and Sydney Baylor of Ward 5.

### Clubs Unite for Camp Devens Tea

The third in a series of afternoon teas was held at the New Station Hotel at Fort Devens on Sunday by members of the Newton Community Club and the Newton Junior Community Club.

Miss Marjorie W. Aldrich, chairman of the War Hospitality Committee of the Senior Club, was in charge of the arrangements. Mrs. Frederick G. Howe, Jr., Mrs. Herbert G. Bedell, and Mrs. Edmund T. Collins, Frederick G. Howe, Jr., and Alfred W. Barr also attended. Representing the Junior Club were Miss Ruth W. Aldrich, president, Miss Jan Mansfield, vice-president, Miss Lydia Mattis, corresponding secretary; Mrs. Herbert Hopkins, treasurer; and Miss Karen Erickson.

Home made cakes, cookies, and candy, as well as several pounds of mixed nuts and quantities of fruit and gingerale for fruit punch were contributed by members of both clubs. Red candles in silver candelabras and a flower arrangement of red roses formed the centerpiece of the refreshment table.

## NEWTONICS

By Dorothy Williams

A BOSS — RAYTHEON STYLE — Most people have the notion that a boss is a cross between a spectre and a hand grenade — he is either haunting you or will explode at the drop of a hat. Now, we don't wish to disillusion anyone, but Raytheon has knocked this idea into a cocked hat. Just take one of our women foremen for instance. She has under her a group of Rays who are working on very vital radio tubes and she'll mince no words in telling you that she feels there is no group of girls like hers under the sun. And the girls feel the same about her; — in fact they brag about her. Now, what has this boss got? First, an understanding heart. She held their jobs once herself. And next, a mind that is perpetually young — she can talk the 16 year-olders' language and that of the 60 year-olders'. But most important, she has loyalty. If she thinks a girl is right, she'll fight to the last ditch for her, but if she is wrong she'll take her aside and speak straight as an arrow from the shoulder. Result? The Rays love, admire, and respect her. They'll work their fingers off for her in perfect harmony for they know that their slightest improvement in work makes her swell up with pride for them. These Rays are hitting tops in War Bonds, in blood donations, and tops in happiness under the supervision of their beloved "Sergeant in skirts."

The following items will give you a brief glimpse of the activities of these Rays: MUSTACHE CUPS AND PARASOLS. Singing the duet "Sweethearts" Mary Burgio (Dept. 405), 131 Eustis St., Roxbury, and Fred McInnis (Dept. 170), 39 Clifton St., Roxbury, won the hearts of 5000 spectators at Fenway Park where they appeared as guests in the Gay Nineties Revue produced by the City Park and Recreation Dept.

Dressed in old-time costumes, dancers and singers revived the days of "Diamond" Jim Brady and Lillian Russell in the spectacular "The Gay Nineties" (Dept. 170), 42 Lawrence St., Brockton, another guest performer from the Newton Raytheon, was clapped by the audience into tap-dancing an encore of his number in which he imitated Barney Fagan's famous buck and wing.

Climaxing the musical, the Raytheon quartet sang barber shop harmony selections. IT'S STUCK UP. Tube Head Tim, company mascot, has been doing a good deal of heavy thinking lately and has come up with this one: consider the common pin its head keeps it from going too far.

ESCAPE. S. Sgt. Kenneth Walley, U.S.A.A.F., husband of Helen Walley of Waltham, escaped from an enemy Prison Camp recently and is now safe at home in Waltham.

A few months ago, S. Sgt. Walley was reported missing in action, and later in May, he received notification that his husband was a prisoner of war.

In recognition of his valor, the Purple Heart was awarded to Walley for wounds received on his hands. His wife reports that other than his hand injuries, the Sergeant's health is excellent.

Mrs. Walley worked as a Test-Inspector in Dept. 145.

GOT A SECRETARY FOR A SOLDIER? One hundred and seventy-five letters were received by Pfc. Charles Deveau, U.S.A., from Newton Raytheon employees, his father, Simon Deveau, U.S.A., (Dept. 176), 145 Clark St., Waltham, learned recently when he paid a visit to the wounded soldier at Walter Reed Hospital, Washington, D. C.

Deveau says that his son is in excellent spirits and is looking forward to the day when he can be up and about with his buddies. "The young soldier wishes to express his thanks," his father says, "to all the Rays who wrote him and to tell them that he wished he could answer them all—but that he would need the services of at least four secretaries to do it."

MILKMAN KEEP THOSE BOTTLES QUIET. Tube Head, who is somewhat of an artist, had just completed a picture of the palatial dwelling of his millionaire client as it looked last dawn. "It's correct in every detail except one," said the owner critically. What's wrong? asked Tube Head. "Well," said the millionaire, "my son should be trying to fit the key in the front door."

THEY'RE PLAYING NECK AND NECK. The Newton Raytheon Men's Softball Team stepped up to tie for second place in the Newton City League when they defeated the Victory Athletic Club 4 to 3 in a game held at Victory Field, Newton, on June 19.

The Victory AC's took an early lead of 2 runs and held it to the sixth inning. The opposing team failed to break the tie in the seventh inning, and Raytheon singled, then made a double, thus ending the game with a score of 4 to 3. NO LACK OF HOT AIR EITHER. During this war, Tube Head Tim has come to the conclusion that some men arise to the occasion while others merely go up into the air.

HONOR ROLL. The Newton Raytheon plant began a drive on June 6 dedicating an entire day's production, quality, and attendance to Raytheon's own boys in the service. Among the servicemen honored (all former residents of Newton) were Pfc. John Quinlan, U.S.A.; Ens. Roger Davis, U.S.N.; Herman Norton, Lt. Com. (M.D.) U.S.N.R.

AND GIVE A FREE DISH WITH IT. Tube Head Tim, when shopping, asked a butcher the price of hamburger steak. "55 cents a

pound," he replied. "But at the corner store it is only 45 cents," said Tube Head. "Well, why didn't you buy it there?" asked the butcher. "Because they didn't have any," countered T.H. "Oh, I see," the meat man came back, "well, when I don't have any, I sell it for 45 cents, too."

### The Eruption of Mount Vesuvius

March 18, 1944.

At first sight Mt. Vesuvius looks like any other mountain, except that one of its several peaks has a lazy, curling column of smoke climb ever skyward seemingly oblivious of man and his nearby habitats. Although it gives the impression of great height—actually it is only approximately 3600 feet high—not unlike those found in the northern New England States.

To the right and below the crater is another hill on which can be seen a building supposedly erected by one of the former kings of Spain, as a summer place.

Partially on this slope just below, there lies the small town of San Sebastiano; a small group of old stone houses where nothing ever seems to occur except the inevitable cycle of life and death; where people work more or less only for the sake of existing.

One evening the crater had a red glow around it and molten lava began to appear flowing down the uppermost slopes. Soon the eruptions began in all their fury! And hurled red-hot rocks high into the sky.

As it slowly moved down the side of the mountain fire appeared and everything in the path of the great mass was consumed by flames. Trees, shrubbery and even great stone walls, built to hold in check the lava, were in turn swallowed up soon to vanish under the ever increasing wall of rock and fire.

At each new eruption flames shot high in the air and great new quantities of lava were released to augment the monster now rapidly moving down toward the little town nestled below.

By this time the whole side of the mountain was illuminated by the flames. Smoke began to rise partly hiding the crater from view. But we could still see the red glare as the rocks were tossed skyward to start their steady journey toward town.

Soon after this we learned the town was being evacuated as rapidly as possible and that nothing could save it from destruction. There were many and varied discussions as we stood there and watched, awed and fascinated by one of nature's greatest mysteries.

Many wondered where the people would go as housing was already so badly damaged, and it was now rather late at night. This we concluded would add to the difficulties already caused by the war—but in any case the people would not perish.

One of our officers standing there watching with us remarked rather jokingly "Just think, you are seeing all this free!" He went on to say that tourists had for many years been coming to Italy to see an event such as this spending thousands of dollars. Perhaps, I thought, the mountain is putting on this magnificent display for our benefit! At any rate we were witnessing an historical event which we probably would never again in our lifetime see.

The next day the eruptions continued even more severely, and from men who had gone to see for themselves we learned that the lava had already descended on the town — and was destroying buildings. Here its progress was retarded by the buildings which were slowly but methodically being buried under tons of lava.

It is almost unbelievable that stone will burn — but under the intense heat of molten rock the houses were all burning. By now we learned that the next town — Carcola, only three or four miles away — was being evacuated too, and we wondered if we, too, would have to evacuate our camp.

The flow was following old ravines cut by former flows and since there was a hill and a deep rivulet between us, we were sure it would not reach us here.

The third day the entire sky was full of smoke concealing the crater from our view. But still the lava came on relentlessly down ever increasing quantities. The smoke gave the effect of a low cloud—dark and thick with fog, making the mountain obscure and hiding the slopes from view.

Quite suddenly, in the evening rain fell, but soon it turned to hail that descended with remarkable force! Would this—we asked ourselves, stop the eruptions? Our question answered itself for this new complication didn't have any effect on it at all!

Great clouds of white smoke now began to appear—rising high into the sky—and except for its rapid rise looked like a soft white bank of fluffy clouds.

Higher and higher it rose until it seemed as if the heavens would be full of smoke. That night the smoke would occasionally clear enough to give a limited view of the crater, but only for a few seconds. As I write this on the third day the mountain still reigns supreme for nothing can stop it! Truly it is one of the most awe-inspiring sights I have ever seen.

### Kelley - Spittle

Announcement has been made by Mr. and Mrs. Edwin E. Spittle of 208 Dedham street, Newton Highlands, of the marriage of their daughter, Miss Gertrude May Spittle to Robert Roy Kelley, son of Mr. and Mrs. Roy W. Kelley of 183 Tremont street, Newton. The double ring ceremony was performed at the home of the bride's parents by Rev. Ralph H. Rogers Ph.D., of the Aunburndale Congregational Church, on June 17.

The bride wore a gown of white satin and tulle and her net veil was caught to a crown of ostrich feathers. She carried a bouquet of white gardenias and baby's breath. Miss Pauline G. Spittle, of Somersworth, N. H., was her sister's maid of honor and was gowned in peach taffeta. The bridesmaids were Miss Shirley A. Elliott of Keene, N. H., and Miss Constance Marie Dever to Charles A. Reynolds, son of Mr. and Mrs. Albert Hurwitz of 29 Mayflower road, Chestnut Hill.

Mr. Kelley was graduated from the Newton High School this month. Mr. Kelley, who is employed at the Raytheon Production Co., Newton, graduated from Keene, N. H. High School in 1941.

### Reynolds - Thomas

A recent wedding was that of Miss Elizabeth Alden Thomas, daughter of Mr. and Mrs. Robert Lyman Thomas of 122 Carver road, Newton Highlands, and Gilbert Richards Reynolds, son of Mrs. Gilbert Richards Reynolds of Brookline and the late Mr. Reynolds. The ceremony was performed at the Leydon Congregational Church, Brookline, by the Rev. Dr. Robert Wood Coe, on June 17.

Given in marriage by her father, the bride wore a gown of white over ivory satin, an illusion veil from a Juliet cap of heirloom lace studded with orange blossoms, and carried calla lilies. Miss Marion McPeak, of Boston, in a sheer gown of pale pink, and Mrs. George Lea, of Arlington in pale blue, each with a bouquet of lavender and purple stock and sweetheart roses, matching flowers trimming their small hats, were the honor attendants. Carrying old-fashioned bouquets of larkspur and roses, the flower girls, Sheila Ann and Sarah Ann Kennedy, of Hewlett, L. I., wore Kate Greenaway frocks of rose pink and poke bonnets trimmed with sweetheart roses.

Robert Lyman Thomas, Jr., brother of the bride, was the best man for Mr. Reynolds. The ushers were Moses Weld Ware and Walter Rodham of Cambridge, John Charles Roth, of Allston, and James O'Neal of Newton.

Mrs. Reynolds is the granddaughter of the late William J. Thomas, who was for over 60 years with the Herald-Traveler. Mr. Reynolds attended Browne and Nichols and Dartmouth College. They will live in Cambridge when they return from their wedding trip.

### Hill - Boynton

Pale pink peonies and roses decorated the home of Mr. and Mrs. Nehemiah Boynton, Jr., of 69 Pine Ridge road, Waban, on Wednesday, June 21, for the marriage of their daughter, Miss Margaret Brown Boynton to Calvin Austin Hill, son of Mr. and Mrs. Donald M. Hill of 72 Pine Ridge road, Waban. The four o'clock ceremony was performed by Rev. Edward C. Boynton of Scarsdale, N. Y., an uncle of the bride.

With her princess gown of cream satin and family heirloom lace, the bride wore a veil of French tulle and Brussels lace, made for the family by French nuns in China. She carried white orchids, roses and stephanotis. Her sister, Miss Miriam Boynton as maid of honor wore light blue chiffon and carried pale pink larkspur and roses.

### Miller - Breckenridge

The Leslie Lindsey Memorial Chapel, Emmanuel Church, was decorated with white Madonna lilies and candles against a background of green on Saturday, June 24, for the marriage of Miss Lina Jane Breckenridge to Chapin Dennis Miller, Ensign, USNR. The ceremony was performed by the Rev. Dr. Phillips Endeott Osmond and a reception followed at the Ritz-Carlton Hotel. The bride is the daughter of Mr. and Mrs. Donald G. Miller of New York City and Ensign Miller is the son of Mr. and Mrs. Preston Thayer Miller of Canaan, N. H.

Chantilly lace outlined the square neckline and trimmed the bouffant skirt of the bride's white marquisette gown and her finger-length veil of tulle was caught to white lilies-of-the-valley. Mr. Breckenridge gave his daughter in marriage and her attendant was Miss Sylvia Dennison, of Newton. Miss Dennison wore a white marquisette gown and carried a high neckline, bishop sleeves, and braided midriff.

Lt. Preston T. Miller, Jr., USA, was the best man for his brother and the ushers were Remington A. Clark, Jr., of Winchester and another brother, Daniel Everett Ford, Jr., USAF, son of Mr. and Mrs. Daniel Everett Ford of 11 Burdette road, Newton Highlands. The Rev. James T. Cotter performed the ceremony at the Sacred Heart Church, Newton Centre.

Miss Patricia Ford was the maid of honor and James Keough was the best man.

Mrs. Ford is a graduate of the University of California. For the present the couple will live in Newton Highlands.

### Hubbard - Grow

Miss Rosalie Jane Grow and Lt. Neal Lee Hubbard, U. S. Army, son of Mr. and Mrs. Neal Hubbard of Bloomfield, Ct., were married on Sunday, June 25th. A reception followed the four o'clock ceremony at the home of the bride's parents, Mr. and Mrs. George Grow of 767 Commonwealth avenue, Newton Centre.

The bride carried a bouquet of lilies-of-the-valley with orchids and she wore an informal gown of silk crepe. Miss Anne Cass, of Waban, her maid of honor, wore dusty rose and carried a spring bouquet. William Grow was the best man for Lt. Hubbard.

The bride attended the Newton High School and the groom attended Boston University College of Business Administration. Lt. and Mrs. Hubbard will live in Farmville, Va., when they return from a trip to Maine.

### Newton War Vets to Dedicate Flag Pole

Newton Post No. 6 of the Italian World War Veterans Association will hold a public patriotic demonstration on July 4th at Columbus Park, Cor. of Bridge and Water streets, between 10:30 and 11:45 a.m. A park flag pole, donated by Raytheon Mfg. Co. of Newton to the local Italian Veterans Post, will be dedicated with appropriate patriotic exercises and a short street parade.

Mr. Carmen Vitti, a prominent young local contractor is chairman and he will present the Honorable Vincent Brogan, who will be the Master of Ceremonies for the occasion. The Reverend James E. Fahey, of our Lady's Church will offer the benediction and he will be followed by the donation of the flag pole by Mr. Peter Arakalian for the Raytheon Mfg. Company. Mr. Loreto Bianchi, chairman of the Veterans Celebration Committee, will accept the pole and present it with the National and Service Flags from his Post, to the City of Newton for care and safe keeping.

A beautiful American Flag and a Service Flag showing 511 known boys from the Italian Quarters of Nonantum and two Gold Stars will be unfurled by Commander Antonio Manteoa of Post No. 6. Judge Vincent Brogan, the Master of Ceremonies will then present the Reverend James E. Fahey, who will speak on "Italian Boys in Service" as their Spiritual Advisor in the Church.

The last speaker, a neighbor, will speak of "Neighbors" as one of them, the Honorable Edwin O. Childs, has spent most of his life with the boys of both Wars, and has seen them leave the Nonantum Village.

The entire program is a tribute by the Veterans of 1918 to their boys in this War and they have the support of Miss Marion Pecorari, and Mrs. Francesco Lombardi who attend the Auxiliary to Post No. 6.

Earn while you learn. It's as easy as threading a needle to learn how to make the vital electronic equipment Raytheon is sending our boys overseas. Join Raytheon—Newton or Waltham.—Advt.

Mr. and Mrs. Smalley will live in Melrose.

### Frink - Garrity

A recent wedding of Newton interest performed in St. Agnes Church, Arlington, was that of Miss Eileen Marie Garrity, daughter of Mr. and Mrs. Frank E. Garrity of Arlington, and Mayor H. Everett Frank, Jr., USAAF, son of Mr. and Mrs. H. E. Frink of Newtonville. The ceremony was performed by the Rev. William J. Linehan and a reception followed at the Hotel Commander in Cambridge.

Gowned in white lace and chiffon, her finger-tip veil of tulle held by a cap of orange blossoms, the bride had her cousin, Miss Doris Coughlin, of Lexington, as maid of honor. The groom's sister, Miss Barbara Frink and his cousin, Miss Virginia Porter, of Cambridge, were the bridesmaids. Miss Coughlin wore aqua chiffon and carried a bouquet of pink roses and baby's breath, while the bridesmaids wore American Beauty chiffon and carried bouquets of American Beauty roses and baby's breath. Three attendants wore shoulder veils of tulle.

Paul Guard Garrity, Naval ROTC at Harvard, brother of the bride, was the best man for Major Frink.

Major Frink, who has been overseas for more than a year with the 8th Air Force, is commanding officer of a Flying Fortress and in the number of missions to his credit, is ranking veteran of the bombardment group to which his squadron is attached. Major and Mrs. Frink left on a wedding trip to Cape Cod.

### Darrin - Chanter

Thursday afternoon June 29th in St. John's Episcopal Church, Newtonville, Miss Francis J. Chanter, daughter of Mr. and Mrs. J. Chanter of Boston and formerly of West Newton, became the bride of Ensign John W. Darrin, USNR son of Ralph Mead Darrin of Syracuse, N. Y. The Reverend Dr. J. DeWolfe Perry performed the double ring ceremony.

Miss Winifred A. Little of New London, N. H. was maid of honor. Miss Elizabeth S. Duffield and Miss Barbara A. Hext of Buffalo, N. Y. were the bridesmaids. Lt. William A. Darrin was best man for his brother.

A small reception followed the ceremony at the Wellesley Inn.

### Ford - Almour

A wedding breakfast at the Copley Plaza, in Boston, followed the marriage on Thursday of Miss Patricia Almour, daughter of Lt. Com. and Mrs. George William Almour of 5 King street, Auburn, and Daniel Everett Ford, Jr., USAF, son of Mr. and Mrs. Daniel Everett Ford of 11 Burdette road, Newton Highlands. The Rev. James T. Cotter performed the ceremony at the Sacred Heart Church, Newton Centre.

Miss Patricia Ford was the maid of honor and James Keough was the best man.

### Receive Diplomas At Wilbraham

Richard E. Bunker, son of Mr. Everett L. Bunker of Lakewood road, and Charles D. Odell, son of Lieut.-Col. and Mrs. Herbert N. Odell of Hyde street, both of Newton Highlands, received their diplomas this June from Wilbraham Academy, Wilbraham, Massachusetts, at the 12th graduation exercises. During his school year Richard was very popular because of his understanding of people generally. He was on the rifle team, and took an active part in the football, hockey and baseball teams. He is planning to enter the Navy Air Corps and when the war ends, would like to resume his education and become a structural engineer. Charles was on the Junior Varsity Soccer Team, the Junior Varsity Basketball, and Junior Varsity Baseball team. He also took an active part in the tennis, baseball, track teams. He plans to enter the A-12 or to study at Ohio State University. At the end of the war he plans to remain in the service or travel. At the graduation exercises which were held in Alumni Chapel, at the Academy, Charles L. Stevens, Chairman of the Academy, explained that this was the second graduation exercises this year, the first being held in January and a third is scheduled for September. Wilbur E. Mallalieu, President of the Board of Trustees, presented the diplomas to the graduates.

Newton Upper Falls Garden Club

The members of the Newton Upper Falls Garden Club were the guests of the Misses Nellie M. A. Gertrude and Lillian M. Osborne of 117 High street on Saturday.

Because of the afternoon's storm the group met in their home where dessert coffee was served at 6:30 p.m.

Mrs. Austin W. Flint, President, presided at a short business meeting. Members answered the roll call with a beautiful rose from their gardens.

Miss A. Gertrude Osborne gave an interesting story of the rose and of the best method of cultivation.

A picnic has been planned for August 7, at the Riverside Recreation grounds.

A tour of the Hillside garden was enjoyed by the guests before the business meeting.

Newton

## Recent Deaths In Newton

**Mary L. McClure**  
Word was received here last week in a cablegram to the American Board of Foreign Missions of the death on June 19 of Miss Mary L. McClure of 26 Kingston road, Newton Highlands. Miss McClure was stricken with cholera while en route to Lu Ho High School in Sian, West China.

She was a native of Massachusetts and attended Newton High School and Oberlin College. In 1918 she went to China and after spending a few months in Peking went to Fenchow where she remained, except for a furlough, until 1942. When the Japanese invaded Fenchow Miss McClure was taken a prisoner and was not allowed to receive letters from home or to work with the Chinese. She was repatriated on the first trip made by the Gripsholm in 1942.

She is survived by a sister, Miss Helen McClure of Newton Highlands and two brothers, Arthur McClure of Woburn and Ernest McClure of Newton.

**Harriet C. Greene**  
Mrs. Harriet C. Greene, widow of Prof. Herbert E. Greene, formerly of 33 Somerset road, West Newton, died on Wednesday, June 28, at the home of her eldest son, Prof. William C. Greene of the classics department of Boston University, with whom she had made her home at 60 Shepard st., Cambridge since March.

Mrs. Greene was in her 90th year. She was born in Boston, the daughter of Herman Lincoln Chase and Susan Raymond Chase. Her husband, who died two years ago, was for 32 years professor of English at Johns Hopkins University.

Mrs. Greene was a painter and a violinist and took an active part on several charitable committees.

She is survived by three sons, Prof. Herbert E. Greene, Harold C. Greene of Bronxville, New York and Dr. Theodore C. Greene, a medical missionary in China, a sister, Mrs. Susan R. Cressey of Newton, and five grandchildren.

Private funeral services are being held today.

**Hugh Kelly**  
Funeral services for Hugh Kelly, husband of Mrs. Mary E. (Carney) Kelly of 21 Bailey place, Newtonville, were held on Tuesday from the Doherty Funeral Chapel, 327 Watertown street, Newton.

A high mass of requiem was celebrated in the Church of Our Lady by Rev. Russell T. Haley. Burial was in St. Mary's Cemetery, Randolph.

Mrs. Kelly, who was in her 65th year died suddenly at her home on Saturday. He was born in Holbrook, Mass., and prior to retiring seven years ago had been in the shoe business in Brockton.

He is survived by his wife and one sister, Mrs. John O'Brien of Brockton.

## Dewing Endorses Bradford for Lieut. Governor

Terming Dist. Atty. Robert F. Bradford of Middlesex County "the outstanding candidate," District Atty. Edmund R. Dewing of Norfolk and Plymouth Counties, today endorsed Bradford's candidacy for the Republican nomination for Lieutenant Governor.

Dewing was one of several leading Republicans to endorse Bradford in the past few days. Others include Rep. Albert F. Bigelow of Brookline, Chairman of the House Ways and Means Committee for 14 years, and John W. Haigis of Greenfield, former State Treasurer.

"His (Bradford's) record of public service makes him one of the significant personalities in the public life of Massachusetts," wrote Dewing in a letter just made public by the local Bradford for Lieutenant Governor Committee. "He is easily the outstanding candidate running for this important office."

"Bob Bradford is just the kind of a man we are going to need in the post of leadership for the days that are to come, and we Republicans have an excellent chance to make that possible by supporting him for the nomination for Lieutenant Governor at the Primaries Tuesday, July 11."

**Waban**  
Mrs. T. K. Wiley, leader of Group 6 in the Woman's Association of the Union Church, held a meeting of her group at her home on Waban avenue the evening of June 16. Plans were made for lending assistance to the U.S.O. at Temple place in Boston.

Mrs. E. R. Chapin, one of the leaders of Group 5, has received materials ready for sewing for Greek relief. Any one who is able to help may call at her home.

The leaders of Group 1, Mrs. A. E. Snyder, Mrs. H. S. Bloomfield and Mrs. L. G. Rosenfeld, are sending a box of clothing to Macedonia, Georgia, this week.

Barbara Fluker of 47 Larchmont road will complete this week the first special June session at Wheelock College, Boston, for training pre-school and primary teachers.

Miss Fluker, a former Smith College student, has been taking a course designed to prepare transfer students who lack experience with small children for entering readily into the junior fall teaching program. Miss Fluker lives at 47 Larchmont avenue.

Mr. Charles T. Cowen, USA and Mrs. Cowen (Edith F. Allen), announce the birth of a son, Robert Bradford Cowen, June 18, at the Richardson House.

Sharing grandparent honors are Mr. and Mrs. Mitchell Allen of Brookline and Mr. and Mrs. Rawson R. Cowen of Waban.

**Union Services**  
Union services for the five Protestant churches of Newton Centre will be held at the following churches during the summer months beginning Sunday, July 2, all services starting at 11 a.m.

July 2 and 9—Newton Methodist Church, Rev. Charles T. Allen, preacher.

July 16 and 23—Grace Episcopal Church, Rev. H. Robert Smith, D.D., preacher.

July 30 and Aug. 6—Immanuel Baptist Church, Rev. Clarence A. Wood.

Aug. 13 and 20—Eliot Congregational Church.

Aug. 27 and Sept. 3—Channing Unitarian Church.

**THINGS TO COME**—A new and better water-proof match—perfected to help make sure our fighting men get a light despite the weather or immersion; the secret of its water-resistance has not been divulged, and probably they'll be available only on the war fronts for quite a while yet.

... A chewing gum base other than the standard chicle—it's a latex extract from milkweed by a process patented by, of all people, the America Chicle company.

## The Army Has The Answers

Q. I am a veteran of World War No. 2 and am entitled to the good conduct ribbon and the good conduct medal which I never received. How may I obtain them? A.B., Manchester, N. H.

A. If you have a copy of the order on which you were awarded the good conduct medal or it is entered in remarks on your discharge certificate, you may purchase a ribbon at any military store. The good conduct medal will not be issued until after the cessation of the present hostilities.

Q. How may I obtain a discharge button? A.S., Concord, N. H.

A. By mailing your honorable discharge certificate to the nearest Army post or camp.

Q. What do the initials E. T. O. signify? L.D., Newport, Vermont.

A. European Theatre of Operations.

Q. What is the difference between a flight officer and a second lieutenant? A.S., Framingham, Mass.

A. A second lieutenant is a commissioned officer and a flight officer is not.

Q. What chance has a flight officer of promotion? O.R., Worcester, Mass.

A. A flight officer's chance for promotion is the same as everyone else in the service. Promotions are awarded to all military personnel on a basis of merit.

Q. If a soldier is chosen as an Aviation Cadet, does it mean he has possibilities of becoming an officer? V.V., Webster, Mass.

A. Yes, it does.

Q. Can anyone have a star in the window for nephews or sons-in-law in service, M.A., Stoneham, Mass.

A. Only members of the serviceman's immediate family are authorized to have a service flag in the window.

Q. Does a soldier have to have contributed to support of his parents for a period of a year or more before entering the service in order for them to receive Family Allowance? M.S., Middleboro, Mass.

A. No. The fact of dependency is submitted in support of their application and the information given in the certificate establishes the fact of dependency. Determination as to whether Family Allowance shall be paid is based on the information and is made by the Office of Dependency Benefits at Newark, N. J.

Q. My husband is in Italy and was promoted to Sgt. from Pvt., could you tell me when I will receive the increased amount, Mrs. C.B.C., New Bedford.

A. The fact that a soldier is overseas or promoted does not increase the amount payable to his dependents for Family Allowance. If the soldier wishes to send them an additional amount he must file an authorization for a Class E allotment with his personnel officer.

(Address all inquiries of a factual military nature to Public Relations Officer, Hqs. First Service Command, 808 Commonwealth Avenue, Boston, Mass.)

**Awarded Certificate**  
BRUNSWICK, Maine, June 24, 1944—On the 150th anniversary of the founding of Bowdoin College, twenty-five diplomas were today awarded to graduates at Commencement exercises held in Brunswick's historic First Parish church. Seventy-two undergraduates who have been called into military service were at the same time awarded certificates of honor.

Among those receiving the Bachelor of Science Degree was Richard W. Sampson, son of Mr. and Mrs. Winsor G. Sampson, 16 Rockwood terrace, Auburndale, Mass. A member of Beta Theta Pi fraternity, Sampson did his major work in mathematics. He entered the Army Air Corps in February, 1943, and is now an aviation cadet stationed at Chanute Field, Ill.

Certificates of honor were awarded to Jerrold Hickey of 66 Fountain street, West Newton, who is now attending the Midshipman School at Columbia University and to John A. Lane of 60 Oxford road, Newton Centre, who is now serving in the European theater with a combat engineering battalion.

## Tobin's Record for Aid of Hub Needy Wins Praise

Friends and advisors of Mayor Maurice J. Tobin were astounded when he, in 1941 when he declined flatly to permit any public announcement of a 10 per cent increase in the relief allowances of 8000 families and individuals receiving dependent aid.

On the eve of the mayoralty election which saw him win re-election for his second term he refused to permit an announcement which would presumably have gained for him a windfall of votes.

"No," he told pleading campaigners that November afternoon, "the increases do not become effective until the middle of the month. If I have to get into office by trading on the misfortunes of the city's needy I'll take defeat."

Better than anything else that action demonstrates a psychology which, through six and a half years as Boston's chief executive, has governed the actions of this son of Mission Hill. Without exception aspirants for political favor have always stressed their devotion to the benefit and the needy.

Tobin—with a record of having brought more effective aid to the city's under-privileged than any other chief executive in Boston's history—has steadfastly refused to capitalize on the work he has carried out in this regard.

In the election fought 1941 election thousands of persons went to the polls, completely unaware that an excellent administration of the city's affairs had permitted the Mayor to raise their standards of living.

The announcement of the higher schedule of allowances was made on the day after his election—not the day before. The Mayor himself conceded that it would have been good politics to have made the announcement before the voters went to the polls. "But it wouldn't have been good Americanism," he insisted.

Yet, Tobin easily could have put before the city's voters an unexcelled record in the matter of caring for those who through no fault of their own had to seek assistance from their fellow man.

When he took office the average family income that the city for assistance provided by the city for widowed mothers with small children.

**Bemporary Sergeant**  
William H. Dowling, an inspector assigned to the Newton Police Traffic Bureau, has been appointed an acting sergeant and has been placed in charge of the traffic bureau by Chief Michael T. Hughes. He succeeds the late Sgt. Thomas J. Burke.

Sgt. Dowling has been a member of the Newton Police Department for more than 22 years. He was appointed to the force on September 12, 1921 and before being assigned to the traffic bureau he served as a motorcycle officer.

During World War I he served as a despatch rider with the American Expeditionary Forces.

He is married and resides at 57 Noble street, West Newton.

**Julie Haydon in**  
**"Guest in the House"**  
For the fifth week of the fifth season of the Cambridge Summer Theatre at Brattle Hall Julie Haydon will star in "Guest in the House" by Dale Eunson and Hager Wilde. This psychological thriller which had a long successful run on Broadway and will shortly be released as a movie, deals with the story of a woman brought in a peaceful household by a charming guest who turned out to have a dual character, the sinister side of which was not revealed to her hosts 'til almost too late.

The role of the guest is aptly suited to the talents of Miss Julie Haydon noted for her dramatic characterizations, probably the greatest of which was that of Brigid in "Shadow and Substance" which won her unanimous praise from all critics. She continued in their good graces as a result of her performance in various plays by Saroyan among which was the Pulitzer prize winner, "The Time of Your Life." Miss Haydon has that rare quality found only in great artists, the ability to submerge her own personality in that of the character she portrays.

Her life reads like a Horatio Alger story for she overcame many obstacles to attain her goal. When only 18 she joined a traveling stock company which folded up. Then followed a period with little theatre groups in California where she won her first good notices that sent agents on her trail. Next came an unhappy period in the movies where she was handicapped by her resemblance to Ann Harding.

When Philip Barry saw her in a little four reeler called "From Dawn to Dark" he wanted her for his new play, "Bright Star." While waiting for this to go into production she made a movie called "The Soundrel" was her first success. "It was the first time I had the feeling that I might not be looking for a job in a five-and-ten-cent store again," she declares.

Supporting Julie Haydon will be Joan Eunson, aged nine, who has the unique experience of actually portraying herself on the stage. Joan's father, Dale Eunson, co-authored the play with Hager Wilde, and it was based upon a story by Katherine Albert who happens to be Joan's mother. When "Guest in the House" made a hit on Broadway Joan was too young to play the role. So for the first time in Cambridge she slips into a part written not only for her, but about her.

During the week of July 10th at Brattle Hall Lenore Ulric will star in "Dark Eyes." Saturday remains matinee day at the Cambridge Summer Theatre.

Bottles of milk handed employees during occasional rest periods produced a 30 per cent drop in accidents, and step-ups in both production speed and "presentism," the agency found in a special test conducted in a plant employing some 1,500 workers.

### THE COMMONWEALTH OF MASSACHUSETTS LAND COURT

Middlesex, ss. Case No. 7998, Misc. To the Honorable the Judges of the Land Court for the Commonwealth of Massachusetts.

Respectfully represents John T. Burns and Sons, Incorporation a Massachusetts corporation, having its usual place of business in Newton, in the County of Middlesex and said Commonwealth; that it is owner of a certain lot of land with the buildings thereon, situate in said Newton, in the County of Middlesex and said Commonwealth, bounded and described as follows:

SOUTHWESTERLY by M11 Street by two lines as shown on plan hereinafter mentioned, forty-one and twelve hundredths (41.12) feet and forty-eight (48) feet;

NORTHWESTERLY by Lot A as shown on said plan one hundred nine and ninety-five hundredths (109.95) feet;

NORTHEASTERLY by land of owners unknown one hundred eight and eighty-three hundredths (108.83) feet; and SOUTHEASTERLY by Lot C as shown on said plan one hundred, fourteen and nine hundredths (114.09) feet;

Containing about ten thousand eight hundred twenty-one (10821) square feet of land.

Said premises are shown as Lot B on Plan of Land in Newton drawn by E. S. Smith, Surveyor, dated May 1920, recorded Middlesex South District Deeds, End Book 4356.

That the record title to said lot of land is clouded by a mortgage given by Russell B. Spear and Marion G. Spear to Hazel Nolting White, dated March 4, 1921, and duly recorded Book 4419, Page 325, purporting to secure a note for \$4250.00, payable thirty months from said date with interest semi-annually, which mortgage appears to be undischarged, unassigned and unenforced on and by the record.

That for more than twenty years after the expiration of the time for the full performance of said condition no payment has been made and no other act done in recognition of said mortgage; and

That the mortgagors named in said mortgage and their heirs claiming under them have been in uninterrupted possession of said land for more than twenty years after the expiration of time limited in said mortgage for the full performance of the condition thereof.

WHEREFORE your petitioner prays that after appropriate notices a decree may be entered on the foregoing allegations as authorized by Section 15, Chapter 240 of the General Laws as amended by Chapter 20 of the Acts of 1924.

### Tendered Graduation Party on Graduation

Miss Katherine Elizabeth Corcoran, daughter of Mr. and Mrs. James W. Corcoran of 23 Stratford road, West Newton, was tendered a party at her home on Wednesday evening of last week attended by about 100 relatives and friends.

Miss Corcoran who was graduated on June 18 from St. Bernard's High School, West Newton will enter the convent of the Notre Dame in Waltham on August 1.

Her sister, Miss Virginia Corcoran was in charge of the arrangements for the party. Many gifts including a purse of money were received by Miss Corcoran. Among those attending were her maternal grandparents, Mr. and Mrs. Maurice Kiley of Billerica, her paternal grandmother, Mrs. James Corcoran of Waltham and her great aunt, Mrs. Catherine Holland of Fairhaven, New Jersey.

Her father is a member of the Newton Police Department.

**GRANDMOTHER OF FIVE GRANDSONS**, all overseas in the service of their country, Mrs. Lucy Derosier of 87 Freeman street, Auburndale, is the newest member of the Grandmothers War Bond League. She is shown here buying another bond for one of her grandchildren at the Personnel office of Raytheon Manufacturing Company, Waltham, where she works daily on the production floor in the power tube plant. Watching with interest are her daughter and son-in-law, Mr. and Mrs. Henry J. Chandonait of 22 Jerome avenue, West Newton, who also work at Raytheon. Miss Jean Harding of 5 Colby street, Belmont, is the salesgirl. Mrs. Derosier says her two reasons for working are to help bring her grandsons home and to buy war bonds for them.

### Has Five Grandsons Overseas

A sparkling, peppy, working grandmother with five grandsons overseas in the service of the U. S. A. is Mrs. Lucy Derosier of 87 Freeman street, Auburndale, Mass.

She is the latest member of the newly forming Grandmothers War Bond League sponsored by Mrs. George C. Marshall, wife of the General, to boost the sale of War Bonds among grandmothers buying bonds for their grandchildren.

Mrs. Derosier works on the production floor in the Power Tube Plant at the Raytheon Manufacturing Company in Waltham early shift, while her daughter, Mrs. Henry J. Chandonait of 22 Jerome avenue, West Newton, is on the second shift, tube inspection department of the same company.

He is a veteran of the first world war having served as machinist's mate. 2nd class, in naval aviation. Two of her boys also worked at Raytheon before joining the armed forces — Henry Chandonait, Jr., is a Pfc. in a Quartermaster Service Company and is on his way across the Atlantic after serving for some length as an M. P. at Camp Edwards; Wilfred Chandonait is a Corporal Radio Technician, Army Air Corps, somewhere in England. The third son is Paul Chandonait, Seaman second class U. S. N., who enlisted at 17 a year ago last March and has been on the U. S. S. Halligan, D. E. to North Africa and is now in the South Pacific.

Mrs. Derosier's other two grandsons are William Levert, Jr., and Robert Levert of 87 Freeman street, Auburndale. William is a Sergeant in the 101st Quartermaster Regiment, one of the first National Guard outfits to be Federalized. The 101st on March 12th celebrated its second anniversary out of the country. Sergeant Bill has been to Australia, New Caledonia, through the Guadalcanal fighting without a scratch and is now back in New Caledonia.

Robert Levert, Staff Sergeant on a Flying Fortress in the 8th Air Force Command stationed in England has had two especially interesting missions about which his family has learned from telegrams and various other sources, but not much from Bob Over Bremen, last December 16th, both hands were severely frost-bitten when the electric connections to his flying suit were shot away and he had to struggle to keep his hands from freezing below zero. Hospitalized, he was back in action within three weeks. On January 11th over Oeschersleben, Germany, his squadron flying without fighter escort, met with blistering fighter attacks, notwithstanding which they bombed their targets successfully and returned to England with the loss of only 1 bomber. It was on this flight that Sergeant Robert was officially credited with shooting down two German planes out of the nation's hands by his Flying Fortress Squadron to date.

When asked by his father later how he did it, he wrote "I just closed my eyes and went bang, bang."

Mrs. Derosier is justly proud of her family's contribution to the war effort and her foremost thought is for her five fighting grandsons.

Mr. and Mrs. Kenneth Newcomb and son of Oak street, have returned from a week-end visit to Biddeford, Maine.

Mr. and Mrs. George A. Malanson, Jr., of Chestnut street, spent the week-end at their summer home at Ferry Beach, Maine.

Union services will be held at the First Methodist Church on Sunday at 10:45 a.m. Communion service will be observed at this time. Rev. W. Henry Shillington, pastor of the Methodist Church, will preach at this service and at 7 p.m.

Mrs. Josephine A. Chamberlain is visiting her daughter and family, Rev. and Mrs. W. Henry Shillington, of High street.

Mrs. Donald F. Flinchbaugh entertained at her home on Rockland Place on Saturday, June 24, from 1:30 to 4 p.m. at a Dessert Bridge and Whist Party for the benefit of the Newton Upper Falls Woman's Club, with 12 tables.

### Newton Red Cross At Navy Send-off

Members of the Newton Red Cross Chapter House staff sponsored the service men's send-off on Thursday morning, June 29, when twenty men left City Hall to join the United States Navy.

The group was addressed briefly by the Rev. Herbert Hitchen, pastor of the First Unitarian Church in West Newton, and by Charles Raymond Cabot, chairman of the Newton Chapter of the American Red Cross. Mr. Cabot, from his experience in the First World War, emphasized the difference in the part played by the Navy then and now. He said that in this present conflict, the Navy saw to it that not only men and supplies reached the battlefronts but that they were playing a very active part in all theatres of war in actually bringing about the ultimate defeat of our enemies. He then wished them Godspeed and good luck, and told them that no matter where they were they would find Red Cross by their side.

Before leaving for the train, the men were served coffee and doughnuts by Newton Red Cross women with Mrs. C. Roy Rock and Mr. Edmund Miller in the Unit.

Among the Chapter House personnel at the send-off were Mrs. William L. Young, Mrs. P. Edw. Edens, Mrs. Fred B. Stritzinger, III, Mrs. Earl M. Dempsey, Mrs. Joseph M. Bray, Miss Louise Jellerson, Mrs. Leo Conannon, Mrs. C. Terry Collins, Mrs. Harry F. Morse, Mrs. Frederick Legnard, Mrs. Maurice B. Strauss, Mrs. Philip K. Brown, Mrs. Robert M. P. ### Four Newton Groups Get Nursing Certificates

Newton Red Cross recently awarded certificates to four groups of women who completed the Standard Home Nursing course. Mrs. Ralph Webber, chairman of the Home Nursing committee, expressed great satisfaction in the interest shown by Newton homemakers. "This training," said Mrs. Webber, "makes it possible to take care of one's own family in case of an emergency, and is of the utmost importance in these war times when doctors and nurses in the community are so over-worked."

In a class taught by Mrs. Doris Kellaway were Mrs. Agnes Dora Conrod, Mrs. Loretta Ruth Crocker, Mrs. Margaret Jean DeLoe, Mrs. Frances J. Fitzgerald, Mrs. Rosa Fishbein, Mrs. F. A. Freeman, Mrs. Alice Gay Greene, Mrs. Marguerite Kenslea, Mrs. Agnes I. Kiernan, Mrs. Marian Belle Knapman, Mrs. Louise F. Livingston, Mrs. Lillian R. Mandell, Mrs. Ruth Philbin, Mrs. Alveda J. Montgomery, Mrs. Velma S. Randall, Mrs. Marian A. Riley, Mrs. Bertha S. Sibley, Mrs. Barbara W. Tibbitts, and Mrs. Mary E. Walsh.

Mrs. Edith Anderson, Mrs. Margaret Bennett, Mrs. Mary Halpin, Mrs. Mildred Louise Spear, Mrs. Marion McAdams, Mrs. Clara McCormick, Mrs. Barbara Rhodes and Mrs. Esther Smith were instructed by Mrs. Phil Bradford.

A group taught by Mrs. Ruby Brotherton included Miss Faith Stanton, Miss Louise Spear, Miss Priscilla Widger, Mrs. Clara Conover, Mrs. Elizabeth DeGroat, Mrs. Mary O'Neil, Mrs. Barbara Clarke, Mrs. Alice Gascon, Mrs. Mary Blanchard, Miss Rita Adria Jetti and Mrs. Helen Goodrich.

Mrs. Virginia Pearson, Mrs. Ruth Wason, Mrs. Elizabeth Weber, Mrs. Elizabeth Balsbaugh and Mrs. Jane Murter comprised the small but enthusiastic class under Miss Mary L. Barry.

In East coast plants, after what they call "industrial feeding," was introduced, there was a 4 per cent increase in production and an 8 per cent decrease in errors. The same test on the West coast showed improvements of 10 and 4.06 per cent, respectively. The survey reports "a distinct change in employer attitude" favoring industrial feeding, within the last nine months.

Joseph Campagnone, son of Francesco Campagnone of 14 Middle street, Newton, had the pleasure of visiting his mother and sister and three of his brothers when the U. S. troops entered his home town, Arce, which it situated on the road to Rome, about 85 miles from that city.

His father who is a civilian employee of the Army, has received a letter from his son in which he tells how Arce was captured after a two day battle. His folks he said escaped unhurt although endangered by the fighting between the Allied and Nazi troops. The letter also told of the death of his grandfather, Gaetano Campagnone, who had died since word had been received from the family in Italy before that country had entered the war.

One of his brothers, Alfredo Campagnone, 29, who fought with the Italian Army was taken prisoner by the British in Egypt.

Joseph Campagnone came to this country when he was eight years ago when he was sixteen. Before entering the U. S. Army he worked as an operator of a bulldozer, and in the Army was assigned to the same work with the Engineers. While in Italy he had a narrow escape from injury when bulldozing a by-pass around a blown up bridge and the blade of his machine hit a mine. He was hurled from the machine and was stunned but suffered no injury.
